BOARD OF DIRECTORS, MANAGEMENT & SUB-COMMITTEES

2009 – 2010 Board of Directors

Commodore: M. Allen

Vice Commodore: H. Piggott

Rear Commodore: J. Cameron, G. Linacre

Treasurer: P. Billingham

Directors: G. Bonus, R. Cawse, D. Champtaloup, M. Cranitch, N. Kingsmill, J. Markos

Management

Chief Executive Officer: M. Woolf

Assistant to Chief Executive Officer: C. Del Conte

Accountant: N. McKinnon

Sailing Manager: J. Kirkjian

Operations Manager: B. McMahon

Communications Officer: J. Crooks

Senior Duty Manager: M. Gibson

Sub-Committees

Archives: M. Allen (Chairman), B. Brenac, T. Cable, A. Campbell, D. Colfelt, J. Keelty, B. Psaltis, P. Shipway, M. & J. York

Associates: J. Treleaven (President), K. Brooks, R. Carr, P. Cox, J. Dahl, F. Davies, P. Emerson, A. Frampton, D. Hall, K. Kellett, A. Lulham, P. Messenger, C. Mulherin, P. Neate, S. Piggott

Audit, Planning & Risk: M. Cranitch (Chairman), M. Allen, P. Billingham, M. James, N. Kingsmill, J. Markos

Constitutional Review: J. Cameron (Chairman), T. Cable, A. Green, J. Keelty

CYCA Cruising: D. Champtaloup (Chairman), J. Keelty (Captain) D. Doyle, P. Easton, A. Green V. Handel, A. Hawkins, T. Nobbs

Disciplinary: H. Piggott (Chairman)

Marina & Site: J. Cameron (Chairman), G. Bonus, A. Copley, A. Green, K. Stechmann

Member Services: J. Markos (Chairman), D. Champtaloup, V. Mallett, J. Treleaven, S. Vahebzadeh

Sailing: G. Linacre (Chairman), G. Bonus, R. Cawse, T. Cox, D. Doyle, L. Goodridge, J. Kirkjian, H. Piggott, G. Ross, P. Williams

Redevelopment: J. Cameron (Chairman), M. Allen, G. Bonus

Rolex Sydney Hobart Yacht Race: M. Allen (Chairman), L. Goodridge, M. James, G. Linacre, H. Piggott

Training & Development: H. Piggott (Chairman), T. Barker, J. Brooks, A. Dunn, S. Jarvin, G. Linacre, J. Markos

Obituary

Members who have sailed their last voyage:

Reginald Blake, Ronald Bramley, Arthur Byrne,
Sally Gordon, Rolf Mische, John Morrison,
John Musgrove, Desmond O'Connell, Andrew Short.

COMMODORE'S REPORT

Commodore Matt Allen

I would like to thank you for allowing me to serve a third and final term as your Commodore.

Your Board has been busy working on a number of strategic initiatives important for the future of your Club. I am very pleased with the progress made and would like to congratulate the members of the Board and the various Committee's involved, and our staff.

Rolex Sydney Hobart Yacht Race

Mark Woolf and I recently met with Rolex in Geneva to discuss the renewal of the sponsorship of the Rolex Sydney Hobart Yacht Race. There was broad agreement on the terms of the renewal of the sponsorship until the 2015 edition of the race. Once the details have been approved by both parties we plan to make a formal announcement.

We should all be proud that the profile of the event has continued to grow strongly since Rolex became naming rights sponsor in 2002. Two True's victory in 2009 continued to confirm that this is not a grand prix only race! Congratulations to Two True and to line honours winner Alfa Romeo.

The coverage from both yachting and mainstream media is better than ever before and importantly there are few races which carry the attention of sailors worldwide as the Rolex Sydney Hobart Yacht Race. The 2009 race was testament of the status of our race for the entire world.

As I said in Hobart this year, the race has never been in better shape but I'm sure her best years are ahead.

Sponsors

The CYCA is extremely fortunate to have the support of the foremost sponsors in the domain of sailing. Our main sponsors Rolex SA and Audi Australia are the mainstays of

our sponsorship for our major events. Audi are naming rights sponsor for the Youth Sailing Academy, Audi Sydney Offshore Newcastle Yacht Race, Audi Sydney Gold Coast Yacht Race and the Audi Winter Series.

We are also well supported by St Arnou for the Wednesday Twilight Series, Mt Gay for the Monday Twilight Series and Grant Thornton for the Short Ocean Pointscore and Short Haul Pointscore.

The Club also enjoys support from many other companies who partner our Members Badge Draw and support the Youth Sailing Academy. These sponsors are detailed elsewhere in this Annual Report. I would ask that you support them where possible.

Financial Position

I'm very pleased with our financial results this year. Both management and the Board have been very careful to continue the policies from previous years to ensure that the balance sheet is strong enough to tackle the proposed redevelopment of the premises. We have taken the vast bulk of the costs relating to the redevelopment into our expenses rather than capitalising them.

I'm also proud that membership subscriptions have been kept at the same levels as last year; in fact they have only increased by 3% since 2001.

The Club will be debt free early in 2011, just in time for the anticipated start of the redevelopment project.

Please refer to our Treasurer, Paul Billingham's report for more detailed information.

Flinders Islet

2009 will be remembered as the year when we lost our two great friends Andrew Short and Sally Gordon during a race around Flinders Islet in early October. Our thoughts remain with their families and friends.

I would like to thank the CYCA commissioned internal Inquiry Committee Chaired by Rear Admiral Chris Oxenbould AO RAN (Rtd) and Past Commodores David Kellett AM and John Brooks for their fine efforts in presenting such a detailed and carefully considered report.

All the recommendations made by the Inquiry Committee were accepted by the Board and have either been implemented or passed on to Yachting NSW and Yachting Australia for their consideration. I would like to encourage YNSW and YA to consider the Committee's recommendations at their earliest convenience.

Constitution

The Constitutional Review Committee Chaired by Rear Commodore John Cameron has finalised their enormous task of rewriting our Club Constitution. I would like to thank John and his fellow Committee members Alan Green, and Life Members Tony Cable and John Keelty for their considerable efforts to get us to the point of having a modern and relevant Constitution for our Club. Director John Markos also assisted enormously by ensuring that the language and format of the document is compliant.

By the time you receive this report the proposed Constitution would have been presented to members via special resolution at an Extraordinary General Meeting on Tuesday 15 June.

Your Board unanimously accepted the document to put to members for adoption.

Redevelopment of Premises

I am very pleased that we now have a long term plan for our premises. That view is also shared by our landlords and the community from the feedback that we received during the community consultation process conducted prior to the development application being lodged with Woollahra Municipal Council back in August 2009.

On instruction from Council we have had to make an alteration to the plan of the basement level car park which required us to submit an amended development application.

Once our application is assessed by council officers a report will be forwarded to the Sydney East Joint Regional Planning Panel who in our case will act as the consent authority. We are hoping a determination will be provided by August.

Once approval is granted we are planning for the project to be completed in stages. The Board will seek member approval prior to the commencement of any work which requires the Club going into debt.

I would like to thank the Chairman of the Redevelopment Committee Rear Commodore John Cameron, and Director Geoff Bonus and our Chief Executive Officer Mark Woolf for their work on this important project.

CYCA SOLAS

It has been pleasing to see that SOLAS has come to be better known and better funded during the last few years. SOLAS has now donated more than \$550,000 to search and rescue organisations around Australia. SOLAS last year jointly won the Yachting Australia Presidents Award. The SOLAS Big Boat Challenge allows us to remind sailors of the SOLAS Trusts objectives each year.

We now get regular donations from a number of sources including Sydney Cove Rotary following each year's Rotary Regatta.

Please remember that CYCA SOLAS is our own charity supporting sailors and the whole community.

COMMODORE'S REPORT (continued)

Archives

Since the publication of the history of the CYCA 'From Ratbags to Respectability' the Archives Committee has been working on two new projects.

The first one is led by Director David Champtaloup and Peter Shipway. The aim is to record video interviews of all our notable ocean racers to keep as a reference for future generations. We are aiming to record some stories about the earlier days of our sport and the way they approached various races and campaigns.

The second project is to digitise our film and video library and we ask for more material from our members and friends to enhance our collection. Steve Old has completed the digitisation project of our existing material and is now ready to work on new footage, slides and photos. Please contact the Club if you have any material for our archives.

Volunteers

The CYCA relies on many volunteers for its various activities. I would like to thank you all and encourage you to keep volunteering. I hope you find it fulfilling. To those who are thinking of assisting, please step forward as we need members to assist in a range of areas. There are many different jobs to do, with at least one to suit you. Currently we are very keen to recruit volunteers for the Breakfast Club during the Audi Winter Series for 2011.

Board

I have had the pleasure of chairing a most collegiate and cohesive Board. The current Board has a diverse set of skills and has worked very hard for the long term benefit of all stakeholders of the CYCA. I would like to thank the Board

for their inputs and the many sub-committee meetings to achieve what is detailed in this report.

