2012-2013 BOARD OF DIRECTORS, MANAGEMENT & SUB-COMMITTEES

Board of Directors

Commodore: H. Piggott
Vice Commodore: J. Cameron
Rear-Commodore: A. Lane, J. Markos
Treasurer: P. Billingham
Directors: G. Bonus, D. Champtaloup,
P. Clitheroe, A. Dunn,
N. Kingsmill, A. Wenham.

Management

Chief Executive Officer: M. Woolf
Assistant to Chief Executive Officer /
HR Manager: C. Del Conte
Accountant: N. McKinnon
Sailing Manager: J. Kirkjian
Operations Manager: B. McMahon
Senior Duty Manager: M. Gibson
Communications Officer: J. Crooks

Sub-Committees

Archives: D. Champtaloup (Chairman), T. Cable, D. Colfelt, A. Hawkins, B. Kellett, R. McAuley, P. Shipway.

Associates: P. Messenger (President), K. Brooks, R. Carr, J. Dahl, P. Emerson, K. Kellett, A. Lulham, C. Mulherin, P. Neate, S. Piggott, E. Robinson, B. Sicat, N. Strong-Harris, W. Tuck, M. Walker.

Audit, Planning & Risk: J. Markos (Chairman), P. Billingham, P. Clitheroe, M. Cranitch, N. Kingsmill, A. Lane.

CYCA Cruising: D. Champtaloup (Chairman), J. Keelty (Captain) D. Doyle, P. Easton, A. Green, A. Hawkins, T. Nobbs, F. Walker.

Disciplinary J. Markos (Chairman).

Marina & Site: J. Cameron (Chairman), A. Copley, A. Green, A. Lane, K. Stechmann, A. Wenham.

Member Services: J. Markos (Chairman), D. Champtaloup, K. Mendes, P. Messenger, J. Treleaven, S. Vahebzadeh, A. Wenham.

Redevelopment: A. Lane (Chairman), M. Allen, P. Billingham, G. Bonus, J. Cameron, N. Kingsmill, B. Munns, M. Thackray.

Rolex Sydney Hobart Yacht Race Planning: H. Piggott (Chairman), J. Cameron, L. Goodridge, M. James, G. Linacre.

Rules Review: J. Cameron (Chairman), T. Cable, A. Green, J. Keelty, J. Markos.

Sailing: J. Cameron (Chairman), T. Cox, D. Doyle, A. Dunn, L. Goodridge, R. Hickman, B. Kellett, T. Kirby, J. Kirkjian, S. Goddard-Jones, P. Williams.

Training & Development: A. Dunn (Chairman), T. Barker, J. Brooks, A. Cribb, S. Jarvin, J. Markos.

COMMODORE'S REPORT

Commodore Howard Piggott

As the 36th Commodore it gives me great pleasure to present my report for the 2012/2013 year.

It has been an active and productive year highlights of which include; the launch of the new CYCA website followed by the redevelopment of the Rolex Sydney Hobart Yacht Race and Sydney Gold Coast Yacht Race websites, which we continue to upgrade and refine; the planning and commencement for Stage 2 of the redevelopment; and the delivery of 10 new Elliott 7.0 yachts which will be a wonderful asset for our Youth Sailing Academy which is celebrating its 20th year. As you can appreciate the Board and its sub-committees, staff and members have gone beyond their normal duties to bring the above to fruition and I wish to thank them.

Financial position

The Club is in a strong financial position and is able to fund Stage 2 of the redevelopment from its cash reserves. The Board and management have been diligent to ensure that growth continues. Our accounts are conservatively prepared and our budget for the current financial year is achievable. Please refer to our Treasurer Paul Billingham's report for more detailed information.

It is with pleasure that I can confirm that there is no increase in members' subscriptions this year. This decision adds to the value proposition of being a member of the CYCA and now includes a Yachting Australia silver card for every member.

Sponsors

We are fortunate to have the support of our sponsors. Rolex for their generous and continuing support of our flagship event – the Rolex Sydney Hobart Yacht Race; and Audi who have sponsored the Youth Sailing Academy, the Audi Sydney Offshore Newcastle Yacht Race, the Audi Sydney Gold Coast Yacht Race and the Audi Winter Series. Unfortunately, Audi Australia has decided on a strategic change to their sponsorship investments, and our six year association with them concluded on 31 March 2013. I would like to take this opportunity to thank Audi Australia and Audi Centre Sydney for their support since 2006. The CYCA is currently seeking a replacement naming rights sponsor for the ever popular Winter Series and our Sydney Gold Coast Yacht Race.

I also thank our good friends at Club Marine as naming rights sponsor of our Wednesday night Twilight Series and Youth Sailing Academy, Mount Gay Rum for the Monday Twilight Series and Grant Thornton for the Short Ocean Point Score and Short Haul Point Score.

The Club also relies on other sponsors who support the Youth Sailing Academy and the Members Badge Draw. The names of these sponsors are referred to in the Annual Report and I wish to record our appreciation to them.

