Commodore's Report

Martin James Commodore

The last 12 months was notable most for the Cruising Yacht Club of Australia's core activity – sailing. In a year that started with a popular BMW Sydney Winter Series, the Club went on to conduct the Ingles Sydney Gold Coast Yacht Race, with the largest fleet for many years, a very competitive Rolex Trophy for One-Design and rated boats, an exciting Canon Big Boat Challenge, the 60th Anniversary Rolex Sydney Hobart, the Hamilton Island Farr 40 Australian Championship, the Rolex Farr 40 Pre-Worlds and Rolex Farr 40 Worlds, and the Sydney Mooloolaba Yacht Race.

During the busy summer, the CYCA also conducted the summer series with its large range of different point scores, and provided race finishing and management services for the Sydney stopover of the Global Challenge and for the Southport to Mackay Yacht Race. Our members and others continued to support the Mount Gay Monday Twilight Series and the St Arnou Wednesday Twilights, often enjoying the after-race activities on the deck and in the clubhouse until late in the evening.

Alongside this our Youth Sailing Academy was busy with its schools programme and its specialist programmes including the advanced squad. The YSA under Jenni Bonnitcha's leadership continues to grow its reputation, and fulfils the mandate established for it by the Board.

I commend to you the reports by Vice Commodore Roger Hickman on our sailing activities and by Director Matt Allen on our training and development activities for more detailed explanations.

The 60th Anniversary Rolex Sydney Hobart was an undoubted success. It was the largest fleet for a decade, and it was subject to some challenging conditions from Gabo Island south. Half the fleet tasted the satisfaction of reaching Hobart. In a race that required excellent seamanship by all boats,

the tough conditions had each boat asking itself the question as to whether to continue. Many boats decided that continuing was not for them, and they are to be congratulated for that. Prudent seamanship is something that we as a Club applaud.

The race winner, Aera, owned by Nick Likiardopulo and skippered by Jez Fanstone, sailed an excellent tactical race, winning from Nicorette (Ludde Ingvall) and Ichi Ban (Matt Allen).

The Club had been planning for the 60th Anniversary Rolex Sydney Hobart for some time, with a separate Committee established for that purpose which I chaired and which included Vice Commodore Roger Hickman, Directors Matt Allen and Les Goodridge, Associates President Shaaron Walsh and representatives of management. Many thanks to them for the considerable time and effort that they put in. A large vote of thanks is also due to the band of willing volunteers who helped out in Sydney and in Hobart, to our friends at the Royal Yacht Club of Tasmania and to our sponsor Rolex.

From its humble beginnings, the Sydney Hobart has grown to become one of the world's sporting icons. For competitors, the challenge it represents is timeless – as significant now as it was 60 years ago. Teamwork, preparation and seamanship are pre-requisites to participation. The event that has been built around the race has changed and become more significant over time, and in a fitting recognition of the efforts of our Boards, management and volunteers over the years, the 60th Anniversary race was awarded the Event of the Year at the 2004 NSW Annual Sports Awards and the Yachting Event of the Year at the 2005 Christoffe Asia-Pacific Boating Awards.

The CYCA continues to enjoy good support from our corporate sponsors, and we are particularly grateful to Rolex for its support of the Rolex Trophy and the Rolex Sydney Hobart, Canon for its support of the Canon Big Boat Challenge and BMW Sydney for its support of the BMW Sydney Winter Series. We have many other sponsors, and they are mentioned in other places in this Annual Report. Please support those that support us wherever you can.

A range of social activities have been well supported by our members and others during the year. A move of the Commodore's Barbecue to Clifton Gardens proved successful, and the multi-talented Breakfast Club continues to supply the best value breakfasts in Sydney.

We welcomed our new CEO Mark Woolf in September 2004. Mark came to us from a travel and hospitality background, and his appointment was made to underpin a higher degree of focus on the consistent delivery of high quality benefits to our members. The Club was indeed fortunate to secure his services, and we have already seen improvements in our food and beverage operations under his guidance. The CYCA is popular both with its members and with the corporate community for its function facilities, and management and the Member Services Committee work hard to identify the correct balance between the facilities being available for members, and usage of them by non-members.

Prior to Mark joining us the Club had operated without a CEO for a bit over four months. Director Matt Allen assumed the responsibilities of our secretary and licensee, and he, our Board Committee chairmen and our managers and employees, particularly Andy Payne, Nina McKinnon and Marina Gibson, are to be thanked for their additional efforts during the period that the Club operated without a CEO.

An initiative that has not been widely reported was the recent decision of the Board to bring CYCA Cruising within the auspices of the Board as a separate Board Committee. This has the advantages of permitting that group to operate independently of the Member Services Committee to the extent that is considered appropriate, and an independent voice on the Board by way of monthly reports as to its activities. Rear Commodore Alan Green and Directors Garry Linacre and John Walton stepped forward to represent the Board on that Committee. My personal thanks go to Cruising Captain John Keelty for his assistance in bringing this about.

As appears from the Treasurer's Report and the financial statements, the Club has maintained a satisfactory financial position this year, and continued with its steady liability reduction policy. Since the end of the financial year, the Club has further reduced its external liabilities by repaying \$300,000 of the floating rate notes subscribed for by members. To those members, may I again record our appreciation for their support of the Club's capital works programme.

The CYCA has in the last year undertaken a significant IT replacement programme. This will enhance the operations of the Club, and provide better support to management.

Whilst reviewing the Commodore's Reports over the period of time that I have been on the Board I noted a consistent and common reference to the imminent publication of the Club's history. Some might say that the project to bring this to fruition itself needs addressing in the history. However, as noted in the Archives Committee Report, a significant amount of progress has now been made with a substantial manuscript now largely complete and ready for review by the Committee. We will keep members informed as to our plans for publication as they are put in place. The Committee is to be congratulated for its perseverance and thanked for its efforts over many years to get to this point.

The last 12 months has been one of the busiest periods that I have observed at the Club for some time. This has arisen as a result of what appears to be a greater utilisation of our facilities by the members, with which your Board is very pleased, and a series of one-off events. Many people have assisted the Club with this increased level of activity, and their valuable contributions add much to ensure the ongoing success of the CYCA. The reports of the various Chairmen of the Board Committees, the Treasurer, Associates President Shaaron Walsh and Cruising Captain John Keelty contained in this Annual Report acknowledge many of those contributions. To these I would add my own thanks, and also thank the Board for their support, commitment and energy during a busy year. Our

management team has also responded admirably to the challenges of 2004/2005.

The year to come will in many respects be no less busy. We have our 20th Anniversary Sydney Gold Coast Yacht Race at the end of July, and your Sailing Committee is currently working on some interesting changes to the format of the ocean racing component of the summer season. We will continue to afford those of our members who would like to participate in our long ocean races in a cruising format the opportunity to do so. I for one hope that we see some increased participation in this category.

Could I encourage all members to communicate their thoughts on the Club and its facilities and activities to the Board, either through direct participation on one of our Committees, or through speaking with myself or another Board member. It is through this that we can continue to improve the services that the Club makes available to its members. We are indeed fortunate to have a diverse membership, and the Board would like to hear from you and respond to your needs and suggestions.

In closing, may I wish you all safe and enjoyable sailing in the months to come.

Treasurer's Report

Graham Swan Treasurer

In conjunction with the Audit, Planning and Risk Committee I have satisfied myself that the accounts for the 2005 financial year, which have been subject to audit, are in accordance with Australian accounting standards and the required statutory obligations.

I would like to thank our accountant Nina McKinnon for the assistance provided during the year and a special thank you to Christina Del Conte and Mark Woolf for all the help they have provided during the year.

Following is a summary of key financial information over the last five years.

	2005	2004	2003	2002	2001
Food & Beverage income	3,396,137	2,981,716	2,948,317	2,760,634	2,681,412
Membership income	910,261	884,561	901,439	932,382	784,292
Marina income	1,638,118	1,643,448	1,580,882	1,509,689	1,524,378
Sailing income	1,972,166	1,836,401	1,946,963	1,541,391	1,403,521
Other income	454,843	366,492	283,638	255,775	284,727
Total Revenue	8,371,525	7,712,618	7,661,239	7,255,646	6,678,330
Net Profit	143,827	186,603	395,123	396,336	(616,727)
Net Cash Inflow	231,047	(59,035)	(82)	8,559	(213,500)
Current Assets	879,259	744,699	468,441	518,630	504,196
Current Liabilities	2,105,329	1,452,657	1,478,694	1,364,988	1,805,441
Non-Current Assets	8,297,140	8,849,425	9,325,685	9,174,798	9,619,136
Non-Current Liabilities	2,549,754	3,763,978	4,124,446	4,532,677	4,918,464
Members' Funds	4,521,316	4,377,489	4,190,886	3,795,763	3,399,427
Number of Members	2,590	2,573	2,566	2,633	2,632

These figures show that even though membership numbers have remained static over the years total revenue has increased consistently. During this past year we benefited from increased patronage in the bars and clothing sales during the 60th Rolex Sydney Hobart Race and the Rolex Farr 40 Worlds and from careful management which ensured gross margins were maintained and costs contained. This resulted in a slight increase of earnings before borrowing costs, tax depreciation and amortisation.