Staff

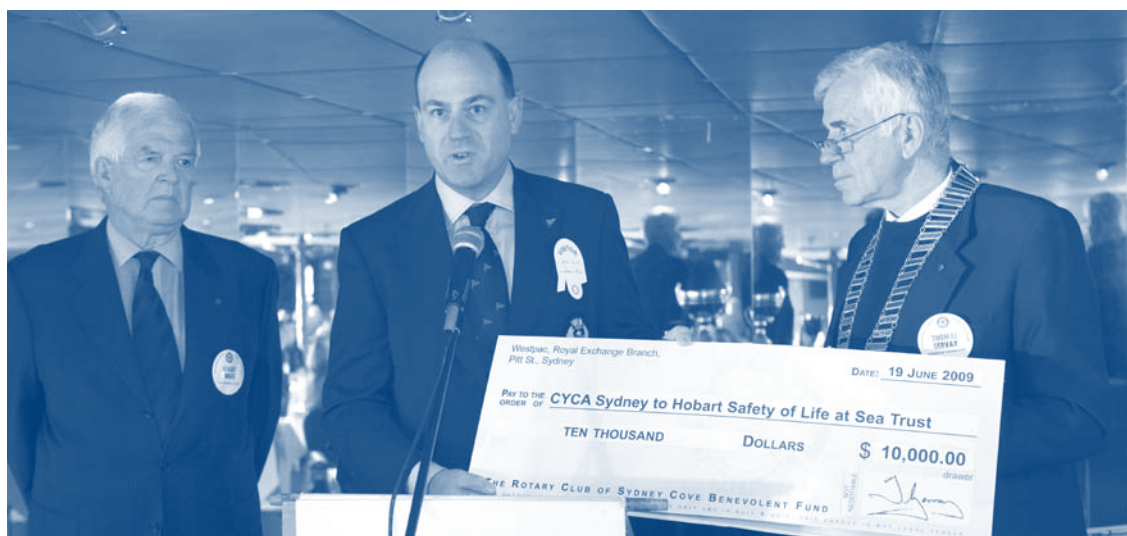

The strategic direction of the Board has placed a great deal of pressure on our management throughout the current year. I would like to thank them for rising to the challenge. To our management and staff led by our Chief Executive Officer Mark Woolf, thank you so much for a job well done and your support over many years.

Conclusion

I have very much enjoyed being a Director, Flag Officer and Commodore of this great Club. The CYCA is a unique Club in the world of yachting. It has a culture so entwined with the spirit of ocean racing, a feature so important for our primary position in the sport.

I encourage you to read the Committee reports that follow to gain a detailed knowledge of the activities of the Club during the last year.

Thank you for your support, I wish you safe and enjoyable sailing.

TREASURER'S REPORT

Treasurer Paul Billingham

I am pleased to report that with an annual audited profit of \$373,888, exceeding both the 2009/10 budgeted profit and the 2008/9 annual result by circa 50%, the Club has enjoyed another excellent year – despite a slight drop in underlying trading.

Liquidity remains strong, with cash reserves at the year end topping \$3m for the first time, and with the Club now into the final year of its remaining equipment leases, should be debt free by the end of the financial year 2010/11.

The Club is accordingly in a robust financial position and well placed for its future redevelopment.

Financial summary

For members' ease of reference, as I have done previously, I summarise below certain key financial information over the last three years:

	2010	2009	2008
	\$	\$	\$
Income statement			
Profit for the year	373,888	250,544	396,978
Planning costs expensed	163,580	328,638	67,560
Cashflow			
Net cash increase	1,021,971	526,060	815,293
Borrowings repaid	329,440	353,285	413,299
Balance sheet			
Current Assets	3,523,043	2,615,565	2,035,716
Non-Current Assets	6,100,506	6,733,683	7,272,593
Current Liabilities	1,479,014	1,413,687	1,575,846
Non-Current Liabilities	3,403,267	3,568,181	3,615,627
Members funds	4,741,268	4,367,380	4,116,836
Number of Members	2,715	2,701	2,713

Profitability

Before allowing for planning costs written off, the Club's underlying profitability reduced by 7.2% over 2008/9.

This was mainly attributable to a decrease in discretionary spending through bar, function and food revenues which collectively led to a slight reduction in turnover of 1.24% and tighter margins (down 0.3%) compared to 2008/9.

Two of the larger reductions were in bottle shop sales which fell by 12% over 2008/9 and food commissions which fell by 26% as the Club responded to the commercial challenges faced by its caterers and agreed to new reduced, winter opening hours.

As members are aware, substantial work was done during the year on the redevelopment which led to the Development Application being submitted. Costs expensed on planning for the Club's redevelopment so far total \$559,778 with a further \$58,390 capitalised.

The Club has budgeted \$100,000 for further such costs during 2010/11 however this estimate is dependant upon any additional work the regulating authorities may require to approve the Development Application.

The Club has not factored into its budget for 2011 any costs associated with commencement of the redevelopment itself.

Liquidity

The Club has improved its cash holdings at year end to \$3,078,369 (2009: \$2,056,398).

This is slightly ahead of budget due to the earlier than forecast payment of a large annually recurring debt, which has correspondingly reduced trade and other receivables.

Despite the Club's increased cash holdings, reducing interest rates in 2009/10 resulted in interest earned in the year of \$137,810 (being at a similar level to 2008/9 (\$142,859)) however, in a rising interest rate environment, the Club stands to benefit in 2010/11 from increased returns on its cash deposits.

The final major equipment lease, relating to the marina, will expire at the end of the 2010/11 financial year at which point the Club is forecast to be wholly debt free.

Capital expenditure

Capital expenditure this year totalled \$167,342 (2008/9: \$167,669), the major element of which related to the replacement of the engine on MV Gordon Marshall at a cost of \$61,354.

Outlook for 2010/11

Members will note that the Club has been somewhat impacted by decreased trading in its non marina operations – partly as a factor of reduced patronage, the new restaurant hours and the desire to preserve the value of the members discount on bar sales. Overall profitability has been preserved by close control of operating costs and the strong performance of the marina.

The use of Club facilities by external corporations fell during the year by some 30% compared to 2009, and while the early signs for 2010/11 are encouraging, it is important that members appreciate the value to the Club of attracting organisations to use its facilities (particularly during the working week) as a major source of revenue and promote it accordingly whenever the opportunity arises.

For 2010/11, the Commodore has again announced there will be no increase in membership fees however, this will now be the sixth consecutive year that members' subscriptions have not increased and it is likely that an increase will be necessary in 2011/12 once the redevelopment plans are finalised, costed and presented to members.

Summary

It is clear that our Club was impacted in 2009/10 by a reduction in the discretionary spending habits of its members and guests, which led to a slight decline in underlying trading performance.

This was not unexpected by your Board, which set a tight budget for the year, and with close cost control by the Club's management team, led by Chief Executive Officer Mark Woolf, the Club has exceeded its budget on all measures.

This is an excellent financial result for the year – one the Club should be proud of.

With 2010/11 likely to be the last full year of uninterrupted trading, plans must now be made as to how the Club will finance its redevelopment and this will become a major focus for the Board and management.

As ever the skilled finance team, led by Nina McKinnon, has made both the production of the accounts and the annual audit an uncomplicated affair; and my thanks go out to her year in, year out for her dedication to the smooth running of the Club's finances.

SAILING COMMITTEE REPORT

Rear Commodore Garry Linacre, Chairman

The 2009/10 sailing season has again been a great success with all divisions in our fleet experiencing a high standard of racing. Entry levels have increased and the Sailing Committee continues to review our policies in order to provide our management team with a basis to ensure that all our stakeholders have a high level of satisfaction within our racing program.

Handicapping and rating systems continue to generate robust debate among both competitors and officials. The IRC system seems to be meeting our needs and expectations. The IRC database continues to grow and with that growth comes the potential to improve the system. At this point in time the Sailing Committee sees no case to implement change. In the last Rolex Sydney Hobart Yacht Race we had an ORCi division numbering 35. The CYCA will co-operate with any group of owners who wish to evaluate a rating system. Entry in either, or both systems will be permitted, and as ORCi numbers grow divisions will be created as necessary.

The Club has moved well down the path of familiarisation with the Top Yacht software system and, as planned, our Sailing Office has brought more of our PHS handicapping 'in house'. The Sailing Office used modules of the Top Yacht system for the Mt Gay Rum Monday and St Arnou Wednesday Twilight Series this summer season. This proved to be a success. We are fine tuning the use of the Top Yacht system to create the PHS handicaps for the Audi Winter Series. While the winter series presents a number of handicapping challenges, we are confident of a good and fair outcome in the series for those participating.

Vale John Hurley

With our Sailing Manager Justine Kirkjian about to embark on a period of maternity leave, our incumbent Principal Race Officer John Hurley was contracted to stand in as Acting Sailing Manager. Shortly after this appointment John became aware of some serious health problems. John continued on in his position, until sadly his illness made it too much for him. John passed away on 19 March 2010. John was a great friend of the CYCA as well as being a wonderful yachtsman and administrator. We shall miss him.

Flinders Islet Incident

The Commodore has already touched on the tragedy that occurred during the conduct of the Flinders Islet Race in the early hours of 10 October 2009 in his report. On behalf of the Sailing Committee I concur with his comments.

Thank you to the volunteers

Our wonderful group of volunteers again stepped up and helped the Club in a superb way. Robyn Morton deserves special thanks, often acting as Race Officer; she has taken on a solid work load to the benefit of racing and the Club. Steve Kidson has done a marvellous job as 'Offshore Coxwain'. All the team deserve warm thanks. The team is; Maryrose Heffernan, Jane Stranger, Annie Aitken, Jennifer Birdsall, Doug Cairns, Debbie Wilson, Shaaron Walsh, Gail Lewis-Bearman, Dick Bearman, Valda Payne and Denise Van Ewijk. We thank you all whole heartedly.

John Winning and his family again offered the wonderful support of the magnificent JBW as our Radio Relay Vessel for the Rolex Sydney Hobart Yacht Race. Thanks must go to the Winnings and to JBW skipper Andrew (Steak) Copley.

Once again Past Commodore David Kellett AM and his team of radio operators provided us with an excellent communications scenario for the 2009 Rolex Sydney Hobart Yacht Race and the 2009 Audi Sydney Gold Coast Yacht Race. In a new development in our communications we have reached a level of co-operation with the volunteer operators of the South Head Signal Station. The initial trials in the Audi Sydney Offshore Newcastle Yacht Race, with the assistance of Robyn Morton proved successful. We plan to build on this experience and develop a good sound relationship with Marine Rescue Sydney with the ability to use this well positioned facility with its excellent antenna array.

Year after year our dedicated International Juror John Kirkjian helps us with our juries and Protest Committees. John represents the Club on the YNSW Racing Rules and Special Regulations Committees and continues to provide a high level of support to the Club on a range of fronts.

