

CRUISING YACHT CLUB OF AUSTRALIA

Home of the Rolex Sydney Hobart Yacht Race

AN EXTRAORDINARY JOURNEY

In 2011-12, two remarkable young Australians Chris Bray and Jess Taunton (who'd never sailed before) rebuilt a decrepit, 29-foot junk rigged yacht 'Teleport' and sailed her through The North West Passage – over the top of Canada and Alaska – the first junk-rig, and youngest couple ever to do so. Do not miss coming to the

Cruising Yacht Club of Australia on **Tuesday 14 March 2017 at 6:30pm** to hear their amazing story of dodging icebergs and polar bears, and enduring a Force 12 storm!

Following the presentation (90 min inc. Q & A session) we will adjourn to the Club Bistro for dinner and continuation of discussion. When booking we would appreciate an indication of Bistro attendance.

Bookings: www.cyca.com.au through the online booking system.