This profit result and the positive cash inflow enabled the repayment of the bill acceptance facility and a reduction in total liabilities. There was also an opportunity to make a substantial donation to the SOLAS Trust.

The Club continued an active repairs and maintenance program and we are now in a position to increase capital expenditure on areas such as computer software, the marina configuration and a mark laying boat. Our results continue to be affected by a large amortisation and

depreciation expense commensurate with the need to reduce the carrying value of non-current assets over their useful lives.

Our working capital ratio remains of concern however to some extent it is exaggerated at year end because in April/May membership income is received.

The 2006 year will see us adopt the International Financial Reporting Standards however it doesn't appear that these will have a material impact on our results or the reporting framework.

As well as the role of Director / Treasurer, I have thoroughly enjoyed participating on the Member Services Committee with Michael Cranitch, the Archive Committee with Rod Skellett, and on those cold dark winter mornings with the volunteers that comprise the Breakfast Club.

Our Club's financial strength depends on the continuing support of our sponsors and usage of the facilities by members. I look forward to seeing you on the water or in the Clubhouse.

Audit, Planning & Risk Committee Report

Commodore Martin James Chairman

The Cruising Yacht Club of Australia has an audit, planning and risk committee. The Committee has during the last year focused on issues relating to the governance of the Company and its subsidiary (CYCA SOLAS Limited), its forward planning (particularly financial planning) and the management of its risks. The committee's responsibilities include:

- reviewing the adequacy of existing external and internal audit arrangements, the Company's accounting policies and practices, the financial statements and the Company's internal control systems;
- giving the Board additional assurance regarding the quality and reliability of financial information prepared for use by the Board;
- devising and implementing short term and long term financial plans;
- reviewing the rents and other periodic receivables of the Company and implementing reviews of the amount of those rents and receivables;
- reviewing and approving draft annual budgets prepared by management;
- liaising with KPMG, the Company's external auditors and reporting to the Board on the auditor's findings;
- monitoring compliance with the Company's and its subsidiary's statutory responsibilities including those under the Corporations Act, the Registered Clubs Act and environmental laws;
- reviewing regular reports on the Company's insurance affairs and reviewing policy terms. During the last year the Committee is pleased that the Company has secured some further premium savings;
- reviewing policies and procedures relating to the Company's risk management and making recommendations to the Board as to appropriate risk management strategies;
- the monitoring of compliance with approved policies;
- reviewing the Company's compliance with its taxation obligations;
- considering matters relating to the information technology requirements of the Company including, during the last year, the implementation of a project under which the Club's existing IT systems were replaced;
- an ongoing audit of the procedures employed by the Company in its conduct of its major races, including conducting spot audits of the operations of the Sailing Office prior to all major races;
- dealing with litigation and other claims against the Company, including those arising out of the 1998 Telstra Sydney Hobart Yacht Race;
- reviewing, negotiating and signing-off on all significant contractual arrangements and other long-term commitments entered into by the Company, including agreements with sponsors;
- the oversight of the operation of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts;

- commissioning and obtaining revaluations of our assets; and
- with the assistance of Past Commodore John Messenger, dealing with substantial proposed rent increases for our land and water areas. More will be reported to members on this issue once we are able to do so.

In closing, on behalf of the balance the Board and the Club's members I would like to again thank Rear Commodore Alan Green and Directors Matt Allen and Michael Cranitch for their respective contributions during the past year, and for their assistance over the last 3 years (and in Alan's and Michael's case, longer) during which much has been achieved to put the Club on a sound financial footing with improved management of its various risks. Their commitment of time and skill is much appreciated.

It is also timely to recognise the long-term contribution to the work of the committee by our Accountant, Nina McKinnon, primarily in the budgetary, financial planning, IT and insurance areas. We are all very fortunate that the Cruising Yacht Club of Australia has such a dedicated member of staff.

Sailing Committee Report

Roger Hickman Chairman, Vice Commodore

The 2004/2005 CYCA sailing season has again proved to be an excellent year of sailing. An enormous amount of work was required after the 1998 Sydney Hobart Yacht Race and some seven years later there are different but equally important issues that confront the CYCA Sailing Committee and other Committees.

The constant evolution of yachts and the construction and stability issues that then arises and the consequent evolution of the Special Regulations to cope with these issues, has seen another busy administrative year for the CYCA. The Rolex Sydney Hobart Yacht Race ensures that the CYCA must be at the leading edge of knowledge in all areas of offshore yachting to ensure that this great event is run and managed at the highest level.

The CYCA has so many capable volunteers whose support, along with the staff of the Club have provided our members and hundreds of other sailors with a successful and enjoyable year of boating.

Richard Grubb and his team on the start boat have again provided us with a high standard of on-water race management. We at the CYCA are eternally grateful for the huge effort that Richard delivers to the Club, and while his team of dedicated volunteers is a large group and too many to mention, they know who they are and we thank them.

John Kirkjian has once more provided the CYCA with a sound Protest Committee base. He also has a number of volunteers who continue to support the Club with their efforts.

The CYCA Safety Auditors contribute to the Club by ensuring that the Special Regulations are adhered to and by assisting all our yacht owners and crews to understand and work with the safety equipment on their yachts. This team of volunteers contributes enormously to our racing and sailing throughout the year.

The 60th Rolex Sydney Hobart Yacht Race proved to be yet another magnificent event and a large number of people contributed to it. Tim Cox was Chairperson of the Race Committee and was supported

by several Royal Yacht Club of Tasmania members as well as Sam Hughes. This team made up a knowledgeable Race Committee for the event – a huge commitment from Tim and his team of volunteers. The Club is in debt to them for this service.

David Kellett again headed up a team of volunteers in manning the Radio Relay Ship for the 60th Rolex Sydney Hobart Yacht Race, with the valued support of Club member Harcourt Gough who must be thanked for providing his lovely yacht Four Seasons. All boat owners would appreciate the commitment that Harcourt makes to the Club in providing his vessel in order to support our biggest event.

Once again, thanks to John Christie who heads up a special team that manages and implements, if required, the Rolex Sydney Hobart Yacht Race Emergency Management Team.

The CYCA Sailing Committee itself is made up of a group of volunteers that provide a wealth of knowledge to ensure that CYCA racing and sailing can be carried out. Each member of the Sailing Committee is a boat owner and a member of the CYCA and thus endeavours to make every facet of CYCA sailing successful. It has been a busy year and I thank all those on the Sailing Committee for their continued support.

This year our aim to align the Club with world mainstream ocean racing and set standards that other clubs believe are ones they would aspire to, has been continued with the alignment and usage of the IRC Rating Rule and a further shift to embrace the ISAF Special Regulations via Yachting Australia. The 60th Rolex Sydney Hobart Yacht Race provided a Tattersalls Cup winner who came from the IRC rule, being Aera, Nick Lykiardopulo's beautiful 55ft yacht. We all congratulate Nick on his win and recognise his efforts in bringing his yacht from the UK to participate in our event.

The ever-confronting issue of racing yachts getting larger and more powerful has in one part been put to bed by the establishment of a 30m upper length limit for vessels participating in CYCA events. The yacht's handicap may well increase as the boats get faster but in the foreseeable future their LOA will not exceed 30m. The CYCA Sailing Committee will

continue however to monitor very closely all events world-wide as the 30m LOA is rapidly becoming an international standard for ocean racing yachts and is supported by most Offshore Racing organisations.

The flagship event of the CYCA is undoubtedly the Blue Water Championship. This Championship series embraces all our offshore events including the races to Mooloolaba and the Gold Coast, the races around Cabbage Tree Island, Flinders Islet and Bird Islet, and the Rolex Sydney Hobart Yacht Race. The history of the CYCA completely revolves around these events as most have been a part of that history ranging back some 60 years to the now Rolex Sydney Hobart Yacht Race. The collection of these offshore classics forms arguably the toughest group of races anywhere in the world. They epitomise the values of seamanship, reliability and persistence and provide Australian offshore sailors with sailing challenges not collectively provided elsewhere.

