BOARD OF DIRECTORS, MANAGEMENT & COMMITTEES

BOARD OF DIRECTORS

Commodore	N. Cornish AM
Vice Commodore	A. Lane
Rear Commodores	D. Jacobs & B. Kellett
Treasurer	J. Treleaven
Directors	Dr. S. Haynes, T. Barker, P. Gothard & D. Griffith AM

STANDING COMMITTEES

Sailing Committee – Incorporates Training & Development and Cruising

Director Dr S. Haynes (Chair), Rear Commodore B. Kellett (Deputy Chair), Treasurer J. Treleaven, Director T. Barker, Director D. Griffith AM, A. Kear, L. Goodridge, C. Neil, S. Connelly, R. Henry, S. Rahilly, D. Burt, A. Psaltis, Z. Taylor, D. McCracken

Member Engagement Committee – Incorporates Associates, Member Value and Archives

Rear Commodore D. Jacobs (Chair), Vice Commodore A. Lane (Deputy Chair), Rear Commodore B. Kellett, Director D. Griffith AM, D. Wallace (Women in Sailing rep), J. Sapir (Active Member rep), M. Burns (Young Member rep), K. Sleeth (New Member rep), Y. Henderson (Member Value), P. Messenger (Associates rep)

Premises Committee

Vice Commodore A. Lane (Chair), Rear Commodore D. Jacobs (Deputy Chair), Rear Commodore B. Kellett, K. Roxburgh AM, Life Member P. Shipway

Audit, Planning & Risk Committee

Treasurer J. Treleaven (Chair), Director P. Gothard (Deputy Chair), Rear Commodore D. Jacobs, Director T. Barker, P. Whitford SC, S. York, A. Milln, D. Wallace, S. Crawford

MANAGEMENT

Chief Executive Officer	J. Kirkjian
Administration Manager	F. Cole
Head of Finance	J. Brennan
House Events Manager	M. Gibson
Marketing and Communications Manager	D. Hislop
Operations Manager	M. van Kretschmar
Sailing Manager	T. Blanc-Ramos

COMMITTEES

Associates Committee

M. Keelty (President), J. Anson (Vice President), C. Mulherin (Treasurer), I. Soemardi (Secretary), A. Lulham, A. Larkin, B. Daw, F. Ashley, J. Bohm, J. Dahl, Life Member K. Kellett, K. Brooks, P. Emerson, P. Messenger, P. Christie

Cruising Committee

Vice Commodore A. Lane (Chair), J. Keelty, F. Walker, S. Prince, D. Doyle, P. Ross, D. Henry

History and Archives Committee

Rear Commodore B. Kellett (Chair), C. Iacono (Deputy Chair), Life Member P. Shipway, Life Member T. Cable, Life Member M. James, D. Champtaloup, J. Hodder, D. Colfelt

Sustainability Working Group

M. Burns (Chair), J. Owens, A. Devlin, N. Payne, M. Rahmn

2020/2021

COMMODORE'S REPORT

COMMODORE
NOEL CORNISH AM

In many respects, the past year has certainly been a challenging period in our Club's history.

Amidst a world where the impact of the COVID-19 pandemic has left its mark on so many people and adversely affected many facets of life we often take for granted, such as travel, sport, events and hospitality, it was always going to be a difficult twelve months for the Cruising Yacht Club of Australia.

Whilst the heaviest blow was undoubtedly the cancellation of the 76th Rolex Sydney Hobart Yacht Race on 19 December 2020, there were many of our other sailing events that were also, of necessity, either cancelled or postponed. The Noakes Sydney Gold Coast Yacht Race was a casualty of enforced border closures and only two of the other four scheduled Audi Centre Sydney Blue Water Pointscores were held. The PONANT Sydney Noumea Race, already deferred from 2020, was postponed again and is now slated for 2022.

“ These decisions were not easy for the Board and management to make, but they were all resolved with the safety and health of our members, competitors, volunteers and staff as the number one priority and with the confidence that there were no other viable options available.

As a consequence of these changes, revenues from race entry fees and sponsorship were down year-on-year.

The Club itself suffered closures and capacity restrictions due to social distancing regulations throughout the year that resulted in a marked downturn in trading revenues.

Tight cost management and Government support through Job Keeper and other assistance provided throughout the year in different forms, including rent relief, enabled our Club to remain financially strong in the circumstances.

The resilience, positivity and enthusiasm shown by our staff, volunteers and Members to focus on moving forward and planning ahead for the new year has been fantastic.

I would also take this opportunity to extend our warmest thanks to our close friends at Rolex for their understanding and continued support throughout this tumultuous year as well as to all Cruising Yacht Club of Australia's other corporate and government partners.

MEMBERS AND THE CLUB

The recent easing of restrictions has allowed us to have more Members and guests into the Clubhouse and we have seen stronger attendances in recent months.

Most encouragingly, our Membership numbers continued to grow and we ended 2020-21 on another all-time record of 3,137 Members, a net increase of 57 people.

One key driver for this growth has been our new Pathway Membership offering which has proven to be very successful and has been helping introduce many younger Members and women to our sport and our Club.

We are currently developing initiatives that will allow these newcomers and others to experience and access sailing more easily. The Sailing Pathways Program is supported by Noakes Group who has kindly loaned the Club three Noakes 26 yachts to use during Winter Series and Wednesday Twilights as well as for other sailing opportunities in the future. Another key component of the broader Sailing Pathways initiative is the CYCA Concierge Program which aims to match new Members to current owners who are happy to allocate space on board their yachts each week so that we can help more people onto the water and experience racing firsthand.

Changes to physical distancing regulations has also allowed us to program more social functions, forums and

information evenings in the Clubhouse and we have been delighted at the solid attendance levels and forward bookings to date. Information evenings are run several times a month across a range of topics for owners and crews. The running of Badge Draws and Trivia Nights had been somewhat hampered by COVID-19 early in the year, the latter being moved online at one stage, but thankfully, things have now returned to normal for these events and they are part of the calendar. There are also many other exciting social events being planned by the Associates Committee for 2021-22.

I would also like to take this opportunity to wholeheartedly thank all our volunteers who help make the functioning of our Club possible. Their support underpins much of what we love about our Club.

We must also highlight the great work being undertaken by the Sustainability Working Group whose initiatives bring a more environmental focus to our operations and management and will over time enable our Club to achieve 'Clean Regatta' status for our events and improve sustainability across the marina operations.

Of particular note, the six SeaBin units installed in late 2020 have already removed over 3.4 tonnes of rubbish from Rushcutters Bay. These and events such as Clean Up Australia Day at the CYCA have had great support from our Members.

Our passionate volunteers ensured events and races could continue despite the challenges of COVID-19

All our focus is now firmly on making the coming year one to remember.

COMMODORE'S REPORT cont.

RACING

With the introduction of the new Summer Offshore Series (three races held in February and March 2021), the CYCA continues to explore new blue water sailing options for Members and hopes to make this series a regular feature in our annual sailing calendar. The Club is also looking at the possibility of other longer blue water race options for inclusion from 2022.

For our seasonal Harbour and inshore racing, Sharp EIT's Monday Twilights and the CYCA Wednesday Twilight Series were all well attended and there is heightened participation in the Winter Series and Women's Series with a registered fleet in excess of 120 boats entered. The newly introduced Two-Handed Pointscore was a great success and the Short Haul, Short Ocean Pointscore, Ocean Pointscore and Women's Keelboat Series continue to be popular for many of our crews.

We also celebrated the magnificent veteran yachts that had previously competed in the Great Race at the Sydney Hobart Classic Yacht Regatta over two special days in December and again, more recently, at the Great Veterans Race held in May.

The CYCA Trophy and Grinders Coffee SOLAS Big Boat Challenge both went ahead but their fleets were seriously impacted by the absence of international and domestic competitors who would normally be in Sydney ahead of the Rolex Sydney Hobart Yacht Race.

We are now all looking to the upcoming Noakes Sydney Gold Coast Yacht Race at the end of July and will again be working closely with all involved to make sure it's the celebration that we all know and love.

CRUISING

Cruising activities were somewhat limited over the year due to the pandemic with only a handful of events taking place. A cruise to Port Stephens was well attended and an enjoyable cruise to the Hawkesbury in conjunction with Royal Sydney Yacht Squadron was held

Commodore Cornish with the 2020 Ocean Racers of the Year - Matt Donald and Chris Townsend

over Easter. Plans are already in place for more activities over the coming year and we would like to encourage more owners and participants to get involved in these and experience the joys of cruising with fellow Members firsthand.

YOUTH SAILING ACADEMY

The Youth Sailing Academy has had another outstanding year with highlights including wins in the Hardy Cup and the Club Marine NSW Match Racing Championships as well as a third place at the City of Perth Regatta. Congratulations go out to all the squad, Coach Jordan and the YSA team for their successes.

The YSA's community and Club programs were heavily impacted by the restrictions during 2020 and many of the scheduled regattas were cancelled. Encouragingly bookings for school holiday courses and corporate sailing days are returning and the outlook is more positive for the coming year.

We welcomed the students and teachers from Eden Marine High School for a week of sailing with the Club, as a thank you for the town of Eden's annual support with the Rolex Sydney Hobart Yacht Race.

2021-2022

All our focus is now firmly on making the coming year one to remember.

My hope is that this will be one where we all get out on the water more often and can make the most of the company of good friends and family, be it racing offshore or on Sydney Harbour, enjoying a day on the water or cruising up or down the coast. Ours is a sport that offers everyone the opportunity to unwind and relax from the pressures of life in a safe and friendly environment.

I would personally like to thank the Board & management of the Cruising Yacht Club of Australia for their continued support and commitment.

2020/2021 TREASURER'S REPORT

Treasurer Janey Treleaven

Overview

For the financial year ending 31 March 2021, the Club has delivered a strong financial performance for 2021 despite COVID-19 outbreak and the related Government restrictions for a large part of the financial year, which in particular led to the cancellation of the 76th Rolex Sydney Hobart Yacht Race just six days prior to its start on Boxing Day. Notwithstanding the challenges, the prudent and proactive management coupled with the COVID-19 relief and record Membership numbers offset the losses related to the bar and sailing activities due to periods of shutdown and limitations on capacity.

The improved gross margin YOY from 88% to 93% resulted in an EBITDA of \$2.1m (including COVID-19 relief of \$0.9 million), up \$0.5m on prior year (30%). Depreciation, amortisation and interest of \$2.2m meant the Club delivered a significant reduced consolidated loss of \$65,545, a 90% improvement on the prior year's loss of (\$679,534). Furthermore, the Club was able to reduce the outstanding debt by \$0.6 million. Overall, these results have a limited comparability with the previous financial year, which was prepared on a pre-COVID environment.