Our volunteers

The Club's activities are enriched by our many volunteers. I wish to thank the Board of Directors, the various Board sub-committees, the Associates Committee, the Breakfast Club, the Race Committees, the on-water race management teams, the Rolex Sydney Hobart Yacht Race Information Centre Team, Emergency Management Teams, CYCA SOLAS Trustees, and the Cruising Committee. I encourage any members who have the time to volunteer so that the Club can maintain a strong and vibrant volunteer base.

Redevelopment

Stage 2 of the CYCA redevelopment is under way for completion prior to the commencement of our summer season. This will increase the hardstand accommodation for 15 additional boats taking the total capacity to 30 hardstand boats, relocation of the jib crane, insulation of floating pontoons around the parameter of the new hardstand area, and installation of 100 new storage lockers. Once the new hardstand has been constructed, the Club will be able to exercise a new maritime lease with NSW Roads and Maritime Services for a term of 40 years and so securing our tenure. I would particularly like to thank, members of the Redevelopment Committee chaired by Rear Commodore Arthur Lane, for their efforts in bringing this to fruition.

Rolex Sydney Hobart Yacht Race

The 68th Rolex Sydney Hobart Yacht Race lived up to its reputation as a tough and tactically challenging race. We congratulate Wild Oats XI for setting a new race record and winning both the Illingworth Trophy for line honours and the Tattersalls Cup as overall winner. Second overall on IRC was last year's overall winner, Loki from Blackjack. The Race attracted enormous public interest via daily newspapers, Network 7, Yahoo 7 and our new website which continues to be the most visited sporting website in Australia over the Christmas/New Year period.

The Club is indebted to all those who contribute to the success of this iconic sporting event and I especially thank our finishing partners since 1945 – The Royal Yacht Club of Tasmania and its many volunteers.

CYCA SOLAS

Our charity, the CYCA SOLAS Trusts, has since its inception in 1999 donated in excess of \$830,000 mainly to search and rescue organisations Australia wide.

The Trust's objectives are to assist immediate family needs of those lost at sea during Yachting Australia sanctioned races; provide assistance to search and rescue organisations; and foster research and training to improve procedures and equipment for use at sea.

Most of the funding for the Trust comes from CYCA members who should be proud, as your contribution not only assists the boating community but the whole community.

Staff

Our Chief Executive Officer, Mark Woolf and his staff have given excellent service again this year. Their commitment, attention to detail and enthusiasm has enabled the Board to focus on policy issues and future directions of the Club, confidently leaving the day to day operational issues in their competent hands.

I am sure all members would wish me to thank you Mark and your staff.

The Board

The Club is indeed fortunate to have a strong Board with a balance of skill sets and experience which are vital for the successful running of the Club. I thank all Board members for their support and in particular, the various Committee chairmen which has made my work as Commodore a pleasure.

Conclusion

In conclusion I think it is worth mentioning the success of our two Youth Sailing Academy graduates Olivia Price and Lucinda Whitty, together with Nina Curtis who won silver medals at the London Olympics.

I encourage you to support our sponsors of the Club and to read the following reports which detail the past year's activities.

“Good luck with your future sailing pursuits and I look forward to seeing you at the Club enjoying its wonderful facilities and also competing with you on the water.”

TREASURER'S REPORT

Treasurer Paul Billingham

The headline profit for 2012/13 of \$768,315 (\$789,492) is another great result for our Club and testimony to the tight financial control by the management team led by Mark Woolf.

This result is particularly impressive, being delivered as it has against a background of continuing economic uncertainty that has seen discretionary spending by members and businesses come under increased pressure.

Financial Summary

As is my custom, I summarise below the key financial information as to the Club's performance and position over the last three years:

	2013	2012	2011
	\$	\$	\$
Income statement			
Profit for the year	768,315	789,492	499,606
Cashflow			
Net cash increase	851,441	1,035,856	1,257,760
Borrowings repaid	N/A	N/A	306,339
Balance sheet			
Current Assets	6,543,301	5,670,357	4,750,227
Non-Current Assets	5,652,981	5,582,789	5,396,179
Current Liabilities	1,343,285	1,294,322	1,348,280
Non-Current Liabilities	4,054,316	3,928,458	3,557,252
Members Funds	6,798,681	6,030,306	5,240,874
Number of Members	2,646	2,680	2,692

Profitability

This year saw a consistent level of revenue generated from the Club's bar and trading operations compared to 2011/12. Against the backdrop of a circa 1% reduction in membership, this has been a pleasing result.

Overall revenue was however slightly down, primarily due to lower sponsorship income as the Audi sponsorship of the Winter Series and Youth Sailing Academy began to be phased out. This was tempered somewhat by the 5% increase in marina berth fees that came in from 1 October 2012.

Margins came under pressure as the Club sought to protect members from the impact of increasing liquor prices, resulting in close to a 2% reduction in the Club's gross profit for this year.

To address this, despite an increased depreciation charge in the year which came about as a result of the recently completed D arm extension, management were able to reduce overheads by almost 2% compared to 2011/12, and the Board was able to vote a \$50,000 donation to the CYCA SOLAS Trusts for the year.

Finally, although cash reserves increased, interest received reduced this year to \$281,204 (2011: \$301,031) with the Club's funds presently invested in a range of term deposits averaging a return of 4.3%.