The CYCA Blue Water Champion for the 2004 - 2005 season was Ichi Ban, owned and campaigned by Matt Allen. Matt sailed his Farr 52 with a group of CYCA and Yachting Australia members ranging from a bunch of older toughened hands from Tasmania and Victoria, to youth sailors from Mooloolaba and Sydney. Matt created a crew that apart from their modern foul weather clothing, may have been likened to those crews of the CYCA's early years of ocean racing. "Having the Ichi Ban name on the honour board has been a life time goal", was Matt's comment after being presented with the trophy. This must surely indicate to all CYCA members that the racing we do has created a bond and a history that will endure during the next 50 years of the Cruising Yacht Club of Australia.

The Tasman Trophy for Performance Handicap racing, which also embraces those races in the CYCA Blue Water series, was also won by Ichi Ban in a very closely fought battle with the well-campaigned Volvo 60 Seriously Ten. The CYCA's offshore sailing has continued to prove very competitive on the local scene and ensures that the CYCA standard on the international stage is at the highest level. This was borne out by Richard Perini's win in the 2005 Rolex Farr 40 World Championship which was hosted by the CYCA.

The other major sailing events have been the CYCA Short Ocean Pointscore, the Mount Gay Monday Spinnaker Twilight Series and the St Arnou Wednesday Twilight Series, which were all well supported amongst our members and other keen yacht owners and their crews. The popular BMW Sydney Winter Series continues to have a record number of entries which indicates that the formula of pursuit-style racing is well liked and will therefore continue unchanged.

On behalf of all CYCA sailors, congratulations should go to our Sailing Manager Justine Kirkjian who has provided the Club with another very successful year. Our racing has been conducted without any major issues and Justine and her team of Karla, Chris and Roger have worked very hard this year to ensure a difficult job is well done. The marina staff, as with all the CYCA staff have worked hard to ensure the 2004/2005 sailing season was a very good one.

Finally, I would like to thank one of our most valuable volunteers, Mervyn Clark, who gives up his time in assisting boat owners and potential crew members to come together for sailing. Mervyn co-ordinates the list of crewing positions on boats and the list of owners looking for potential crew members and can be found in the Sydney Hobart Bar on most race days.

The challenge that lies ahead is not only to provide a continued high standard of yachting but to create new and innovative ways for yachtspersons to enjoy this wonderful sport that the CYCA provides.

Training & Development Committee Report

Chairman Matt Allen Director

The Training and Development Committee's main function is to oversee the CYCA Youth Sailing Academy (YSA). The position and strength of the YSA continued its growth in 2004-05.

All introductory, intermediate and advanced level courses were filled and positions continue to be keenly sought. CYCA youth sailors continued to impress with their results at both interclub and international level. The Academy continued to reach the broader community through the expansion of school and university programs, initiatives to provide opportunities for people with disadvantages or disabilities and expansion into supporting CYCA members with adult training and seminars.

There was a continued growth in the proportion of youth sailors who took the opportunity to crew on members' boats. These opportunities, so generously provided by Club members, are greatly appreciated:

- BMW Sydney Winter Series – 25 YSA sailors keenly took the opportunity to crew on members' yachts.
- Rolex Sydney Hobart Yacht Race – six sailors headed for Hobart.
- Ingles Sydney Gold Coast Yacht Race – eight sailors took time off studies and headed north.
- Sydney Mooloolaba Yacht Race – four sailors headed to Mooloolaba.

Positions in all training squads continued to fill and become more competitive. The Introductory/Intermediate School Holiday Programs have many participants choosing to return every holiday and they are joined by a continual stream of new applicants. Graduates from these and many of our mid-week school programs were invited to join the Intermediate Squad. This year's Intermediate Squad is now fully booked and, along with the Advanced Squad, is highly competitive for entry. The Advanced Squad – with 36 participants every weekend through winter – is the final progression for graduates of these programs and for talented sailors from feeder dinghy clubs. Again this year the squad received an enormous number of applications for the positions available.

The YSA again achieved great success in interclub and national regattas enabling 25 different Advanced Squad sailors and 9 Intermediate Squad sailors to gain invaluable experience. The following results were achieved:

- 1st, 6th and 7th – CYCA, Club Marine NSW Youth Match Racing Championship
- 1st – Royal Yacht Club of Victoria, Australian Youth Match Racing Championship
- 1st and 2nd – CYCA, Bavaria International Youth Match Racing Regatta
- 7th – Royal Perth Yacht Club, Australian Match Racing Championship
- 3rd – Royal Perth YC, Australian Women's Match Racing Championship

- 4th – Royal Freshwater Bay YC, Warren Jones Youth Regatta
- 2nd and 4th – RSYS, Hardy Cup
- 1st – RNZYS, International Youth Match Racing Championship
- 4th – RPNYC, International Youth Match Racing Championship
- 2nd – CYCA, Harken Women's International Match Racing Regatta
- 4th – Royal Freshwater Bay YC, Australian Open Teams Racing
- 1st – Interclub RSYS/CYCA/RPAYC Regatta.

Six of the YSA sailors have rankings in the top 240 ISAF open match racing rankings (Seve Jarvin placed at 31st) and in the ISAF open women's world match racing rankings, two CYCA youth are presently in the top 125. In addition to these rankings, Sam Newton, Seve Jarvin and Robert Bell received Commonwealth Sporting Achievement Awards in recognition of their outstanding sporting achievements in sailing. Sam Newton was also a finalist in Yachting Australia's Youth Sailor of the Year Award.

In school sport sailing, the Conservatorium High School enjoyed the YSA facilities and long time participants, Scots College, continued their involvement with an inaugural father's race day as the finale to the season. Other midweek sailing included the combined universities program which was hosted every Friday afternoon and which successfully expanded to include a group of Sydney University Sport and Recreational students.

The Training and Development Committee, with the support of State, National and International umpires, race officials and parents (all working as volunteers) has continued to increase and improve the regattas

conducted out of the CYCA during 2004-5. These included:

- Big Kahuna Match Racing Regatta – ISAF Grade 5
- Hirst Match Racing Regatta – ISAF Grade 5
- All Marine Match Racing Regatta – ISAF Grade 5
- Kellett Shield Regatta
- Club Marine NSW Youth Match Racing Championship – ISAF Grade 4
- Bavaria International Youth Match Racing Regatta – ISAF Grade 3
- Harken Open Women's International Match Racing Regatta – ISAF Grade 3

Additionally the YSA enjoyed opportunities to work with the broader community through its relationships with:

- Toga Group Youth Sailing Development Program – providing CYCA youth the opportunity to complement their sailing with dinghy sailing at local clubs and providing scholarship support for many dinghy club sailors to expand their skills at the CYCA. In 2005 Toga Group also provided immediate assistance for sailors affected by the fire which destroyed Dobroyd Aquatic Club through scholarships to YSA programs.
- The Freedman Foundation programs for students from disadvantaged Sydney area schools enabled 48 sailors from 12 different schools to learn the basics of sailing on the Elliott 6s and members' yachts.
- Sailors with disABILITIES – conducted two very successful regattas in the Elliott 6 fleet.

Eden Marine High School arrived for their annual week long visit in December. This program continues to be part of the CYCA's "thank you" to the Eden community for their support during the Rolex Sydney Hobart Yacht Race and is always well received and supported by Club members.

The Training and Development Committee has extended its support of CYCA members with:

- Friday twilight match racing training for women during summer
- The return of Mike Fletcher's very successful adult course in February
- The introduction of seminar evenings to provide members with more information on racing skills – Weather for Racing (Roger Badham), Racing Rules (Mark Pryke).

The Committee looks forward to expanding these and other member programs in 2005-6.

The Power Boat Rescue Course ran during May, starting in the cool early hours of Sunday mornings. The course provided an opportunity for staff

and youth sailors to become accredited as Power Boat Rescue Drivers, which will enable safer operations of all our power craft. David Tallis's generous assistance in conducting Umpire courses has provided the CYCA with a number of nationally and state qualified umpires.

Successful sail training, coaching, and regattas were run for the World Inter Airlines Regatta, the very popular Mount Gay Top Jocks (Champion of Champions) Regatta and the Australian Sailing and Cruising Club.

The YSA is greatly indebted to all our sponsors. I was pleased to welcome two new Elliot 6 sponsors, Bavaria Yachts and Sandy Bay Surf Co., who join Musto/Line 7, Toll, Club Marine, Village Roadshow (Triple M), Sailors with disABILITIES/LANSA, Camp Eden/Christie Corporation, Talent2 and Quite Little Drink. Andrew Short Marine has increased its commitment to the YSA and now supply all three coach boat engines. Ongoing sponsorships with Harken, Noakes Boat and Shipyards, Hood Sails, Wilsons Holden and International Paints continue to assist the YSA with our yachts. KIA's support of youth sailing through the supply of a vehicle for general Club use is an invaluable asset to the CYCA enabling the towing of coach boats and general support of CYCA logistical activities.