Tim Cox has again provided strong and effective Chairmanship of our various major race committees over the last year. Tim's experience, co-operation and advice are greatly valued by both the staff and myself.

Thanks must also go to David Jordon who took on the important responsibility of Emergency Management Team Leader for the Rolex Sydney Hobart Yacht Race. Part of his team once again included Director and Sailing Committee member Richard Cawse and Past Commodore John Messenger who volunteered as the mobile emergency management team stationed in Eden. Thanks go to Richard and John for their dedication to the event and the Club.

During the year our much appreciated crew liaison volunteer Mervyn Clarke passed away. After a call was put to members for his role to match crew and boats in our various racing programs, Robert Skol offered to step into the breach. Merv will be missed by all, and thanks go to Robert for agreeing to keep this great service to owners and crew active.

I was again privileged this year to chair the very strong group of individuals who make up the Sailing Committee. The Committee is formed by a dedicated and diverse group of members. I thank them for their input and support.

Audi Sydney Offshore Newcastle Yacht Race

Our third Audi Sydney Offshore Newcastle Yacht Race was a success with a satisfactory lift in entry numbers. The Newcastle Cruising Yacht Club provided wonderful hospitality in their new Clubhouse.

In this season's Audi Sydney Offshore Newcastle Race Bob Oatley's Wild Oats XI was successful in taking out Line Honours, and Yendys skippered by Geoff Ross won IRC. ORCI honours went to Colin Woods with Pretty Fly III.

Champions and notable results

The Audi Sydney Offshore Newcastle Yacht Race is the final leg of the Blue Water Pointscore. Bob Steel by a slim margin, was able to clinch Blue Water victory with his third place in this race.

The Ocean Pointscore IRC division was won by Vanguard sailed by Richard Cawse with a nine point break to Paul Clitheroe's Balance and Matthew Short's Shortwave separated by count back for second and third respectively. Noel Cornish in St Jude won the PHS Ocean Pointscore followed again by Vanguard in second place. Annette and Robin Hawthorn in Imagination took out the Grant Thornton SOPS Division 1 PHS Pointscore from Warwick Sherman sailing Occasional Coarse Language. The IRC prize went to Ray Entwistle in a close win from the experienced AFR Midnight Rambler team. Michael Delaney and John Markos owners of Eye Appeal in Division 3 succeeded in winning both PHS and IRC divisions.

This year in our well supported Grant Thornton Short Haul Series MRX sailed by Jon Short and Miles Bastic won the PHS division from the Clintons in Holy Cow. Last year's winner Baltic Lady sailed by Niel Burling was third. David Champaloup's fine-looking Caprice of Huon took out the IRC pointscore from MRX and Sextant.

SAILING COMMITTEE REPORT (continued)

The 2009 Rolex Sydney Hobart Yacht Race was a small boat race. An elated Andrew Saies sailing his brand new Beneteau First 40 won the race overall and claimed the Tattersalls Trophy and Division 4. Second was another First 40, Wicked from Division 3 winner Ian Mason's Next. Other Divisional winners were Ran in Division 1 campaigned by Niklas Zennstrom and Tim Powell, Anthony Paterson's Tow Truck won Division 2. The Line honours and Illingworth Trophy winner was Neville Crichton sailing Alfa Romeo to a satisfying win over Bob Oatley's Wild Oats XI.

The increasingly popular Monday night Mount Gay Twilight Series again grew in numbers. It is great to be at the Club on a Monday evening and feel the Club come alive with keen competitors. Michael Selby and Elena Wise in Cyrene 3 took out the Division 1 PHS pointscore from Assassin. Division 2 PHS pointscore went to L'Eau Co well sailed by Grant Pollock. A close second was the magnificently crewed Scarlett O'Hara Robert Skol, and third was Chris Warren's Kaleaula. In the IRC division Kirribilli sailed by a talented team put together by Sam Newton was triumphant over Your Hired and Cyrene 3. The series was a great success and it was great to welcome Jeremy Church representing Mount Gay to the summer presentation night.

We are now well into the Audi Winter Series. The Sailing Committee has effected some changes this year bringing the handicaps in house. Entry numbers are excellent, but so far the weather has been a little unkind. We are hopeful that a bit more breeze arrives, but not too much. Handicapping in the

winter is always a challenge, with fickle weather, a pursuit race and the full one minute start time differential. The Committee are doing their best and receiving all the great and well meant advice in good spirits.

The CYCA endeavours to keep up with the latest technology and as such online entry was introduced for the Audi Winter Series. This system will be used for all of our major ocean races as well as the upcoming summer series and will introduce new efficiencies into the Sailing Office and make the paperwork for boat owners much easier.

The CYCA

In line with CYCA policy, the Sailing Committee does all it can to provide a program of races that grant our stakeholders with what they want. To that end we will continue to program an Owners Forum and feedback evening in September each year. This will be a set date and published in our sailing program each year. The night will have a topical agenda which will include an Audi Winter Series debrief and other relevant items.

I would also like to thank our Sailing Manager Justine Kirkjian and her team for their great work again this year. Ably assisted by Stephen Craig and Roger Wragby we are all thankful to receive such great service from our Sailing Office.

Again it was a privilege to chair the Sailing Committee at our great Club, and we should all remember, it is all about the sailing.

AUDIT, PLANNING & RISK COMMITTEE REPORT

Director Michael Cranitch, Chairman

The Audit Planning & Risk Committee consists of Commodore Matt Allen, Treasurer Paul Billingham, Directors Nick Kingsmill and John Markos, Past Commodore Martin James and myself.

This year has been a particularly busy one for the Committee. In addition to its ordinary activities, the Committee has been actively involved in the assessment of the Club redevelopment, and legal matters that have arisen out of that which are in the process of being satisfactorily resolved.

As usual the Committee is deeply indebted to Martin James for his meticulous consideration of our sailing documentation, in particular the documentation associated with our Notices of Race etc. His contribution has been invaluable and it is hoped that he will continue to serve the Committee in this fashion into the future, time permitting.

The Committee's work is often done outside the context of formal meetings, and when issues arise from time to time in the running of the Club, each of the members is asked to consider the position and submit their views to the Chairman. Fortunately, there has been unanimity of opinion when views have been sought in this fashion and the time devoted by the various members of the Committee in considering these issues has been considerable. I, as Chairman, am grateful for the careful attention that the members of the Committee give to this function on an ad hoc basis.

Finally, the Committee is more than satisfied with the direction the Club has taken in relation to its risk profiles and acknowledges the valuable assistance of Nina McKinnon in the sound financial management that she has undertaken on behalf of the Club. The policies and practices put in place by our Chief Executive Officer have proved to be practical, sound and effective, and the Committee acknowledges his hard work and dedication in the successful running of the Club.

We look forward to the New Year when the plans put in place in respect of the redevelopment will come to fruition.

CRUISING COMMITTEE REPORT

Cruising Captain John Keelty

Once again during the past 12 months CYCA Cruising has been active both in and outside the Club.

The most significant event for CYCA Cruising since the last annual report has been the establishment of the long awaited Medical Management for Mariners (MMM) Course conducted in conjunction with St Vincent's Hospital Darlinghurst. Participants who undertake this course are shown how to deal with the many emergencies that ongoing research has recognised that can occur on both ocean racing and cruising yachts. The course is held over eight nights, with seven at the hospital's own Don Harrison Patient Safety Simulation Centre and the last conducted on a yacht at the CYCA.

To date we have conducted three courses, with two more planned for 2010. The topics covered include:

- MMM Protocol and Principles
- Injections
- Danger and haemorrhage
- Airway, breathing and near drowning
- Circulation and abdominal pain
- Depressed level of consciousness
- Exposure and marine envenomation
- Fractures, catheterisation and real life
- Get up and go

As can be seen this course is a world first for sailors, it goes way beyond even remote first aid and gives hands on experience on how to manage the many marine emergencies that can be encountered while at sea.

None of this would have been possible without the finances donated by CYCA SOLAS Trusts, the support of the Commodore and the Board of the CYCA, and the assistance of the staff at both St Vincent's Hospital and the Cruising Yacht Club of Australia. I wish to especially thank our Chief Executive Officer Mark Woolf, Nina McKinnon, Christina Del Conte, and the reception team, whose ongoing support and assistance has been outstanding and helps make it all happen.

Another high priority on the Cruising Committee's agenda is the promotion and organisation of the second Sydney to Hobart Cruise in order to establish this as a regular event on the CYCA Sailing calendar. Our next cruise will take place in January 2011 and is timed to arrive in Hobart so that participants can attend the Tasmanian Wooden Boat Festival

and join in the 2011 Van Dieman's Land Circumnavigation, or simply cruise the spectacular coast of Tasmania. It will be a no pressure and enjoyable way to sail to Tasmania. Any member who is interested should contact either David Champtaloup (Caprice of Huon) or Denise Doyle (Sextant) or see the CYCA website for further information.

During March Jeremy Firth and Penny St Leger of the Royal Yacht Club of Tasmania gave us an interesting presentation on the round Tasmania Cruise. This will be followed by another information night for those who may be interested in doing the Cruise to Hobart later this year.

Other CYCA Cruising events included a cruising get together at Newcastle Cruising Yacht Club and a number of information evenings.

The first educational information night organised was aimed to assist in overcoming the mysteries of the diesel engine. To this end Denise Doyle liaised with Dave Giddens from Drive Marine Services, who gave us an excellent presentation about diesel engines. In May Ted Nobbs arranged for Rob Starkey to explain to all who attended about yacht electrics with a focus on batteries and other essential electric items aboard a yacht.

CYCA Club's Trophy for the Best Cruise Overseas

This year the CYCA Club's Trophy for the Best Cruise Overseas has been awarded to Alex Whitworth who completed his second round the world voyage in his 10 metre sloop Berrimilla. This circumnavigation was carried out under sail via the top of Alaska, then down to England where he once again competed in the Rolex Fastnet Race before returning to Australia. This makes Alex and Berrimilla the first yacht to circumnavigate the world via the infamous North West Passage under sail, a truly remarkable feat.