With rates still falling and a significant proportion of the Club's cash reserves presently being expended on Stage 2 of the redevelopment, interest income will continue to reduce over the coming year.

Liquidity

The Club's working capital position has again improved – increasing to an excess of current assets over current liabilities of \$5,200,016 at 31 March 2013 (2012: \$4,376,035).

The Club's reported cash holdings have increased to \$6,223,426 (2012: \$5,371,985) as the commencement of Stage 2 of the redevelopment did not take place until after the financial year end.

As has been recently announced by the Commodore the Club has made allowance to expend up to \$3.5million on Stage 2 of the redevelopment which will incorporate the new hardstand area and associated pontoons, equipment and lockers.

This project is scheduled to be completed by spring 2013 and will be fully funded from cash reserves.

Capital Expenditure

Capital expenditure this year totalled \$897,391 with the largest single item being progress payments towards the new Elliott 7.0 fleet of \$380,639.

The total cost of the Elliott 7.0 fleet for the Youth Sailing Academy will be circa \$540,000 and it is presently the Club's intention to fund the boats by way of five year leases (under a sale and leaseback scenario) to ensure cash reserves are maintained for the next stage of redevelopment.

A second area of focus during the year was on IT infrastructure with \$227,396 expended on new IT equipment, the website redevelopment, point of sale equipment and software upgrades.

Finally, reconfiguring the entrance to C Arm cost \$76,190, with the new configuration now enabling all berth holders to access their yachts via the

Club, enlarging the pond area and consequently improving security on the marina.

Outlook for 2013/14

Last year I set out the considerations of the Board as it plans for the financial future of the Club and a prudent budget for 2013/14 has again been set.

The Commodore was recently able to announce no increase in membership fees for next year, and I firmly believe our Club represents excellent value for money for all levels of membership.

I urge members to make use of and to promote the Club whenever they are able, thereby enabling us to go on investing in the Club's future.

Finally, as part of our corporate governance protocols, the Club's audit was recently put out to tender and at this year's Annual General Meeting, members will be asked to vote to replace the incumbent Auditor Deloitte with PricewaterhouseCoopers for 2013/14.

I wish to place on record my thanks to David White and his team at Deloitte for the six years his firm has acted as Club Auditor and, subject to members approval, look forward to working with the PwC team.

Summary

The Club has achieved another extraordinary result in 2012/13 and remains financially sound.

This coming year will see the single biggest investment in Club infrastructure since the Club house was rebuilt in the late 1990's, and we are most fortunate to be able to comfortably fund this work from cash reserves.

Stage 2 of the redevelopment is all about improving the amenity of the Club and securing the Club's long term occupation of the site through an extended lease, which will be granted once the works are complete.

The Club's ability to make these investments is down to its robust trading position, strong financial discipline and the support of its sponsors, members and the wider community. Long may it continue this way!

In concluding I must sadly inform members that our long serving accountant, Nina McKinnon, who joined the Club in January 1995, has indicated that she will retire from her position as accountant in January 2014.

On behalf of the Board and all members, I would like to formally recognise at this Annual General Meeting our appreciation to Nina for the outstanding contribution she has made in handling the day to day finances of the Cruising Yacht Club of Australia. There is no doubt that she leaves the Club in a far more financially robust position than she found it!

REDEVELOPMENT COMMITTEE REPORT

Rear Commodore Arthur Lane, Chairman

With the successful completion of Stage 1 last year, your Redevelopment Committee has turned their attention to Stage 2 of the redevelopment of the Club.

Earlier this year the 'C' arm reconfiguration was completed. This has resulted in an overall larger pond area, a better rigging and access area for the Elliott's that are used by the Youth Sailing Academy, and a positive connectivity for yacht owners and their crews as they now access their yachts through the Club.

Reconstruction of hardstand areas

Tenders for the reconstruction of the hardstand areas were called for and after reviewing and negotiating a number of alternative proposals, the contract was awarded with construction commencing mid-May and completion anticipated by mid-September this year.

The scope of works will see the total removal of;

- the 30 year old concrete and timber piled hardstand that presently provides dry storage for 16 yachts.
- the infill of the area that previously formed part of the now defunct slipway area; and
- the total removal of the old timber deck and timber piles on which the lockers are presently situated.

The new hardstand area will be constructed in reinforced concrete on steel piles and will be at a slightly higher level than the existing platforms as required by our development consent. The new area will provide dry storage for approximately 40 yachts.

The old lockers will be replaced with 100 new lockers and located in the area they now occupy, with a plan to relocate them as part of a future stage of the redevelopment.

Floating pontoons will be installed along the perimeter of the hardstand to make access to launching and retrieving Etchells and Dragon's more convenient to owners, and more convenient for boats visiting the pond. In addition a second crane will be installed to provide a faster and more efficient launching and retrieval of hardstand boats.

On completion of the new hardstand the Club will then be in a position to enter into a new lease with NSW Roads and Maritime Services.

Thank you

I would like to thank the members of the Redevelopment Committee for the tremendous effort that was put into getting the project underway. The extensive array of skill sets that they bring to help with the planning and negotiation of the second stage of the redevelopment was crucial to the outcome that has been achieved.

“I would like to thank the members of the Redevelopment Committee for the tremendous effort that was put into getting the project underway.”