The YSA would also like to thank all those members who support youth sailors with their direct donation or donation to the Australian Sports Foundation. Sincere thanks to CYCA members Jeremy Lawrance, Geoff Bonus and Darryl Hodgkinson for their support during the year.

In conclusion, special thanks to Jenni Bonnitcha for her commitment and efforts during this busy year. The success of the YSA is largely due to her dedication. Finally thanks go to my fellow Committee members; Director Garry Linacre, Director John Walton, John Brooks, Steve Jarvin and Don Telford, for their valued assistance and support during the year.

Cruising Committee Report

Captain John Keelty

During the past 12 months CYCA Cruising has been very active and provided a great range of information and entertainment for members and their friends. One of the high points of the year was the Circumnavigators Dinner which was hosted by CYCA Cruising with the assistance of the Associates. It was certainly one of the most enjoyable evenings I have spent at the Club – a statement that I am sure all those fortunate enough to attend agree with. There were circumnavigators from all over Australia, from far north Queensland to the far south of Tasmania, including our guest of honour Mick Morris, who came down from Queensland with his wife Phyllis especially for the evening. Mick completed his circumnavigation on Kathleen Gillette which was

owned by the late Jack Earl who was not only one of our founding fathers but also one of the instigators of the first Sydney Hobart Yacht Race.

Altogether we had 10 circumnavigators as our guests. Mick was joined by other famous sailors such as Adrienne Cahalan, currently the fastest woman to circle the globe under sail, David Adams, winner of the BOC in True Blue, Don and Margie McIntyre and the list goes on. All inspired us with their stories during a fabulous evening.

Since my last report we have held two informative Heavy Weather Seminars with quality presenters such as Kenn Batt speaking on waves and weather and Scott Jutson on yacht design. In the second seminar experienced sailors Michael Spies, David Adams, Kanga Birtles and Sean Langman provided information on how to best handle a yacht in heavy weather.

On the lighter side, Ian and Andrea Treleaven gave a highly professional presentation on their sailing adventures in the Mediterranean with tips on the best ports to visit, what to see and the best way to go about it. We look forward to sharing more of their adventures in the future.

At the 'Beyond First Aid' seminar concern was expressed by the majority present, including Senior First Aid Certificate holders, over their lack of basic knowledge such as how, when and where to give an injection. It was clear from this seminar that there is a great need for further education on medical assistance. Intensive research also indicated that there is no suitable course that meets the needs of offshore sailors who need basic knowledge to provide medical assistance beyond basic first aid, which as we know is designed only to assist for the first 20 minutes until the ambulance arrives.

With the assistance of Committee member Dr Virginia Handel we are working with Professor Don Harrison, Dr Bob Wright and professional staff from St Vincent's Hospital to develop such a course. This exciting project will be, to the best of our knowledge, a world first. It will be called Medical Management for Mariners and development is well underway. The course will provide the necessary information, practical advice and training for those who go to sea and have to provide medical assistance in difficult environments including on board yachts.

On the sailing side, thanks to all those members and staff who supported the Variety SPLASH, the kids had a fantastic day. It is also great to see increasing numbers of members experiencing the pleasures and camaraderie of Short Haul events.

I would like to thank all who worked on the CYCA's Cruising Committee: Liz Carpenter, Peter and Patricia Cox, Denis Doyle, Pam Emerson, Pat Goldstiver, Rear Commodore Alan Green and Ivy Green, Sharondell Grennan, Dr Virginia Handel, Margaret Keelty, Bill Ratcliff, Caryl Rorke, our newest members Directors John Walton and Garry Linacre and all of the many Club members who help make Cruising at CYCA such a great success.

Marina and Site Committee Report

Chairman Geoff Lavis Rear Commodore

This last year has been a very busy year for the Marina and Site staff – Andy Payne – Maintenance and Operations Manager; Scott Finsten – Dockmaster and Frank Bergmann – Marina Administrator. All have done a wonderful job during the year and are an asset to the Club.

During the year, following the resignation of our previous Chief Executive Officer Joe Goddard, all section managers had to 'step up to the plate' during our prolonged period without a CEO. Andy Payne was no exception and it must be stated that he excelled himself during this period. He accepted his enhanced responsibilities with ease and carried out his functions and duties without having to heavily rely on the members of the Committee. As Committee Chairman, I in particular, appreciated his efforts.

This year the Club had a very intense sailing programme with the 60th Rolex Sydney Hobart Yacht Race, the Rolex Trophy, the Hamilton Island Farr 40 Nationals, Rolex pre-Worlds and Rolex Worlds as well as hosting the Global Challenge competitors, on top of our normal sailing programme. All this activity puts a strain on the Club's physical resources which then has to be handled, in particular, by our marina staff. We again had to call on our hardstand occupants to move their boats to the Sir David Martin Reserve to enable that area to be used for the Rolex marquee. With much better communication channels with the hardstand occupants, these moves were handled with minimum disruption and angst. I would also like to thank those members who willingly agreed to relocate their boats from the marina to the temporary moorings in Rushcutter's Bay during the Rolex Sydney Hobart and the Rolex Farr 40 Worlds.

The Clubhouse has undergone continued maintenance as and when required. This process is continuing with decking currently being replaced

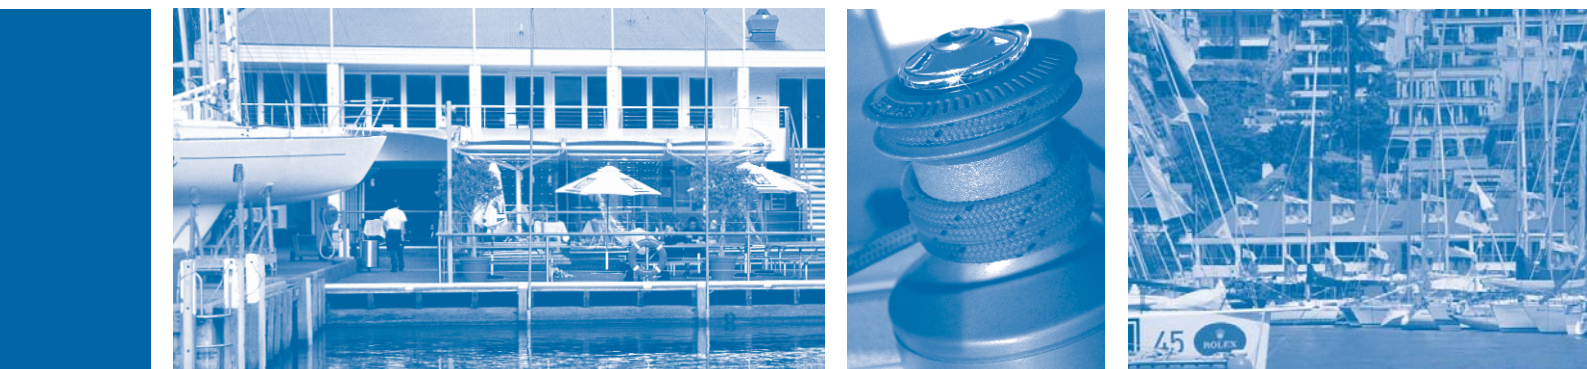

as required and repairs planned for the tiling in the men's and women's toilet areas. Minor alterations were made to the men's shower facilities to provide a bit more privacy and less intrusion of water into the change area. Whilst not perfect, the result is a major improvement.

All the Club's boats have been well maintained throughout the year by following our maintenance protocol. We are currently seeking another work boat to assist in the laying and recovery of rounding marks which will greatly assist in the professional running of our sailing events.

Unfortunately, I can't report any progress on the rejuvenation of the slipway area. I have said it before, however I do hope to be able to provide some detail of planning for this area in the year ahead.

Our wonderful marina continues to delight and frustrate at the same time. Such is the length of the waiting list it would be wonderful to have another 100+ berths on offer; however, the reality is that we are constrained by our wet lease area and no increase in available berths is likely. We are continuing to enforce stricter guidelines for members being offered permanent berths so that ultimately the Committee would like to see only actively used boats on the marina. The waiting list seems to never diminish and it is simply unfair on other members who wish to use their boats to have boats berthed there that are not used. For those members fortunate enough to have their boat on the marina, I am sure all would agree that it is a first class facility. The marina staff have ensured that the marina has been run to budget expectations during a very busy year.

As well as again thanking the marina staff for their dedication to the job, I would also like to thank my fellow Committee members, Director Garry Linacre, Director Rod Skellet, Director John Walton, Tony Hearder, Karl Stechmann, Ed McCarthy and Grant Pollock for their support and assistance during the year.

