### Commodore's Report

Commodore Geoff Lavis

It was indeed a great honour to be elected to the position of Commodore of this great Club in July last year. Whilst this came about a little earlier than anticipated, I have thoroughly enjoyed my first 12 months at the helm of the CYCA.

There are many wonderful social aspects of the Club's activities, however the core activity remains sailing, and so it has been over the last year. Starting with a near record fleet in the Sydney Gold Coast Race, onto the Rolex Trophy series, the Big Boat Challenge, the 61st Rolex Sydney Hobart Yacht Race, the various summer offshore series, including the Short Haul series and cruising activities, the Mt Gay Monday Twilights and the St Arnou Wednesday Twilights and then into the BMW Sydney Winter Series, which will be underway when you read this report.

Add to this mix the various other races that our active racers participate in, including; races organised by the Royal Sydney Yacht Squadron; Middle Harbour Yacht Club; RANSA; Royal Prince Edward Yacht Club; Sydney Amateur Sailing Club; and other Sydney and interstate yacht clubs. Other events include the Brisbane

Gladstone Race; Brisbane Mackay Race; Airlie Beach Race Week; Hamilton Island Race Week; Gosford Lord Howe and Pittwater Coffs Harbour Races and the sailing calendar is indeed a busy one! Not forgetting, of course our very active Youth Sailing Academy which continues to grow from strength to strength under the enthusiastic guidance of Jenni Bonnitcha. Our youth sailors have achieved some outstanding successes during the year and they continue to graduate onto members' yachts providing a continuing source of well trained skilful sailors.

You will note that I didn't mention Sydney Mooloolaba! As most are now aware, the Sailing Committee proposed, and the Board agreed, to a change in format this calendar year, which involved moving the Sydney Gold Coast Race to pre-Easter and the Sydney Mooloolaba Race to the end of July. There were a number of reasons for the switch which was done with full consultation with both the Southport Yacht Club and Mooloolaba Yacht Club. The repositioning allowed the Southport Yacht Club to re-invigorate an offshore series at the end of the Gold Coast Race, and allows us to initiate the Sydney Mackay Yacht Race, in conjunction with, and part of, the Sydney Mooloolaba Race in late July. This 930 nautical mile race will now feed into the popular Queensland regattas at Airlie Beach and Hamilton Island and already a number of skippers have indicated their intention to contest this inaugural event.

One of the sailing highlights of the year for me was welcoming home Club member Alex Whitworth and his mate Peter Crozier following their epic journey in *Berrimilla*, a Brolga 33. Alex and Peter competed in the 60th Rolex Sydney Hobart, then set sail double handed for England,

competed very successfully in the double handed division of the Rolex Fastnet Race and then set sail once again for Sydney, via Hobart, to get back just in time to compete in the 61st Rolex Sydney Hobart. I have the greatest admiration and respect for the gritty determination and seamanship of these two men.

For a more detailed description of our sailing activities, please refer to Rear Commodore Roger Hickman's Sailing Committee Report and Vice Commodore Matt Allen's Training and Development Committee Report.

#### The 61st Rolex Sydney Hobart Yacht Race

The 61st Rolex Sydney Hobart Yacht Race attracted huge media interest partially surrounding the anticipated match race between the world's newest and fastest 30 metre maxis. The prevailing conditions for the race determined that it would be a big boat race with the leaders virtually facing no significant upwind work whilst the rest of the fleet had to battle against the usual strong south to south west winds. This resulted in Bob Oatley's Wild Oats XI achieving the 'triple' -Line Honours; the Tattersall's Cup for IRC overall winner and the establishment of a new race record for variable ballast boats. We had an excellent fleet of 85 starters of which 80 finished and all but one arrived in Hobart. My congratulations to all who competed and in particular the divisional winners and place getters. The race attracted an unprecedented world wide audience on our excellent yacht tracker system which this year was significantly enhanced by the addition of Google Earth. Another notable achievement in this race was the record equalling performance of Phillips Foote Witchdoctor. She equalled Peer Gynt's record of 25 Sydney Hobarts. Maybe she will hold the record on her own after this year's race.

For many years the Tasmanian Government has provided medallions for those who have participated in 25 Sydney Hobarts, but last year they also struck medallions to recognise the achievement of competing in 40 Sydney Hobarts. Those who had earlier achieved this milestone received their medallions at the prize giving on New Year's Day and the recipients were; John Bennetto (posthumously) 44; Lou Abrahams 43; Tony Cable 42; Bernie Case 40 and Richard 'Sightie' Hammond 40 – the first to sail in 40 Sydney Hobarts.

#### Solid support of our sponsors

We at the Club are extremely pleased to have the continuing solid support of our sponsors. Rolex, our major sponsor and the sponsor of the Rolex Sydney Hobart Yacht Race and Rolex Trophy; BMW Sydney, our longest standing sponsor, the BMW Sydney Winter Series; St Arnou, the St Arnou Wednesday Twilights and Maxxium, the Mt Gay Monday Twilights and Mt Gay Top Jocks Regatta. There is also considerable support given to the Youth Sailing Academy, mostly by Club members and via their respective companies. Please refer to the Training & Development Report for a full listing of these sponsors. I would also like to thank all the sponsors of the Thursday night 'Badge Draw'- this has developed into a highly successful regular Club function. Also, the generous continued support given by many members through their voluntary donations to the Australian Sports Foundation with a direction of the funds to the Youth Sailing Academy is most welcome and gratefully received. To all our sponsors, on behalf of the Board I offer my sincerest thanks.

#### Thank you to our many volunteers

Apart from the support of our sponsors, this Club would be unable to function without the

continuing support of our many volunteers, be they on regular Committees, the Breakfast Club, Race Committees, Emergency Management teams, start boats, assistance in the Information Centre for the Rolex Sydney Hobart Yacht Race and assistance finding new crews – to all of you – thank you!

Under the guidance of our Chief Executive
Officer, Mark Woolf, and the enthusiastic and
loyal support of his excellent staff, the Club is
in a very sound financial position. Due to
sound budgetary management the Club has
again recorded a solid result with further
diminution of our long term debt, despite the
impost of substantially higher land and water
lease costs. Please refer to Treasurer Graham
Swan's report and Vice Commodore Matt
Allen's Audit Planning and Risk Committee
report for further details.

#### Club based activities well supported

The Club based activities continue to be well supported by members giving a solid boost to the financials mentioned above. Director Michael Cranitch and his Member Services Committee have been very active over the year. At the direction of this Committee, minor renovations to the ladies restrooms and the restaurant have just been completed. This Committee has also put forward a novel approach to attract new members to this magnificent Club, a promotion that will run over the winter months culminating in a lucky member winning a trip on the inaugural CYCA Aegean Yacht Rally for 2007. The Cruising Committee has also been extremely busy over the year organising many in-house functions and gatherings, not only for the benefit of the cruising sailors but also all racing sailors in this and other clubs. This group is ably led by Cruising Captain John Keelty and his report of

their activities is an interesting read.

The Marina and Site Committee, led by Director Garry Linacre is currently reviewing optimum usage of the marina and is now finally able to reassess the requirements and best use of the old slipway area. I anticipate that the Committee will have some recommendations for the Board prior to the Annual General Meeting.

The Archives Committee, led by Director Rod Skellet have for many years been gathering historical information on the Club and its members. This work is getting closer to fruition and in fact a great deal of the available information is currently being uploaded to the Club's website. This has been a difficult and arduous task and the Committee are to be congratulated for their ongoing commitment.

The Associates Committee has again continued their solid commitment of support for the Club, this year once again under the skilled leadership of Jeannette York. Her Committee's activities are detailed in her report.

To all the Committee Chairpersons and all the Directors, thank you for your assistance and support this year.

I commend to you this wonderful Club. Be proud of your membership of this, the pre-eminent ocean racing club in Australia.

Geoff Lavis Commodore

### Treasurer's Report

Treasurer Graham Sway

Members will have noticed the dramatic effect of the introduction of Australian International Financial Reporting Standards on this year's profit after tax and the 2005 comparative figures where a \$143,287 profit has been reversed to a loss of \$26,402.

This is because under AIFRSs we are required to recognise the obligation to restore certain sites at the end of our land and waterways leases, in effect make good the site. Under previous generally accepted accounting principles the cost of rectification was recognised as an expense when incurred. The adjustments are of a non-cash basis and are more fully explained in the notes to the accounts.

#### Following is a summary of key financial information over the last three years:

	2006	2005	2004
Net Profit	344,176	(26,402)	22,425
Net Cash Inflow	120,815	231,047	(59,035)
Repayment of Borrowings	(829,714)	(808,257)	(341,611)
Current Assets	878,602	879,259	744,699
Non-Current Assets	8,446,845	9,109,037	9,609,212
Current Liabilities	2,478,635	2,105,329	1,452,657
Non-Current Liabilities	3,474,945	4,855,276	5,951,380
Members' Funds	3,371,867	3,027,691	2,949,874
Number of Members	2,561	2,590	2,573

Members' funds have again increased even though membership numbers have remained static as a result of strong patronage and participation in Club events which combined with careful management has ensured gross margins were maintained and costs contained. There was also a flow on effect with savings in interest and finance charges as a result of the reduction in our borrowings in prior years.