My sincere thanks to all

I would like to express my sincere thanks to all who have assisted and contributed to the ongoing success of CYCA Cruising over the past 12 months, especially to the Committee members: Director David Champtaloup (Chairman), Denis Doyle, Patrick Easton, Alan Green, Andrew Hawkins, Dr Virginia Handel and Ted Nobbs, together with the Commodore, all the Flag Officers, Directors and the staff of the CYCA.

May the winds favour you.

MARINA & SITE COMMITTEE REPORT

Rear Commodore John Cameron, Chairman

Firstly let me say a very big thank you to Alan Green who as immediate past Chairman of the Marina & Site Committee maintained his interest and as such is still serving the Club on this Committee.

I have served for three years on this Committee before being appointed Chairman in July 2009.

As each year passes we have been able to maintain constancy in the make-up of the Committee, allowing it to have a very strong working relationship with the staff.

Our goal remains to create a high standard and focussed approach to maintaining the assets of the Club which include the Clubhouse, marina and the Club water based vessels.

Another successful year

So another successful year. It is always a pleasure to be able to attend meetings where issues are handled quickly and efficiently.

This Committee deals with strategic issues regarding the site and other assets as they arise, giving the Board well thought out recommendations for their consideration.

One of the more obvious issues the Committee constantly battles with is car parking and the demands that face the Club when limited car parking is outweighed by the number of members looking for a car spot. Hopefully the longer term solution will be partly met when the Club undergoes the redevelopment which includes double the current car parking available. Members should remember however, that parking is not a right but a privilege, so on behalf of my Committee I ask all members to be considerate to your fellow members and only use the car parking as outlined in the relevant By Law.

Permanent berthing remains another significant benefit of membership and remains at a premium with vacancies replaced as soon as practical by the Committee from those on the waitlist. It should be noted that the waiting list is continually vetted to ensure that each application category is fairly considered against the available berth according to the size of yachts.

The amended Licence agreement has been in place now for two years and appears to be working as we intended.

Although we consider that the waiting list is still too long, we can only place vessels as the current permanent berth licence holders relinquish their licence. The plans to extend D arm of the marina as part of the redevelopment plans will help to somewhat alleviate this situation.

The Committee is continuing to monitor the activity of permanent marina berth licence holders to ensure yachts berthed on the marina actively participate in Club organised events with an annual review of all licences now in place.

The activities and events organised by the Club for the benefit of members is growing and with this increase it is necessary to ensure that our facilities are maintained to the expected high standards so all members and your guests have an environment for which we can all be proud.

These facilities require careful and planned maintenance all executed by our staff, and we have them to thank for their expertise and diligence in the manner in which they attend to their duties.

However, it is up to all members to assist by taking care of our assets, and in the event you observe any damage I ask that you report it to the operations team so they can attend to the matter immediately.

To our Chief Executive Officer Mark Woolf and the operations team Brian McMahon, Frank Bergmann, and newly appointed Dockmaster James Birdsall, thank you. They attended our regular monthly meetings and provided reports and advice that was invaluable for the smooth running of our meetings and thereby the continued maintenance of our Club.

This Committee consists of Director Geoff Bonus, Alan Green, Andrew Copley and Karl Stechmann. They bring to this Committee a wide range of experience and expertise which is invaluable to the operation of the Club and thereby to the benefit of members.

Thank you to all the members of the Committee, I have enjoyed chairing the Committee which has been made all the better by your experience, ability and common sense, all-important in a Committee such as ours.

TRAINING & DEVELOPMENT COMMITTEE REPORT

Vice Commodore Howard Piggott, Chairman

It is my pleasure as the Chairman of the Training & Development Committee to present the annual report. I thank my fellow Committee members, Rear Commodore Garry Linacre, Director John Markos, Past Commodore John Brooks, Steve Jarvin, Tom Barker and Anthony Dunn for their support and valued input.

The Training & Development Committee's main function is to determine the policies relevant to the Youth Sailing Academy (YSA) and any other training opportunity. These policies are then executed by the management team.

The Youth Sailing Academy is the CYCA's investment in the future of sailing. The Academy has admirably fulfilled its function in training young sailors to their full potential.

The success of the Academy is due to Youth Sailing Administrator Pam Scrivenor and the Sailing Manager Justine Kirkjian and their teams, who organise, administer, and oversee a very extensive sailing program.

The programs that were run through the CYCA YSA during the year were:

- School Holiday courses in April, July, October, December and January
- Winter Squads – Advanced, Development Match Racing Squad and Talented Sailor Squad
- Summer Squad, Womens Squad
- Freedman Foundation – supporting public schools from the greater Sydney area
- Toga Group Program – scholarships for dinghy clubs to connect them with CYCA sailing programs
- Blacktown Tutorial Centre – support for students with behavioural problems
- Eden Marine High – supporting the Eden community to acknowledge the support they provide during the Rolex Sydney Hobart Yacht Race
- School courses – Scots College
- Train-on-Squads – continual training programs for youth sailors seeking to represent the CYCA

Regattas run by the CYCA YSA during the year were:

- Navionics Match Racing Regatta
- Captain John Piper Match Racing Regatta

- Kellett Shield Regatta
- Club Marine NSW Youth Match Racing Regatta
- Compasscard Australian Womens' Match Racing Championship
- ASCC Regatta
- Marinassess Womens' Match Racing Regatta
- Harken Womens' International Match Racing Regatta
- Musto International Youth Match Racing Regatta
- Mt Gay Rum Top Jocks Regatta

External Regattas with teams representing the CYCA:

- Governor's Cup (Balboa YC, California)
- Australian Match Racing Championship (RPAYC, NSW)
- Australian Youth Match Racing Championship (SYC, Victoria)
- Harken International Youth Match Racing Regatta (RPAYC, NSW)
- Australia Cup (RPYC, WA)
- Colin Mullins Match Racing Regatta (RPYC, WA)
- Warren Jones Match Racing Regatta (RPYC, WA)
- Hardy Cup (RSYS, NSW)
- National Bank Youth Match Racing Regatta (RNZYS, Auckland, NZ)
- Centrepont Youth Match Racing Regatta (RPNYC, Wellington, NZ)
- New Zealand Womens' Match Racing Championship (RNZYS, Auckland, NZ)

This year Youth Sailing Academy members sailed overseas in the Australian Womens' Match Racing Squad, Australian Sailing Development Squad (both of these squads are training for the 2012 Olympics) on the world match racing circuit and yacht racing in International regattas.

The YSA relies on many volunteers to assist with regattas and functions. Umpires and race officials who volunteer for regattas include parents, grandparents, past YSA members, and many others who share a common interest in promoting youth sailing. Their contribution is invaluable.

Thank you to our major sponsor Audi Australia, and our generous Elliott sponsors Musto, Walker Corporation, Meridien Marinas, Club Marine, Wotif.com, Triple M, Thai Airways, Sydney Aquarium and GME, and the continuing support of Harken, Hood Sailmakers, Noakes Boat and Shipyards, Freedman Foundation, Toga Group, and Quiet Little Drink.

Boat owners continue to support the YSA in allowing interstate and international teams, umpires and coaches to stay on their yachts in the marina whilst they are in Sydney. They are also very generous in providing places on their yachts during the twilight races for the Freedman Foundation and Eden Marine High Programs. Many YSA sailors have joined the Audi Winter Series becoming part of the crew on members' yachts and on most occasions continuing on to do offshore and ocean racing with these crews.

Quite Little Drink (a group of CYCA members) continues to support the YSA in recognising youths who have completed their first Rolex Sydney Hobart Yacht Race awarding them each with a small plaque of Tasmania. Along with Pacific Sailing School they also sponsor YSA members through the Sea Safety Survival Course to assist with their preparation for ocean racing.

Thank you for contributing

Thank you to all members who have contributed to the Youth Sailing Academy via the Australian Sports Foundation donation scheme and additional voluntary donations. The generous support enables the CYCA, through the YSA, to continue to promote sailing to our potential Club members, ocean racers of tomorrow and perpetuates the future of the sport of sailing.

MEMBER SERVICES COMMITTEE REPORT

Director John Markos, Chairman

I have taken over the Chair of this Committee from Michael Cranitch at the beginning of this financial year. I would like to thank Michael for his efforts and stewardship of this Committee over the eight years he has been both a member and Chairman of the Committee. I believe there have been substantial benefits for members that have been achieved during Michael's watch.

This year we have seen the addition of several members to the Committee and I would like to thank those who have participated at the meetings with me which includes Director David Champaloup, Val Mallett, Janey Treleaven (representing the Associates), Shahrzad Vahebzadeh and most recently Alex Frampton. In addition the Committee has support and direct involvement with two of the Club's managers, Marina Gibson (Senior Duty Manager) and Jennifer Crooks (Communications).

One of the primary functions of the Members Services Committee is to oversee that the services provided by the Club continue to benefit the members and furthermore that there are opportunities to grow the membership or embark on activities which might increase the amenities for the members generally.

This Club functions at large with the support of many volunteers and it is appropriate to acknowledge here the role played by the Associates Committee for their continued support and their involvement in so many events which are a part of the fabric of the Clubs activities. Janey will elaborate further on these activities in her report.

Breakfast Club support acknowledged

It is also important to acknowledge the great contribution of the members of the Breakfast Club for quite a number of years. Michael Cranitch has foreshadowed in last year's report and as recently as prize presentations during the Audi Winter Series that we run the risk of this valuable service falling away for the lack of replenishment of volunteers to take the place of those who have served the Breakfast Club, in some instances for 20 years. The funds raised from their activities contribute to the additional amenities for the members.

If you believe that you can support in any way, even on a rostered basis, then we would encourage you to step forward and discuss it with any of the members of the Breakfast Club or Mark Woolf.

There are many other volunteers who deserve accolades for their contributions. Without those contributions the Club would falter. There are other acknowledgements contained in the Annual Report.