Member Services Committee Report

Chairman Michael Cranitch Director

The Committee met regularly throughout the year and occupied itself with quite a number of different issues. In particular, it was pleasing to see that at the urging of the Committee, a fund was set aside in the budget to improve the traffic through the men's downstairs bathroom and provide better amenities. The house facilities are under constant review by the Committee, in conjunction with the Marina and Site Committee, to determine the best way of improving and renovating both male and female member's amenities.

The Committee continued to liaise with management and our caterers, L eat. As a consequence the Committee believes that the catering is as good as the Club has had, if not better in a number of areas. There will always be a tension between the requirements of the Club members and the need for L eat to operate profitably, and the Committee acknowledges the efforts of our new CEO in resolving this tension. Certainly from the point of view of functions, the catering is the best that the Club has had and this is reflected in the increased utilisation of the Club's facilities in this regard.

During the course of this year CYCA Cruising became an independent Board Committee, although liaison still continues closely between the Member Services Committee and CYCA Cruising with respect to the management of functions which have been regularly and successfully conducted by CYCA Cruising.

The Breakfast Club continues to function well, and provides, in its usual fashion, for improvement of member amenities. As members will be aware funds raised by the Breakfast Club are used for the provision of members' amenities which normally would be outside the budgetary process of the Club. The Breakfast Club has a project to fund the provision of better audio visual facilities within the Coaster's Retreat which will enhance the quality of the Coaster's Retreat for the benefit of members.

The CYCA Associates Committee has performed strongly during the year and provides a valuable source of volunteers for a number of the Club's activities, including being rostered on the starter's boat and the

conducting of members' dinners, luncheons, fashion parades, theatre parties, Melbourne Cup luncheons and the Children's Christmas Party. Other successful activities including nautical trash and treasure days, boat clothing sales, the Parade of Sail and the Associates Annual Dinner and the ever popular theme nights. Most importantly, the Committee recently funded the purchase of two defibrillators to be used in association with the racing activities of the Club and to ensure that the best first aid attention is available for both on-water and off-water incidents.

The Badge draw on Thursday nights continues its appeal, largely due to the devoted support of our sponsors. Our thanks to:

Gold Sponsors

- Andrew Short Marine
- EastSail
- Hood Sailmakers
- Noakes Boatyard
- Point Marine Services
- Riviera Sales Sydney
- Southcorp
- Beneteau Vicsail
- Flagship Charters
- Maurice Drent Boating Services
- Pacific Sailing School

- Inner Circle Rum
- Nanni Diesel
- www.getaway-sailing.com
- Lyons Yacht Designers
- Sail Odyssey

Bronze Sponsors

- Kookaburra Challenge
- Warne's Trophies
- Performance Boating Services
- Ensign Wines

Finally, might I thank on behalf of the Board the hard working members of this Committee who constantly contribute to the well being of the members of the Club and provide a standard of service and support for the Board which is exemplary. Without the members of the Committee volunteering their time and effort the results which are so evident would not have been possible.

Archives Committee Report

Chairman Rod Skellet Director

The 2004 - 2005 year has been a very productive year for the Club's Archive Committee with solid progress made on our Club's history manuscript and an excellent photographic exhibition on the history of the Rolex Sydney Hobart Yacht Race.

Our Club's history project is on track with the manuscript expected to be completed and presented in a pre-edited form by mid-June this year. Bob Ross our designated author; has made excellent progress with to date approximately 80,000 words presented to our Committee for editing for accuracy and general comment. When the final chapters are presented, the manuscript could be close to 120,000 words and when combined with the 300 odd photographs, Club members will truly have a significant record of the Club's history.

At the time of writing this report the Club had yet to appoint a publisher; however Commodore Martin James, the Club's Chief Executive Officer Mark Woolf, and myself should have this in hand by the time our Annual General Meeting comes around in July. The process of combining the manuscript with the huge photographic archive will be a massive task, one which will take time and most likely much active debate. At this time I will ask those members who believe they have photographs or other historical documents which may have a place in this book, to please forward them to Christina Del Conte at the CYCA as soon as possible.

The Archives Committee's other major achievement was the 60th Rolex Sydney Hobart Yacht Race historical photographic display. This project, when finally presented, was a fabulous enhancement to the colour and atmosphere at the Club prior to the 60th event and provided another reason for our friends and colleagues in Hobart to wander Constitution Dock and take up the atmosphere that surrounds the Rolex Sydney Hobart Yacht Race.

The building and production of this display would not have materialised without the magnificent contribution of several of our members. To Ian Mainsbridge, long time Club member and famous yachting photographer; and the photographic team at News Ltd; Steve Grove Photographic

Manager and Anthony Moran, Picture Editor; we owe a very heartfelt thank you. These gentlemen, with the aid of myself and fellow archive Committee members, spent hours sifting through the CYCA archives and Newscorp archives of the Daily Telegraph and the Hobart Mercury, to get this fantastic series of photographs together. Once the photographs were selected, the production team at Newscorp had the photos mounted on display boards which took pride of place in the Rolex tent in Sydney and on Constitution Dock in Hobart.

The narrative for each year's race was also a major task and I would like to thank David Colfelt and Frank Sticovich who, along with myself, completed this task. The photographic exhibition will be a regular feature of the Rolex Sydney Hobart Yacht Race going forward and members can purchase the storyboards from any of the races if they wish.

One of the final tasks that was also largely completed was converting a good number of our Club videos to DVD which will ensure their longevity and ease of use going forward. On that note I would like to thank my fellow Committee members for their contribution throughout the past year; Graham Swan, Alan Campbell, John Keelty, Bill Psaltis, David Colfelt, Bob Brenac, Jeannette and Michael York and Tony Cable, and I look forward to presenting to the members the completed book before the 2005 year is out.

Associates Committee Report

President Shaaron Walsh

The Associates Committee was formed in 1963 and is now into its 42nd year. The Committee, a strong team of dedicated members who donate their time, skills and energy, remains committed to organising social functions and events for the benefit and enjoyment of members, their families and guests. We are proud that we retain one of the original Committee members Jeannette York. It has been a privilege for me to serve as President of the Associates Committee over the past twelve months.

Parade of Sail

Yet another spectacular day on the harbour! It was the Associates 11th Annual Parade of Sail and Blessing of the Fleet. The Sydney Heritage Fleet's 101-year-old Edwardian Schooner Boomerang, skippered by Michael York OAM, was the official start vessel. A fleet of 30 classic yachts, all aged 25 years or more, competed for the 'Shipshape and Bristol Fashion Award'. Judging has become more difficult as each year the quality of yachts greatly improves. This time the winner was Neville Crichton's magnificent vessel Plym, skippered by Don Telford. Following the Parade, skippers, crewmembers and guests joined us for lunch in the Freya and Morna Rooms. Our thanks to Jeannette York, who once again co-ordinated the day's events to perfection.

Melbourne Cup Luncheon

Our very popular Melbourne Cup Champagne Luncheon was a sellout. It was a beautiful sunny day and 160 members and their guests dressed for the occasion in the latest spring fashions. Everyone participated in the fun, with sweeps, raffles, fashion awards and competitions, and with the climax of the day being the race on shown on the big screen. Thanks to those Committee Members who helped with the event.

Children's Christmas Party

This annual event is a real family day and 80 members' children attended the 2004 Christmas Party. They were entertained by professional clowns, face painting, party food, balloons and individual presents handed out by Santa, who was greeted on his arrival in the Club tender. Thanks to Eve Ross, Pamela Brinsmead and Les Cosgrove for their hard work.

Christmas Hamper

Each year a gourmet Christmas hamper is donated and assembled by members of our Committee who also generously give up their time to sell raffle tickets. We were pleased with this year's financial result, as this is one way we can accrue revenue to purchase items for the Club and its members.

Wednesday Twilight Raffles

This year we were granted permission by the Board to sell raffle tickets on Wednesday nights during the St. Arnou Wednesday Twilight Races. This proved to be very successful and we raised over \$1,500 with the prize being a case of wine. Thanks to our ticket sellers and please look out for them next season.

Circumnavigators Dinner

In March we combined with CYCA Cruising and held a Circumnavigators Dinner in the Club dining room. It was a very interesting evening as guests were entertained by the seafaring stories relayed by nine individuals who have circumnavigated the globe. The night's success must be attributed to John and Margaret Keelty for giving their time and hard work.

SOLAS Trusts Appeal

Thanks to those Committee members and their friends who donated their time at the end of the BMW Sydney Winter Series to sell raffle tickets and help the Club raise funds for the SOLAS Trusts.