This year's profit result and the positive cash inflow enabled a further part repayment of the floating rate notes and a reduction in total liabilities from \$6.9m to \$5.9m. There was also an opportunity to make a substantial donation to SOLAS.

The Club continued capital expenditure on areas of strategic value and in particular acquired the *MV Gordon Marshall*. As well as the make good provision our results continue to be affected by a large amortisation and depreciation expense to reduce the carrying value of non-current assets over their useful lives.

As in prior years our working capital ratio remains poor but members will have noticed that we reduced our accounts payable at year end by some \$366,291 and subsequent to year end we extended the marina hire purchase for another five years thereby

transferring the bulk of the interest bearing liability of \$1,467,507 to a non-current liability.

I would like to thank our accountant Nina McKinnon and her staff for their assistance during the year and a special thank you to Christina Del Conte and Mark Woolf for all the help they have provided during the year.

In addition to the role of Treasurer I have enjoyed participating on the Member Services Committee with Director Michael Cranitch, the Archives Committee with Director Rod Skellet, the Audit Planning and Risk Committee under the stewardship of Vice Commodore Matt Allen, and cooking those sausages with the Breakfast Club!

Our Club's financial strength depends on the continuing support of our sponsors and usage of the facilities by members. I look forward to seeing you on the water or in the Clubhouse.

### Audit, Planning & Risk Committee Report

Vice Commodore Matt Allen, Chairman

The Cruising Yacht of Australia has an Audit, Planning and Risk Committee. The Committee has during the last year focused on the refinancing of various assets including the marinas and the adoption of AIFRS to accounts.

#### The Committees responsibilities include:

- Reviewing the adequacy of existing external and internal audit arrangements, the Company's accounting policies and practices, the financial statements and the Company's internal control systems.
- Giving the Board additional assurance regarding the quality and reliability of financial information prepared for use by the Board.
- Devising and implementing short term and long term financial plans.
- Reviewing rents and other periodic receivables of the Company.
- Reviewing and approving draft annual budgets prepared by the management.
- Liaising with KPMG, the Company's external auditors and reporting to the Board on the auditors findings.
- Monitoring compliance with the Company's and its subsidiary's statutory responsibilities including those under the Corporations Act, the Registered Clubs Act and environment laws.
- Reviewing and renewing policy terms in relation to the Company's insurances.
- Reviewing policies and procedures in relation to the Company's risk management and making recommendations to the Board as to appropriate risk management strategies.
- The monitoring of compliance with approved polices.
- Reviewing the Company's compliance with taxation policies.
- Considering matters with relation to the Company's information technology requirements.
- An ongoing audit of the procedures employed by the Company in its conduct of its major races.
- Dealing with litigation and other claims against the Company.
- Reviewing, negotiating and signing-off on all significant contractual arrangements and other long term commitments entered into by the Company, including agreements with sponsors.

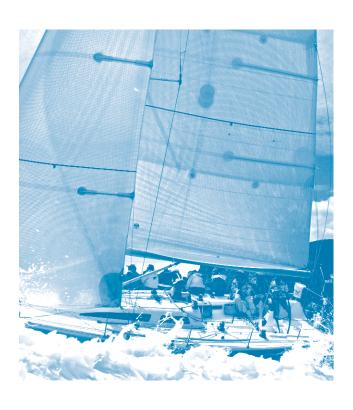

- The oversight of the CYCA Safety of Life at Sea Trusts.
- · Commissioning and obtaining revaluations of our assets.
- With the assistance of past Commodores Martin James and John Messenger dealing with rental reviews with our landlords.

I would like to record my sincere thanks to past Audit, Planning and Risk Committee Chairman Past Commodore Martin James for his enormous assistance and long hours during the year. In addition to Past Commodore James, the Committee has the benefit of having some very capable people on which to draw upon, namely; Paul Billingham, Director Michael Cranitch, and Treasurer Graham Swan. I thank them for their efforts.

As you will note from the Treasurer's Report and the Financial Statements your Club is in a sound financial position.

The adoption of AIFRS standards to our accounts has created extra work during the year both for your Committee and management.

I would also like to thank both our Chief Executive Officer Mark Woolf, and Accountant Nina McKinnon who have helped enormously in the various responsibilities of the Committee.

### Sailing Committee Report

Rear Commodore Roger Hickman, Chairman

# The 2005/2006 CYCA Sailing Season has proven to be another excellent year of sailing with some great results and in most part good yacht numbers in our events.

The CYCA Sailing Committee has however been so consumed recently by the issue within the Club of the handling of yachts with canting keels and stored power that we have struggled to stay focused on the hundreds of our members who just love to going sailing.

With the evolution of yachts and the related construction and stability issues they require, we have seen some great leaps forward in recent years. The Sailing Committee believes that this may now stabilise for a short time and it is time for the rule makers to catch up and create a handicapping system that is as stable as possible. The Rolex Sydney Hobart Yacht Race constantly ensures that the CYCA must be at the leading edge of knowledge in all areas of offshore yachting to ensure that this great event is run and managed at the highest level. This has never been as noticeable as this year with the larger yachts having conditions that enabled them to strut their stuff, so to speak, creating an area where some sailors may have lost sight of the sheer enjoyment of competing.

#### Offshore Sailing

Offshore Sailing is special as it is a sport where everyone can go out and compete against the elements and against other yachts. Enjoyment comes from the "I did it" factor. This is why the Cruising Yacht Club of Australia has been so strong and why our races have been so popular, because this is the heart of our sport and it is the role of the CYCA to maintain this. Let's not let an obsession with winning dilute what we have all worked so very hard to create.

#### Thank you to all the volunteers

The CYCA has so very many capable volunteers who support the CYCA, along with the staff of the Club, in providing our members and hundreds of other sailors with a successful and enjoyable year of boating. It is very hard not to simply repeat what was said last year, yet how do we continue to thank these volunteers who are such an important part of our Club.

Richard Grubb and his wonderful team on the start boat have again provided us with great on-water race management. We at the CYCA are, and must continue to be, eternally grateful for the huge effort that Richard delivers to the Club and while his team of dedicated volunteers is a large group and too many to mention, they know who they are and we thank them over and over again.

John Kirkjian as always has provided the CYCA with a sound Protest Committee base. The volunteers along with John who continue to support the Club with their time and knowledge in this sometime difficult area are also to be thanked.

The 61st Rolex Sydney Hobart Yacht Race proved to be yet another good event and a

large number of people contributed to it. Tim
Cox and his team on the Race Committee
including friends from the Royal Yacht Club of
Tasmania are thanked by all who participate in
the race. John Brooks and the Emergency
Management Team also contributed to the
back up necessary to run this flagship event.

David Kellett with his trusted team of volunteers again manned the Radio Relay Ship for the 61st Rolex Sydney Hobart Yacht Race. This year John Winning supported the CYCA by providing his exceptional power yacht *JBW* as the Radio Relay Ship. John must be thanked for his support and gratitude from all of us has been passed onto John.

The CYCA Sailing Committee itself is made up of a group of volunteers that provide a wealth of knowledge to ensure that CYCA racing and sailing can be carried out at a high level of awareness and enjoyment. Each member of the Sailing Committee is a boat owner and a member of the CYCA and thus endeavours to provide every facet of CYCA sailing to be successful. It has been a busy year and I thank all those on the Sailing Committee for their continued support.

#### **Championship series**

The premier pointscores of the CYCA are undoubtedly the Blue Water Championship and the Tasman Trophy. These championship series embrace all our offshore events including the races to Mooloolaba and Gold Coast, the races around Cabbage Tree Island, Flinders Islet and Bird Islet, and the Rolex Sydney Hobart Yacht Race. The history of the CYCA completely revolves around these historical events as most have been a part of that history ranging back some 60 years. The collection of these offshore classics forms

arguably the toughest group of races anywhere in the world. They epitomise the values of seamanship, reliability and persistence and provide Australian offshore sailors with sailing challenges not collectively provided elsewhere.

The CYCA Blue Water Championship for this season was won by *Prime Time* owned and campaigned by David Mason. David sailed his Beneteau 44.7 with his regular crew consistently throughout the season to win this much coveted trophy.

The Tasman Trophy for Performance Handicap racing, which also embraces those races in the CYCA Blue Water series, was won by *Pretty Fly II*. Colin and Gladys Woods sailed a great season and while having a lot of fun won a series that is potentially the hardest one to win unless you sail very consistently throughout the season, as *Pretty Fly II* did.