The Club also benefits from the generosity of many sponsors. It is appropriate to acknowledge and thank the sponsors who support us with the weekly Members' Badge Draw. They are as follows:

Gold Sponsors

- Beneteau Vicsail
- Flagship Charters
- Noakes Boat & Shipyards
- Premier Boat Trimming
- Foster's Group
- David Bray Yachts
- Nanni Diesel/Collins Marine
- Pacific Sailing School
- Steve Jarvin Motors
- Warnes Trophies

Silver Sponsors

- Active Casual
- Windcraft – importers of Hanse Yachts
- YOTI
- Oatley Wines

Bronze Sponsors

- Beelgara Wines
- RBS Morgans
- Westpac Edgecliff
- Pernod Ricard Australia
- TC Communications

A number of other sponsors support different activities of the Club including the different races and I believe they are acknowledged elsewhere in this Annual Report.

Membership drive

The support given to the Club through the membership drive last year was very successful, despite the adverse economic circumstances. Trevor and Maggie Joyce in their business "Mariner Boating Holidays" joined with Silver Sea Cruises in sponsoring the prize for the promotion that was undertaken and drawn at the New Member's Cocktail function last November. The lucky winner, Nicola Smith is about to embark on the tour to Canada and Alaska. This support was incredibly generous. Mariner Boating Holidays did put together some packages with Silver Sea Cruises for this particular Alaskan journey. Trevor is also organising other packages for the benefit of members with preferential rates and we shall hear of those in the near future.

From time to time there are opportunities to add to the various different activities to meet the diverse interests of the membership of the Club. I am delighted to see the renewal of the information evenings organised by David Champtaloup and the Cruising Committee. There are other activities that are organised by different Committees and they need your support as well.

Open Day – September

This Committee has worked together with the Associates Committee in the organising of an Open Day, make sure that you save the date – 12 September 2010.

The Open Day will combine with the traditionally held 'Parade of Sail' organised by the Associates. There will be a blessing of the fleet at that time and there will be other

events both at the Club house and on the water which are intended to showcase a lot of the amenities that are available for members and their families, with particular emphasis on the amenity for member's children through the CYCA Youth Sailing Academy.

There will be a number of different Committees involved in the planning and execution of the events for this day and as the plans take shape we will notify each of you and hopefully engage in a terrific celebration of all the Club has to offer.

The Committee has also placed on its agenda the object of increasing the membership particularly of younger members and especially crew. There will be a separate emphasis to embrace the enthusiasm for a focus on "Women in Sailing".

Our caterer has been complimented many times for the quality of food on offer at the Club. The standard of the offering by the caterer is very high. We are pleased about the introduction of the children's menu and would like to draw your attention to that development in the hope members are more comfortable with using the Club's facilities with their families.

Function rooms discount for members

The Club's function rooms are also of a very high standard and we would like to encourage members to consider using them more often for meetings and celebrations. Remember that members receive a discount of 10% off the published room hire rates for bookings of these areas.

As always with a number of Club activities we will benefit by feedback and suggestions either with recommendations for events or ways in which things might be improved. I ask that you consider giving us some feedback through the email, cycac@cyca.com.au.

ASSOCIATES COMMITTEE REPORT

Janey Treleaven, President

The Associates Committee has long been an integral part in the organisation of social events at the CYCA.

Supported by the Member Services Committee, we initiate, plan and host a range of events for the enjoyment of all members and their guests. The Committee also participates in fundraising activities for the benefit of the Club or a Club preferred charity.

I was elected President last July taking over from Pam Messenger who opted to stand down after a successful two year term where she introduced a number of fresh faces to the Committee, invigorating it with new life.

I would like to recognise the dedication of the Committee members who donate a significant amount of their time towards the achievement of the Committee's mandate. The 15 strong Committee is a wonderful blend of youth, enthusiasm and experience with Kendi Kellett elected Vice-President, long-serving Associate Committee member Cathie Mulherin elected Treasurer and newcomer Danielle Hall elected Secretary. Other members include Pam Messenger, Fiona Davies, Amanda Lulham, Jennifer Dahl, Pam Neate, Patricia Cox, Kay Brooks, Pamela Emerson, Susan Piggott, Rhonda Carr and Alex Frampton.

Fundraising

Throughout the year, the Associates worked tirelessly to raise funds for NRMA CareFlight and the CYCA SOLAS Trusts.

The Associates Committee would like to thank all who contributed to the Winter Ball Silent Auction, Melbourne Cup Raffle and Christmas Hamper; we rely on their continued support to assist with our fundraising activities. Notable thanks to Robert Oatley Vineyards, "Fast Ed" Halmagyi, Black Wolf, Hamilton Island, Sydney Symphony Orchestra, Bennelong Restaurant, and Winning Appliances.

An amount of \$9,000 was raised this year for NRMA CareFlight to purchase three night vision helmets. Thanks to Susan Piggott and Pam Neate for preparing the Christmas hamper and leading many fundraising activities.

Winter Ball

The annual Winter Ball is one of the most memorable nights on the social calendar; a wonderful way to catch up with friends, renew old acquaintances and meet new people. The New Trocadero Dance Band provided terrific music that had everyone up on the dance floor until midnight.

Thanks to Kendi Kellett, Fiona Davies, Jennifer Dahl, and Pam Messenger for convening this special and successful event for the second year running.

Parade of Sail

Competitors young and old maintained tradition during the 16th Annual Associates Parade of Sail. Dressed with signal flags and the official burgee of the CYCA, the Australian Heritage Fleet's historic 105-year-old schooner Boomerang was on station as the fleet sailed by, saluting the Commodore with three cheers and the dipping of their ensigns.

Sir James Hardy fired the canon to commence the Parade accompanied by his wife Lady Joan Hardy, Commodore Matt Allen, Vice Commodore Howard Piggott and Rear Commodore Garry Linacre. Led by Les Goodridge's Erica J, celebrating her 60th birthday, the fleet of yachts built before 1975, made an impressive spectacle sailing up the harbour to round Fort Denison. Congratulations to Karalee, winning the 'Ship Shape & Bristol Fashion Award' for the second time.

Thanks to all the skippers, crews and volunteers. Thank you to Patricia Cox, Jeannette York and family for assisting in organising this wonderful event. We look forward to continuing this tradition in conjunction with the Club Open Day celebrations to be held in September.

Quiet Little Drink

Vanessa Dudley and Sally Gordon were honoured for their achievement of 15 "Hobarts" – a feat achieved, thus far, by only four women. The trophy was re-dedicated in honour of Jane Tate, the first woman to complete the race in 1946.

Clubhouse Party with the Wolverines

Over 200 members and guests hit the dance floor at the CYCA to rock the night away with The Wolverines at the Clubhouse party organised by Pam Messenger. The Wolverines packed the dance floor throughout the evening with guests ranging from 18 to 80 plus enjoying the music. Special thanks go to the Breakfast Club for supplying the food for the evening. Over \$1,000 was raised for the Youth Sailing Academy and CYCA SOLAS Trusts.

Melbourne Cup Lunch

Hot nor' westerly winds blew through the Club on Melbourne Cup Tuesday scarcely drawing a comment from the 120 members and guests gathered to celebrate the race that stops the nation.

Thanks to convenors Patricia Cox and Kay Brooks, who ensured efficient running of the event supporting NRMA CareFlight.

Childrens' Christmas Party

Children and grandchildren of members and staff were entertained by clowns, and Santa arrived by boat in true CYCA style ! All the children received a present and had their photo taken with Santa. Special thanks to Santa (Les Cosgrove) for taking time out of his busy schedule to help out. Thanks to convenors Pam Messenger, Kendi Kellett, Cathie Mulherin, and Danielle Hall.

The Associates Committee would like to thank the Commodore, Board and CYCA staff for their assistance throughout the past year.

DIRECTORS' REPORT

The directors present their report together with the financial report of the Cruising Yacht Club of Australia ('the company') for the year ended 31 March 2010 and the auditor's report thereon.

Directors

The directors of the company at any time during or since the end of the financial year are:

Name and qualifications	Age	Experience and special responsibilities
Mr Matthew C Allen B.Bus Non-executive Director Commodore Owner – Ichi Ban	47	Director since July 2002 Former Regional Chief Executive Officer UBS (Japan) Executive Chairman Halcyon Pty Limited Chairman, Rolex Sydney Hobart Yacht Race Committee Chairman, Archives Committee Member, Audit, Planning and Risk Committee Member, Redevelopment Committee Chairman of CYCA SOLAS Limited the trustee of CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts
Mr Howard Piggott LLB Non-executive Director Vice Commodore Owner – Flying Cloud	63	Director since July 2007 Solicitor, Adams Raves and Marsh Chairman, Training & Development Committee Chairman, Disciplinary Committee Member, Sailing Committee Member, Rolex Sydney Hobart Yacht Race Committee Director of CYCA SOLAS Limited the trustee of CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts Member, YNSW Keel Boat Committee
Mr John Cameron B.Building Non-executive Director Rear Commodore Owner – More Witchcraft	62	Director since July 2006 Builder Chairman, Redevelopment Committee Chairman, Marina and Site Committee Chairman, Constitutional Review Committee
Mr Garry Linacre Non-executive Director Rear Commodore Owner – Flicka	57	Director from June 1986 to June 1988 and since July 2000 General Manager, Navionics Australia Chairman, Sailing Committee Member, Training and Development Committee Member, Rolex Sydney Hobart Yacht Race Committee Director, YNSW Member, YNSW Advisory Council
Mr Paul Billingham ICAA, ICAEW, IPAA Official Liquidator Non-executive Director Treasurer Owner – Elusive	41	Director since July 2006 National Head of Recovery & Reorganisation, Grant Thornton Australia Limited Member, Audit, Planning and Risk Committee

DIRECTOR'S REPORT (continued)