SAILING COMMITTEE REPORT

Vice Commodore John Cameron, Chairman

It is my pleasure to present the annual report for the Sailing Committee.

Another successful year of the CYCA's extensive sailing program has been completed with fleets racing predominately in light to medium conditions. The Sailing program includes the Blue Water Point Score, Ocean Point Score, Grant Thornton Short Haul and Short Ocean Point Score, summer twilight racing with the Mount Gay Monday Twilight Series (spinnaker) and non-spinnaker Club Marine Wednesday Twilight Series and the Audi Winter Series.

I would like to thank the members of the Sailing Committee for their commitment and valued input; Director Anthony Dunn, and members Tim Cox, Denis Doyle, Sarah Goddard-Jones, Les Goodridge, Roger Hickman, Brad Kellett, Tony Kirby, John Kirkjian and Paul Williams. The experience and dedication brought to this Committee by these members makes this Committee a pleasure to Chair.

This Committee continues to examine and review the current program to provide more diverse and interesting races to the summer series. Changes to the CYCA Trophy series and other races are being investigated for next year's calendar to improve the Club's racing program. The introduction of the new Special Regulations and Racing Rules of Sailing this year (the Blue Book) requires a detailed knowledge of the changes. To assist all stakeholders get a better understanding of the changes to the rules, the Sailing Committee introduced a compulsory briefing for all competing in the 2013 Winter Series.

Online crew registry

In the past year the Sailing Office has launched an online crew register on the Club's new website and worked effectively to assist boat owners to find suitable crew members. If you are in need of crew, please make sure you contact the team in the Sailing Office as they are happy to assist you with finding crew for your yacht.

Online race entry is still developing and being updated every year. The Club works closely with the owners of the Top Yacht software to suggest enhancements that assist boat owners and boat representatives with streamlining the paperwork process of all of the Club's racing, but particularly the major blue water events that require more paperwork.

The handicapping and rating systems continue to be monitored and there is continued support for IRC as the predominant rating

system. In the past year we have introduced ORCi handicapping to the Ocean Point Score and may introduce it into other point scores in 2014 as ORCi becomes the primary method of proving a boats stability.

The Club is very fortunate to have volunteers who work tirelessly and provide us with a very high level of commitment. Thank you to Robyn Morton and Denis Thompson for acting as Race Officers; Steve Kidson as 'Offshore Coxswain' and the race management team consisting of; Richard Bearman, Jennifer Birdsall, Doug Cairns, Emma Eason, Maryrose Heffernan, Gail Lewis-Bearman, Darryl McManus, Jane Stranger, Denise Van Ewijk. Also our Crew Liaison officers; David Mason, Graham Picker and Rob Skol.

Thank you

Over the 2012/13 season we were once again fortunate to have had the benefit of using MV JBW as the Radio Relay Vessel for the Rolex Sydney Hobart Yacht Race and the Sydney Gold Coast Yacht Race. This is due the generosity of John Winning and his family and we thank them. We also wish to thank the skipper of the JBW, Andrew Copley and David Kellett AM and his team of radio operators who provide excellent communication and support to the competitors in both races.

We are grateful for the assistance of Marine Rescue Port Jackson where we conducted race skeds and 24 hour monitoring from their South Head Signal Station for our shorter Blue Water races. Thank you to Marine Rescue Port Jackson for your co-operation and support, and I would also like to thank Denis Doyle and David Kellett who conducted the skeds.

We also acknowledge the assistance of Thales who worked with David Kellett, Andrew Copley and the Technical Communications Working Party in significantly upgrading the HF Race Communications onboard JBW. The maintenance and improvement to best practice of our HF Race Communications remains a priority of the Sailing Committee.

I would like to thank the following people;

- Our dedicated International Juror, John Kirkjian who assists with our jury and protest committees;
- Tim Cox who provides strong and effective management for our major Race Committees. Tim's experience, co-operation and advice is greatly valued;
- Jon Williams and Geoff Askew, our Emergency Management Team Leaders.

- Richard Cawse and Amanda Wilmot who volunteer as the Mobile Emergency Management Team stationed in Eden.

Remarkable achievements

This year's sailing season brought some remarkable achievements, including the Club's two major ocean race records falling. Bob Oatley's 100ft super maxi, Wild Oats XI started the CYCA summer season by smashing the 13 year old Audi Sydney Gold Coast Yacht Race record by 5 hours, 31 minutes and 57 seconds. The Wild Oats team then went on to take out their second treble in the Rolex Sydney Hobart Yacht Race taking line honours, the Tattersall's Cup and a new race record of 1 day, 18 hours, 23 minutes and 12 seconds. Congratulations on these fantastic results to a well prepared and campaigned team.

Stephen Ainsworth's 63ft Reichel Pugh Loki was sailed consistently in the Blue Water Point Score (IRC) and Tasman Point Score (PHS) to win both point scores. This is the second time Loki has won the prestigious Blue Water Point Score in the last three years.

Special mention should also be made to Julian Farren-Price who took out the Ocean Point Score for the third consecutive year in his Cookson 12 About Time and then topped it off with a win in the Club's Top Jocks "Champion of Champions" regatta at the culmination of the summer point score series.