Financial Summary

For Members' ease of reference and comparison, I have summarised certain key financial information as to the Club's performance and position over the last three years:

	Post AASB 16			Pre AASB 16		
	FY2021	FY 2020	FY 2021 vs FY 2020	FY 2020	FY 2019	FY 2020 vs FY 2019
Income statement						
Operating revenue	7,116,567	10,387,060	-31%	10,387,060	8,952,434	16%
Cost of sales	-483,124	-1,156,928		-1,156,928	-967,147	
Other income	927,433	144		144	10,223	
Operating expenses	-5,427,902	-7,592,118	-29%	-8,374,421	-7,788,738	8%
EBITDA	2,132,974	1,638,158	30%	855,855	206,772	314%
Depreciation and amortisation expense	-1,478,686	-1,561,900		-1,104,005	-1,044,995	
EBIT	654,288	76,258	758%	-248,150	-838,223	-70%
Interest	-719,833	-755,792		-254,938	-180,650	
(Loss)/profit for the year	-65,545	-679,534	-90%	-503,088	-1,018,873	-51%
Cashflow						
Net operating cash flow	3,148,397	2,147,326	47%	1,358,626	1,596,260	8%
Balance sheet						
Current assets	2,104,676	571,259		571,259	1,135,593	
Non-current assets	29,452,940	30,524,430		17,695,865	18,125,650	
Current liabilities	5,031,522	3,960,544		3,502,428	3,866,346	
Non-current liabilities	20,234,655	20,778,160		8,231,264	8,358,378	
Members funds	6,291,440	6,356,985		6,533,432	7,036,519	
Number of Members	3,137	3,080	2%	3,080	2,963	4%

Profitability

Operating revenue (excluding COVID-19 relief) of \$7.1m was down \$3.3m (31%) driven by the COVID-19 outbreak. The hardest hit by COVID-19 in terms of dollar amount was revenue from bar, food and merchandise sales, which the social distancing rules combined with limited operating capacity caused a decline of almost 60% from \$2.9m to \$1.3m. Further, the cancellation of a number of races throughout the year due to the imposed lockdown periods and border closures negatively affected sailing activities. In fact, revenue from rendering of services including berthing, hardstand and sponsorship was down by 20% to \$4.5m from \$5.6m while at the same time race entry fees declined by 70% from \$0.5 million to \$0.1 million. Among the different cancelled races, a significant portion of the downturn in rendering of services and race entry was associated with the cancellation of the 76th Rolex Sydney Hobart Yacht Race and the Noakes Sydney Gold Coast Yacht Race. Rental income was down 69% to \$0.1m from \$0.2m. Revenue from membership subscriptions was relatively flat year on year down only 2% to \$1.1m.

COVID-19 relief of \$0.9m from Job Keeper for April 2020 to March 2021, PAYG and Payroll tax relief has been classified as other income. Other COVID-19 related relief such as from rent is covered below.

Despite the various mentioned declines across the different revenue streams, the reduced operating cost of the club improved materially the profitability margins of the business. Cost of sales improved by circa 60% generating gross margins of 93% compared to 88% in the previous year. Similarly, total operating expenses decreased by 29% year-on-year from (\$7.6m) to (\$5.4m) leading to an EBITDA margin of 27% from the previously 16%. Administration was considerably favourable due to Dry Lease reclass and savings across the board due to the diligence of management including consultancy and review of costs such as utilities. Rent relief of \$110,375 has been included in the revised calculation of the Right-to-Use asset depreciation, interest and lease commitments.

Capital Expenditure

During the year, we slowed investment in capital items as a prudent measure in the face of significant uncertainty and accordingly cash spent in investment activities declined by circa 30% from \$0.4 million to \$0.2 million.

Liquidity

Despite the reported loss, the Club continues to generate positive operating cash flows. We were able to build up a significant "war-chest" with cash

and cash equivalents increasing to \$1.9 million from the \$0.1 million balance in the last year. Meanwhile total borrowings have decreased from \$2.5m to \$1.9m. In addition, the Club reviewed the requirement for an overdraft facility of \$0.8m setup during the refurbishment and determined it was still required to enable us to confidently manage the variability in net cash-flows that come from the seasonal nature of our Club operations. Overall, less than 10% of the receivables are outstanding more than 90 days with nil allowance for doubtful debts in 2021 despite the uncertain financial environment.

Outlook for FY 2022

A conservative but optimistic budget has been set for FY 2022 based on the assumption that COVID-19 restrictions will continue to be reduced and therefore Bar and Function revenue will return to close to pre-COVID-19 levels and also the resumption of both the Rolex Sydney Hobart Yacht Race and Noakes Sydney Gold Coast Yacht Race along with other races. This also means that no COVID-19 relief has been built in which will remove other income of \$0.9m and rent relief. A challenge to once again finish the year with a new record of Members has been factored in.

Delayed Capital Expenditure in a new crane and fencing for the hardstand, replacement of end of life IT systems and YSA sails has been factored in to our FY 2022 plans. However, the Board and Management will continue to be prudent and monitor the financial position of the Club closely to ensure that we can survive the uncertainty that has affected us all over the last year.

In closing, I would like to thank CFO John Brennan for his commitment to the Club as seen through his efforts to find every potential saving and revenue opportunity during this very difficult year.

2020/2021 SAILING COMMITTEE REPORT

Director Sam Haynes, Chairman

The 2020-21 sailing season was a difficult 12 months for the CYCA and our sport. Nevertheless, the Club was able to run the majority of its extensive sailing program thanks to the support of our Members and competitors. Whilst we were unable to run the Rolex Sydney Hobart Yacht Race due to COVID-19 restrictions, the season still provided many opportunities to get out on the water and race, including in the first ever Summer Offshore Series.

This new series topped off a successful calendar which included the Audi Centre Sydney Blue Water Pointscore, Two-Handed Pointscore, Ocean Pointscore, Short Ocean Pointscore, Short Haul Pointscore, Sharp EIT Monday Twilights, Wednesday Twilights and Winter Series and another inaugural series, the Sydney Harbour Women's Keelboat Series.

Our sponsors make our sailing program possible. Thank you to the following for their new and ongoing support, particularly throughout the difficult 2020-21 season: Rolex, Noakes Group, Audi Centre Sydney, Grinders Coffee, Sharp EIT, PONANT and Reed and Mackay.

I would also like to thank the members of the Sailing Committee, who volunteered countless hours of their time over the past year to the support of myself and our Club.

Bradshaw Kellett, Janey Treleaven, Arthur Psaltis, Les Goodridge, David Burt, Sean Rahilly, Angelique Kear, Rupert Henry, Tom Barker, David Griffith, Shane Connelly, Zoe Taylor and Craig Neil have dedicated their time and experience to ensure we were able to run as much of our program as possible in 2020.

Following the limited amount of blue water sailing in 2020, the Club introduced the Summer Offshore Series. This series provided additional blue water-style races for our competitors and consisted of three Category 2 offshore races. This series was a great success and provides the opportunity for competitors aiming for our Blue Water Pointscore to gain invaluable experience.

Our program would also not be possible without the ongoing commitment of our volunteers. These officials continue to dedicate their time to our on- and off-water

race management. Thank you to Denis Thompson, Steve Kidson, John Allan, Jenni Birdsall, Brian Carrick, Sarla Holmes, Tracey Johnstone, Eric Blake, Michael Fletcher, Daniel Richardson, George Astudillo, Gail Lewis-Bearman, Richard Bearman, Andrew Martin, Paddy Glover and Ross Garlan. It has been fantastic to see so many new faces as our team continued to grow over the past year.

I would like to extend a further thank you to the following:

- David Kellett for his commitment to and management of our major Race Committees.
- John Kirkjian, Karl Garavan, Steve Hatch, Tim Cox and Rear Commodore David Jacobs for their assistance in protest committees

Whilst we unfortunately were unable to run part of our Audi Centre Sydney Blue Water Pointscore due to COVID-19 restrictions, the Bird Island and Cabbage Tree Island races provided our competitors with the opportunity for some blue water sailing. Matt Donald and Chris Townsend's *Gweilo* was crowned the Blue Water Pointscore Champion (IRC Pointscore Overall winner). In IRC Division 1, *Gweilo* finished first, followed by *Ichi Ban* (Matt Allen) in second and *Quest* (Criag Neil) in third. Division 2 was won by *Sail Exchange* (Carl Crafoord and Tim Horkings), followed by *Minerva* (Tim Cox) and *Ariel* (Ron Forster and Philip Damp).

The Cape Byron Series (ORCi Pointscore of the Blue Water Series) saw *Ichi Ban* take the win followed by *Quest* in second and *Money Penny* (Sean Langman) in third. Division 1 saw *Ichi Ban* in first while Division 2 was won by *Sail Exchange*. The Tasman Performance Series (PHS Pointscore of the Blue Water Series) was this year won by *Arch Rival* (Steve Connors), followed by *Minerva* (Tim Cox) and *Blink* (Mark Gorbato). *Celestial* (Sam Haynes) won Division 1, with Division 2 taken out by *Arch Rival*. The Line Honours Pointscore of the Audi Centre Sydney Blue Water Pointscore was won by Sean Langman on *Money Penny*. A Two-Handed Division was included in the Blue Water Pointscore for the first time in 2020-21. Jiang Lin and Charles Le Dun in *Min River* took out PHS and ORCi, while Rupert Henry and Greg O'Shea took out the Two-Handed IRC Division.

The inaugural Summer Offshore Series was a great success for the Club with 23 entries across both fully crewed and two-handed divisions. The Series provided the opportunity for boats to participate in some blue water sailing following a limited Audi Centre Sydney

Blue Water Pointscore. I was fortunate enough to take out the Overall and Division 1 win with my crew in *Celestial* in IRC, ORCi and PHS. IRC Division 2 was won by *Sail Exchange*, with *Cinquante* (Kim Jaggar) in second and *Finn* (Janey Treleaven) in third. ORCi Division 2, saw the same results with *Sail Exchange* in first, followed by *Cinquante* and *Finn*. Finally, PHS Division 2 saw *Cinquante* come out on top, with *Sail Exchange* in second and *Blink* in third. The Two-Handed Division of the Summer Offshore Series saw a third of the fleet battle it out with Rupert Henry & Stacey Jackson dominating the division in *Mistral* taking out Two-Handed IRC, ORCi and PHS.

The Two-Handed Pointscore was run for the second time in 2020-21 and remains a fantastic enabler series for two-handed crews, providing the perfect opportunity to build their experience in this ever-growing area of our sport. *Local Hero* (Mark Ayto and Anto Sweetapple) dominated the Two-Handed pointscore this year, taking out IRC, ORCi and PHS. We hope to see this series continue to grow in the future.

The Ocean Pointscore Series remained highly competitive in the 2020-21 Season with *Gweilo* finishing first in IRC, followed by *Quest* in second and *Zen* (Gordon Ketelbey) in third. In ORCi, *Koa* (Andy Kearnan and Peter Wrigley) finished first, with *Zen* in second and *Sail Exchange* in third. *Gweilo* again claimed the top prize in PHS with *Koa* in second and *Quest* third.