Mr Geoffrey Bonus B.Sc (Arch), B.Arch (Hons), ARAIA Non-executive Director Owner – Calibre	56	Director since July 2008 Director, Geoff Bonus Group Pty Ltd Member, Marina & Site Committee Member, Sailing Committee Member, Redevelopment Committee
Mr Richard Cawse Non-executive Director Owner – Vanguard	70	Director June 1975 to June 1977 and since July 2006 Retired Member, Sailing Committee
Mr Michael Cranitch LLB, SC Non-executive Director	65	Director since July 2000 Senior Counsel NSW Bar Chairman, Audit, Planning and Risk Committee

Mr. David Champtaloup Non-executive Director Owner – Caprice of Huon (Appointed 14 July 2009)	60	Director since July 2009 Director Wonderland Media Pty Ltd Chairman, Cruising Committee Member, Member Services Committee Member, YNSW Cruising Committee
Mr. Nick Kingsmill B. Bus Non-executive Director Owner – Vincero (Appointed 14 July 2009)	50	Director since July 2009 Investment Banker Member, Audit Planning and Risk Committee
Mr Geoff Cropley Non-executive Director (Resigned 14 July 2009)	50	Director from July 1997 to July 2003 and since July 2006 Director, Speed Investments Pty Ltd
Mr Alan Green B.Econ., M.Comm.(Econ) Non-executive Director Owner – Tonic (Resigned 14 July 2009)	63	Director since June 1996 Managing Director, International Technology Group Pty Ltd Director, Trilateral Pty Ltd Member Marina and Site Committee Member, Cruising Committee Member, Constitutional Review Committee Director of CYCA SOLAS Limited the trustee of CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts

DIRECTOR'S REPORT (continued)

Directors' Meetings

The number of directors' meetings (including meetings of committees of directors) and number of meetings attended by each of the directors of the company during the financial year are:

Director	BOARD MEETINGS		OTHER MEETINGS	
	Number of Meetings Attended	Number of Meetings Held*	Number of Meetings Attended	Number of Meetings Held*
M. Allen	14	14	12	13
H. Piggott	14	14	17	18
G. Linacre	12	14	16	18
J. Cameron	14	14	28	29
P. Billingham	13	14	8	8
G. Bonus	14	14	15	19
R. Cawse	11	14	8	10
M. Cranitch	11	14	9	10
J. Markos	13	14	10	15
D. Champtaloup	9	10	9	9
N. Kingsmill	9	10	6	8
G. Cropley	2	4	1	1
A. Green	3	4	17	20

*Number of meetings held during the time the director held office during the year.

Principal activities

The principal activities of the company during the course of the financial year were to promote participation in yachting including the sport of sailing and to provide ocean racing facilities, training and other yachting facilities and competition for its members.

There were no significant changes in the nature of the activities of the company during the year

Membership

The Club is a Company limited by guarantee and without share capital. The number of members as at 31 March 2010 and the comparison with last year is as follows:

	2010	2009
Number of Members	2,715	2,701

Review and results of operations

The result from ordinary activities before tax for the year amounted to a net profit of \$373,888 compared with \$250,544 for the prior year. This resulted after charging \$822,660 (2009: \$832,743) for depreciation and amortisation.

Dividends

The company is a non-profit organisation and is prevented by its constitution from paying dividends.

State of affairs

In the opinion of the directors there were no significant changes in the state of affairs of the company that occurred during the financial year under review.

Environmental regulation

The company's operations are subject to various environmental regulations under both Commonwealth and State legislation.

The Board believes that the company has adequate systems in place for the management of its environmental requirements and is not aware of any breach of those environmental requirements as they apply to the company.

Likely developments

The directors do not anticipate any further development in the operations of the Club which will affect the results in subsequent years.

Events subsequent to reporting date

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material or unusual nature likely, in the opinion of the directors of the company, to affect significantly the operations of the company, the results of those operations, or the state of affairs of the company, in future financial years.

Indemnification and insurance of officers

The company has provided for and paid premiums to the value of \$4,316 during the year for directors' and officers' liability insurance. The insurance is in respect of legal liability for damages and legal costs within an annual limit of \$5,100,000 (subject to a sub limit of \$5,000,000 per claim in any one insurance period) arising from claims made by reason of any omissions or acts (other than dishonesty) by them, whilst acting in their individual or collective capacity as directors or officers of the company, towards which the directors of the company contribute.

The insurance premiums relate to:

- costs and expenses incurred by the relevant officers in defending proceedings, whether civil or criminal and whatever their outcome; and
- other liabilities that may arise from their position, with the exception of conduct involving a wilful breach of duty or improper use of information or position to gain a personal advantage.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is on page 28 of this annual report.

Signed in accordance with a resolution of the directors:

INDEPENDENT AUDITOR'S REPORT

to the Members of the Cruising Yacht Club of Australia

We have audited the accompanying financial report of Cruising Yacht Club of Australia, which comprises the balance sheet as at 31 March 2010, and the income statement, cash flow statement and statement of recognised income and expense for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the directors' declaration as set out on pages 27 to 46.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's Independence Declaration

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*.

Auditor's Opinion

In our opinion, the financial report of Cruising Yacht Club of Australia is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the company's financial position as at 31 March 2010 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Regulations 2001*.

DIRECTORS' DECLARATION

The directors declare that:

- (a) in the directors' opinion, there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable; and
- (b) in the directors' opinion, the attached financial statements and notes thereto are in accordance with the Corporations Act 2001, including compliance with accounting standards and giving a true and fair view of the financial position and performance of the company.

Signed in accordance with a resolution of the directors made pursuant to s.295(5) of the Corporations Act 2001.

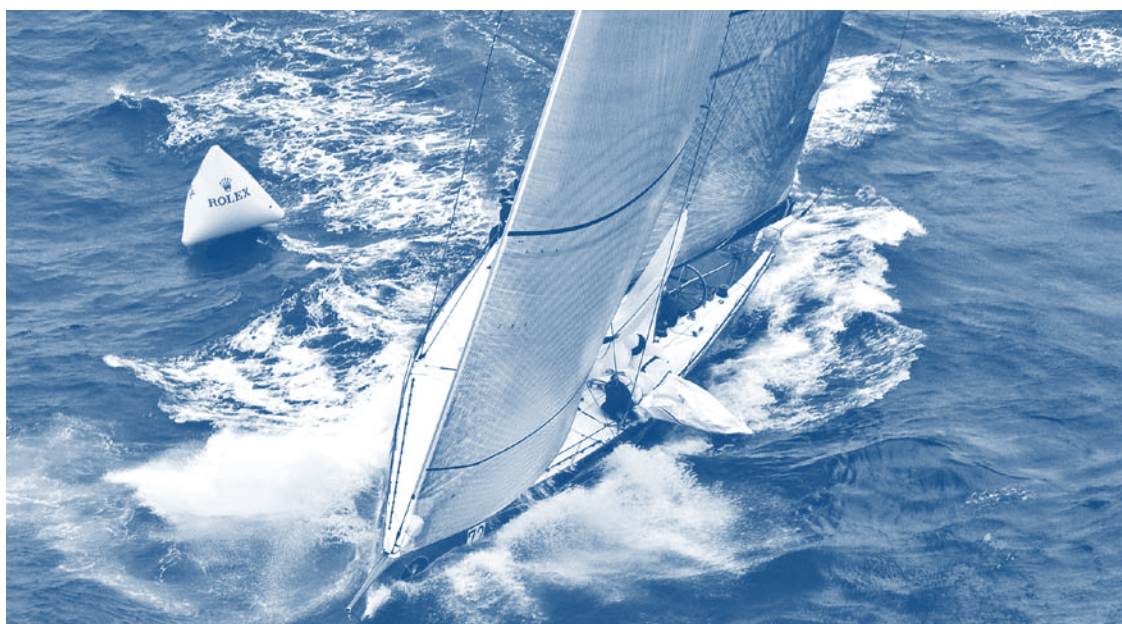

On behalf of the Directors

AUDITOR'S INDEPENDENCE DECLARATION

The Board of Directors
Cruising Yacht Club of Australia
1 New Beach Road
Darling Point NSW 2027

18th May 2010

Dear Board Members

Cruising Yacht Club of Australia

In accordance with section 307C of the Corporations Act 2001, I am pleased to provide the following declaration of independence to the directors of Cruising Yacht Club of Australia.

As lead audit partner for the audit of the financial statements of Cruising Yacht Club of Australia for the financial year ended 31 March 2010, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the Corporations Act 2001 in relation to the audit; and
- (ii) any applicable code of professional conduct in relation to the audit.

Yours faithfully

DELOITTE TOUCHE TOHMATSU

J P Winter

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 March 2010

1. General information

Cruising Yacht Club of Australia ("the Company") is a company limited by guarantee and operating in Australia.

In accordance with the Memorandum and Articles of Association of the Cruising Yacht Club of Australia, every member of the company undertakes to contribute to the assets of the company in the event of it being wound up, whilst he or she is a member or within one year after he or she ceases to be a member and of the costs, charges and expenses of winding up such as may be required, not exceeding \$2 per member.

The company has 2,715 members at year end.

Cruising Yacht Club of Australia's registered office and its principal place of business are as follows:

1 New Beach Road
Darling Point NSW 2027

2. Adoption of new and revised Accounting Standards

In the current year, the company has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (the AASB) that are relevant to its operations and effective for the current annual reporting period. The adoption of these new and revised Standards and Interpretations has resulted in no changes to the company's accounting policies.