Congratulations to all point score winners and place getters over the summer season.

We are now well into the Winter Series and hope that the addition of an extra non-spinnaker division has enabled more 'like' boats to race against each other in the three non-spinnaker divisions.

New York Yacht Club Invitational Cup

Last year the Board supported the Sailing Committee's recommendation to again accept the invitation issued by the New York Yacht Club for the CYCA to enter a team in the New York Yacht Club Invitational Cup 2013, presented by Rolex.

The self-funded team will compete at Newport, Rhode Island and although the event is classified as non-professional, the event will certainly produce some tough competition to walk away with the top position. We wish the team headed by CYCA member Bruce Foye the best of luck for the regatta that takes place in mid-September.

Thank you to the CYCA's Sailing Manager, Justine Kirkjian and her team of; Stephen Craig and Daniel Dawick for their service and support again this year. Thank you also to the CYCA media team for their excellent race reports.

Finally, thank you to our sponsors; Rolex SA, Audi, Grant Thornton, Mount Gay Rum and Club Marine for their outstanding contribution and assistance which allows us to conduct one of Australia's finest yachting programs.

“Another successful year of the CYCA's extensive sailing program”

TRAINING & DEVELOPMENT COMMITTEE REPORT

Director Anthony Dunn, Chairman

It is with great pleasure, as Chairman of the Training & Development Committee that I present its report to members for 2012/13.

In terms of milestones – this year is without doubt one of the pinnacles in the short history of the CYCA Youth Sailing Academy. Notwithstanding the 20th anniversary of the CYCA YSA, this year has seen huge success with Olympic and regatta achievements, record student numbers attending development squads, and high numbers progressing into CYCA keel boat racing with good results.

On the 25 March 1993, led by Chairman Maurie Cameron and his enthusiastic Training & Development Committee, the CYCA Youth Sailing Academy was officially launched – the first of its kind in Australia. This year, 20 years on the vision and objectives remain steadfast and highly relevant. The original objectives as outlined in the formation proposal developed by the Training & Development Committee in 1992 were as follows;

- To form a formal Junior yacht club;
- To generate sailing members for the CYCA;
- To provide a youth sail training facility that would be able to be used by the junior community at large;
- Be an additional facility for Club members;
- Be an income producing venture.

In the 20 years since being established, many of the original objectives have been retained, and further refined. These enhanced objectives make up part of a strategic plan prepared by the Training & Development Committee and adopted by the Board in 2012. They are as follows;

- Act as a pathway for dinghy sailors to enter the sport of keel boat sailing for youth aged between 12-24 years;
- To provide world class sailing tuition, equipment and resources;
- To provide an opportunity to compete;
- To introduce youth from all socio-economic backgrounds to the sport of sailing;
- Create a pathway for students to be introduced to the sport of ocean yacht racing;
- To generate membership of the Cruising Yacht Club of Australia.

New fleet of 10 Elliott 7.0m boats

As this annual report goes to print, our new fleet of 10 Elliott 7.0m boats will have just arrived from China where they were

built by McConaghy Boats China under the watchful eye of the New Zealand designer Greg Elliott. These new boats form part of the recently adopted strategic plan and will lead the next generation of academy students through the sail training pathways developed over many years, and ultimately into club membership and ocean racing.

As mentioned, successes over the past year saw a silver medal placing in the 2012 London Olympics in the Women's Match Racing competition, sailed in modified Elliott 6.0m boats, with YSA graduates Olivia Price and Lucinda Whitty representing the CYCA YSA. We are all very proud of their achievement.

Twenty years – a reflection in numbers;

- 2,000 students have passed and completed squad training camps;
- 30 Development, Talented and Advanced squads and school holiday camps have been held three - four times per year;
- Hosted 6 Harken International Women's regattas, 11 Musto International Youth regattas, 12 Club Marine Youth Match Racing Championships and 20 youth, women's and open national championships;
- 200 Alumni members actively competing in CYCA races and events;
- 60 YSA students have competed in the Rolex Sydney Hobart Yacht Race;
- Achieved 35 multiple podium placings from 26 competed events, with two members achieving silver medals in the London Olympics;
- Sydney Hobart, Olympic and keel boat international and national titles have been won with YSA crew on-board.

These are outstanding outcomes and help endorse the original objectives set 20 years ago. On behalf of my fellow Committee members and all those who have served on the Training & Development Committee in the past, I congratulate everyone who has made a contribution to the success of the CYCA YSA.

CYCA YSA Regatta hosted events over the past 12 months;

- Navionics Match Racing Regatta;
- Club Marine NSW Youth Match Racing Regatta;
- Captain John Piper Match Racing Regatta;
- Kellett Shield Regatta;

- ASCC Regatta;
- Marinassess Women's Match Racing Regatta;
- Musto International Youth Match Racing Regatta.

National and International CYCA representation;

- Warren Jones Regatta, hosted at RFBYC, Perth;
- Hardy Cup, hosted at RSYS, Sydney;
- Royal Port Nicholson Youth Match Racing Regatta, hosted at RPNYC, Wellington;
- Australian Youth Match Racing Championship, hosted by RYCT, Hobart;
- Governor's Cup, hosted Balboa Yacht Club, California;
- Australian Open and Women's Match Racing Regatta, hosted at SYC, Melbourne;
- Harken International Youth Match Racing Regatta, hosted at RPAYC, Sydney.