The Short Ocean Pointscore grew in 2020-21 with the 34 strong fleet providing exciting racing for all competitors. *Khaleesi* (Rob Aldis and Neal Farquharson) finished first in IRC Division 1, with *Smuggler* (Sebastian Bohm) in second and *Vento* (Walter Lewin) in third. Division 2 was won by *Stormaway* (Jack Stening and Colin Gunn) for the third year running, with *Amante* (Dennis Cooper) in second and *Saltshaker* (Peter Franki) in third. *Wild Thing* (Geoff Lavis) and *Amante* took out ORCi Divisions 1 and 2, respectively while in PHS, Division 1 was won by *Vento*, followed by *Wild Thing* and *Khaleesi*. Division 2 PHS was taken out by *Morag Bheag* (John Maclurcan), followed by *Utopia* (John Amos) in second and *Saltshaker* in third.

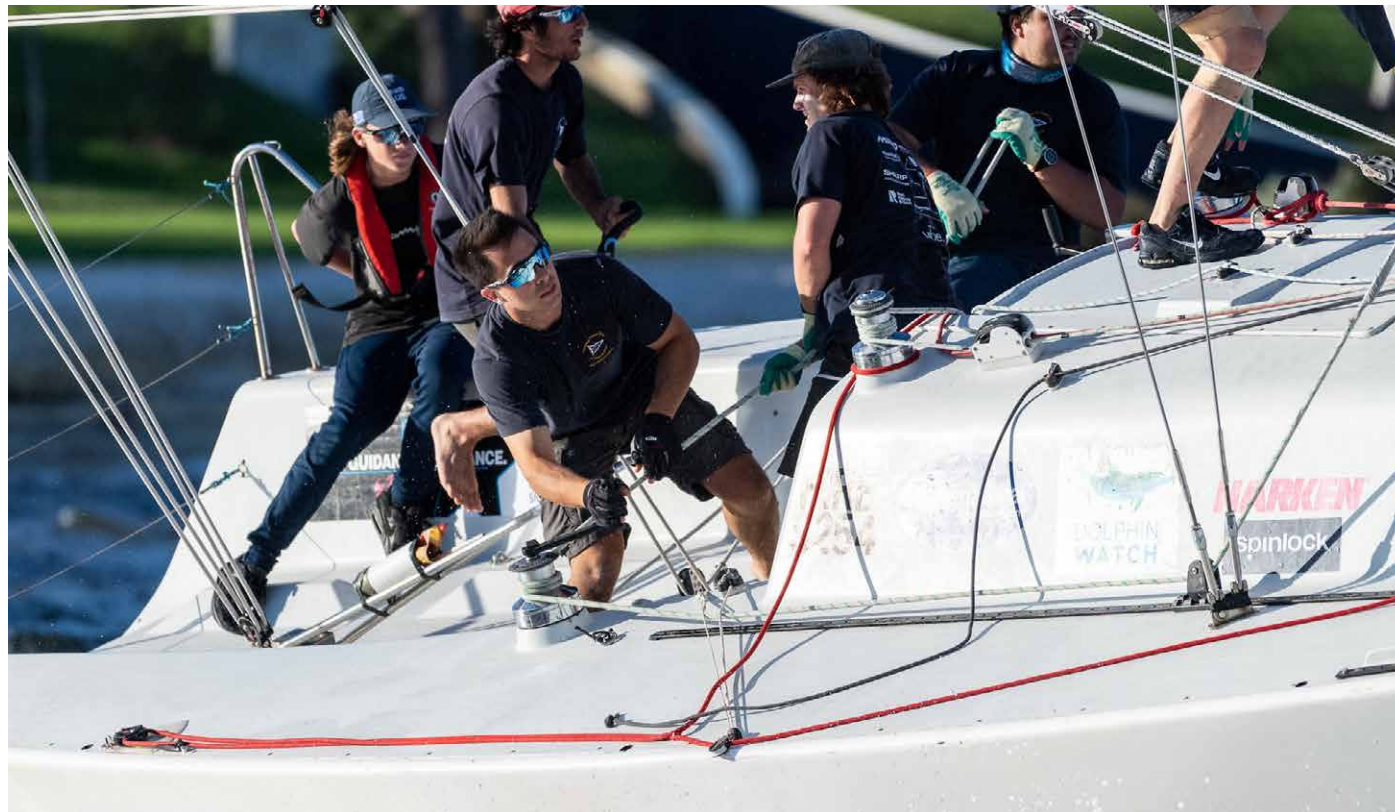

The Short Haul Pointscore was won this year by *One More No More* (Ian Guanaria), with *Cyrene 3* (Michael Selby) in second and *Great Xpectations* (Rod Wills) in third. *One More No More* also took out the IRC Division of both the Short Haul and Short Haul Passage Pointscores while *Yputakiteup* (Robyn Drew) took out top spot in the Short Haul Passage Pointscore in PHS.

I would also like to thank Middle Harbour Yacht Club, Royal Sydney Yacht Squadron and Manly Yacht Club for their support and partnership in both the Short Ocean Pointscore and Sydney Harbour Women's Keelboat Series.

Congratulations to all our competitors for another successful season. Thank you to CYCA Sailing Manager Tara Blanc-Ramos and her team in the Sailing Office; Tara Fraser, Emma Harrison and Eliza Shipway.

Congratulations to Local Hero on her Summer Season success. Photo: Hamish Hardy

YOUTH SAILING REPORT

Whilst COVID-19 affected much of our sailing endeavours, our Youth Sailing Academy's drive to deliver leading programs and the support shown from our many contributors allowed us to be dynamic with our season.

Although we saw reduced numbers participate in our community and club programs, the Academy managed to conduct three School Holiday Courses which saw 72 sailors participate, as well as the Development Match Racing Squad and Advanced Squad in late 2020 allowing an additional 52 sailors to continue to sail in 2020.

We hosted students from Eden Marine High in late November for a sailing week and four schools participated in the Freedman Foundation Sailing Week.

The revised regatta season saw many competitions cancelled; however, the Club was able to safely host three Regattas including the Captain John Piper Regatta, the Bolle Australia Match Cup and the Club Marine NSW Youth Match Racing Championship. These events again saw strong results from our Club teams, as well as strong

participation from New South Wales Clubs. The Club continued an 18-year winning streak at the Club Marine NSW Youth Match Racing Championship with Finn Tapper and his crew of Will Sargent, George Richardson and James Hodgson taking out the Championship.

Other competitions at RPAYC and RSYS again saw strong results from Club teams, with Finn Tapper, George Richardson, James Hodgson and Harry Hall winning the 2021 RSYS Hardy Cup and placing third at the City of Perth Regatta in April. The Club is looking forward to growing participation in our 2021 programs and continuing the Academy's success.

We would also like to extend our appreciation to our many supporter and program sponsors including, Walker Corporation, Musto Australasia, Steadfast-IRS, Club Marine, Vibe Hotels, Sharp Australia, Belmadar Constructions, Toga Group, GME, Hood Sails, Noakes Boat & Shipyard, Altex Yacht & Boat Paint, Freedman Foundation, Sun Foundation and member regatta sponsor Dean Harrigan (Captain John Piper).

CYCA YSA KEY RESULTS

1st Hardy Cup 2021 - RSYS

1st 2020 Club Marine NSW State Match Racing Championship - CYCA

1st Captain John Piper Regatta - CYCA

2nd Bolle Australia Match Cup - CYCA

3rd City of Perth Regatta - SRS

2020/2021 MEMBER ENGAGEMENT COMMITTEE

Rear Commodore David Jacobs

COVID-19 was a significant challenge for the committee with many of our normal activities curtailed or even prevented. Notwithstanding this, we achieved an all-time record number of Members at 3,137 and were able to significantly advance many of our initiatives.

1. Pathway Membership

The new Pathway Membership which was approved by Members at the last AGM has been extremely popular and successful. By the close of the financial year we had 171 new Pathway Members of whom 36% were female.

2. Connecting People to Sailing

Perhaps one of the most important things we can do is to make sailing available to those who are interested, whether new to the sport or experienced hands. To this end, we have launched our Sailing Concierge program. Each week at the Winter Series and the Summer Wednesday Twilights, a volunteer acts as Sailing Concierge to match people who would like to sail to yachts that need crew. The Sailing Concierge is identified by a red CYCA shirt and has knowledge of our skippers to appropriately match interested crew with the right yacht for them.

We have also focused on developing a pathway to Membership from both Pacific Sailing and EastSail for those who do their courses.

3. Sailing Information Nights

During COVID-19 we had a number of interviews of notable sailors conducted by our own Peter Shipway. We have now been able to resume our regular information evenings with one or two held every month. We are now recording them so that Members who cannot make the sessions can still view them afterwards.

4. Yacht Owners Forum

We are planning to conduct forums of yacht owners of varying interests (eg Blue Water, Short Ocean, harbour divisions) to share information and get to know each other better.

5. On-Boarding of New Members

Our processes for those applying for Membership were a little cumbersome. Accordingly we have reviewed and streamlined those processes to facilitate a smooth and speedy pathway to Membership. We have also re-started our New Members Welcome function and are putting the final touches to a 3 month welcome program.

6. Easier processing of Guests at Reception

Continuing the theme of first impressions, at times the delay for guests registering at reception in compliance of the Registered Clubs Act has not generated a good

impression. Delays can discourage guests to return. Accordingly we replaced the machines with new models and in almost all cases are achieving our benchmark of a 15 second registration.

7. Pathway for Volunteers

Our volunteers are critical to the operation and success of our Club. Volunteering provides a wonderful community and a source of new friendship for so many of our Members. We have held our first successful Opportunities for Volunteering at the CYCA evening, are focusing on pathways for our volunteers so they can continue to develop new skills and are developing better management processes to ensure we take care of our volunteers and recognise their wonderful contribution.

8. Women in Sailing

We are pleased to see the percentage of women who are joining the club is increasing and are developing more opportunities for our women Members to participate in specific sailing and social events.

9. Club Reciprocity

We have reviewed all of our reciprocal clubs based on an assessment framework developed and approved by the Board as well as the benefits we offer Members of reciprocal clubs. We are also expanding the number of reciprocal clubs and are reviewing numerous other clubs around the world to determine if they are suitable and if so in a reciprocal relationship.

10. Parking

Parking is a problem on major race days. Accordingly we have negotiated special parking rates at the Edgecliff Centre on race days.

Committees

Under the umbrella of the Member Engagement Committee are three most important committees:

History and Archive Committee chaired by Rear Commodore Brad Kellett

Associates Committee chaired by Margaret Keelty

Cruising Committee chaired by Vice Commodore Arthur Lane

In conclusion I'd like to thank my deputy chair, Vice Commodore Arthur Lane and all the Members of the committee and staff with whom we have worked for their enthusiasm, engagement and commitment to achieving the results we have in what was probably the most difficult year facing the club. I would also like to thank the previous chair, Treasurer Janey Treleaven, for the great foundation work she did as chair of the committee over the past 2 years.