#### Other major sailing events

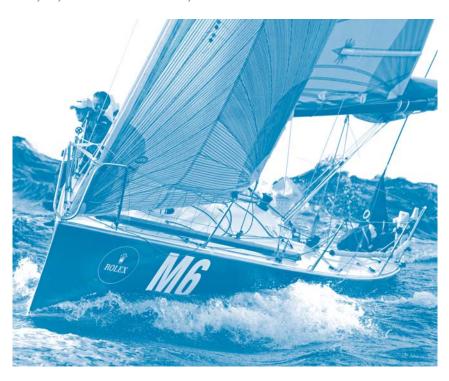

The other major sailing events have been the CYCA Short Ocean Pointscore, Ocean Pointscore, Mount Gay Monday Spinnaker Twilight Series and the St Arnou Wednesday Twilight Series, which were all well supported amongst our members and other keen yachtsmen. The CYCA Short Haul group has continued to grow and have had some exceptional racing, further plans to stimulate this keen group are taking place for next season. The BMW Sydney Winter Series continues to have a record number of entries and proves popular which would indicate that the formula of pursuit-style racing is well-liked and will continue unchanged. The Club is a buzz every Sunday with the CYCA Breakfast Club providing a breakfast and a fun style atmosphere before racing, and a big thanks to that group for their contribution to our sailing.

On behalf of all CYCA sailors, congratulations should go to our Sailing Manager, Justine Kirkjian, who has provided the Club with another very successful year. Our racing has been conducted without any major issues and Justine and her team of Chris, Susan and Roger have worked very hard this year to ensure a difficult job is well done. Chris has recently stepped up to the plate whilst Justine is enjoying the arrival of her and Dave's young daughter Chloe.

Again this year, on behalf of all CYCA members and Yachting Australia members, I would like to thank one of our most valuable volunteers, Mervyn Clarke, who gives up his time in assisting boat owners and potential crew members to come together for sailing. Mervyn co-ordinates the list of crewing positions on boats and the list of owners looking for potential crew members and can be found in the Sydney Hobart Bar on most race days.

#### Sailing - our core business

The issues never seem to disappear and the responsibility to all sailors that the CYCA Sailing Committee has must surely ensure that this Committee must remain buoyant and capable of guiding the tough decisions toward the CYCA Board to consider. Sailing is the Cruising Yacht Club of Australia's core business and it is for this reason that the Club has flourished and is allowed to enjoy the beautiful location that we do. Our relationship as a member Club of Yachting New South Wales which in turn relates us to our national body Yachting Australia, ensure the privileges of being by the water and participating in the water activities that we so much enjoy can continue. Let us all get together this up coming year to ensure that sailing and the related issues continue to augment this great sport of ours, sailing.

### Training & Development Committee Report

Vice Commodore Matt Allen, Chairman

The Training and Development Committee's main function is to oversee the CYCA Youth Sailing Academy (YSA). The long term development of our youth is vital to both the health of our sport and the future of our Club. It has been flattering to see other prominent yacht clubs in Australia model their Youth programmes on our own.

2005-2006 was an extremely busy and successful year for the YSA. During the year we employed Suzzi Ghent as full time assistant coach. The combination of Suzzi with the support of Robert Bell and various Advanced Squad members has extended the YSA's capacity to run sail training programmes. During the year part-time coaches such as Dayne Sharp, have extended the skills of our top YSA sailors.

#### Youth Sailing ISAF World Championships

A highlight of the year was Evan Walker and Kyle Langford winning the Gold Medal at the Volvo Youth Sailing ISAF World Championships in Korea. Both nominated the CYCA as their home Club and it is pleasing to see so many of our young sailors elect to represent our Club at national and world championship level.

The continued increase in the number of YSA sailors taking positions on keel boats during many of our Club races, both inshore and offshore, has been most pleasing to witness. This continued association between YSA sailors and the Club is evolving strongly and I am confident this will strengthen over the long term.

### The programs that the YSA ran in 2005-06 were:

- School holiday courses in January, April,
   July, September and December
- University courses targeting youths attending local universities
- Womens' Friday evening course
- Adult courses
- Match Racing Umpiring Training Courses

- Dinghy Club linking programme
  - School group courses
  - General member seminars
  - Freedman Foundation Disadvantaged
     Schools Programme
  - Eden Marine High School sailing camp

From winter 2006 we have elected to increase the number of Youth Squads to three, due to increasing demand. These squads are:

- Talented Sailors Squad
- Development Match Racing Squad
- Advanced Squad

These squads now include nearly 100 young sailors.

### Regattas run by the YSA during the year included:

- Line 7 Women's Australian Match Racing Championship
- Navionics Advanced Squad Regatta
- All Marine Advanced Squad Regatta
- Intermediate Interclub Challenge Regatta
- Club Marine NSW Youth Match Racing Championship
- Bavaria International Youth Match Racing Regatta
- Marinassess Women's Match Racing Regatta
- Harken International Women's Match Racing Regatta
- Mt Gay Rum Top Jocks Regatta
- Defence Forces Regatta
- Sailors with Disabilities Regattas
- ASCC Regatta

#### Youth Sailors represent our Club

Many of our Youth Sailors were chosen to represent our Club at a number of regattas throughout Australia and overseas, these included:

- Cento Cup in Sicily
- Governors Cup Newport Beach, USA
- Internationalaux De France
- Skandia Cowes Youth week under 25 Match Racing Regatta in the UK
- Warrren Jones Regatta in Perth
- Hardy Cup run by RSYS
- Harken International Youth Regatta at RPAYC
- Womens NSW Match Racing Championships at RPAYC
- Centreport International Youth Match Racing Championship at RPNYC
- Youth International Match Racing Championship at RNZYS
- Beneteau Australian Youth Match Racing Championship at SYC
- Rutgerson Australian Match Racing Championship at RPAYC

In the interests of promoting strength and depth in sailing at our Club, the policy of the Training and Development Committee is to provide regatta opportunities to a wide range of sailors.

Whilst our best youth sailors now receive invitations to Open Grade 1 events overseas, many of our youth are selected to represent our Club at various regattas throughout the year. This policy has created a tremendous depth in our sailors and has also met with very strong results on the water.

#### Sponsorship and support vital

As our commitment to Youth continues to increase the need for support both in terms of volunteers and sponsorship is vital. There are many to thank, namely:

- Medina Serviced Apartments & Vibe Hotels
- Neville Crichton & Kia Motors
- Rose Bay Marina
- Musto/Line 7
- Talent2
- Club Marine
- Bavaria Yachts
- Toll Holdings
- Triple M
- Camp Eden
- Sailors with Disabilities/Lansa
- Sandy Bay Surf Company
- Noakes Boat and Shipyard
- Andrew Short Marine
- Harken
- Hood Sails

I would also like to record our thanks to the following Mt Gay Rum, International Paints, Navionics, All Marine and Marinassess for their support during the year.

#### Thank you to volunteers and parents

A number of volunteers have helped run our various programmes this year. Their long term assistance is invaluable. At the risk of missing many I would like to record my thanks to the following; Doug Talty, Deb Wilson, Phil Mostyn, Andrew Baglin, Gary Manual, Rob Weir and Bill Pringle.

In many cases the parents of the sailors also contributed to the running of regattas, and I would like to thank them and encourage them to continue their support.

The staff of the YSA have done a great job at maintaining our Elliott 6's and I applaud Suzzi Gent and James Francis for all their efforts.

The yachts are now in their fourth year and still look almost brand new.

I would also like to record my thanks for the Committee of Director Garry Linacre, Director John Walton, Steve Jarvin, Don Telford and John Brooks for their valued assistance and support during the year.

I would like to thank each member of the Club who has supported the YSA through donations via the Australian Sports Foundation. These donations underpin our efforts each year.

In conclusion, I would like to thank Jenni Bonnitcha for her enduring commitment and energy during this year. We should all be proud of what the YSA has achieved in its 12 short years.

### Cruising Committee Report

Captain John Keelty

#### CYCA Cruising has again been very active this year and provided a great variety of information and entertainment for CYCA members and their friends.

One of our first events was an evening on Antarctica. Adventurers Peter Bland, the first man to visit both the North and South Poles, and Jay Watson described their experience trekking across Antarctica. George Snow shared his experience of cruising the Beagle Passage in Patagonia then Dick Smidlin expanded everyone's knowledge on Antarctic penguins. These nights always feature a treat and on this occasion it was Pemmican, dried food that the early explorers survived on.

#### Cruising the canals

Dr Dick Smidlin (bargee) featured again and explained the joys of barging on the canals of Europe. Christine Sclink, from Mary Rossi Travel, joined him and explored other options for enjoying cruising the canals.

#### **Beyond First Aid**

We also held another 'Beyond First Aid' Information evening. As always this was a very popular evening for those racing and cruising, providing more than basic first aid for those who go to sea. This event featured Dr Bob Wright, Dr Virginia Handel, Dr Stephen Quain, Margaret Keelty RN, Paul Featherstone and Cameron Egar who each spoke on their particular area of medical expertise.