At the date of authorisation of the financial report, the following Standards and Interpretations were on issue but not yet effective:

- AASB 124 Related Party Disclosures (2009), AASB 2009-12 Amendments to Australian Accounting Standards
Effective for annual reporting periods beginning on or after 1 January 2011
- AASB 9 Financial Instruments, AASB 2009-11 Amendments to Australian Accounting Standards arising from AASB 9
Effective for annual reporting periods beginning on or after 1 January 2013
- AASB 2008-6 Further Amendments to Australian Accounting Standards arising from the Annual Improvements Project
Effective for annual reporting periods beginning on or after 1 July 2009
- AASB 2008-8 Amendments to Australian Accounting Standards – Eligible Hedged Items
Effective for annual reporting periods beginning on or after 1 July 2009
- AASB 2009-4 Amendments to Australian Accounting Standards – Improving Disclosures about Financial Instruments
Effective for annual reporting periods beginning on or after 1 July 2009
- AASB 2009-5 Further Amendments to Australian Accounting Standards – Arising from the Annual Improvements Process
Effective for annual reporting periods beginning on or after 1 January 2010
- AASB 2009-7 Amendments to Australian Accounting Standards
Effective for annual reporting periods beginning on or after 1 July 2009
- AASB 2009-8 Amendments to Australian Accounting Standards – Group Cash-Settled Share-based Payment Transactions
Effective for annual reporting periods beginning on or after 1 January 2010
- AASB 2009-9 Amendments to Australian Accounting Standards – Additional Exemptions for First-time Adopters
Effective for annual reporting periods beginning on or after 1 January 2010
- AASB 2009-10 Amendments to Australian Accounting Standards – Classification of Rights Issues
Effective for annual reporting periods beginning on or after 1 February 2010
- AASB 2009-14 Amendments to Australian Interpretation – Prepayments of a Minimum Funding Requirement
Effective for annual reporting periods beginning on or after 1 January 2011

NOTES TO THE FINANCIAL STATEMENTS for the financial year ended 31 March 2010 (continued)

- Interpretation 17 Distributions of Non-Cash Assets to Owners and AASB 2008-13 Amendments to Australian Accounting Standards arising from AASB Interpretation 17 Distributions of Non-Cash Assets to Owners
Effective for annual reporting periods beginning on or after 1 July 2009
- Interpretation 18 Transfers of Assets from Customers
Effective for annual reporting periods beginning on or after 1 July 2009
- Interpretation 19 Extinguishing Liabilities with Equity Instruments
Effective for annual reporting periods beginning on or after 1 July 2010

These Standards and Interpretations will be first applied in the financial report of the company that relates to the annual reporting period beginning after the effective date of each pronouncement.

3. Significant accounting policies

Statement of compliance

The financial report is a general purpose financial report which has been prepared in accordance with the Corporations Act 2001, Accounting Standards and Interpretations, and complies with other requirements of the law including the Registered Clubs Act.

Accounting Standards include Australian equivalents to International Financial Reporting Standards ('A-IFRS'). A statement of compliance with IFRS cannot be made due to the application of not for profit sector specific requirements contained in the A-IFRS.

The financial statements were authorised for issue by the directors on the 18th of May 2010.

Basis of preparation

The financial report has been prepared on the basis of historical cost, except for the revaluation of certain non-current assets and financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

In the application of the company's accounting policies, which are described within this note, management is required to make judgements, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgements. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

Judgements made by management that have significant effects on the financial statements and estimates with a significant risk of material adjustments in the next year are disclosed, where applicable, in the relevant notes to the financial statements.

Accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events is reported.

The following significant accounting policies have been adopted in the preparation and presentation of the financial report:

(a) Borrowing costs

All borrowing costs are recognised in profit or loss in the period in which they are incurred.

NOTES TO THE FINANCIAL STATEMENTS for the financial year ended 31 March 2010 (continued)

(b) Cash and cash equivalents

Cash comprises cash on hand and demand deposits. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and have a maturity of three months or less at the date of acquisition.

Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

(c) Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities recognised in respect of employee benefits expected to be settled within 12 months, are measured at their nominal values using the remuneration rate expected to apply at the time of settlement.

Liabilities recognised in respect of employee benefits which are not expected to be settled within 12 months are measured as the present value of the estimated future cash outflows to be made by the company in respect of services provided by employees up to reporting date.

Defined contribution plans

Contributions to defined contribution superannuation plans are expensed when employees have rendered service entitling them to the contributions.

Long term service benefits

The Company's net obligation in respect of long-term service benefits, other than pension plans, is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates, and is discounted using rates for Commonwealth Government bonds at the balance sheet date which have maturity dates approximating to the terms of the Company's obligations.

(d) Financial assets

Loans and receivables

Trade receivables, loans, and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans

and receivables are measured at amortised cost using the effective interest method less impairment.

Interest is recognised by applying the effective interest rate.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial asset and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees on points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial asset, or, where appropriate, a shorter period.

Income is recognised on an effective interest rate basis for debt instruments other than those financial assets 'at fair value through profit or loss'.

Impairment of financial assets

Financial assets, other than those at fair value through profit or loss, are assessed for indicators of impairment at each balance sheet date. Financial assets are impaired where there is objective evidence that as a result of one or more events that occurred after the initial recognition of the financial asset the estimated future cash flows of the investment have been impacted. For financial assets carried at amortised cost, the amount of the impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables where the carrying amount is reduced through the use of an allowance account. When a trade receivable is uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

NOTES TO THE FINANCIAL STATEMENTS for the financial year ended 31 March 2010 (continued)

(e) Financial instruments issued by the company

Debt and equity instruments

Debt and equity instruments are classified as either liabilities or as equity in accordance with the substance of the contractual arrangement.

Financial liabilities

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities.

Other financial liabilities

Other financial liabilities, including borrowings, are initially measured at fair value, net of transaction costs.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period.

(f) Impairment of other tangible and intangible assets

At each reporting date, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but only to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the reversal of the impairment loss is treated as a revaluation increase.

(g) Income tax

No provision has been made for income tax as the Company is exempt under Section 50-45 of the Income Tax Assessment Act (1997), provided it continues as a sporting club predominately encouraging and promoting the sport of yachting, boating, cruising for pleasure and the building and sailing of yachts and boats. Accordingly tax affect accounting has not been adopted by the Company.

(h) Inventories

Inventories are valued at the lower of cost and net realisable value. Costs, including an appropriate portion of fixed and variable overhead expenses, are assigned to inventory on hand by the method most appropriate to each particular class of inventory, with all categories being valued on a first in first out basis. Net realisable value represents the estimated selling price less all estimated costs of completion and costs necessary to make the sale.

(i) Leases

Leases are classified as finance leases when the terms of the lease transfer substantially all the risks and rewards incidental to ownership of the leased asset to the lessee. All other leases are classified as operating leases.

Finance leases

Assets held under finance leases are initially recognised at their fair value or, if lower, at amounts equal to the present value of the minimum lease payments, each determined at the inception of the lease. The corresponding liability to

NOTES TO THE FINANCIAL STATEMENTS for the financial year ended 31 March 2010 (continued)

the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the company's general policy on borrowing costs. Refer to note 3(a). Contingent rentals are recognised as expenses in the periods in which they are incurred.

Finance leased assets are amortised on a straight line basis over the estimated useful life of the asset.

Operating leases

Operating lease payments are recognised as an expense on a straight-line basis over the lease term, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

Lease incentives

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefits of incentives are recognised as a reduction of rental expense on a straight-line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

(j) Property, plant and equipment

Plant and equipment, leasehold improvements and equipment under finance lease are stated at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the item. In the event that settlement of all or part of the purchase consideration is deferred, cost is determined by discounting the amounts payable in the future to their present value as at the date of acquisition.

Depreciation is provided on property, plant and equipment, including buildings on leasehold land. Depreciation is calculated on a straight line basis so as to write off the net cost or other revalued amount of each asset over its expected useful life to its estimated residual value. Leasehold improvements are

depreciated over the period of the lease or estimated useful life, whichever is the shorter, using the straight line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each annual reporting period, with the effect of any changes recognised on a prospective basis.

The gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

The following estimated lives are used in the calculation of depreciation:

Leasehold improvements	5 – 33 years / term of the lease
Boats	2 – 8 years
Plant and equipment	2 – 8 years

(k) Provisions

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Restoration costs

A provision for restoration costs is recognised when an obligation exists to restore certain sites for the effect of the company's operations.

The provision is the best estimate of the present value of the expenditure required to settle the restoration obligation at the reporting date. The amount is reviewed annually and changes recognised at the end of the reporting period.

NOTES TO THE FINANCIAL STATEMENTS for the financial year ended 31 March 2010 (continued)

(l) Revenue

Revenue is measured at the fair value of the consideration received or receivable.

Goods sold and services rendered

Revenue from the sale of goods comprises revenue earned from the provision of beverage and other goods and is recognised in the statement of comprehensive income when the significant risks and rewards of ownership have been transferred to the buyer. Revenue from services to members and other patrons of the Company is recognised in the statement of comprehensive income when the services are provided. No revenue is recognised if there are significant uncertainties regarding recovery of the consideration due; the costs incurred or to be incurred cannot be measured reliably; there is a risk of return of goods; or there is continuing management involvement with the goods.

Subscriptions

Subscription fees are taken into account on an accruals basis and the portion relating to the ensuing year is transferred to subscriptions in advance.

Yard and marina

Yard and marina revenue consists of casual and permanent berthing fees, hardstand fees, locker fees and tender fees provided to members and other patrons of the Club. Yard and marina revenue is recognised when the goods or services are provided.

Sailing revenue

Sailing revenue consists of ferry charter fees, race entry fees, sponsorship and other associated income. Sailing revenue is recognised when the goods or services are provided for all revenue except sponsorship which is recognised as it accrues.

Rental income

Rental income from property is recognised in the statement of comprehensive income on a straight-line basis over the term of the lease. Lease incentives granted are recognised as an integral part of the total rental income.

Interest revenue

Interest revenue is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated

future cash receipts through the expected life of the financial asset to that asset's net carrying amount..