The Ladies' Night continues to be a successful event for the Associates Committee

ASSOCIATES COMMITTEE

- Chaired by President Margaret Keelty

The year of COVID-19 and its aftermath brought many challenges. But in true style, the CYCA Associates adapted.

We met via Zoom and in a year of isolation, it was nice to have that opportunity to connect and to continue to drive events for CYCA Members. Now, in 2021, a full schedule of events is back on the table.

Already we are back playing trivia at the club, with further nights planned during Winter 2021.

During COVID-19 in 2020, the Associates suggested and worked with the Club to put Trivia online so Members could still connect.

The Club found a company that did this and it was back to monthly Trivia nights, providing an opportunity to exercise the brain cells and to connect with other Members.

The Associates are now working on a plan to bring Members to the club mid-week in 2021. Social events are being worked on, including a games night, talks and lunches.

There is also work in progress for our regular events - Ladies' Night, the Hall of Fame and Member Anniversary Dinner, Market Day, the Children's Christmas Party and the increasingly popular Rolex Sydney Hobart Yacht Race Crew Party.

Despite the hard work of Associates in planning all of these above events for 2020, they were casualties of COVID-19 but are back on the agenda and being worked on as you read.

In 2020, the Associates managed to decorate the Club for the festive season, as is traditional.

While the annual children's Christmas party was a casualty of the pandemic, Santa still managed to drop a massive bag of gifts to the Club for CYCA Members' children.

As always, Santa's choices were very popular. It was wonderful that so many Members took up this offer in lieu of the Christmas party.

Christmas also brought one of the Associates' key fundraising activities - the Christmas hamper. Again we adapted, with the introduction of online ticket sales.

Judith Lee, who purchased her tickets online, was the lucky winner and proceeds went to the Youth Sailing Academy.

Tea towels continue to be extremely popular and we are currently working on a new design.

Another idea from the Associates Committee was the CYCA 'Crewmates' program to help Members connect with each other during isolation.

It could be for a catch up chat, to swap news and views or to provide assistance for Members in connecting to social media. We had six responses for this, mostly from people offering to help, which was nice. Perhaps the small response is because CYCA Members were already looking after each and are OK.

Certainly many of the Associates made calls to check in with those they thought might like a call or need help and some received calls also, just to check in, which were appreciated.

It has been a pleasure and honour to be the President of the Associates Committee again this year and to be part of this hard working and committed team, who have wonderful ideas, put a personal touch on events and lend a hand whenever required at the CYCA.

The Cruising Committee takes in the view of Coal Shaft Bay.

CRUISING COMMITTEE

- Chaired by Vice Commodore, Arthur Lane

The COVID-19 era has caused havoc with the Cruising Committee, in both its on water and land-based activities.

However, as the restrictions eased, a number of our Members enjoyed a cruise to Port Stephens and a rendezvous with like-minded cruisers for a great weekend.

Similarly, a number of our Members linked in with the Royal Sydney Yacht Squadron for a very successful get together on the Hawkesbury over Easter.

Looking forward, the committee is planning a Christmas-in-July raft-up in the harbour.

Planning for cruises to Jervis Bay and to Lord Howe Island are well advanced.

The Committee also spent time reassessing its information evenings and joined with the Sailing Office to actively prepare for speakers on a wider range of topics when restrictions were eased and they could again be held, albeit under strict seating arrangements.

So far, successful topics have been held on :

- The new racing rules
- Understanding and management of electrolysis on our vessels and on the marina
- On shore activities
- A talk by Will Oxley on advanced navigation
- A very sobering talk on the East Coast Low weather phenomenon with the Bureau of Meteorology and the Nautical Institute
- An enlightening evening on the latest EPIRB and AIS equipment in the rapidly evolving hi-tech technology that will make our lives a little safer at sea

- A talk on the latest evolutions with satellite communications systems.

Our web page has been revamped and will become more accessible and user-friendly thanks to David Hislop, our Marketing and Communications Manager.

I would like to acknowledge and thank the Committee for all its valuable input and oversight over this difficult time.

We could not do what we do without the knowledge, skills and diverse abilities of Denis Doyle, David Henry, Frank Walker, John Keelty, Kevin Whalen, Phil Ross and Stephen Prince.

A special thank you also to Fiona Cole for her skills and patience in managing this group.

The Cruising Committee hosted an engaging information evening on satellite information systems.

HISTORY AND ARCHIVES COMMITTEE

– Chaired by Rear Commodore Bradshaw Kellett

During 2020/2021, the Archives Committee had a name change to the History and Archives Committee (HAC).

The HAC felt this name better suits the Terms of Reference under which the committee acts.

The 2020/2021 HAC is comprised of:

Chair - CYCA Rear Commodore Bradshaw Kellett

Deputy Chair - Chris Iacono

Publications - CYCA Life Member Tony Cable

Video Archive Project & Publications - CYCA Life Member Peter Shipway

Legal/Websites - CYCA Life Member Martin James

Video Archive Project - David Champtaloup

Websites/Historical Data - Julie Hodder

Editorial Consultant - David Colfelt

The HAC would like to thank John Allan and Leander Klohs for their service up until 2020. The HAC would also like to thank David Colfelt for his contribution from off site and has welcomed Julie Hodder to the committee and thanks her for her contribution.

The HAC thanks CYCA Commodore Noel Cornish AM for his attendance and contribution to the monthly meetings.

The primary HAC initiatives for 2020/2021 were:

- Video Archive Project (VAP) - The VAP is under the guidance of David Champtaloup and Peter Shipway, with the assistance of CYCA's Communications & Digital Coordinator Mitch Grima. The 2020/2021 interviews of Basil Diethelm, Commodore Noel Cornish AM, Hugh Treharne OAM, Bob Fraser and Sir James Hardy OBE, as well as "Evenings With" Peter Montgomery and Grant Simmer OAM from the CYCA COVID-19 Lockdown Series, were added to the online collection of prominent yachtperson interviews. The VAP can be located at cyca.com.au/video-archive-project.
- Document scanning - The HAC are in the process of finalising the complete Offshore collection to be displayed on the CYCA's History & Archives webpage. The HAC would like to thank volunteers Tracey Johnston and Annie Lawrence for their assistance with this project.

The HAC is undergoing the data entry of the CYCA's historical yacht registers. Tracey has created the program to add data to and is currently creating the CYCA Yacht Register from 1945-present. The data will aid the HAC in deciding what to display online and it will be displayed in the Digital Archive for online viewing.

The HAC archived paper biographies and other documents are ready for professional scanning and will be an addition to the upcoming Digital Archive.

- Photo digitising project - The digitising of the CYCA's stored print photos is in its 14th year of scanning. This project is currently on hold to prioritise the design of the soon to be released CYCA HAC Digital Archive. The scanned images are currently stored in the CYCA's cloud that was developed during 2020/2021 and are being used for trial versions of the upcoming Digital Archive.
- Digital Archive - The HAC have established recommendations for the upcoming Digital Archive and created a committee consisting of Bradshaw Kellett, Chris Iacono, Martin James and Julie Hodder to finalise the design and layout of the upcoming Digital Archive. The committee is working with CYCA Marketing Manager David Hislop and Communications & Digital Coordinator Mitch Grima to create the final product with the CYCA's IT company Picnet.

“ The HAC has spent some time considering the copyright issues with the material that it intends to publish online.

The approach to be taken by the CYCA to obtaining approvals from copyright owners where appropriate, and more rigorous procedures around accepting material for publication, have been considered and implemented. The HAC would like to thank Martin James for his time on this project.

- History and Archives Room - The History & Archives Room houses our collection of: SHYR Programs, OFFSHORE magazines, CYCA Annual Reports, CYCA Sailing Handbooks and SHYR files. Other CYCA historical artefacts and information are also housed here.

For access to the Archives Room for recourse purposes, please contact CYCA Marketing & Membership Coordinator DJ Munro on david.munro@cyca.com.au who will organise access.

- Display of artefacts and trophies - The HAC continues to display artefacts in the Coasters Retreat and around the clubhouse.

Past Commodore Norman Rydge Jnr AM OBE has donated a model of *Lorita Maria* and a model of *Koomooloo* to the CYCA's artefact collection. The models are on permanent display in Coasters Retreat. The HAC would like to thank Past Commodore Rydge for his kind donation.

The CYCA's artefacts and trophies have been re-evaluated for insurance purposes.

- Publications - The HAC would like to note Tony Cable's contribution to editing all CYCA documents in print and online. Tony's efforts are bringing a continual improvement to the CYCA's print and online presence and the HAC support Tony's efforts by continually suggesting improvements to all CYCA publications.
- To aid CYCA management and contractors produce a quality program for the RSHYR, the HAC has re-established a committee consisting of Peter Shipway and Chris Iacono to assist the CYCA in publishing the RSHYR Program in the future. If there is a suitable candidate with a publishing background willing to volunteer time to this initiative, the committee will consider applications to join.
- Acquisition of digital artefacts - Throughout COVID-19, Tony Cable and others have been browsing the internet for quality related material to use on the

CYCA Digital Archive. Chris Iacono has taken on the task of acquiring the said information for professional quality display.

- CYCA race websites - Martin James oversees the club's race websites, including: Rolex Sydney Hobart Yacht Race, Noakes Sydney Gold Coast Yacht Race, Audi Centre Sydney Blue Water Pointscore, and Ponant Sydney Noumea Yacht Race.

If there are errors noted on the race sites, please contact CYCA Marketing & Membership Co-ordinator DJ Munro on david.munro@cyca.com.au, who will alert Martin of the error.

Scan the QR code to view the CYCA's History and Archives online archive.

Past Commodore Norman Rydge generously donated models of *Lorita Maria* and *Koomooloo*.

2020/2021 PREMISES COMMITTEE

The management team took advantage of the periods when the Club and the marina were partially closed because of the restrictions imposed by the NSW government due to the COVID-19 pandemic.

We were able to keep all staff, thanks to the assistance that the government's Job Keeper program provided.

Planned maintenance to both the marina and our Clubhouse were accelerated and they were in top condition for when sailing and social events recommenced.

In addition to the planned maintenance, a detailed inspection of the power supply to the whole marina was undertaken and it is important to note that the contractors and consultants have stated that the Club is in the best position that it has ever been in.

There is no electrolysis on the marina, from the start of power supply at the road to the bollards on the marina.

Overall, the majority of vessels on the marina are also showing very few issues with regard to electrolysis, however a small minority of boat owners are still not compliant with their power cables and we ask that they take action as soon as possible.

The Marina Office has completed its upgrading of Berthing Policies, Licence Agreements and the waiting lists.

The Premises Committee will continue its review of inactive vessels as and when their licences come up for renewal.

Management continues its preparation of a number of DAs that need reapplications and continues its negotiation with RMS to obtain a consolidated overall plan for berthing on the marina.

The Committee has seen an increased focus on ensuring the sustainability of the Club and the marina.

There have been a number of staff movements over the past year. Max Leonard and his young family have moved to Melbourne, and Steve Cole has also left the Club.