Donations

As in the past, each year we select one charitable organisation as a beneficiary and present them with a \$500 cheque. This year we chose Careflight Australia. However, after the disaster caused by the Tsunami in December, we decided to contribute towards a second cause this year and were happy to donate \$600 towards the Tsunami Appeal.

Kathleen Gillett Logbook Stand

In 1992 the Associates Committee presented the Club with a limited edition copy of the beautiful Kathleen Gillett logbook together with a special display stand. Unfortunately that stand was dismantled and lost during the rebuilding of the Club premises. I am happy to announce that the logbook is once again on display in the Coaster's Retreat after the Committee agreed to cover the cost of building a new stand. We are currently in the process of engraving an explanatory plaque for the logbook.

I would like to extend my personal thanks to all of my fellow Committee members for contributing their time and hard work over the past year. Thanks to: Jo Bearman, Cathie Mulherin, Pam Neate, Margaret Keelty, Jeannette York, Aurian Bird, Elizabeth Carpenter, Eve Ross, Diana Hawley, Pamela Brinsmead, Marie-Lou Wolfensberger, Pam Emerson and Lee Ratcliff.

The Associates Committee would like to thank the Commodore, Board and CYCA staff for their assistance and co-operation throughout the past year.

Directors' Report

The Directors present their report together with the financial report of the Cruising Yacht Club of Australia ("the Company") for the year ended 31 March 2005 and the auditor's report thereon.

Directors

The directors of the Company at any time during or since the end of the financial year are:

<i>Name and qualifications</i>	<i>Age</i>	<i>Experience and special responsibilities</i>

R Skellet	10	12	17	22
J S Walton	8	9	8	9
J C Messenger	3	3	0	0

* Number of meetings held during the time the director held office during the year.

Principal activities

The principal activities of the Company during the course of the financial year were to promote participation in yachting including the sport of sailing and to provide ocean racing facilities, training and other yachting facilities and competition for its members.

There were no significant changes in the nature of the activities of the Company during the year.

Membership

The Company is a company limited by guarantee and without share capital. The number of members as at 31 March 2005 and the comparison with last year is as follows:

Year	2005	2004
Number of members	2,590	2,573

Review and results of operations

The result from ordinary activities before tax for the year amounted to a net profit of \$143,827 compared with a net profit of \$186,603 for the prior year. This resulted after charging \$753,165 (2004: \$642,538) for depreciation and amortisation.

Dividends

The Company is a non-profit organisation and is prevented by its constitution from paying dividends.

State of affairs

In the opinion of the directors there were no significant changes in the state of affairs of the Company that occurred during the financial year under review.

Environmental regulation

The Company's operations are subject to various environmental regulations under both Commonwealth and State legislation.

The Board believes that the Company has adequate systems in place for the management of its environmental requirements and is not aware of any breach of those environmental requirements as they apply to the Company.

Events subsequent to reporting date

For reporting periods starting on or after 1 April 2005, the company must comply with International Financial Reporting Standards (IFRS) as

issued by the Australian Accounting Standards Board. At balance date, it was not possible to quantify the effects of the convergence to IFRS as key IASs and AASBs are currently under development.

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material or unusual nature likely, in the opinion of the directors of the Company to affect significantly the operations of the Company, the results of those operations, or the state of affairs of the Company, in future financial years.

Likely developments

The directors do not anticipate any particular development in the operations of the Company which will affect the results in subsequent years.

Indemnification and insurance of officers

The Company has provided for and paid premiums to the value of \$6,325 during the year for directors and officers liability insurance. The insurance is in respect of legal liability for damages and legal costs to a maximum of \$10,000,000 arising from claims made by reason of any omissions or acts (other than dishonesty) by them, whilst acting in their individual or collective capacity as directors or officers of the Company.

The insurance premiums relate to:

- costs and expenses incurred by the relevant officers in defending proceedings, whether civil or criminal whatever their outcome; and
- other liabilities that may arise from their position, with the exception of conduct involving a wilful breach of duty or improper use of information or position to gain a personal advantage.

Dated at Sydney this 1st day of June 2005.

Independent Audit Report

To the members of the Cruising Yacht Club of Australia

Scope

The financial report and directors' responsibility

The financial report comprises the statement of financial position, statement of financial performance, statement of cash flows, accompanying notes to the financial statements and the directors' declaration set out on pages 22 to 40 for the Cruising Yacht Club of Australia ("the company"), for the year ended 31 March 2005.

The directors of the company are responsible for the preparation and true and fair presentation of the financial report in accordance with the Corporations Act 2001. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error and for the accounting policies and accounting estimates inherent in the financial report.

Audit approach

We conducted an independent audit in order to express an opinion to the members of the company. Our audit was conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Corporations Act 2001, Australian Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the company's financial position and of their performance as represented by the results of their operations and cash flows.

We formed our audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report; and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the directors.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

Independence

In conducting our audit we followed applicable independence requirements of Australian professional ethical pronouncements and the Corporations Act 2001.

Audit opinion

In our opinion, the financial report of Cruising Yacht Club of Australia is in accordance with:

- a) the Corporations Act 2001, including:
 - i) giving a true and fair view of the company's financial position as at 31 March 2005 and of their performance for the financial year ended on that date; and
 - ii) complying with Accounting Standards in Australia and the Corporations Regulations 2001; and
- b) other mandatory financial reporting requirements in Australia.

Directors' Declaration

In the opinion of the directors of the Cruising Yacht Club of Australia ("the Company"):

- a) the financial statements and notes, set out on pages 23 to 40, are in accordance with the Corporations Act 2001, including:
 - i) giving a true and fair view of the financial position of the Company as at 31 March 2005 and of its performance, as represented by the results of its operations and its cash flows, for the year ended on that date; and
 - ii) complying with Accounting Standards in Australia and the Corporations Regulations 2001; and
- b) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

The statement of cash flows is to be read in conjunction with the notes to the financial statements set out on pages 26 to 40.

Notes to the Financial Statements

For the year ended 31 March 2005

I. Statement of significant accounting policies

The significant policies which have been adopted in the preparation of this financial report are:

a) Basis of preparation

The financial report is a general purpose financial report which has been prepared in accordance with Accounting Standards, Urgent Issues Group Consensus Views, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001.

It has been prepared on the basis of historical costs and except where stated, does not take into account changing money values or the fair value of assets.

The accounting policies have been consistently applied by the company are consistent with those of the previous year.

b) Reclassification of financial information

Disclosures in the Club's notes to the statement of financial position have been reclassified to leasehold improvements.

Within the 2004 report, Yard and Marina with a carrying value of \$1,982,883 was classified separately. In the 2005 report, Yard and Marina has been included in leasehold improvements to more accurately reflect their nature.

c) Revenue recognition – Note 2

Revenues are recognised at fair value of the consideration received net of the amount of goods and services tax (GST) payable to the taxation authority. Exchanges of goods or services of the same nature and value without any cash consideration are recognised as revenues.

Sale of goods revenue

House revenue

House revenue comprises revenue earned from the provision of food, beverage and clothing sales to members and other patrons of the club. Revenue is recognised when the goods and services are provided.

Rendering of services revenue

Subscriptions

Subscription fees are taken into account on an accruals basis and the portion relating to the ensuing year is transferred to subscriptions in advance.

Yard and marina

Yard and marina revenue consists of casual and permanent berthing fees, hardstand rentals, locker rentals, slipping fees, tender fees and boat repairs

provided to members and other patrons of the club. Yard and marina revenue is recognised when the goods or services are provided.

Sailing revenue

Sailing revenue consists of ferry charter fees, race entry fees, sponsorship and other associated income. Sailing revenue is recognised when the goods or services are provided for all revenue except sponsorship which is recognised as it accrues.

Other revenue from ordinary activities

Interest revenue

Interest revenue is recognised as it accrues, taking into account the effective yield on the financial asset.

Donations and grants received

Revenue from donations and grants consists of donations received by the Youth Sailing Academy, and grants from the Australian Sports Foundation.

Sale of non-current assets

The gross proceeds of non-current asset sales are recognised as revenue at the date control of the asset passes to the buyer, usually when an unconditional contract of sale is signed.

The gain or loss on disposal is calculated as the difference between the carrying amount of the asset at the time of disposal and the net proceeds on disposal (including incidental costs).

d) Goods and services tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the taxation authority is included as a current asset or liability in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the taxation authority are classified as operating cash flows.

e) Borrowing costs

Borrowing costs include interest, amortisation of discounts or premiums relating to borrowings, amortisation of ancillary costs incurred in connection with arrangement of borrowings and finance charges in

Statement of significant accounting policies (Continued)

respect of finance leases. Ancillary costs incurred in connection with the arrangement of borrowings are netted against the relevant borrowings and amortised over their life.