Thank you to all sponsors past and present

Over the past twenty years, sponsors and Club members have contributed significantly to the CYCA YSA. Again, on behalf of the Training & Development Committee I thank all our current and past sponsors (many who have remained involved since its establishment), and all CYCA members who contribute so generously each year. Without such support the CYCA YSA would not be possible.

This year we are proud to have association and support from many organisations and foundations. With special thanks to Club Marine, GME, Musto Australasia, d'Albora Marinas, Walker Corporation, Quick Plumbing Group, Ricoh Australia, Southern Engineering Services, Village Roadshow, the Freedman Foundation and Clitheroe Foundation.

We also thank the following organisations who provide vital support in assisting us maintain our water based assets in good working order; Harken Australia, Hood Sailmakers, Noakes Boat & Shipyards, and International Paints.

I wish to thank all CYCA members who have given generously through the annual Australian Sports Foundation donations. Also, to all those members who provide their boats for accommodation for regatta participants and race officials.

The CYCA Board in 1992, headed by Commodore Leigh Minehan approved the formation of the Youth Sailing Academy. Past

Commodore John Brooks was on the Training & Development Committee at the time, and later re-joined the Committee in 2000. This year will be John's last on the Committee. I would like to take this opportunity to mark our appreciation and thanks to John's contribution and commitment to the CYCA YSA.

Of course thanks also to the other Committee members; Rear Commodore John Markos; Steve Jarvin; Tom Barker and Andrew Cribb for their dedicated service as Committee members over the last year.

To Justine Kirkjian, Pam Scrivenor and our very talented roster of coaches, I thank you for your ongoing efforts in executing the strategies of the Training & Development Committee.

In conclusion I quote from former chairman Maurie Cameron from the 1992/93 Annual Report...

"...without doubt this would not have happened but for the hard work and determination of a number of Committees and countless others who shared the dream of the CYCA having its own youth program."

AUDIT, PLANNING & RISK COMMITTEE REPORT

Rear Commodore John Markos, Chairman

The Audit, Planning & Risk Committee consisted of the following members for the most part of the year:

- John Markos
- Paul Billingham
- Nick Kingsmill
- Arthur Lane
- Paul Clitheroe
- Michael Cranitch

Michael Cranitch had agreed to stay on as a member following his many years of service, and resigning from the Board last year. He did stay to assist me for six months in taking on the role of Chairman. He ceased to be a member of the Committee in February this year. I wish to acknowledge his incredibly generous service, support of the work of the Club, and especially of this Committee with his time and counsel which has been quite significant.

The Committee's role has not changed. As it has been the case in the recent past, the number of face to face meetings is rare and the use of technology enables the Committee to meet on single issues either by telephone or email, whichever is the most convenient.

I am grateful for the resource and talent provided by the members of this Committee, whether it be in vetting the Sailing Instructions or Notices of Race, contracts for the supply of critical capital items, or the review of critical communications that includes the work leading up to the commencement of our redevelopment works.

This year the Committee also oversaw the tender and shortlist interview leading to the selection of a new auditor, which will be the subject of a recommendation from the Board to the members at the AGM.

The work of the Committee is made all the more easy by support from our Chief Executive Officer Mark Woolf and Accountant Nina McKinnon. As Nina has signalled her intention to retire at the beginning of 2014, I wish to acknowledge and thank her for her long and very effective years of service to the Club, her unfailing courtesy and tenacity along with the work that she has undertaken in addition to her role as Club Accountant.

In the annual meeting with the auditors, and on signing off the accounts they have been very praiseworthy of our Club's management team. I endorse those comments noting that the Club is in a strong position well able to meet the next stage of the redevelopment which commenced in May of this year.

The hard work of the Board and the various Committees that research and make the recommendations for the documentation or purchasing decisions, or other operational activities is welcome, and makes this Committee's review far less onerous than it could otherwise be. It is a well-functioning Board and I thank them for their assistance.

“I am grateful for the resource and talent provided by the members of this Committee.”

MARINA & SITE COMMITTEE REPORT

Vice Commodore John Cameron, Chairman

As the reporting year comes to an end, it is with pleasure that I present the Marina & Site Committee report to members.

This Committee looks after the interests of the Club and the members, fulfilling the task required in the planning of all issues close to the heart of all members, dealing with strategic issues regarding the property, plant and equipment, giving the Board well thought out recommendations for their consideration for planning purposes.

The Committee regularly reviews the licences of all marina berth and hardstand occupants that near the end of their licence term to ensure compliance with the conditions of the licence are met.

It should be noted the marina and hardstand waiting list is continually reviewed and when availability is created, places filled accordingly. The extension of "D" arm has now reached full occupancy, giving members the benefit of Stage 1 of the redevelopment.

Preventative maintenance program

The success of the preventative maintenance program may not be so obvious to those members who casually visit the Club. We are very fortunate that a comprehensive maintenance schedule has been developed over the years by the operations team and as a result the Clubhouse, marina, club vessels and other plant and equipment are well maintained to ensure maximum efficiencies are achieved, and little to no disruption occurs to the operation, safety or comfort of members, visitors or staff.