Matt van Kretschmar joined the team as the Operations Manager and his wide range of skills has brought a new level of professionalism and dedication to the group.

He is very ably assisted by Manny Bonacini, Philip Pembroke and Max Henderson, as well as Yixing Ren, Sebastian Martin and Nick Wright who provide the necessary weekend services.

And then there is Mumma Clara, the real boss who provides such a wonderful service keeping the Club and our grounds in such good order. We could not do

without the ray of sunshine that she provides to her varied tasks and to all of us that come across her at the Club.

The Committee of Past Commodore Kerry Roxburgh AM, Past Director Peter Shipway, Rear Commodores Bradshaw Kellett and David Jacobs, as well as Members Nell Payne, Mitch Burns and Mark Dagworthy, meets monthly and is joined by our CEO Justine Kirkjian, Matt van Kretschmar, and Fiona Cole who keeps me under control and makes sure that communications to all happen so seamlessly.

We are also often joined by our Commodore Noel Cornish as an observer from time to time and he brings another level of valuable input and oversight on the bigger picture.

The knowledge, skills and diverse abilities that this group bring allow management to work efficiently and successfully resolve the many issues that arise.

SUSTAINABILITY WORKING GROUP - Chaired by Mitch Burns

In its third year since formation, the Club's Sustainability Working Group has this year continued to build on the tangible progress made across all of its key objectives and initiatives.

Initially reporting in to the Member Engagement Committee, the decision was made following the Club's 2020 AGM to bring Sustainability under the remit of the Premises Committee. This move was in response to the strong progress made in delivering on the initial set of objectives designed to bring the Club's member facing operations more in line with current Member and community expectations regarding sustainable practices. Amongst others, these included:

Vice Commodore Arthur Lane

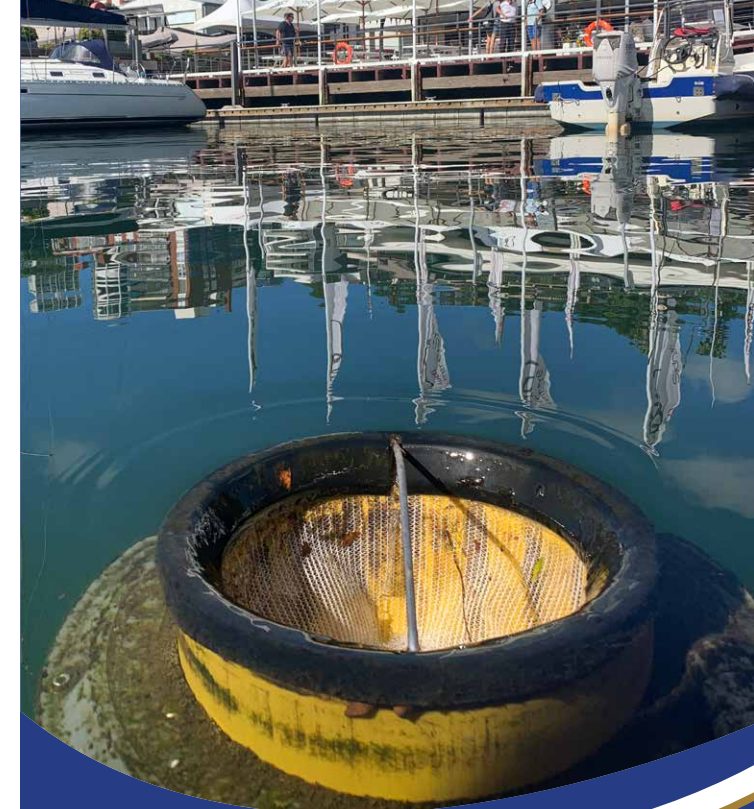

- The substantial reduction of single use plastics in use across food and beverage offerings at the Club
- Introduction of 6 SeaBin units across the Marina to remove waterborne rubbish (to date collecting over 3.4 tonnes of rubbish across the Marina)
- Installation of LED lighting, sensor lighting, and installation of Solar panels on the Clubhouse roof

Following the change in reporting structure, a broader programme of initiatives to improve the sustainability of the Club's assets and operations was agreed to be delivered by the Sustainability Working Group over the course of FY21/22, and we are pleased to report substantial progress against all of these initiatives, including the three key strategic priorities, below:

1. Reducing Club Carbon Footprint: Initial report being prepared into the Club's existing Carbon Footprint, which will serve as a baseline against which we can quantify the impact of sustainability initiatives undertaken over time
2. Improving Sustainability of YSA Regattas: Achieved 'Silver' accreditation from the Clean Regattas programme for the 2020 Captain John Piper Regatta and Bolle Australian Match Cup, a globally recognised standard for sustainable best practice in regatta management
3. Improving Sustainability of Marina Operations: Commenced process of securing Clean Marina Accreditation for our Marina, an initiative of the Marina Industry Association to recognise Australian marinas which have implemented measures to reduce any negative environmental impacts

The Club will continue to expand and execute on these three strategic initiatives over the coming year, in addition to several other pieces of work including investigation into installation of additional solar electricity generation and storage capacity, increased revenue generation for the YSA through the Citizen Blue recycling bins, as well as investigation into the feasibility of installing of water storage capacity on site to reduce the impact of any future water restrictions on club operations and boat maintenance.

I would like to acknowledge the time and hard work of club staff and working group volunteers including Matt van Kretschmar, Tara Blanc-Ramos, Fiona Cole, David Hislop, Moah Ramn, Nell Payne and Julia Owens, the generous support of environmental consultant Ali Devlin, as well as the ongoing support from Woollahra Council. I'd also like to thank the work of past Director Justin Atkinson, as well as Victoria Whitby for their work in establishing this programme for the Club.

CYCA Staff continued to support Clean Up Australia Day in 2021

Mumma Clara

2020/2021 AUDIT PLANNING & RISK COMMITTEE REPORT

Treasurer Janey Treleaven

The purpose of this Committee is a traditional one of planning, overseeing, reviewing and monitoring the financial, commercial and legal matters that underpin the functioning of our Club. 2020 was a definitely a year we could not have planned for. A global pandemic that interrupted operations across all industries meant that the members of AP&RC and their skills were invaluable in ensuring that the Club did not just survive but reflected and focused on the future.

I would like to thank the members of the Committee for their efforts and inputs throughout the year; Rear Commodore David Jacobs, Director Peter Gothard, Director Thomas Barker, Peter Whitford SC, Steve York, Andrew Milln, Deborah Wallace, and Sarah Crawford. I would also like to thank Commodore Noel Cornish for passing the Chair to myself in August and his continued support and guidance. Thank you also to Vice Commodore Arthur Lane and Amanda Wilmot who stepped down from the Committee last August and I appreciate all their contributions during their time on AP&RC.

Throughout the year, the Committee considered matters pertaining to operating budgets, capital expenditure, annual accounts, auditor's reports, critical communications, contracts, grant applications, sponsorship agreements, insurances and race arrangements.

In addition to that long list of responsibilities and given the current climate, we also looked deeply into 7 key areas of potential risk such as Financial, Operational, Brand/Reputation, People, Safety and Governance/ Compliance to ensure that we have appropriate controls in place and a strong understanding of the residual risks. The Committee is more than satisfied with the direction the Club has taken in relation to its risk profile.

Rear Commodore David Jacobs has contributed his invaluable legal knowledge by collaborating with Past Commodore Martin James to review our compliance with any obligations related to the Registered Clubs Act. This was a significant piece of work and we now are confident that we are one of, if not the most, compliant club in NSW! Next up we will be leaning in on Privacy, Cyber Risk as well as other policies and procedures to ensure that our Club continues to run safely, soundly and securely for the benefit of all current and future members.

Finally, the smooth and effective operation of the Committee and the Club was considerably aided by the dedication and professionalism of CFO John Brennan and CEO Justine Kirkjian. The Club is in a great position going into this new financial year.

2020/2021 CYCA SOLAS TRUST REPORT

David Kellett AM

The CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trust (SOLAS) were established following the tragic loss of six lives in the 1998 Sydney Hobart Yacht Race. They continue to raise funds for disbursement to needy families and safety organisations.

The CYCA SOLAS Trust have a 100 per cent flow through to the beneficiary from donations, making the Trust truly unique and with great impact, with administration and management costs to run the Trust absorbed by the CYCA.

Due to the support of the CYCA Board, several donations and interest earned on our funds, we have raised in excess of \$70,000 this year; while distributing over \$65,000 towards several search and rescue projects in NSW and Queensland. The funds were put towards new motors for rescue vessels, upgrades to radio systems and night vision cameras which help all water users, not just ocean racers. As we all experienced, 2020/21 was a difficult year and, conscious of hardships experienced in all sectors, SOLAS did not actively fundraise.

COVID-19 restricted our annual funding efforts, with the annual dinners in Sydney and Newcastle, as well as the Rolex Sydney Hobart Yacht Race lunch, having to be cancelled.

The Rotary/SOLAS Regatta was also cancelled, however the Rotary Club of Sydney Cove, who conduct the event in partnership with the CYCA, donated \$2,500 towards our ongoing work. We look forward to being able to hold all the events later in 2021.

In closing, I wish to thank my fellow Trustees for their ongoing commitment to this great charity; Matt Allen, Paul Billingham, David Gotze, Leander Klohs and Arthur Lane, as well as the support of Commodore Noel Cornish AM.

The CYCA Members should be proud of the activities of the SOLAS Trust.

Grinders Coffee SOLAS Big Boat Challenge 2020. Photo: Andrea Francolini

Funding from the CYCA SOLAS Trust enabled Marine Rescue Middle Harbour to purchase new boat engines.

2020/2021 DIRECTORS' REPORT

Your Directors present their report on the company for the year ended 31 March 2021

The directors of the company at any time during or since the end of the financial year are:

Name and qualifications	Age	Experience and special responsibilities
Noel Cornish AM B.Sc., M.Eng.Sc., FAICD FUOW Non-executive Director Commodore Owner – Indi	71	Director since July 2013 Company Director Chairman IMB Bank Chairman UOW Malaysia Chairman, Hunter Valley Coal Chain
Arthur Lane B.Sc(Q.S), M.A.(T.P) Non-executive Director Vice Commodore Owner – Wilde Rush	72	Director since July 2010 Company Director Corporate Governance KPMG Advisory Director, CYCA SOLAS Limited Chair, Premises Committee Member, Audit, Planning & Risk Committee Deputy Chair, Member Engagement Committee Chair, Cruising Committee Chair, Property Industry Foundation Regatta

Paul Billingham*	5	5	-	-
Leander Klohs*	5	5	2	5
Justin Atkinson *	5	5	3	5

* Retired after the last AGM

Principal activities

The principal activities of the company during the financial year were to promote participation in yachting, including the sport of sailing, and to provide ocean racing facilities, training and other yachting facilities and competitions for its Members.

There were no significant changes in the nature of the activities of the company during the year.