(m) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except:

- i). where the amount of GST incurred is not recoverable from the taxation authority, it is recognised as part of the cost of acquisition of an asset or as part of an item of expense; or
- ii). for receivables and payables which are recognised inclusive of GST.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the statement of cash flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

Balance at 31 March 2010	6,717,090	483,857	1,297,879	8,498,826
Net book value				
31 March 2009	6,006,660	162,260	564,763	6,733,683
31 March 2010	5,418,257	163,902	518,347	6,100,506

The following useful lives are used in the calculation of depreciation:

- Leasehold improvements 5 - 33 years
- Boats 2 - 8 years
- Plant and equipment 2 - 8 years

NOTES TO THE FINANCIAL STATEMENTS for the financial year ended 31 March 2010 (continued)

	2010 \$	2009 \$
12. Trade and other payables		
Trade payables (i)	330,169	290,571
Marina deposits	124,860	119,345
GST payable	63,558	-
Other payables and accrued expenses	320,285	374,394
	838,872	784,310

(i) The average credit period on trade payables is 30 days.
There is no interest charged on trade or other payables.

13. Interest bearing loans and borrowings

This note provides information about the contractual terms of the Company's interest-bearing loans and borrowings.
For more information about the company's exposure to interest rate risk, see note 17.

Current liabilities

Hire purchase liabilities – secured	306,339	329,444
-------------------------------------	---------	---------

Non-current liabilities

Hire purchase liabilities – secured	-	306,335
-------------------------------------	---	---------

The hire purchase liabilities are secured against property, plant and equipment.

14. Provisions

Current

Employee benefits:	176,164	179,305
--------------------	---------	---------

Non-current

Employee benefits:	188,896	200,108
--------------------	---------	---------

Site restoration (i):		
Site restoration	2,942,392	2,802,280
Unwind of discount	147,119	140,112

	3,089,511	2,942,392
--	-----------	-----------

	3,278,407	3,142,500
--	-----------	-----------

Current year site restoration movement:		
Balance at 1 April 2009	2,942,392	
Interest	147,119	
Additional make good provision	-	

Balance at 31 March 2010	3,089,511	
--------------------------	-----------	--

(i) This provision represents the present value of the directors' best estimate of the future sacrifice of economic benefits that will be required to settle the site restoration obligations pursuant to the company's lease of land and waterways. The estimate has been made on the basis of a cost estimate obtained from a Quantity Surveyor.

NOTES TO THE FINANCIAL STATEMENTS for the financial year ended 31 March 2010 (continued)

	2010 \$	2009 \$
15. Other payables		
Marina deposits	124,860	119,346
16. Retained earnings		
Balance at 1 April	4,367,380	4,116,836
Total recognised income and expense	373,888	250,544
Balance at 31 March	4,741,268	4,367,380
17. Financial instruments		
(a) Capital Risk Management		
The capital structure of the company includes cash and cash equivalents and retained earnings.		
The company has limited borrowings in the form of hire purchase agreements.		
(b) Categories of Financial Instruments		
Financial assets		
Loans and receivables	176,336	325,787
Cash and cash equivalents	3,078,369	2,056,398
Financial liabilities		
Hire purchase liabilities at amortised cost	306,339	635,779
Trade and other payables	963,731	903,656

The carrying amount reflected above represent the company's maximum exposure to credit risk for such loans and receivables.

(c) Financial Risk Management Objectives

The Directors manage the financial risks relating to the operations of the company. These risks include credit risk and liquidity risk.

The company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes.

(d) Market Risk

The company's only exposure to market risk is the effect of changes in interest rates which would affect interest received. There has been no change to the company's exposure to market risks.

(e) Liquidity Risk

Ultimate responsibility for liquidity risk management rests with the board of directors. The company manages liquidity risk by maintaining adequate cash balances and monitoring forecasts and actual cash flows. The following table details the company's remaining contractual maturity for its non-derivative financial liabilities. The table has been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the company can be required to pay.

NOTES TO THE FINANCIAL STATEMENTS for the financial year ended 31 March 2010 (continued)

Financial liabilities	Weighted average effective interest rate	Less than 1 month \$	1 to 3 months \$	3 months to 1 year \$	1 to 5 years \$	More than 5 years \$	Total \$
2010							
Interest bearing							
Hire purchase liability	8.05%	26,367	76,123	203,849	-	-	306,339
Non interest bearing							
Trade and other payables		963,731	-	-	-	-	963,731
		990,098	76,123	207,029	-	-	1,270,070
2009							
Interest bearing							
Hire purchase liability	7.83%	27,587	78,810	223,047	306,335	-	635,779
Non interest bearing							
Trade and other payables		903,656	-	-	-	-	903,656
		931,243	78,810	223,047	306,335	-	1,539,435

The following table details the company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets except where the company anticipates that the cash flow will occur in a different period.

Financial assets	Weighted average effective interest rate	Less than 1 month \$	1 to 3 months \$	3 months to 1 year \$	1 to 5 years \$	More than 5 years \$	Total \$
2010							
Variable interest rate							
Cash and cash equivalents	4.14%	3,078,193	-	-	-	-	3,078,193
Non interest bearing							
Trade and other debtors		176,336	-	-	-	-	176,336
		3,254,529	-	-	-	-	3,254,529
2009							
Variable interest rate							
Cash and cash equivalents	3.66%	1,073,457	982,941	-	-	-	2,056,398
Non interest bearing							
Trade and other debtors		210,476	72,255	43,056	-	-	325,787
		1,283,933	1,073,928	43,056	-	-	2,400,917

NOTES TO THE FINANCIAL STATEMENTS for the financial year ended 31 March 2010 (continued)

(f) Fair Value

The carrying amount of the financial assets and financial liabilities represents a reasonable approximation of fair value.

(g) Credit Risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. To the extent the company has a receivable from another party there is a credit risk in the event of non-performance by that counterparty. Financial instruments, which potentially subject the company to credit risk solely consist of trade and other receivables. The company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

The carrying amount of the financial assets recorded in the financial statements, net of any allowances for losses, represents the company's maximum exposure to credit risk, without taking account of the value of any collateral obtained. The company does not have any significant credit risk exposure to any single counterparty or any group of counterparties having similar characteristics.

18. Commitments

Non cancellable operating lease expense commitments

Future operating lease commitments not provided for in the financial statements and payable:

	2010 \$	2009 \$
Within one year	533,517	502,276
One year or later and no longer than five years	2,667,585	2,009,104
Later than five years	2,563,551	3,549,511
	<u>5,764,653</u>	<u>6,060,891</u>

The company leases property and water space for the Clubhouse and marina under operating leases expiring in 10 years and 13 years respectively (assuming exercise of options). Lease payments are adjusted periodically to market rates.

Hire purchase commitments

Hire purchase payments are payable as follows:

Within one year	306,339	365,868
One year or later and no longer than five years	-	321,392
	<u>306,339</u>	<u>687,260</u>
Less: future hire purchase charges	-	(51,481)
	<u>306,339</u>	<u>635,779</u>
Hire purchase liabilities provided for in the financial statements:		
Current (note 13)	306,339	329,444
Non-current (note 13)	-	306,335

NOTES TO THE FINANCIAL STATEMENTS for the financial year ended 31 March 2010 (continued)

	2010 \$	2009 \$
19. Notes to the cash flow statement		
Reconciliation of net cash flows to operating activities:		
Profit for the period	373,888	250,544
Depreciation expense	822,660	832,743
Loss on disposal of property, plant and equipment	5,602	1,646
Interest income	(137,810)	(142,859)
<i>Changes in net assets and liabilities:</i>		
<i>(Increase)/decrease in assets:</i>		
Trade and other receivables	149,451	(40,383)
Inventories	(7,752)	(10,415)
Other assets	(27,206)	(2,990)
<i>(Decrease)/increase in liabilities:</i>		
Trade payables	54,562	(102,006)
Provisions	132,766	157,877
Other liabilities	42,525	(9,268)
Net cash from operating activities	1,408,686	934,889

20. Key management personnel disclosures for non-disclosing entities

The following were key management personnel of the company at any time during the reporting period, and unless otherwise indicated were so for the entire period:

Non Executive Directors

M. C. Allen	G. Bonus
H. Piggott	R. Cawse
J. Cameron	M. Cranitch
G. Linacre	J. Markos
P. Billingham	N. Kingsmill (appointed 14 July 2009)
D. Champtaloup (appointed 14 July 2009)	A. Green (resigned 14 July 2009)
G. Cropley (resigned 14 July 2009)	

Executive

M Woolf

Transactions with key management personnel

No non-executive director has received any remuneration from the Company during the year.

The key management personnel compensation included in "Employee and employment expenses" are as follows:

Short term employee benefits	304,392	270,652
------------------------------	---------	---------

NOTES TO THE FINANCIAL STATEMENTS for the financial year ended 31 March 2010 (continued)

20. Key management personnel disclosures for non-disclosing entities (continued)

Apart from the details disclosed in this note, no director has entered into a material contract with the company or since the end of the previous financial year and there were no material contracts involving directors' interests existing at year-end.

From time to time, directors of the company, or their director-related entities, may purchase goods and services from the company. These purchases are on the same terms and conditions as those entered into by other company employees or customers and are trivial or domestic in nature.

21. Related parties

(a) Transactions with key management personnel

Transactions with key management personnel are disclosed in Note 20 to the financial statements.

(b) Transactions with other related parties

Other related parties include:

- CYCA SOLAS Limited
- CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts

The Company is the sole member of CYCA SOLAS Limited; a Company limited by guarantee which is the trustee of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts. The administration of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts is under the control of the separate board of CYCA SOLAS Limited. The trustee company has a right to be indemnified out of the assets of the trust to satisfy liabilities properly incurred by the trustee. As at 31 March 2010 the outstanding liabilities committed by the trustee on behalf of the trust totalled \$nil (2009: \$nil). The assets of the trust are sufficient to meet this commitment. In the event that CYCA SOLAS Limited is wound up and unable to repay all outstanding debts, the liability of its members is limited to an amount of \$10.

Payments to related parties

- Donations paid to the CYCA SOLAS Trust during the year were \$20,000 (2009: \$18,788).
- Expenses paid on behalf of the CYCA SOLAS Limited were \$350 (2009: \$630).

22. Contingent liabilities

Bank guarantees

The company has given away the following bank guarantees:

NSW Maritime

23. Auditor's remuneration

Audit services

Auditor and review of the financial report

Other services

Other assurance services

Taxation services