Borrowing costs are expensed as incurred unless they relate to qualifying assets. Qualifying assets are assets which take more than 12 months to get ready for their intended use or sale. In these circumstances, borrowing costs are capitalised to the cost of the assets. Where funds are borrowed specifically for the acquisition, construction or production of a qualifying asset, the amount of borrowing costs capitalised is those incurred in relation to that borrowing, net of any interest earned on those borrowings. Where funds are borrowed generally, borrowing costs are capitalised using a weighted average capitalisation rate.

f) Taxation

No provision has been made for income tax as the Company is exempt under Section 50-45 of the Income Tax Assessment Act (1997), provided it continues as a sporting club predominantly encouraging and promoting the sport of yachting, boating, cruising for pleasure and the building and sailing of yachts and boats. Accordingly tax effect accounting has not been adopted by the Company.

g) Acquisition of assets

All assets acquired including property, plant and equipment are initially recorded at their cost of acquisition at the date of acquisition, being the fair value of the consideration provided plus incidental costs directly attributable to the acquisition.

Expenditure is only recognised as an asset when the Company controls future economic benefits as a result of the costs incurred, that are probable and can be measured reliably. Costs attributable to feasibility and alternative approach assessments are expensed as incurred.

Subsequent additional costs

Costs incurred on assets subsequent to initial acquisition are capitalised when it is probable that future economic benefits in excess of the originally assessed performance of the asset will flow to the Company in future years, otherwise they are expensed as incurred.

h) Revisions of accounting estimates

The preparation of the financial report requires the making of estimations and assumptions that affect the recognised amount of assets, liabilities, revenues and expenses and the disclosure of contingent liabilities. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be

reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised in the revision affects only that period, or in the period of the revision and future periods if the revision affects both the current and future periods.

i) Receivables – Note 5

The collectability of debts is assessed at reporting date and specific provision is made for any doubtful accounts.

Trade debtors

Trade debtors are to be settled within 60 days and are carried at amounts due.

j) Inventories – Note 6

Finished goods are carried at the lower of cost and/or net realisable value.

k) Leased assets

Leases under which the company assumes substantially all the risks and benefits of ownership are classified as finance leases. Other leases are classified as operating leases.

Operating leases

Payments made under operating leases are expensed on a straight line basis over the term of the lease, except where an alternative basis is more representative of the pattern of benefits to be derived from the leased property.

l) Recoverable amount of non-current assets valued on cost basis

The carrying amounts of non-current assets valued on the cost basis are reviewed to determine whether they are in excess of their recoverable amount at reporting date. If the carrying amount of a non-current asset exceeds the recoverable amount, the asset is written down to the lower amount. The write-down is expensed in the reporting period in which it occurs.

Current valuations for leasehold improvements valued on the cost basis are carried out at least once every three years.

Where a group of assets working together supports the generation of cash inflows, the recoverable amount is assessed in relation to that group of assets.

Statement of significant accounting policies (Continued)

In assessing recoverable amounts of non-current assets the relevant cash flows have not been discounted to their present value.

m) Depreciation and amortisation

Complex assets

The components of major assets that have materially different useful lives, are effectively accounted for as separate assets, and are separately depreciated.

Useful lives

All non-current assets have limited useful lives and are depreciated/amortised using the straight line method over their estimated useful lives, taking into account estimated residual values, with the exception of freehold land.

Assets are depreciated or amortised from the date of acquisition.

Depreciation and amortisation rates and methods are reviewed annually for appropriateness. When changes are made, adjustments are reflected prospectively in current and future periods only. In the most recent review it was determined to consolidate all the leasehold improvements to reflect the marina and yard assets all being located on leasehold premises, and increase the rate of amortisation of some of those assets.

The depreciation/amortisation rates used for each class of asset are as follows:

	2005	2004
<i>Property, plant and equipment</i>		
Leasehold improvements	3% to 13%	3% to 13%
Boats	13% to 50%	13% to 50%
Plant and equipment	13% to 50%	13% to 50%

n) Payables – Note 9

Liabilities are recognised for amounts to be paid in the future for goods or services received, whether or not billed to the company. Trade accounts payable are normally settled within 60 days.

o) Interest-bearing liabilities – Note 10

Loans are recognised at their principal amount, subject to set off arrangements. Interest expense is accrued at the contracted rate and included in "Other creditors and accruals".

p) Employee benefits – Note 11

Wages, salaries, annual leave, sick leave and non-monetary benefits

Liabilities for employee benefits for wages, salaries, annual leave and sick leave expected to be settled within 12 months of the year-end represent present obligations resulting from employees' services provided at the reporting date, calculated at undiscounted amounts based on remuneration wage and salary rates that the Company expects to pay as at reporting date including related on-costs.

Non-accumulating non-monetary benefits such as the use of a motor vehicle, are expensed on the net marginal cost to the Company as the benefits are taken by employees.

Long service leave

The provision for employee benefits to long service leave represents the present value of the estimated future cash outflows to be made resulting from employees' services provided to reporting date.

Provision for employees with less than 10 years' service has been allocated to non-current liabilities.

The provision is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates based on turnover history and is discounted using the rates attaching to national government bonds at reporting date which most closely match the terms of maturity of the related liabilities. The unwinding of the discount is treated as long service leave expense

Superannuation plan

The Company contributes to several defined contribution superannuation plans. Contributions are recognised as an expense as they are made. Further information is set out in Note 19.

q) Marina security deposits held – Note 12

Marina berth holders are required to pay a refundable security deposit to the Company equivalent to three months berthing fees at the time of acquisition of the berth.

r) Floating rate notes – Note 10

Floating rate notes are carried on the statement of financial position at their principal amount. Interest expense is accrued at the contracted rate and included in accruals.

2. Revenue from ordinary activities

	Note	2005 \$	2004 \$
Sale of goods revenue from operating activities		3,273,071	2,857,827
Rendering of services revenue from operating activities		4,986,767	4,641,148
Other revenues			
<i>From operating activities</i>			
Interest: Other parties		14,514	1,815
Donations and grants received		62,173	120,069
<i>From outside operating activities</i>			
Gross proceeds from sale of non-current assets		-	1,759
Insurance proceeds		35,000	90,000
Total other revenues		111,687	213,643
Total revenue from ordinary activities		8,371,525	7,712,618

3(a). Profit from ordinary activities before income tax expense

Profit from ordinary activities before income tax expense has been arrived at after charging/ (crediting) the following items:

Borrowing costs:

Related parties	27,170	25,488
Other parties	78,340	97,474
Hire purchase charges	186,595	207,607
	292,105	330,569

Operating lease rental expenses:

Minimum lease payments	172,277	149,916
------------------------	---------	---------

Depreciation of:

Boats	48,829	42,240
Plant and equipment	181,022	243,159

Amortisation of:

Leasehold improvements	523,732	357,139
------------------------	---------	---------

Total depreciation and amortisation	753,587	642,538
-------------------------------------	---------	---------

Net expense from movements in provision for:

Employee benefits	21,260	7,925
Obsolescence of stock	(17,500)	17,500
Net (gain)/loss on sale of property, plant and equipment	15,531	15,269

3(b). Revision of accounting estimates

Leasehold improvements

At the beginning of the financial year, the depreciation rate of leasehold improvements was revised. As a result, amortisation of leasehold improvements has increased during the year.

4. Auditor's remuneration

Note	2005 \$	2004 \$
Audit services:		
Auditors of the company		
KPMG Australia		
Audit and review of the financial reports	31,000	30,800
Other services:		
Auditors of the company		
KPMG Australia		
Other assurance services	5,000	5,250
Taxation services	1,000	750

Bill acceptance facility		-	425,000
		-	435,186
Facilities not utilised at reporting date:			
Bank overdraft		100,000	89,814
Bill acceptance facility		600,000	275,000
		700,000	364,814

Bank overdraft

Interest on the bank overdraft is charged at prevailing market rates. The interest rate for the overdraft as at 31 March 2005 is 9.7% (2004: 9.45%).

The bank overdraft and other facilities made available by the Company's bankers are secured by registered first mortgages over all assets of the Company. The bank overdraft is payable on demand and is subject to annual review.

Floating rate notes

Cruising Yacht Club of Australia floating rate notes are unsecured liabilities with a term of up to three years. The loans bear interest, payable quarterly on the basis of the aggregate of the 90 day bank bill rate on the first working day of the quarter plus 2.3% per annum. The interest rate as at 31 March 2005 is 7.7267% (2004: 7.822%).

Bill acceptance facility

The bill acceptance facility is available for the next two years. This facility was not utilised as at the 2005 reporting date.