Objective

The Company's short-term and long-term objective is to be the premier keelboat racing club in Australia and to offer a sailing program that caters to a broad range of interests and skill levels.

Strategy for achieving this objective

To achieve this objective, the Company had adopted the following short-term and long-term strategies:

- Leadership in sailing by continuously delivering the best blue water racing program (including elite pathways and influence in the sport) in Asia Pacific,
- Building in-water activities by creating breadth and depth in our sailing program to provide greater opportunity for Members to sail and engage with on water activities,
- Optimise value for Members by attracting and retaining active Members, and
- Developing great people, by supporting the people who support Members.

These strategies helped the company to achieve its objective during the year as evidenced by the overwhelming positive response to the new Pathway Membership, continuing loyal support of Members and marina berth holders and our ability to attract and retain employees.

Membership

The Club is a Company limited by guarantee and without share capital. The number of Members as at 31 March 2021 and the comparison with last year is as follows:

	2021 No.	2020 No.
Number of Members	3,137	3,080

Contribution in winding up

The Company is incorporated under the Corporations Act 2001 and is a Company limited by guarantee. If the

Company is wound up, the constitution states that each Member is required to contribute a maximum of \$2 each towards meeting any outstanding obligations of the entity. At 31 March 2021, the total amount that Members of the Company are liable to contribute if the Company wound up is \$6,274 (2020: \$6,160).

Review and results of operations

The result from ordinary activities for the year amounted to a loss of \$65,545 (2020: \$679,534 loss). This result was after charging \$1,478,686 (2020: \$1,561,900) of depreciation and amortisation.

Dividends

The company is a non-profit organisation and is prevented by its constitution from paying dividends.

State of affairs

In the opinion of the directors, notwithstanding the transitory impacts of COVID-19, there were no significant changes in the state of affairs of the company that occurred during the financial year under review.

Environmental regulation

The company's operations are subject to various environmental regulations under both Commonwealth and State legislation.

The Board believes that the company has adequate systems in place for the management of its environmental requirements and is not aware of any breach of those environmental requirements as they apply to the company.

Likely developments

The directors do not anticipate any further development in the operations of the Club which will affect the results in subsequent years.

Events subsequent to reporting date

The COVID-19 outbreak was declared a pandemic by the World Health Organisation in March 2020. The outbreak and the response of governments in dealing with the pandemic is interfering with general activity levels within the community and the economy.

Following the COVID-19 outbreak, the Company has continued its operations although there was some slowing of overall activity especially in areas most heavily impacted by social distancing. The situation is unprecedented and management continues to consider the potential implications of COVID-19, which may include disruptions to the hospitality services, availability of employees and impacts to the Club's activities.

However, as at the date these financial statements were authorised, the Company was not aware of any currently unreported material adverse effects on the financial statements as at 31 March 2021 or future results as a result of COVID-19.

Except as disclosed above, no other matter or circumstance has arisen since 31 March 2021 that has significantly affected the Company's operations, results or state of affairs, or may do so in future years.

Proceedings on behalf of company

No person has applied to the Court under section 237 of the Corporations Act 2001 for leave to bring proceedings on behalf of the Company, or to intervene in any proceedings to which the Company is a party, for the purpose of taking responsibility on behalf of the company for all or part of those proceedings.

No proceedings have been brought or intervened in on behalf of the company with leave of the Court under section 237 of the Corporations Act 2001.

Indemnification and insurance of officers

The Company has provided for and paid premiums to the value of \$5,934 (2020: \$5,983) during the year for Management Liability Insurance. The insurance is in respect of legal liability for damages and legal costs within an annual limit of \$10,000,000 (subject to a sub limit of in any one insurance period) arising from claims made by reason of any omissions or acts (other than dishonesty) by them, whilst acting in their individual or collective capacity as directors or officers of the company, towards which the directors of the company contribute.

The insurance premiums relate to:

- costs and expenses incurred by the relevant officers in defending proceedings, whether civil or criminal and whatever their outcome; and
- other liabilities that may arise from their position, with the exception of conduct involving a wilful breach of duty or improper use of information or position to gain a personal advantage.

2020/2021 AUDITOR'S INDEPENDENCE DECLARATION

A copy of the auditor's independence declaration as required under section 307 of the Corporations Act 2001 is set out on page 28.

This report is made in accordance with a resolution of directors.

2020/2021 AUDITOR'S INDEPENDENCE DECLARATION

Auditor's Independence Declaration

As lead auditor for the audit of Cruising Yacht Club of Australia for the year ended 31 March 2021, I declare that to the best of my knowledge and belief, there have been:

- (a) no contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the audit; and
- (b) no contraventions of any applicable code of professional conduct in relation to the audit.

2020/2021 NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 March 2021

1 GENERAL INFORMATION

Cruising Yacht Club of Australia (“the Company”) is a company limited by guarantee and operating in Australia.

In accordance with the Constitution of the Cruising Yacht Club of Australia, every member of the company undertakes to contribute to the assets of the company. In the event of the company being wound up, whilst he or she is a member or within one year after he or she ceases to be a member, the costs, charges and expenses of winding up may be required, not exceeding \$2 per member.

The company has 3,137 (2020: 3,080 members) members at year end.

Cruising Yacht Club of Australia’s registered office and its principal place of business is 1 New Beach Road, Darling Point, NSW 2027.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

These general- purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board and the Corporations Act 2001. The financial statements also comply with other requirements of the law including the Registered Clubs Act. Cruising Yacht Club of Australia is a not-for-profit entity for the purpose of preparing the financial statements.

The financial report complies with Australian Accounting Standards as issued by the Australian Accounting Standards Board (AASB).

The financial statements were authorised for issue by the directors on 25 May 2021.

(i) Compliance with Australian Accounting Standards – Reduced Disclosure Requirements

The financial statements of the Cruising Yacht Club of Australia comply with Australian Accounting Standards – Reduced Disclosure Requirements as issued by the Australian Accounting Standards Board (AASB).

(ii) Historical cost convention

The financial report has been prepared on the basis of

historical cost, except for the revaluation of certain non-current assets and financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

In the application of the company’s accounting policies, which are described within this note, management is required to make judgments, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods.

Judgments made by management that have significant effects on the financial statements and estimates with a significant risk of material adjustments in the next year are disclosed, where applicable, in the relevant notes to the financial statements.

Accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events is reported.

(b) New and amended standards adopted by the Company

The Company has applied the following standards and amendments for the first time in their annual reporting period commencing 1 April 2020:

- AASB 2018-7 Amendments to Australian Accounting Standards - Definition of Material [AASB 101 and AASB 108]
- Conceptual Framework for Financial Reporting and AASB 2019-1 Amendments to Australian Accounting Standards - References to the Conceptual Framework

The adoption of these amendments did not have any impact on the amounts recognised in prior years and will also not affect the current or future years.

Notes to the Financial Statements for the financial year ended 31 March 2021 (cont.)

(c) New accounting standards and interpretations not yet adopted

Certain new accounting standards and interpretations have been published that are not mandatory for 31 March 2021 reporting periods and have not been early adopted by the Company. These standards are not expected to have a material impact on the entity in the current or future reporting periods and on foreseeable future transactions.

(d) Borrowing costs

Borrowing costs directly attributable to the acquisition and construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the costs of those assets, until such time as the assets are substantially ready for their intended use.

(e) Cash and cash equivalents

Cash comprises cash on hand and deposits at call. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and have a maturity of three months or less at the date of acquisition.

(f) Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required, and they are capable of being measured reliably.

Liabilities recognised in respect of employee benefits expected to be settled within 12 months, are measured at their nominal values using the remuneration rate expected to apply at the time of settlement.

Liabilities recognised in respect of employee benefits which are not expected to be settled within 12 months are measured at the present value of the estimated future cash outflows to be made by the company in respect of services provided by employees up to reporting date.

Long term service benefits

The Company’s net obligation in respect of long-term service benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates and is discounted using rates for Commonwealth Government bonds at the balance date which have maturity dates approximating to the terms of the Company’s obligations.

(g) Financial assets

Loans and receivables

Trade receivables, loans, and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as ‘loans and receivables’. Loans and receivables are measured at amortised cost using the effective interest method less impairment.

Interest is recognised by applying the effective interest rate basis for debt instruments other than those financial assets ‘at fair value through profit or loss’.

Impairment of financial assets

Financial assets, other than those at fair value through profit or loss, are assessed for indicators of impairment at each balance sheet date. Financial assets are impaired where there is objective evidence that as a result of one or more events that occurred after the initial recognition of the financial asset the estimated future cash flows of the investment have been impacted. For financial assets carried at amortised cost, the amount of the impairment

is the difference between the asset’s carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets except for trade receivables where the carrying amount is reduced through the use of an allowance account. When a trade receivable is uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

(h) Financial instruments issued by the company

Debt and equity instruments

Debt and equity instruments are classified as either liabilities or as equity in accordance with the substance of the contractual arrangement.

Financial liabilities

Financial liabilities are classified as either financial liabilities ‘at fair value through profit or loss’ or other financial liabilities.

Other financial liabilities

Other financial liabilities, including borrowings, are initially measured at fair value, net of transaction costs.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period.

(i) Impairment of other tangible and intangible assets

At each reporting date, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but only to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the reversal of the impairment loss is treated as a revaluation increase.

(j) Income tax

No provision has been made for income tax as the Company is exempt under Section 50-45 of the Income Tax Assessment Act (1997), provided it continues

as a sporting club predominately encouraging and promoting the sport of yachting, boating, cruising for pleasure and the building and sailing of yachts and boats. Accordingly, tax effect accounting has not been adopted by the Company.

(k) Leases

The company leases the land and marina at 1 New Beach Road, which expires in on 30 June 2049. The company also rents equipment, which are typically made for a fixed period of 5 years but may have extension options as described below.

Contracts may contain both lease and non-lease components. The company allocates the consideration in the contract to the lease and non-lease components based on their relative stand-alone prices. However, for leases of real estate for which the company is a lessee, it has elected not to separate lease and non-lease components and instead accounts for these as a single lease component.

Lease terms are negotiated on an individual basis and contain a wide range of different terms and conditions.

The lease agreements do not impose any covenants other than the security interests in the leased assets that are held by the lessor. Leased assets are used as security for borrowing purposes. Until the 2019 financial year, leases of property, plant and equipment were classified as either finance leases or operating leases. From 1 April 2019, leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the company.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the following lease payments:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable.
- variable lease payment that are based on an index or a rate, initially measured using the index or rate as at the commencement date.
- amounts expected to be payable by the company under residual value guarantees.
- the exercise price of a purchase option if the company is reasonably certain to exercise that option, and payments of penalties for terminating the lease, if the lease term reflects the company exercising that option.
- Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability.

The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily

determined, which is generally the case for leases in the company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security, and conditions.

To determine the incremental borrowing rate, the Company:

- where possible, uses recent third-party financing received by the individual lessee as a starting point, adjusted to reflect changes in financing conditions since third party financing was received.
- uses a build-up approach that starts with a risk-free interest rate adjusted for credit risk for leases, which does not have recent third-party financing, and
- make adjustments specific to the lease, e.g., term, country, currency and security.