In addition to the repairs and maintenance program the Club invests significantly in capital expenditure items to ensure members have a comfortable and safe facility they can relax in, and share with their guests. As you have noticed Stage 2 of the Club redevelopment has started with completion anticipated mid-September. The resultant hardstand expansion will give the Club and members a valuable asset for the future.

The goal of the Committee is to protect the working life of all the Club's assets by remaining focussed on member benefits. The relationship that exists between the Committee and members of the staff allows for high standards to be maintained.

To our Chief Executive Officer, Mark Woolf and the operations team led by Brian McMahon, together with Frank Bergmann and Ross Garlan, thank you. Their attendance at our monthly meetings provides valuable advice and assists in the continued successful operation of the Club.

The activities and events organised by the Club for the benefit of members is growing, as is the utilisation of the facilities, and with this increase it is necessary to ensure that our facilities are maintained to the expected high standards so that all members and their guests have an environment for which we can all be proud.

These facilities require careful and planned maintenance all executed by our staff and we have them to thank for their expertise and diligence in the manner in which they attend to their duties.

However, it is up to all members to assist by taking care of our assets, and in the event you observe any damage I ask that you to report it to the operations team so they can attend to the matter immediately.

The Committee consists of; Director Andrew Wenham, Alan Green, Andrew Copley and Karl Stechmann. They bring to this Committee a wide range of experience and expertise, which is invaluable to the operation of the Club and thereby to the benefit of members. Thank you to all the members of the Committee, I have enjoyed chairing the meetings which has been made all the better by your experience, ability and common sense, which is all-important in a Committee such as ours.

MEMBER SERVICES COMMITTEE REPORT

Rear Commodore John Markos, Chairman

With the implementation of the new five year strategic plan by the Board, the Member Services Committee has been tasked with several objectives;

- To review and make recommendations for the enhancement of the member value proposition;
- To find ways to develop a larger membership base from the 18-45 demographic;
- Review the launch of the new member communications platforms (website, common use letters and other media); and
- Enhance the social calendar with a view to increasing member participation and use of facilities.

When working on these objectives the Committee has had access to the membership survey which is an incredibly useful tool to draw feedback from the existing members. The Club has been able to quickly address some of the criticism and some significant gains have been made in the communications particularly.

The launch of the new websites over the last year has seen a lot of positive feedback as well as some constructive feedback for further improvement and review. All suggestions are welcome. The gains for the Club are shown in a number of statistics, with some of the new features like CYCA TV being widely acclaimed.

Upgraded CYCA website

Since being launched in September 2012, the upgraded CYCA website is being extensively used by members as a primary source of information. The introduction of online member services such as online race entry and results, the online notice board, online payment system, online booking system for the Club's various social events, and the online shop have been well utilised.

The Club also introduced a Facebook page as an alternative method of communication. In generally testing what our members see as value, the member's survey is very useful but it does not assist us into looking into how the Club can find ways to develop its membership base and particularly the target age group. Fortunately the Club did not have to look too far for information about the wider marketplace and perceptions of sailing. The recently conducted Yachting Australia survey (the Gemba Survey) is incredibly useful.

The Committee welcomed a presentation this year from Andrew Cribb (YNSW) on the Gemba Survey and YNSW's response. Andrew is well known in the sailing community and his insight about the implementation of a number of the initiatives which arose from the survey is very helpful. It will be a challenge for

the Committee to work through the Gemba Survey and formulate its recommendations to the Board over the next 12 months and I will be asking some Club members to join us in the further digest of this information and to help us work through the Committee's objectives.

Volunteer recognition

The Club activities survive on the very generous support from a huge resource of volunteers.

I have in the past recognised and wish to again acknowledge the work of the Cruising Committee which in addition to their marshalling of cruising activities, has continued to organise and promote the hugely popular information evenings. Congratulations to Committee Chairman David Champtaloup and his Committee.

The Associates too remain an important and integral part of the Club with their work in planning and hosting events and the fundraising activities that align with them. This year is a very important anniversary for them and I congratulate them as a group for their work over the period of the past 50 years.

The revived Breakfast Club continues and is a welcome smiling group to greet us each Sunday over the Winter Series. Their fundraising in contribution to purchases of Club assets is often not recognised by the larger membership group. Over this past year they contributed to the purchase of a TV screen in the Coaster's Retreat.

Thank you to all our sponsors

On behalf of the Committee I would like to thank those sponsors that support the weekly Members' Badge Draw. They include;

Gold Sponsors

- Beneteau Vicsail
- Carlton United Breweries
- Collins Marine
- David Bray Yachts
- Flagship Charters
- Noakes Group
- Pacific Sailing School
- Premier Boat Trimming
- Steve Jarvin Motors
- Warne's Trophies

Silver Sponsors

- Active Casual
- Robert Oatley Wines
- Windcraft – importers of Hanse Yachts
- YOTI

Bronze Sponsors

- Magners Cider
- No Skidding
- Peppers Anchorage Port Stephens Marina
- Performance Yacht Sales/Jeanneau Yachts
- Jansz Sparkling Wine
- Tempo Spars Yacht Mast & Rigging
- Delta Marine

A special thank you to life member John Keelty, who is indefatigable in the work that he undertakes for the Club. Aside from his membership of several Committees, I wish to mention and acknowledge particularly his work in establishing and driving the CYCA Medical Management for Mariners course (MMM) which has been running since 2007. Information regarding the course can be accessed on the website. This is an incredibly unique partnership between the CYCA and leading doctors from St Vincent's Hospital in the development and presentation of this course which goes 'beyond first aid'.