I am very pleased to report that our project Medical Management for Mariners (MMM), which will provide medical advice for yachtsmen far beyond first aid, is now nearing completion thanks to funding by the SOLAS Trust. We are planning to hold another 'Beyond First Aid' evening at the Club before Christmas at which the content of this much-

needed course will be demonstrated. My thanks to Professor Don Harrison and Dr Bob Wright from St Vincent's Hospital, paramedics Paul Featherstone and Cameron Egar and Committee member Dr Virginia Handel for devoting so much of their precious time to this project. Special thanks also to the Directors of the SOLAS Trusts for backing this project.

In October the CYCA hosted the annual Yachting NSW Combined Club's Cruising event. Peter Cox, Pat Goldstiver and Denis Doyle teamed together with the assistance of the Commodore and Club staff to make this a most enjoyable day and a great opportunity to socialise with cruising sailors from other Clubs.

#### Events on and around the water

There were also several events on and around the water. A Flare Day was organised which provided theory followed by practical experience firing flares in the wet, windy conditions that one might expect when letting off a flare in a real life distress situation.

The 2005 Cruising Christmas picnic was held again at picturesque Clifton Gardens. Cruising would not be complete without raft-ups and these were held at the Club's mooring in Refuge Bay and in Sugarloaf Bay, Middle Harbour. The Committee is currently investigating applying for more moorings for the use of Club members.

Committee members Denis Doyle and David Henry organised a very informative and helpful IT night which included demonstrations and presentations on electronics such as laptops, satellite phones and weather forecasting using the latest technology.

In March we had a wonderful presentation from Alex Whitworth and Peter Crozier who recounted their adventures sailing their little 10m Peter Joubert designed Brolga from Hobart, around the Horn to contest the Fastnet race, arriving back just in time to compete in the 2005 Rolex Sydney Hobart Yacht Race.

A fun and very satisfying night was enjoyed by all who attended the Fish Market's Sydney Seafood School. This evening was organised by Marco Forstner. It was great success and one we will be repeating.

I would like to thank all have who worked on and assisted the CYCA's Cruising Committee this year; Rear Commodore Alan Green, Director John Walton, Peter Cox, Denis Doyle, Pam Emerson, Marco Forstner, Pat Goldstiver, Dr Virginia Handel, David Henry, Jeremy Lawrance, Michael Mills, and the CYCA staff, in particular Mark Woolf and Senior Duty Manager Marina Gibson and all of the many staff and members who help make cruising at the CYCA such a great success.

### Marina & Site Committee Report

#### Director Garry Linacre, Chairman

Once again it has been a very busy and productive year for the Marina and Site staff. Andy Payne the Operations Manager led the marina and maintenance team very effectively. We can be proud of the way our staff have served the members during this past year.

It was with regret we accepted the resignation of Andy Payne in April 2006. We wish Andy well in his new pursuits. Andy achieved a lot in his three years with the Club. We have been lucky to promptly find a well qualified and most suitable replacement for Andy. Brian McMahon has settled in to his position already and although it is early days it is evident that Brian is well suited to the task of overseeing our marina, site and various assets.

The sailing programme was as usual very full this year. All the major logistical tasks involving repositioning hardstand occupants to make way for the Rolex Sydney Hobart Media centre and relocating marina occupants was handled with utmost co-operation and a minimum of fuss. This was also true for installation and removal of the satellite transponders for all three long offshore races.

Fine tuning of the marina and site maintenance schedule continued. The Club now has various maintenance contracts in place for major plant and equipment items. Regular preventative maintenance is carried out which is resulting in a positive effect on departmental costs.

The marina has also been attended to by Bellingham Marine. Each year Bellingham checks and tightens all fastenings to ensure maximum performance and life from this important asset. Underwater contractors also attend to the pylons keeping them free of excess growth. This is an ongoing maintenance situation.

This year culminated our lengthy and comprehensive search for a suitable mark laying vessel. We now proudly boast ownership of the *MV Gordon Marshall*. This fine example of a Steber 36 in work boat configuration is proving to be a great asset in augmenting our race management tasks. The boat has been equipped with specially made ground tackle retrieving winch sourced from Italy. So far the new systems employed are working very effectively. The other boats in our fleet continue to be maintained in top condition and are also serving the Club well.

The demand for marina berths is not subsiding in the least. Although plans were put in place to accommodate larger yachts and cater for our growing fleet in both length and numbers, we remain stretched. The Committee and staff are monitoring the non-activity of yachts with permanent berths on our marina. It is necessary for the Club to give priority to boats that are fully involved in our Club's activities and racing. The Committee is also looking at ways that we can reconfigure the marina within our existing lease area in order to cater for the shift to larger craft. We will remain vigilant in this area.

#### Clubhouse maintenance

The Clubhouse maintenance has continued throughout the year. We have also completed the soft refurbishment of the restaurant area. These subtle changes have added to the ambiance of the area and are a definite improvement. We also carried out a refurbishment of the tiled areas in both ladies bathrooms.

Unfortunately I am unable to report on the progress of any works in the slipway area. The Marina and Site Committee through the Board are reviewing options and I hope to be in a position to present a report in the coming months.

The marina staff have managed to run the marina very well in order to meet our budget expectations this year. That situation has been achieved.

In extending a vote of thanks to our marina staff I would also like to thank my fellow Committee members; Director John Walton, Andrew Copley, Karl Stechmann and Andy Offord.

### Member Services Committee Report

Director Michael Cranitch, Chairman

# The Member Services Committee had a relatively uneventful year in terms of the demands upon its time.

We are fortunate in having a Chief Executive
Officer in Mark Woolf who has extensive
experience in the hospitality industry, and as
a consequence, the involvement of the
Member Services Committee in the day to day
running of the bars and restaurants has been
considerably reduced. This is as it should be.

There are, however, matters which are of note. In particular, largely due to the efforts of Member Services Committee member and Treasurer Graham Swan, there has been a refurbishment of the Blue Water Grille to make the interior far more warm and attractive. A consultant was engaged, and the Committee believes that the outcome has been very pleasing.

The Committee continues to liaise with L eat Catering to ensure that the food is of an acceptable standard and the service up to the mark. It has to be acknowledged that there were significant difficulties experienced by our caterer due to a turnover of management staff, but this has now been remedied and members are urged to patronise their restaurant facilities as the standard is undoubtedly first class, and with the refurbishment of the Blue Water Grille, the ambiance has been considerably enhanced.

The Associates Committee continues to work with the Club to provide a range of functions. Their success is evident in such events as the Melbourne Cup Luncheon, Trash and Treasure day and the Children's Christmas Party. Their input into Member Services is very valued.

The Breakfast Club has continued its very worthwhile efforts and the Committee thanks Phil Grounds and his worthy volunteers who sacrifice a large part the early morning on

Sunday morning to fulfil the culinary needs of members before they embark upon the every popular winter series. It should be noted that the Breakfast Club also caters for the volunteers on the Start Boat and performs a valuable service in this regard. As a result of its activities, the Breakfast Club provides discretionary spending on behalf of the members which might not otherwise be budgeted for. In particular, the facilities in the Members Only areas of the Club are continually reviewed in order to ensure that they remain responsive to members' needs.

#### Club membership

The Committee has also worked very actively in trying to promote the membership of the Club and encourage new members to join in order to ensure that the Club continually renews itself. Director Chris Wise has been very active in this regard, and has come up with many valuable ideas for the Member Services Committee which have in large measure been put into play. In particular, the Club is indebted to Marina Boating Holidays for the magnificent prize provided for the membership drive which is taking place during the winter season and for their organising, on behalf of the members, a members' cruise which has been enthusiastically received among those who intend to avail themselves of it.

The Badge Draw which has been a feature of the Club on Thursday evenings continues to be popular with the members, largely due to the continuing and staunch support of our sponsors. In particular, the Committee would like to thank;

#### **Gold Sponsors:**

- Andrew Short Marine
- Beneteau Vicsail
- EastSail
- Flagship Charters

- Hood Sailmakers
- Nanni Diesel
- Noakes Boat & Shipyards
- Pacific Sailing School
- Premier Boat Trimming
- Steve Jarvin Motors
- Southcorp
- Web Central
- www.getaway-sailing.com

#### **Silver Sponsors:**

- ensign Wines
- Kookaburra Challenge
- Warnes Trophies

#### **Bronze Sponsors:**

- Balmain Marina
- David Bray Yachts
- Globalstar
- ICOM Australia
- Leisure Boating Australia
- Mariner Boating
- Vuarnet Sunglasses
- Wotif.com

The Committee has as part of its charter a commitment to listening to and being responsive to members' concerns and any ideas they may have in respect of the facilities of the Club and the way in which the Club can better serve the members. Members are encouraged to communicate with members of the Committee who are ever ready to hear and respond to their concerns. The membership of the Committee can be found on the Club website and undoubtedly at least one of them will be known to a member who wishes to raise any matter of concern.