The company is exposed to potential future increases in variable lease payments based on an index or rate, which are not included in the lease liability until they take effect. When adjustments to lease payments based on an index or rate take effect, the lease liability is reassessed and adjusted against the right-of-use asset.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each year.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of lease liability,
- any lease payments made at or before the commencement date less any lease incentives received,
- any initial direct costs, and
- restoration costs.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the company is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life. While the company re-values its land and buildings that are presented within property, plant and equipment, it has chosen not to do so for the right-of-use buildings held by the company.

Variable lease payments

Lease payments for some contracts include CPI increases, but there are no other variable lease payments that

depend on an index or rate. Where considered necessary to reduce credit risk, the company may obtain bank guarantees for the term of the lease.

Extension and termination options

Extension and termination options are included in a number of property and equipment leases across the company. The majority of extension and termination options held are exercisable only by the company and by the respective lessor.

Residual value guarantees

The company sometimes provides residual value guarantees in relation to equipment leases.

(l) Trade receivables

Impairment of financial assets

The company applies the AASB 9 simplified approach to measure expected credit losses which uses a lifetime expected loss allowance for all trade receivables and contract assets.

Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off by reducing the carrying amount directly. An allowance account (provision for impairment of trade receivables) is used when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables. The amount of the impairment allowance is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. Cash flows relating to short term receivables are not discounted if the effect of discounting is immaterial.

The amount of the impairment loss is recognised in profit or loss within other expenses. When a trade receivable for which an impairment allowance had been recognised becomes uncollectible in a subsequent period, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against other expenses in profit or loss.

(m) Inventories

Inventories are valued at the lower of cost and net realisable value. Net realisable value represents the estimated selling price less all estimated costs of completion and costs necessary to make the sale.

(n) Property, plant and equipment

Plant and equipment, leasehold improvements and equipment under finance lease are stated at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the item. If settlement of all or part of the purchase consideration is deferred, cost is determined

by discounting the amounts payable in the future to their present value as at the date of acquisition.

Depreciation is provided on property, plant and equipment, including buildings on leasehold land. Depreciation is calculated on a straight-line basis to write off the net cost or other revalued amount of each asset over its expected useful life to its estimated residual value. Leasehold improvements are depreciated over the period of the lease or estimated useful life, whichever is the shorter, using the straight-line method.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each annual reporting period, with the effect of any changes recognised on a prospective basis.

The gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of comprehensive income.

The following estimated lives are used in the calculation of depreciation.

Leasehold improvements	5 – 33 years / term of the lease
Boats	2 – 10 years
Plant and equipment	2 – 10 years
Motor vehicles	8 years

(o) Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within negotiated terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(p) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

(q) Provisions

Provisions are recognised when the company has a present obligation (legal or constructive) because of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, considering the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, the carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received, and the amount of the receivable can be measured reliably.

Site restorations make good provision.

A provision for site restoration is recognised when an obligation exists to restore certain sites for the effect of the company's operations.

The provision is the best estimate of the present value of the expenditure required to settle the restoration obligation at the reporting date. The amount is reviewed every year and changes recognised at the end of the reporting period.

(r) Revenue from contracts with customers

Revenue is measured at the fair value of the consideration received or receivable.

The company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below. The company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

Revenue is recognised for the major business activities using the methods outlined below.

Revenue from Contracts with Customers

Revenue from contracts with customers is recognised when control of a good or service transfers to a customer.

A five-step process is applied before revenue is recognised:

- identify contracts with customers,
- identify the separate performance obligation,
- determine the transaction price of the contract,
- allocate the transaction price to each of the separate performance obligations, and
- recognise the revenue as each performance obligation is satisfied.

Goods sold and services rendered

Revenue from the sale of goods comprises revenue earned from the provision of beverage and other goods and is recognised in the statement of comprehensive income when the significant risks and rewards of ownership have been transferred to the buyer. Revenue from services to members and other patrons of the Company is recognised in the statement of comprehensive income when the services are provided. No revenue is recognised if there are significant uncertainties regarding recovery of the consideration due; the costs incurred or to be incurred cannot be measured reliably; there is a risk of return of goods; or there is continuing management involvement with the goods.

Subscriptions

Subscription fees are accounted on an accruals basis and the portion relating to the ensuing year is transferred to subscriptions in advance.

Hardstand & Marina

The yard and marina revenue includes casual and permanent berthing fees, hardstand fees, locker fees and tender fees provided to members and other patrons of the Club. Yard and marina revenue is recognised when the goods or services are provided.

Sailing revenue

Sailing revenue consists of ferry charter fees, race entry fees, sponsorship, and other associated income. Sailing revenue is recognised when the goods or services are provided for all revenue except sponsorship which is recognised as it accrues.

Rental income

Rental income from property is recognised on a straight-line basis over the term of the lease. Lease incentives granted are recognised as an integral part of the total rental income.

Interest revenue

Interest revenue is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount.

(s) Goods and Services Tax (GST)

Revenues, expenses, and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included with other receivables or payables in the balance sheet.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the taxation authority, are presented as operating cash flows.

3 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

(a) Critical accounting estimates and assumptions

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(i) Make good provision

This provision represents the present value of the directors' best estimate of the future sacrifice of economic benefits that will be required to settle the site restoration make good obligations pursuant to the company's lease of land and waterways. The estimate has been made on the basis of a cost estimate obtained from a Quantity Surveyor which has been projected to a future value using an escalation rate. The escalation rate is the equivalent of CPI and, where applicable, additional escalation for specific elements of the leased property. The discount rate applied to bring this future value back to its present value carrying amount is based on the incremental borrowing rate.

4 Revenue from contracts with customers

	2021	2020
	\$	\$
Revenue from sale of goods – bar, food and merchandise sales	1,280,791	2,879,056
Revenue from rendering of services – berthing, hardstand, and sponsorship	4,470,865	5,606,743
Revenue from Race entry	144,910	487,760
Subscription revenue	1,143,267	1,165,534
Rental income (including function rooms)	76,734	247,967
	7,116,567	10,387,060
COVID-19 Relief (Note 1)	927,373	-
Interest revenue	60	144
	8,044,000	10,387,204

Note 1. COVID-19 Relief includes JobKeeper for April 2020 to March 2021, PAYG and Payroll tax relief. Rent relief is included in the revised calculation of the Right-of-use asset depreciation, interest, and lease commitments. The COVID-19 Jobkeeper payment scheme is recognised as other income when the employer is reasonably assured that it will comply with the conditions attached to it, and the grant will be received. The grant is recognised as a receivable when the associated wage payments are made. Receipt of reimbursements from the ATO during the current financial year reduced the receivable.

(a) Disaggregation of revenue from contracts with customers

The Company derives revenue over time and at a point in time as follows:

	2021	2020
	\$	\$
Timing of revenue recognition		
At a point in time	1,425,701	3,366,816
Over time	5,690,866	7,020,244
Total revenue	7,116,567	10,387,060

(b) Assets and liabilities related to contracts with customers

	2021	2020

	952,748	1,011,934

(i) The average credit period on trade payables is 30 days. There is no interest charged on trade or other payables.

11 Provisions

	2021	2020
	\$	\$
<i>Current</i>		
Employee benefits (a):	437,793	428,720
Make good provision (b) :	163,082	157,598
	600,875	586,318
<i>Non-current</i>		
Employee benefits (a):	30,208	51,402
Make good provision (b):	4,523,191	4,371,067
	4,553,399	4,422,469

Information about individual provisions and significant estimates:

(a) Employee benefits

The provision for employee benefits relates to Cruising Yacht Club of Australia's liability for long service leave and annual leave.

(b) Site restoration make good provision

Cruising Yacht Club of Australia is required to restore the leased sites to their original condition at the end of the respective lease terms. A provision has been recognised for the present value of the estimated expenditure required to remove any leasehold improvements. These costs have been capitalised as part of the cost of leasehold improvements and are amortised over the shorter of the term of the lease or the useful life of the assets.

Movements in provisions

Movements in each class of provision during the financial year, other than employee benefits, are set out below:

	2021	2020
	\$	\$
<i>Current year site restoration make good provision movement:</i>		
Balance at 1 April	4,528,665	5,819,136
Unwind of discount	157,608	103,367
Changes in existing make good provisions	-	(1,393,838)
Balance at 31 March	4,686,273	4,528,665

12 Borrowings

	2021	2020
	\$	\$
<i>Current</i>		
Bank loans	666,687	584,707
<i>Non-current</i>		
Bank loans	1,223,183	1,886,014
	1,889,870	2,470,721

13 Leases**(a) Amounts recognised in the balance sheet**

The balance sheet shows the following amounts relating to leases:

	2021	2020
	\$	\$
Right-of-use assets		
Land	6,874,135	7,350,752
Marina	6,986,840	6,831,261
Make good assets	422,885	437,837
Equipment	363,537	478,338
	14,647,397	15,098,188
Lease liabilities		
Current	503,842	400,647
Non-current	14,458,073	14,469,677

Additions to the right-of-use assets during the current financial year were \$nil.

(b) Amounts recognised in the statement of comprehensive income

The income statement shows the following amounts relating to leases:

	2021	2020
	\$	\$
Depreciation charge of right-of-use assets		
Land	242,617	250,594
Marina	246,594	232,884
Make good assets	14,970	54,485
Equipment	114,801	95,668
Statement of comprehensive income	618,982	633,631
Interest expense (included in finance cost)	490,987	529,320
The total cash outflow for leases was	(627,912)	(890,586)

14 Retained profits

	2021	2020
	\$	\$
Balance at 1 April	6,356,985	7,036,519
Total recognised income and expenses	(65,545)	(679,534)
Balance at 31 March	6,291,440	6,356,985

15 Financial instruments**(a) Capital risk management**

The capital structure of the company includes cash and cash equivalents and retained earnings.

The company has an existing loan facility with St George Bank, an equipment Finance facility with ANZ/Esanda and St George Bank and an equipment agreement with Sharp/National Equipment Rentals.

(b) Categories of financial instruments

	2021	2020
	\$	\$
Financial assets		
Trade and other receivables	89,856	123,742
Cash and cash equivalents	1,850,344	128,678
Financial liabilities		
Loans and payables	1,889,870	2,470,721
Trade and other payables	952,748	1,011,934

The carrying amount reflected above represent the company's maximum exposure to credit risk for such loans and receivables.

Other payables include Marina security deposits.

(c) Financial risk management objectives

The Directors manage the financial risks relating to the operations of the company. These risks include credit risk and liquidity risk. The company does not enter in to or trade financial instruments, including derivative financial instruments, for speculative purposes.

(d) Market risk

The company's only exposure to market risk is the effect of changes in interest rates which would affect interest received. There has been no change to the company's exposure to market risks.

