The **CYCA Youth Sailing Academy** is the world's leading youth sailing academy with over 450 sailors graduating since its inception in 1993.

2018 saw five current YSA sailors compete in the Rolex Sydney Hobart Yacht Race, with no less than 15 graduates also competing.

The YSA would like to thank the owners and skippers of these BWPS boats for their ongoing support in developing a successful pathway for young sailors to develop from small keel boat racing to competitive offshore racing.