Finally, although not all are specifically mentioned by name in this report, may I thank the very dedicated members of the Committee who have made working with them such a pleasure.

### Archives Committee Report

Director Rod Skellet, Chairman

## The past 12 months has seen some significant milestones achieved by the Archives Committee.

Bob Ross has provided an extremely detailed and comprehensive manuscript, 125,000 plus words on the history of our Club and the associated ocean races. This manuscript is being analysed and the Board will be making a decision on the final publication of the book. In the meantime, portions of the manuscript will be made available on our website once the dedicated archive section is developed.

With the book aside, the Committee has made solid gains in the process of preserving our valuable archives. The Board approved the recommendation from our Committee, for the purchase of computer hardware and relevant software to enable us to digitise and search through cross referencing all our hard copy archives. The Committee must thank member David Colfelt

for his enormous assistance in advising the Club on both the hardware and software suitable for this purpose.

I am pleased to report that since the computer's arrival in April, David has successfully scanned the first 33 editions of our Offshore Magazine. Eventually all CYCA produced documents will be digitised and made available on our archive site. Access to the site will be for members only and should provide enormous benefit and satisfaction to those members who are interested in our Club's history and archival material.

#### Do you have an interest in archiving?

The task of digitising the Club history is very time consuming work, and it is in this light that I appeal to any Club members with an interest in archiving who wish to volunteer their time to make themselves known to either myself or to a member of the Committee.

#### Club photos and stories

There is no doubt that many items, photos and stories surrounding the Club are sitting in the homes of our members gathering dust and disappearing from the memories of our members. If you hold a significant item and wish to donate it or let us view it, then please come forward and make yourselves known. Archiving is a never ending task, and the responsibility to preserve our Clubs history falls on all our members, not just those who are 30 year plus veterans.

Finally I would like to thank my Committee members for their contribution this year;
Director Graham Swan, Alan Campbell, John Keelty, Bill Psaltis, David Colfelt, Bob
Brenac, Jeannette and Michael York and
Tony Cable, and look forward to 2007 when our history should be finally published.

### Associates Committee Report

President Jeannette York

As a founding member 43 years ago of the Associates Committee, in September 1963, it gave me great pleasure to take the helm yet again for a third term as President in 2005. This dedicated, hard working Committee donate their time and skills to organising diverse events and social functions for the benefit and enjoyment of all Club members.

#### Parade of Sail

Our 12th 'Parade of Sail & Blessing of the Fleet' was held in July, on yet another spectacular winter's day. The official start vessel was Garry Rothwell's magnificent 1939 Halvorsen motor cruiser Silver Cloud III, Life member Alan Brown fired the cannon, Rear Commodore Alan Green, stood in for Commodore Geoff Lavis, taking the salute and Chaplain Chris Aulich RAN of HMAS Waterhen blessed the fleet of classic yachts as they sailed past. The judging has become more difficult each year as the owners of these beautiful yachts vie for 'The Ship Shape & Bristol Fashion Award'. The winner yet again was Neville Crichton's magnificent Plym skippered by Don Telford, second John and Margaret Keelty's Electra and third Ian Kiernan's Maris. The skippers, crews and guests joined us for an enjoyable lunch and prizegiving in the Morna and Freya Rooms.

#### Melbourne Cup Luncheon

Our popular Champagne Luncheon saw a capacity sell out crowd in the Freya and Morna Rooms. The day was brilliant, members and guests were dressed for the occasion in the latest spring fashion. Great fun was had by all as they participated in the sweeps, raffles, competitions and fashion awards, finishing off with the big race on the big screen. For such an action packed day thanks must go to the Committee volunteers, the Club management and staff.

#### **Club Christmas Decorations**

At the request of the Member Services Committee, the Associates Committee purchased Christmas decorations and over a two day period, decorated the Clubhouse in festive manner, much admired by members and guests. Thank you to, Eve Ross, Trish and Peter Cox, Jeremy Lawrence and staff members for their time and effort in achieving a great result.

#### **Children's Christmas Party**

This annual Club event is a great family day, 60 members' children and their parents had a great time, with, professional clowns, face painting,

party food, balloons and marvellous individual presents given out by Santa, who arrived by Club tender. Thanks to Eve Ross, Sharron Walsh, Brian Emerson and our Committee members.

#### **Christmas Hamper**

The gourmet Christmas hamper is donated annually and assembled by the Associates Committee who also generously give of their time selling the raffle tickets. This year's financial result was most pleasing, as this is one way we can accrue revenue to purchase items for the Club and the members.

#### **Wednesday Twilight Raffles**

Permission from the Board to sell raffle tickets during the St Arnou Wednesday Twilight Series was granted. Members of the Committee achieved a good result even though the weather was less than kind, thank you to Sharron Walsh, Committee members and their friends for selling tickets.

#### **SOLAS Trusts Appeal**

Thank you to Committee members and their friends who yet again donated their time at the end of the BMW Sydney Winter Series to sell raffle tickets and help the Club raise funds for the SOLAS Trusts.

#### **Rolex Sydney Hobart Yacht Race Information Office**

During the lead up to the 2005 Rolex Sydney Hobart Yacht Race, thank you to members of our Committee who helped man the Information Desk.

#### **Donations**

Each year the Committee donate to nominated charities. In the past year they were the Rural Fire Service and Care Flight Australia.

In closing my report I wish to extend my personal thanks to all my fellow Committee members, for giving their time and effort over the past year. Thanks to Shaaron Walsh, Cathy Mulherin, Pam Emerson, Eve Ross, Aurian Bird, Pam Brinsmead, Elizabeth Carpenter, Diana Hawley, Irene McAuliffe, Pam Neate, Jane McCoy, Marie Lou Wolfensberger, Joo-Hee Lawrence and past President Gail Lewis- Bearman.

The Associates Committee would like to thank the Commodore, the Board and the Chief Executive Officer and staff for their continued assistance and co-operation through out the past year.

### Directors' Report

The directors present their report together with the financial report of the Cruising Yacht Club of Australia ('the Company') for the year ended 31 March 2006 and the auditor's report thereon.

#### **Directors**

The directors of the Company at any time during or since the end of the financial year are:

Name and qualifications	Age	Experience and special responsibilities
Mr Geoffrey R Lavis	59	Director since July 1999
B.Comm (Acctng)		Managing Director, Lavis Corp Pty Ltd
Non-executive Director		Chairman, Rolex Sydney Hobart Yacht Race Committee
Commodore		Member, Disciplinary Committee
Owner – UBS Wild Thing		Director Ocean Racing Club of Australia (ORCA)
Mr Matthew C Allen	43	Director since July 2002
B.Bus MAICD		Former Regional Chief Executive Officer UBS (Japan)
Non-executive Director		Executive Chairman Halcyon Pty Limited
Vice Commodore		Chairman, Training & Development Committee
Owner – Ichi Ban		Chairman, Audit, Planning and Risk Committee
		Member, Rolex Sydney Hobart Yacht Race Committee
		Member, Disciplinary Committee
		Director Ocean Racing Club of Australia (ORCA)
		Director of CYCA SOLAS Limited the trustee of CYCA
Mr Roger J Hickman	52	Director since June 1996
Master Class I		Managing Director Approach Solutions Pty Ltd
Non-executive Director		Former Merchant Navy Captain
Rear Commodore		Senior Vice President Yachting NSW
Owner – Wild Oats		CYCA Special Regulations Auditor
		Chairman, Yachting NSW Special Regulations
		NSW Representative – National Safety Council
		Chairman, Sailing Committee
		Member, YNSW Offshore Committee
		Member, Rolex Sydney Hobart Yacht Race Committee
		Director Ocean Racing Club of Australia (ORCA)
Mr Alan Green	59	Director since June 1996
B.Econ., M.Comm.(Econ)		Managing Director, International Technology Group Pty Ltd
Non-executive Director		Director, Trilateral Pty Ltd
Rear Commodore		Director of CYCA SOLAS Limited the trustee of CYCA
Owner – Tonic		Sydney Hobart Yacht Race Safety of Life at Sea Trusts
		Chairman, Cruising Committee
		Member Yachting NSW Cruising Committee
Mr Graham R Swan	48	Director since July 2003
B.Econ. FCA, MAICD		Executive Chairman Rothsay Consulting Services Pty Limited
Non-executive Director		Director numerous proprietary companies
Treasurer		Member, Audit, Planning & Risk Committee
		Member, Member Services Committee
		Member, Archives Committee