(e) Liquidity risk

Ultimate responsibility for liquidity risk management rests with the board of directors. The company manages liquidity risk by maintaining adequate cash balances and monitoring forecasts and actual cash flows. The following table details the company's remaining contractual maturity for its non-derivative financial liabilities. The table has been drawn up based on the undiscounted cash flows of financial liabilities including interest based on the earliest date on which the company can be required to pay.

15 Financial instruments (cont.)

Financial Liabilities	Weighted average effective interest rate	Less than 1 month	1 to 3 months	3 months to 1 year	1 to 5 years	More than 5 years	Total
		\$	\$	\$	\$	\$	\$
2021							
Fixed interest rate							
Borrowings	3.48%	92,814	102,751	471,122	1,223,183	-	1,889,870
Non-interest bearing							
Trade and other payables		472,786	-	-	479,692	-	952,748
		565,600	102,751	471,122	1,703,145	-	2,842,618
2020							
Fixed interest rate							
Borrowings	4.21%	49,071	25,367	510,269	1,886,014	-	2,470,721
Non-interest bearing							
Trade payables		857,700	99,812	54,422	-	-	1,011,934
		906,771	125,179	564,691	1,886,014	-	3,482,655

The following table details the company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets except where the company anticipates that the cash flow will occur in a different period.

15 Financial instruments (cont.)

Financial Assets	Weighted average effective interest rate	Less than 1 month	1 to 3 months	3 months to 1 year	1 to 5 years	More than 5 years	Total
		\$	\$	\$	\$	\$	\$
2021							
Variable interest rate							
Cash and cash equivalent		1,850,344	-	-	-	-	1,850,344

Trade and other debtors		82,057	-	7,799	-	-	89,856
		1,932,401	-	7,799	-	-	1,940,200
2020							
Variable interest rate							
Cash and cash equivalent		128,678	-	-	-	-	128,678
Non-interest bearing							
Trade debtors		91,662	20,145	11,935	-	-	123,742
		-	220,340	20,145	11,935	-	252,420

(f) Fair value

The carrying amount of the financial assets and financial liabilities represents a reasonable approximation of fair value.

(g) Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. To the extent the company has a receivable from another party there is a credit risk in the event of non-performance by that counterparty. Financial instruments, which potentially subject the company to credit risk solely consist of trade and other receivables. The company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

The carrying amount of the financial assets recorded in the financial statements, net of any allowances for losses, represents the company's maximum exposure to credit risk, without taking account of the value of any collateral obtained. The company does not have any significant credit risk exposure to any single counterparty or any group of counterparties having similar characteristics.

16 Cash flow information

	2021	2020
	\$	\$
Reconciliation of net cash flows to operating activities:		
(Loss) for the year	(65,545)	(679,534)
Depreciation and amortisation expense	1,478,686	1,561,900
Interest income	(60)	(144)
Finance costs	490,987	529,320
Changes in net assets and liabilities:		
Decrease in trade and other receivables	62,143	661,371
Decrease in inventories	(3,890)	18,039
(Increase) in other assets	158,252	(54,797)
Decrease / (Increase) in trade payables	(48,095)	(157,109)
Increase in provisions	145,487	240,548
Increase in other liabilities	930,432	27,732
Net cash provided by operating activities	3,148,397	2,147,326

17 Key management personnel

The following were key management personnel of the company at any time during the reporting period, and unless otherwise indicated, were for the entire period:

Non-executive Directors

N. Cornish AM, A. Lane, J. Treleaven, D. Jacobs, B. Kellett, S. Haynes, P. Gothard, D. Griffith AM, T. Barker

Executive

J. Kirkjian (from 16 March 2020), J. Brennan (from 1 July 2020)

Transactions with key management personnel

Non-executive directors have not received any remuneration from the Company during the year.

The key management personnel compensation included in "Employee and employment expenses" are as follows:

	2021	2020
	\$	\$
Short-term employee benefits	493,269	306,706
Termination benefits	98,081	11,785
	591,350	318,491

Apart from the details disclosed in this note, no director has entered into a material contract with the company or since the end of the previous financial year and there were no material contracts involving directors' interests existing at year-end.

From time to time, directors of the company, or their director-related entities, may purchase goods and services from the company. These purchases are on the same terms and conditions as those entered into by other company employees or customers and are trivial or domestic in nature.

18 Related Parties**(a) Transactions with key management personnel**

Transactions with key management personnel are disclosed in Note 17 to the financial statements.

(b) Transactions with other related parties

Other related parties include:

- CYCA SOLAS Trust
- CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts

The Company is the sole member of CYCA SOLAS Limited; a Company limited by guarantee which is the trustee of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts. The administration of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts is under the control of the separate board of CYCA SOLAS Limited. The trustee company has a right to be indemnified out of the assets of the trust to satisfy liabilities properly incurred by the trustee. As at 31 March 2021 the outstanding liabilities committed by the trustee on behalf of the trust totalled \$nil (2020: \$nil). The assets of the trust are sufficient to meet this commitment. In the event CYCA SOLAS Limited is wound up and unable to repay all outstanding debts, the liability of its members is limited to an amount of \$10.

(c) Payments to related parties

- Donations payable to the CYCA SOLAS Trust during the year were \$Nil (2020: \$52,000).
- Expenses paid on behalf of the CYCA SOLAS Trust during the year were \$nil (2020: \$nil).

19 Contingent liabilities**Bank guarantees**

The company has given away the following bank guarantees:

	2021	2020
	\$	\$
NSW Department of Industry	220,000	220,000
Roads and Maritime Services	81,136	81,136

20 Auditor's remuneration

	2021	2020
	\$	\$
Audit services		
Audit and review of the financial report	58,100	57,750
	58,100	57,750

The auditor of Cruising Yacht Club of Australia for the year ended 31 March 2020 and 31 March 2021 was PricewaterhouseCoopers.

21 Segment information

The Club's principal place of business and registered office is situated at 1 New Beach Road, Darling Point. The Club operates from these premises to promote participation in yachting including the sport of sailing and to provide ocean racing facilities, training and other yachting facilities and competition for its members.

Information reported to the chief operating decision maker for the purposes of resource allocation and assessment of segment performance focuses on types of goods or services delivered or provided. The chief decision maker of the entity reviews the financial information split by segment for revenue, but the expenses information is received by expense category. Therefore, only revenue per segment has been included below.

The following is an analysis of the revenue by reportable segment.

	2021	2020
	\$	\$
Sales revenue – bar, food and merchandise sales	1,270,769	3,159,447
Subscription revenue	1,143,267	1,165,534
Marina revenue	3,086,114	3,049,808
Rental income	57,563	85,835
Sailing activities	1,558,853	2,926,436
Interest revenue	60	144
Other revenue	927,373	-
Total revenue	8,044,000	10,387,204

Segment revenue reported above represents revenue generated from external customers. There were no inter-segment sales in the current year (2020: \$nil).

22 Going Concern

As at 31 March 2021, the Company has recorded a loss after tax of \$65,545 (2020: loss of \$679,534) and had current liabilities that exceeded its current assets by \$2,926,845 (2020: negative working capital of \$3,389,285). The Company however continued to be in a net asset position of \$6,291,440 as at 31 March 2021 (2020: \$6,356,985) and generated operating cash inflows of \$3,148,397 for the year ended 31 March 2021 (2020: operating cash inflows of \$2,147,326).

The current liabilities recognised in the financial statements include income received in advance of \$2,307,369 (2020: \$1,376,938), marina security deposits of \$479,692 (2020: \$353,632), which while generally refundable with 90 days of notice, are rolled over for many years and the current portion of the make good provision of \$163,082 (2020: \$157,598). It is deemed that the income received in advance, marina security deposit and the make good provision are purely accounting balances and will not result in future cash outflows to the Company. The exclusions of these items will result in the company being in a positive working capital position of \$23,298 (2020: negative working capital of \$1,501,117).

The Company's ability to continue as a going concern is dependent upon the Company continuing to generate positive operating cash inflows through to the year ended 31 March 2022 and continuing to have access to the commercial overdraft facility extended to the Company by its financier or alternative funding arrangements, if required.

The Company's directors believe that the Company will be successful in the above matters and, accordingly, have prepared the financial report on a going concern basis.

23 Subsequent events

The COVID-19 outbreak was declared a pandemic by the World Health Organisation in March 2020. The outbreak and the response of Governments in dealing with the pandemic is interfering with general activity levels within the community and the economy. Following the COVID-19 outbreak, the Company has continued its operations although there was some slowing of overall activity especially in areas most heavily impacted by social distancing. The situation is un-precedented and management continues to consider the potential implications of COVID-19, which may include disruptions to the hospitality services, availability of employees

and impacts to the club's activities. However, as at the date these financial statements were authorised, the Company was not aware of any currently unreported material adverse effects on the financial statements as at 31 March 2021 or future results as a result of COVID-19.

Except as disclosed above, no other matter or circumstance has arisen since 31 March 2021 that has significantly affected the Company's operations, results or state of affairs, or may do so in future years.

2020/2021 DIRECTORS' DECLARATION

for the financial year ended 31 March 2021

In the directors' opinion:

- (a) the financial statements and notes set out on pages 24 to 50 are in accordance with the Corporations Act 2001, including:
- (i) complying with Australian Accounting Standards – Reduced Disclosure Requirements, the Corporations Regulations 2001 and other mandatory professional reporting requirements, and
 - (ii) giving a true and fair view of the company's financial position as at 31 March 2021 and of its performance for the financial year ended on that date, and
- (b) there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the directors.

2020/2021 INDEPENDENT AUDITOR'S REPORT

Independent auditor's report

To the members of Cruising Yacht Club of Australia

Our opinion

In our opinion:

The accompanying financial report of Cruising Yacht Club of Australia (the Company) is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Company's financial position as at 31 March 2021 and of its financial performance for the year then ended
- (b) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the *Corporations Regulations 2001*.

What we have audited

The financial report comprises:

- the balance sheet as at 31 March 2021
- the statement of comprehensive income for the year then ended
- the statement of changes in equity for the year then ended
- the statement of cash flows for the year then ended
- the notes to the financial statements, which include significant accounting policies and other explanatory information
- the directors' declaration.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Liability limited by a scheme approved under Professional Standards Legislation.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report for the year ended 31 March 2021, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors for the financial report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our auditor's report.

CORE AND NON-CORE PROPERTY

Pursuant to Section 41E of the Registered Clubs Act for financial year ended 31 March 2020.

The core property of the company, as that term is described in Section 41E of the Registered Clubs Act, comprises all the real property and associated marina owned or occupied by the company at 1 New Beach Road Darling Point NSW.

There is no non-core property.

2020/2021

MEMBER LIST

A large sailboat with a white and black sail, number 6377, is the central focus, sailing on a blue body of water. To its right, a smaller sailboat with a red and white sail, number 30, is visible. The background shows a hilly coastline with green trees and some buildings under a clear blue sky. The top of the image is partially covered by a dark blue curved banner containing the text '2020/2021 MEMBER LIST'.