Retained profits at beginning of year		4,377,489	4,190,886
Net profit		143,827	186,603
Retained profits at the end of the year		4,521,316	4,377,489

14. Additional financial instruments disclosure

The Company's financial instruments and the policies associated with the risks of carrying these are summarised below:

a) Interest rate risk

The Company's financial assets and liabilities are subject to interest rate risk. The Company does not use derivatives to minimise this risk and these will fluctuate in accordance with movements in the market interest rates.

The Company's exposure to interest rate risk and the effective weighted average interest rate for classes of financial assets and financial liabilities is set out below:

	Note	Weighted average interest rate	Floating rate	Fixed interest maturing in 1 yr or less	Fixed interest maturing in 1-5 yrs	Fixed interest maturing in more than 5 yrs	Non interest- bearing	Total
		%	\$	\$	\$	\$	\$	\$

14. Additional financial instruments disclosure (Continued)**b) Credit risk exposures**

Credit risk represents the loss that would be recognised if counterparties failed to perform as contracted.

Recognised financial instruments

The credit risk on financial assets of the Company which have been recognised on the statement of financial position is the carrying amount, net of any provision for doubtful debts.

The Company minimises concentrations of credit risk, undertaking transactions with a large number of patrons.

c) Net fair values of financial assets and liabilities

For all financial assets and liabilities the fair value approximates their carrying value. No financial assets and financial liabilities are readily traded on organised markets.

The aggregate fair values and carrying amount of financial assets and financial liabilities are disclosed in the statement of financial position and in the notes to the financial statements.

15. Commitments

Cash assets		288,526	67,665
Bank overdraft	10	-	(10,186)
		288,526	57,479

b) Reconciliation of profit from ordinary activities after income tax to net cash provided by operating activities

Profit from ordinary activities after income tax		143,827	186,603
Add/(less) items classified as investing financing activities:			
(Profit)/loss on sale of non-current assets		15,531	15,269
Add/(less) non-cash items:			
Depreciation and amortisation		753,165	642,538
Amounts set aside to provisions		31,178	25,425
Net cash provided by operating activities before change in assets and liabilities		943,701	869,835
Change in assets and liabilities during the financial year			
(Increase)/decrease in receivables		117,728	(244,987)
(Increase)/decrease in inventories		(48,351)	37,071
(Increase)/decrease in other assets		(24,735)	(117,191)
Increase/(decrease) in payables		233,931	(73,115)
Increase/(decrease) in other liabilities		(7,800)	(7,490)
Net cash provided by operating activities		1,214,474	464,123

19. Employee benefits

	Note	2005 \$	2004 \$
Aggregate liability for employee benefits including on-costs:			
Current	11	148,290	125,557
Non-current	11	110,683	112,156
		258,973	237,713
Assumed rate of increase in wage and salary rates		3%	3%
Discount rate		5.3%	5.3%
Settlement term (years)		10	10
		2005 #	2004 #
Number of employees			
Number of employees at year end		46	42
Superannuation plans			
Contributions			
The Company is under a legal obligation to contribute 9% of each employee's base salary to a superannuation fund.			
Details of contributions during the year are as follows:			
	Note	2005 \$	2004 \$
Employer contributions to the plans		146,982	126,780
Employer contributions payable to the plans at reporting date		13,522	10,860

20. Directors remuneration

The directors did not receive any remuneration during the year, or in the prior year.

Directors' income

The number of directors of the Company whose income from the Company or any related party falls within the following bands:

\$0 - \$9,999

Total income paid or payable or otherwise available to all directors of the Company

2005 No	2004 No
12	13
2005 \$	2004 \$
Nil	Nil

21. Related parties

Directors

The names of each person holding the position of director of the Cruising Yacht Club of Australia during the financial year are Messrs M C Allen, M Cranitch, A Green, L W Goodridge, R J Hickman, M R James, G R Lavis, G Linacre, J C Messenger, R Skellet, G R Swan and J S Walton.

J C Messenger retired as a director in July 2004 and J S Walton was appointed as a director in July 2004.

Details of directors' remuneration are set out in Note 20.

Apart from the details disclosed in this note, no director has entered into a material contract with the Company since the end of the previous financial year and there were no material contracts involving directors' interests subsisting at year end.

Directors' transactions with the Company

From time to time directors of the Company may purchase goods and services from the Company (e.g. food, drink, racing entries, sailing equipment and marina berthing) or participate in other club activities. These purchases and participations are on the same terms and conditions as those available to any other member of the Company.

Floating rate notes

Floating rate notes totalling \$Nil (2004: \$Nil) were issued by the Company to directors or director related entities during the year. The total amount repaid on the floating rate notes was \$Nil during 2005 (2004: \$Nil) leaving a balance owing of \$350,000 to directors or director related entities at year end.

Related parties (continued)

The floating rate notes were issued to F J Collins Pty Limited ATF F J Collins Superannuation Fund and Lavis Corporation ATF Lavis Superannuation Fund during 2001. Interest is paid on these notes as detailed in Note 10. The total interest paid was \$27,170 (2004: \$25,488).

The director related entities for the above related transactions are as follows:

Director	Director related entity
M R James	F J Collins Pty Limited ATF F J Collins Superannuation Fund
G Lavis	Lavis Corporation Pty Limited ATF Lavis Superannuation Fund

22. Events subsequent to reporting date

International Financial Reporting Standards

For reporting periods beginning on or after 1 April 2005, the company must comply with International Financial Reporting Standards (IFRS) as issued by the Australian Standards Board.

This financial report has been prepared in accordance with Australian accounting and other financial reporting requirements (Australian GAAP). The differences between Australian GAAP and IFRS identified to date as potentially having a significant effect on the company's financial performance and financial position are summarised below. The summary should not be taken as an exhaustive list of all the differences between Australian GAAP and IFRS. No attempt has been made to identify all disclosure, presentation or classification differences that would affect the manner in which transactions or events are presented.

The company has not quantified the effects of the differences discussed below. Accordingly, there can be no assurances that the financial performance and financial position as disclosed in this financial report would not be significantly different if determined in accordance with IFRS.

Regulatory bodies that promulgate Australian GAAP and IFRS have significant ongoing projects that could affect the differences between Australian GAAP and IFRS described below and the impact of these differences relative to the company's financial reports in the future. The potential impacts on the company's financial performance and financial position of the adoption of IFRS, including system upgrades and other implementation costs which may be incurred, have not been quantified as at the transition date of 1 April 2004 due to the short timeframe between finalisation of the IFRS standards and the date of preparing this report. The impact on future years will depend on the particular circumstances prevailing in those years.

The key potential implications of the conversion to IFRS on the company are as follows:

- revaluation increments and decrements relating to revalued plant and equipment and intangible assets will be recognised on an individual asset basis, not a class of assets basis; and
- changes in accounting policies will be recognised by restating comparatives rather than making current year adjustments with note disclosure of prior year effects.
- impairments of assets will be determined on a discounted basis, with strict tests for determining whether goodwill and cash-generating operations have been impaired.

23. Company details

The Company is incorporated and domiciled in Australia as a company limited by guarantee. In accordance with the Constitution of the company, every member of the Company undertakes to contribute an amount limited to \$2 per member in the event of the winding up of the Company during the time that he is a member or within one year thereafter. At 31 March 2005 there were 2,590 members.

The principal place of business is New Beach Road, Darling Point, New South Wales, Australia.

24. Trust fund

The Company is the sole member of CYCA SOLAS Limited, a Company limited by guarantee which is the trustee of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts. The administration of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts is under the control of the separate board of CYCA SOLAS Limited. The trustee Company has a right to be indemnified out of the assets of the trust to satisfy liabilities properly incurred by the trustee. As at 31 March 2005 the outstanding liabilities committed by the trustee on behalf of the trust totalled \$Nil (2004: \$10,000). The assets of the trust are sufficient to meet this commitment. In the event that CYCA SOLAS Limited is wound up and unable to repay all outstanding debts, the liability of its members is limited to an amount of \$10.

CYCA SOLAS Limited is a controlled entity of the Cruising Yacht Club of Australia. The Company acts as trustee for the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts. The company has no transactions in its own right, and accordingly consolidated financial statements have not been prepared.

Disclaimer

The Company has chosen to disclose additional financial information which it is under no legal obligation to present.

This additional financial information presented on page 42 is in accordance with the books and records of the Cruising Yacht Club of Australia which have been subjected to the auditing procedures applied in our statutory audits of the Company. It will be appreciated that our statutory audits did not cover all details of the additional financial information. Accordingly, we do not express an opinion on such financial information and no warranty of accuracy or reliability is given.

In accordance with our Firm policy, we advise that neither the Firm nor any member or employee of the Firm undertakes responsibility arising in any way whatsoever to any person (other than the Company) in respect of such information, including any errors or omissions therein, arising through negligence or otherwise however caused.