Name and qualifications	Age	Experience and special responsibilities
Mr Michael Cranitch	61	Director since July 2000
LLB, SC		Senior Counsel NSW Bar
Non-executive Director		Chairman, Member Services Committee
Owner – Broomstick		Chairman, Disciplinary Committee
		Member, Audit, Planning and Risk Committee
Mr Leslie W Goodridge	51	Director since July 2003
B Elec.Eng		Commander RANR
Non-executive Director		Managing Director Owen International Pty Limited
Owner – Erica J		Member, Sailing Committee
		Member, Rolex Sydney Hobart Yacht Race Committee
Mr Garry Linacre	53	Director from June 1986 to June 1988 and since July 2000
Non-executive		Director General Manager, Navionics Australia
Owner – Flicka		Chairman, Marina and Site Committee
		Member, Training and Development Committee
Mr Rod Skellet	43	Director since July 1997
B.Sci (Agr), MSDIA		Deutsche Bank AG – Aust & NZ Global Markets
Non-executive Director		Chairman, Archives Committee
Owner - Club Marine		
Mr John S Walton AM	67	Director since July 2004
MBA (Stanford), BEcon (Hons), FCPA, FAICD, FAIM		Chairman, JS Walton Enterprises Ltd
Non-executive Director		Deputy Chairman, Australian Institute of Management Ltd
Owner - Vivacite		Director, Prince of Wales Medical Research Institute
		Director various proprietary companies
		Member, Marina and Site Committee
		Member, Training and Development Committee
		Member, Cruising Committee
Mr Chris Wise	53	Director since July 2005
Non-executive Director		Director, Ben Lexcen Yacht Designs
		Member, Member Services Committee
Mr Martin R James	49	Director July 1998 to July 2005
B.Juris (Hons), LLB (Hons)		Partner, Mallesons Stephen Jacques
Non-executive Director		Chairman, CYCA SOLAS Limited the trustee of CYCA Sydney
Owner - Infinity III		Hobart Yacht Race Safety of Life at Sea Trusts
(Retired July 2005)		Member, Audit, Planning and Risk Committee
		Member, Rolex Sydney Hobart Yacht Race Committee

#### **Directors' meetings**

The number of directors' meetings (including meetings of committees of directors) and number of meetings attended by each of the directors of the Company during the financial year are:

Board Meetings		Other Mee	tings		
Director	Attended	Held*	Attended	Held*	
G R Lavis	9	14	13	15	
M C Allen	13	14	16	18	
A Green	10	14	5	7	
R J Hickman	9	14	7	13	
G Swan	9	14	11	17	
M Cranitch	10	14	10	11	
L Goodridge	12	14	6	11	
G Linacre	14	14	8	9	
R Skellet	11	14	11	15	
J S Walton	12	14	13	16	
C Wise	7	9	8	8	
M R James	5	5	10	10	

<sup>\*</sup>Number of meetings held during the time the director held office during the year.

#### **Principal activities**

The principal activities of the Company during the course of the financial year were to promote participation in yachting including the sport of sailing and to provide ocean racing facilities, training and other yachting facilities and competition for its members.

There were no significant changes in the nature of the activities of the Company during the year.

#### Membership

The Club is a Company limited by guarantee and without share capital. The number of members as at 31 March 2006 and the comparison with last year is as follows:

	2006	2005
Number of members	2,561	2,590

#### Review and results of operations

The result from ordinary activities before tax for the year amounted to a net profit of \$344,176 compared with a loss of \$26,402 for the prior year, after adjustments have been made for AIFRS. This resulted after charging \$846,091 (2005: \$805,693) for depreciation and amortisation.

#### **Dividends**

The Company is a non-profit organisation and is prevented by its constitution from paying dividends.

#### State of affairs

In the opinion of the directors there were no significant changes in the state of affairs of the Company that occurred during the financial year under review.

#### **Environmental regulation**

The Company's operations are subject to various environmental regulations under both Commonwealth and State legislation.

The Board believes that the Company has adequate systems in place for the management of its environmental requirements and is not aware of any breach of those environmental requirements as they apply to the Company.

#### Likely developments

The directors do not anticipate any further development in the operations of the Club which will affect the results in subsequent years.

#### **Events subsequent to reporting date**

#### Hire purchase

The hire purchase for the marina was renegotiated subsequent to year end and extended for a further 5 years. Accordingly, the obligation recognised as a current interest bearing liability in the balance sheet in the amount of \$1,467,507 will not be required to be settled in full within 12 months of balance date, and it would now be shown as a non-current liability.

#### Indemnification and insurance of officers

The Company has provided for and paid premiums to the value of \$6,077 during the year for directors' and officers' liability insurance. The insurance is in respect of legal liability for damages and legal costs to a maximum of \$10,000,000 arising from claims made by reason of any omissions or acts (other than dishonesty) by them, whilst acting in their individual or collective capacity as directors or officers of the Company.

The insurance premiums relate to:

- costs and expenses incurred by the relevant officers in defending proceedings, whether civil or criminal and whatever their outcome; and
- other liabilities that may arise from their position, with the exception of conduct involving a wilful breach of duty or improper use of information or position to gain a personal advantage.

Dated at Sydney this 25th day of May 2006.

Signed in accordance with a resolution of the directors:

G R Lavis

G Swan Treasurer

and Rs.

### Auditor's Independence Declaration

under Section 307C of the Corporations Act 2001

#### To: the directors of the Cruising Yacht Club of Australia

I declare that, to the best of my knowledge and belief, in relation to the audit for the financial year ended 31 March 2006 there have been:

- no contraventions of the auditor independence requirements as set out in the Corporations Act 2001 in relation to the audit; and
- no contraventions of any applicable code of professional conduct in relation to the audit.

**KPMG**

The balance sheet is to be read in conjunction with the notes to the financial statements set out on pages 25 to 40.

### Statement of Cash Flows

For the year ended 31 March 2006

Cash flows from operating activities	Note	2006	2005
Cash receipts in the course of operations		8,814,211	9,264,812
Cash payments in the course of operations		(7,476,171)	(7,772,747)
Interest received		28,260	14,514
Borrowing costs paid		(230,723)	(292,105)
Net cash from operating activities	18	1,135,577	1,214,474
Cash flows from investing activities			
Proceeds on disposal of non-current assets		-	-
Payments for property, plant and equipment		(185,048)	(175,170)
Net cash used in investing activities		(185,048)	(175,170)
Cash flows from financing activities			
Repayment of borrowings		(829,714)	(808,257)
Net cash used in financing activities		(829,714)	(808,257)
Net increase/(decrease) in cash held		120,815	231,047
Cash at beginning of the financial year		288,526	57,479
Cash at end of the financial year	5	409,341	288,526

The statement of cash flows is to be read in conjunction with the notes to the financial statements set out on pages 25 to 40.

### Notes to the Financial Statements

For the year ended 31 March 2006

#### Significant accounting policies

Cruising Yacht Club of Australia ("the Company") is a company domiciled in Australia.

The financial report was authorised for issue by the directors on 25 May 2006.

#### (a) Statement of compliance

The financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards ("AASBs"), Urgent Issues Group Interpretations ("UIGs") adopted by the Australian Accounting Standards Board ("AASB"), the Corporations Act 2001, the Registered Clubs Act and Gaming Machines Tax Act 2001. International Financial Reporting Standards ("IFRSs") form the basis of Australian Accounting Standards adopted by the AASB, and for the purpose of this report are called Australian equivalents to IFRS ("AIFRS") to distinguish from previous Australian GAAP. The financial reports of the Company also comply with IFRSs and interpretations adopted by the International Accounting Standards Board.

This is the Company's first financial report prepared in accordance with Australian Accounting Standards, being AIFRS and AASB 1 First Time Adoption of Australian Equivalents to International Financial Reporting Standards has been applied. An explanation of how the transition to AIFRS has affected the reported financial position, financial performance and cash flows of the Company is provided in note 23.

#### (b) Basis of preparation

The financial report is presented in Australian dollars.

The financial report is prepared on the historical cost basis.

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. These accounting policies have been consistently applied by the Company.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgements made by management in the application of Australian Accounting Standards that have significant effect on the financial report and estimates with a significant risk of material adjustment in the next year are discussed in note 1.

The accounting policies set out below have been applied consistently by the Company and to all periods presented in the financial report and in preparing an opening AIFRS balance sheet at 1 April 2004 for the purposes of the transition to Australian Accounting Standards – AIFRS.

#### (c) Property, plant and equipment

#### (i) Owned assets

Items of property, plant and equipment are stated at cost or deemed cost less accumulated depreciation (see below) and impairment losses (see accounting policy (g)).

Certain items of property, plant and equipment that had been revalued to fair value on or prior to 1 April 2004, the date of transition to Australian Accounting Standards - AIFRSs, are measured on the basis of deemed cost, being the revalued amount at the date of that revaluation.

Where parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment.

#### (ii) Leased assets

Leases in terms of which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases.

Lease payments are accounted for as described in accounting policy.

Property held under operating leases that would otherwise meet the definition of investment property may be classified as investment property on a property-by-property basis.

#### (iii) Subsequent costs

The Company recognises in the carrying amount of an item of property, plant and equipment the cost of replacing part of such an item when that cost is incurred if it is probable that the future economic benefits embodied within the item will flow to the Company and the cost of the item can be measured reliably. All other costs are recognised in the income statement as an expense as incurred.

#### (iv) Depreciation

Depreciation is charged to the income statement on a straight-line or reducing balance basis over the estimated useful lives of each part of an item of property, plant and equipment. Land is not depreciated. The estimated useful lives in the current and comparative periods are as follows:

	2006	2005
Property, plant and equipment		
	00/ 1 000/	00/ 1 100/
Leasehold improvements	3% to 20%	3% to 13%
Boats	13% to 50%	13% to 50%
Plant and equipment	13% to 50%	13% to 50%

The residual value, if not insignificant, is reassessed annually.

#### Significant accounting policies (continued)

#### (d) Trade and other receivables

Trade and other receivables are stated at their cost less impairment losses (see accounting policy (g)).

#### (e) Inventories

Inventories are stated at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

#### (f) Cash and cash equivalents

Cash and cash equivalents comprises cash balances call and team deposits. Bank overdrafts that are repayable on demand and form an integral part of the Company's cash management are included as a component of cash and cash equivalents for the purpose of the statement of cash flows.

#### (g) Impairment

The carrying amounts of the Company's assets, other than investment property and inventories (see accounting policy (e)) are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated (see accounting policy g (i)).

An impairment loss is recognised whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. Impairment losses are recognised in the income statement, unless an asset has previously been revalued, in which case the impairment loss is recognised as a reversal to the extent of that previous revaluation with any excess recognised through profit or loss.

Impairment losses recognised in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to cash-generating units (group of units) and then, to reduce the carrying amount of the other assets in the unit (group of units) on a pro rata basis.

#### (i) Calculation of recoverable amount

The recoverable amount of the Company's investments in held-to-maturity securities and receivables carried at amortised cost is calculated as the present value of estimated future cash flows, discounted at the original effective interest rate (i.e., the effective interest rate computed at initial recognition of these financial assets). Receivables with a short duration are not discounted.

The recoverable amount of other assets is the greater of their fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the cash-generating unit to which the asset belongs.

#### (ii) Reversals of impairment

An impairment loss in respect of a held-to-maturity security or receivable

carried at amortised cost is reversed if the subsequent increase in recoverable amount can be related objectively to an event occurring after the impairment recognised.

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

#### (h) Interest-bearing borrowings

#### Current accounting policy

Interest-bearing borrowings are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost with any difference between cost and redemption value being recognised in the income statement over the period of the borrowings on an effective interest basis.

#### Comparative period policy

Interest-bearing borrowings are recognised at their principal amount, subject to set-off arrangements. Interest expense is accrued at the contracted rate and included in Note 10 *Trade and Other Payables*.

#### (i) Taxation

No provision has been made for income tax as the Company is exempt under Section 50-45 of the Income Tax Assessment Act (1997), provided it continues as a sporting club predominately encouraging and promoting the sport of yachting, boating, cruising for pleasure and the building and sailing of yachts and boats. Accordingly tax affect accounting has not been adopted by the Company.

#### (j) Employee benefits

#### (i) Defined contribution plans

Obligations for contributions to defined contribution pension plans are recognised as an expense in the income statement as incurred.

#### (ii) Long-term service benefits

The Company's net obligation in respect of long-term service benefits, other than pension plans, is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates, and is discounted using rates for Commonwealth Government bonds at the balance sheet date which have maturity dates approximating to the terms of the Company's obligations.

#### (iii) Wages, salaries, annual leave, sick leave and non-monetary benefits

Liabilities for employee benefits for wages, salaries, annual leave and sick leave that are expected to be settled within 12 months of the reporting date represent present obligations resulting from employees' services provided to reporting date, are calculated at undiscounted amounts based on remuneration wage and salary rates that the Company expects to pay as at reporting date including related on-costs, such as workers compensation insurance and payroll tax.

#### Significant accounting policies (continued)

Non-accumulation non-momentary benefits such as medical care, housing and free or subsidised goods and services, are expensed based on the net marginal cost to the Company as the benefits are taken by the employees.

#### (k) Trade and other payables

Trade and other payables are stated at cost.

#### (I) Provisions

A provision is recognised in the balance sheet when the Company has a present legal or constructive obligation as a result of a past event, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

#### (i) Restoration costs

A provision for restoration costs is recognised when an obligation exists to restore certain sites for the effect of the Company's operations.

The provision is the best estimate of the present value of the expenditure required to settle the restoration obligation at the reporting date. The amount is reviewed annually and changes recognised at the end of the reporting period.

#### (m) Revenue

#### (i) Goods sold and services rendered

Revenue from the sale of goods comprises revenue earned from the provision of beverage and other goods and is recognised in the income statement when the significant risks and rewards of ownership have been transferred to the buyer. Revenue from services to members and other patrons of the Company is recognised in the income statement when the services are provided. No revenue is recognised if there are significant uncertainties regarding recovery of the consideration due, the costs incurred or to be incurred cannot be measured reliably, there is a risk of return of goods or there is continuing management involvement with the goods.

#### Subscriptions

Subscription fees are taken into account on an accruals basis and the portion relating to the ensuing year is transferred to subscriptions in advance.

#### Yard and marina

Yard and marina revenue consists of casual and permanent berthing fees, hardstand fees, locker fees and tender fees provided to members and other patrons of the club. Yard and marina revenue is recognised when the goods or services are provided.

#### Sailing revenue

Sailing revenue consists of ferry charter fees, race entry fees, sponsorship and other associated income. Sailing revenue is recognised when the goods or services are provided for all revenue except sponsorship which is recognised as it accrues.

#### (ii) Rental income

Rental income from property is recognised in the income statement on a straight-line basis over the term of the lease. Lease incentives granted are recognised as an integral part of the total rental income.

#### (n) Expenses

#### (i) Operating lease payments

Payments made under operating leases are recognised in the income statement on a straight-line basis over the term of the lease. Lease incentives received are recognised in the income statement as an integral part of the total lease expense and spread over the lease term.

#### ii) Finance lease payments

Minimum lease payments are apportioned between the finance charge and the reduction of the outstanding liability. The finance charge is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

#### (iii) Net financing costs

Net financing costs comprise interest payable on borrowings calculated using the effective interest method, dividend income, and interest receivable on funds invested. Interest income is recognised in the income statement as it accrues, using the effective interest method. Dividend income is recognised in the income statement on the date the entity's right to receive payments is established which in the case of quoted securities is ex-dividend date. The interest expense component of finance lease payments is recognised in the income statement using the effective interest rate method

#### (o) Goods and services tax

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the taxation authority is included as a current asset or liability in the balance sheet.

Cash flows are included in the statement of cash flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the taxation authority are classified as operating cash flows.

#### (p) Segment reporting

A segment is a distinguishable component of the Company that is engaged either in providing products or services (business segment), or in providing products or services within a particular economic environment (geographical segment), which is subject to risks and rewards that are different from those of other segments.

#### 1. Accounting estimates and judgements

Management discussed with the Audit, Planning & Risk Committee the development, selection and disclosure of the Company's critical accounting policies and estimates and the application of these policies and estimates.

#### 2. Segment Reporting

The Company's operations and customers are located predominantly in Sydney, New South Wales. The Company provides promotion for participation in yachting including the sport of sailing and ocean racing facilities.

Bill acceptance facility	-	600,000
	68,348	700,000

#### Bank overdraft

Interest on the bank overdraft is charged at prevailing market rates. The interest rate for the overdraft as at 31 March 2006 is 9.7% (2005: 9.7%).

The bank overdraft and other facilities made available by the Company's bankers are secured by registered first mortgages over all assets of the Company. The bank overdraft is payable on demand and is subject to annual review.

#### Floating rate notes

Cruising Yacht Club of Australia floating rate notes are unsecured liabilities with a term of up to three years. The loans bear interest, payable quarterly on the basis of the aggregate of the 90 day bank bill rate on the first working day of the quarter plus 2.3% per annum. The interest rate as at 31 March 2006 is 7.99% (2005: 7.7267%)

12. Employee benefits	2006	2005 \$

#### 16. Financial instruments

Exposure to credit and interest rate risks arises in the normal course of the Company's business.

#### Interest rate risk

The Company's financial assets and liabilities are subject to interest rate risk. The Company does not use derivatives to minimise this risk and these will fluctuate in accordance with movements in the market interest rates.

#### 16. Financial instruments (continued)

#### Effective interest rates and repricing analysis

In respect of income-earning financial assets and interest-bearing financial liabilities, the following table indicates their effective interest rates at the balance sheet date and the periods in which they reprice.

	Note	Effective Interest Rate	Total \$	6 Months or less \$	6–12 Months \$	1–2 Years \$	2–5 Years \$	More than 5 years \$

### 16. Financial instruments (continued)

#### Fair values

The fair values together with the carrying amounts shown in the balance sheet are as follows:

	Note	Carrying amount 2006 \$	Fair value 2006 \$	Carrying amount 2005 \$	Fair value 2005 \$
Trade and other receivables	6	364,727	364,727	318,244	318,244
Cash and cash equivalents	5	409,341	409,341	288,256	288,256
Trade and other payables	10	732,854	732,854	1,099,145	1,099,145
Interest bearing liabilities	11	2,118,602	2,118,602	2,945,983	2,945,983

### **Estimation of fair values**

The following summarises the major methods and assumptions used in estimating the fair values of financial instruments reflected in the table

### Interest-bearing loans and borrowings

Fair value is calculated based on discounted expected future principal and interest cash flows.

### Finance lease liabilities

The fair value is estimated as the present value of future cash flows, discounted at market interest rates for homogeneous lease agreements. The estimated fair values reflect change in interest rates.

# Trade and other receivables/payables

For receivables/payables with a remaining life of less than one year, the notional amount is deemed to reflect the fair value. All other receivables/payables are discounted to determine the fair value.

17. Commitments	2006	2005
Non cancellable operating lease expense commitments		
Future operating lease commitments not provided for in the financial statements and payable		
Within one year	442,550	472,000
One year or later and no longer than five years	1,968,750	1,888,000
Later than five years	1,242,500	1,714,500
	3,653,800	4,074,500

The Company leases property and water space for the Clubhouse and marina under operating leases expiring in 12 years and 14 years respectively (assuming exercise of options). Lease payments are adjusted periodically to market rates.

17. Commitments (continued)	Note	2006	\$2005 \$
Hire purchase commitments			
Hire purchase payments are payable as follows:			
Within one year		1,467,507	612,608
One year or later and no longer than five years		730,173	2,014,712
		2,197,680	2,627,320
Less future hire purchase charges		(429,078)	(531,337)
		1,768,602	2,095,983
Hire purchase liabilities provided for in the financial statements:			
Current	16	1,467,507	452,380
Non current	16	301,095	1,643,603
Total hire purchase liabilities		1,768,602	2,095,983
18. Reconciliation of cash flows from operating activities			
Cash flows from operating activities			
Profit for the period		344,176	(26,402)
Adjustments for:			
Depreciation		846,091	805,692

Operating profit before changes in working capital and provisions		1,367,247	943,701
(Increase)/decrease in receivables		(46,482)	117,728
(Increase)/decrease in inventories		12,066	(48,351)
(Increase)/decrease in other assets		155,889	(24,735)
Increase/(decrease) in payables		(366,291)	233,931
Increase/(decrease) in other liabilities		13,148	(7,800)

# 19. Key management personnel disclosures for non-disclosing entities

The following were key management personnel of the Company at any time during the reporting period, and unless otherwise indicated were directors for the entire period:

#### Non-executive directors

G R Lavis L W Goodridge
M C Allen G Linacre
R J Hickman R Skellet
A Green J S Walton
G R Swan C Wise
M Cranitch M R James

### Executive

M Woolf

# Transactions with key management personnel

No non-executive director has received any remuneration from the Company during the year.

The key management personnel compensation included in "Employee and employment expenses" are as follows:

2006	2005
\$	\$
182,503	177,300

Short-term employee benefits

Apart from the details disclosed in this note, no director has entered into a material contract with the Company or since the end of the previous financial year and there were no material contracts involving directors' interests existing at year-end.

From time to time, directors of the Company, or their director-related entities, may purchase goods and services from the Company. These purchases are on the same terms and conditions as those entered into by other Company employees or customers and are trivial or domestic in nature.

# 20. Related Parties

# Floating rate notes

Floating rate notes totalling \$Nil (2004: \$Nil) were issued by the Company to directors or director related entities during the year. The total amount repaid on the floating rate notes was \$150,000 during 2005 (2004: \$Nil) leaving a balance owing of \$200,000 to directors or director related entities at year end.

The floating rate notes were issued to F J Collins Pty Limited ATF F J Collins Superannuation Fund during 2001. Interest is paid on these notes as detailed in Note 11. The total interest paid was \$21,954 (2005: \$27,170).

Director	Director related entity
G R Lavis	Lavis Corporation Pty Ltd ATF Lavis Superannuation Fund
M R James	J Collins Pty Limited ATF F J Collins Superannuation Fund

#### 21. Trust fund

The Company is the sole member of CYCA SOLAS Limited, a Company limited by guarantee which is the trustee of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts. The administration of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts is under the control of the separate board of CYCA SOLAS Limited. The trustee Company has a right to be indemnified out of the assets of the trust to satisfy liabilities properly incurred by the trustee. As at 31 March 2006 the outstanding liabilities committed by the trustee on behalf of the trust totalled \$Nil (2005: \$Nil). The assets of the trust are sufficient to meet this commitment. In the event that CYCA SOLAS Limited is wound up and unable to repay all outstanding debts, the liability of its members is limited to an amount of \$10.

CYCA SOLAS Limited is a controlled entity of the Cruising Yacht Club of Australia. The Company acts as trustee for the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts. The company has no transactions in its own right, and accordingly consolidated financial statements have not been prepared.

### 22. Contingent liabilities

### Bank guarantees

The Company has given away the following bank guarantees:

2006	2005
\$	\$
32,903	32,903

## 23. Explanation of transition to AIFRSs

As stated in significant accounting policies note (a), these are the Company's first financial statements prepared in accordance with AIFRSs.

The policies set out in the significant accounting policies section of this report have been applied in preparing the financial statements for the year ended 31 March 2006, the comparative information presented in these financial statements for the year ended 31 March 2005 and in the preparation of an opening AIFRS balance sheet at 1 April 2004 (the Company's date of transition).

In preparing its opening AIFRS balance sheet, the Company has adjusted amounts reported previously in financial statements prepared in accordance with its old basis of accounting (previous GAAP). An explanation of how the transition from previous GAAP to AIFRSs has affected the Company's financial position, financial performance and cash flows is set out in the following tables and the notes that accompany the tables.

# Notes to the reconciliation of equity

(a) An obligation exists to restore certain sites for the effect of the Company's operations at the end of its respective land and waterways lease's. Under previous GAAP, the cost of rectification was recognised as an expense when incurred.

In accordance with AIFRSs, restoration costs should be recognised as a part of the cost of assets and as a provision at the time of the obligating event.

The effect of entry is to increase Plant, property and equipment by \$864,008 at 1 April 2004 and \$811,897 at 31 March 2005, increase provisions by \$2,187,402 at 1 April 2004 and \$2,305,522 at 31 March 2005, to increase depreciation expense by \$52,109 at 31 March 2005 and, to increase interest expense by \$118,120 at 31 March 2005.

# 24. Events subsequent to reporting date

## Hire purchase

The hire purchase for the marina was renegotiated subsequent to year end and extended for a further 5 years. Accordingly, the obligation recognised as a current interest bearing liability in the balance sheet in the amount of \$1,467,507 will not be required to be settled in full within 12 months of balance date, and it would now be shown as a non-current liability.

# Directors' Declaration

# In the opinion of the directors of Cruising Yacht Club of Australia ("the Company"):

- (a) the financial statements and notes, set out on pages 22 to 40, are in accordance with the Corporations Act 2001, including:
- (i) giving a true and fair view of the financial position of the Company as at 31 March 2006 and of its performance, as represented by the results of its operations and its cash flows, for the year ended on that date; and
- (ii) complying with Australian Accounting Standards and the Corporations Regulations 2001; and

Grah Row

(b) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Dated at Sydney this 25th day of May 2006.

Signed in accordance with a resolution of the directors:

G R Lavis

Commodore

G Swan

Treasurer

# Independent Audit Report

to the members of Cruising Yacht Club of Australia

# Scope

The financial report and directors' responsibility

The financial report comprises the income statement, statement of recognised income and expense, balance sheet, statement of cash flows, accompanying notes to the financial statements (Notes 1 to 24), and the directors' declaration set out on pages 22 to 41 for Cruising Yacht Club of Australia ("the Company"), for the year ended 31 March 2006.

The directors of the Company are responsible for the preparation and true and fair presentation of the financial report in accordance with the Corporations Act 2001. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report. The directors are also responsible for preparing the relevant reconciling information regarding the adjustments as required under Australian Accounting Standard AASB 1 First-time Adoption of Australian equivalents to International Financial Reporting Standards.

# **Audit approach**

We conducted an independent audit in order to express an opinion to the members of the Company. Our audit was conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Corporations Act 2001, Australian Accounting Standards, and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the Company's financial position, of its performance as represented by the results of its operations, changes in equity and cash flow.

We formed our audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the directors.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

### **Audit opinion**

In our opinion, the financial report of Cruising Yacht Club of Australia is in accordance with:

- (a) the Corporations Act 2001, including:
- (i) giving a true and fair view of the Company's financial position as at 31 March 2006 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards, and the Corporations Regulations 2001; and
- (b) other mandatory financial reporting requirements in Australia.