I encourage members to consider enhancing their skills to deal with medical emergencies at sea, and for which we are so often reminded can be isolated and often well out of reach of any immediate emergency assistance. We would like to see increased patronage of the course to make sure it is continued and that it remains a significant value add to our membership.

The Committee members have been readily available to give out their valuable time in considering all of these issues and making recommendations. I wish to thank each of them; my fellow Directors David Champtaloup and Andrew Wenham; Shahrzad Vahebzadeh, Janey Treleaven, Kevin Mendes and the representatives from the Associates; Pam Messenger and Rhonda Carr.

“CYCA Medical Management for Mariners course (MMM)... I encourage members to consider enhancing their skills to deal with medical emergencies at sea.”

CRUISING COMMITTEE REPORT

Cruising Captain John Keelty

I am pleased to report the CYCA Cruising Committee had another active year with both on and off water events.

Highlights of this year were Information Nights on Barging in France; Round the World Sailing – both cruising and racing; Helicopter rescue and a full on safety day at the Club; the 2013 Sydney to Hobart Rendezvous Cruise; and the CYCA Medical Management for Mariners Course.

Travels in France

In August an evening was held on barging in France presented by Cindy and Tony Hearder. In 2009 the Hearers escaped everyday life in Sydney to travel on a 100 year-old barge for 18 months. As the evening unfolded we learnt of their great family adventure. Tony shared information on which barge to choose, when to go, where to go and how to manage the locks, whilst Cindy shared some of their special moments, local markets, bateau meals, places and experiences. All in all it was a wonderful evening for all especially those Club members contemplating a wonderful relaxing holiday on the French water ways.

Cruising and racing

On October 30 the evening encompassed around the world cruising and racing. Our first presenter was Nick Martin, event manager for ARC World Cruising, who explained how to go about setting a life time dream in motion by taking your own boat across the world's oceans. Richard Hewson, skipper of Gold Coast Australia, winner of the 2011-12 Round the World Yacht Race, followed and shared his experiences and navigation tactics that won the overall event.

During September Tony Kirby assisted us by providing his yacht Patrice Six to support a helicopter training exercise during which a practice AMSA life raft drop was made. Prior to this, we were unaware dropping a raft from a helicopter was a practical option (weather and sea condition permitting). During the exercise we saw what actually occurs when this type of rescue is carried out, the risks involved and what the crew seeking rescue MUST do to assist for it to be successful. As a result we felt it vital we make this information available as it could save a life.

Marine safety and rescue

To this end in November we hosted an educational day on Marine Safety and Rescue with a focus on rescue at sea. In order to ensure all areas pertaining to rescue at sea were covered all of the recognised organisations who are involved and carry out this vital role attended and gave presentations on how they deal with life threatening emergencies and rescues at sea. Present were representatives from the AMSA, NSW Water Police, NSW Ambulance Helicopter Rescue and Marine Rescue NSW together with their rescue vessels. This day was organised in order to inform those who go to sea of what actually will occur should they run into trouble and call for assistance and, more to the point, what they must do to assist if a helicopter or any other form of rescue is deployed.

One of the highlights of this day was the arrival of the NSW Ambulance Long Range Rescue Helicopter, which landed in Rushcutters Bay Park and was open for inspection, much to the enjoyment of young and old alike.

Also on the day there were displays from major safety equipment suppliers including live demonstrations in the water of the very latest in MOB safety and retrieval gear.

“We hosted an educational day on Marine Safety and Rescue with a focus on rescue at sea. Present were representatives from the AMSA, NSW Water Police, NSW Ambulance Helicopter Rescue and Marine Rescue NSW.”

Rendezvous to Hobart

The bi-annual Rendezvous to Hobart is growing bigger and better and is now a regular event on the cruising calendar thanks to the commitment of Denis Doyle and David Champtaloup. The 2013 cruise saw 14 yachts officially registered with several others shadowing the event and sharing some memorable meals, explorations and rendezvous anchorages. Notable yachts included: Sextant, Taratibu, and famed Sydney to Hobart Yacht Race veterans Fare thee Well, Fidelis, Kintail and Malohi.

Those completing the event acknowledged how valuable the CYCA Information Nights, Roger Badham's weather forecasts and the communication schedules were to their cruising and successful planning of their passages. We also acknowledge the terrific assistance of Marius Coomans and his skipr.net site for our own 2013 Rendezvous to Hobart Cruise page – which allowed those land bound to follow the boats cruising. Skippers and crew celebrated their arrival in Hobart with the now traditional dinner at the Shipwrights Arms Hotel.

CYCA MMM Course

At the time of writing we are just concluding another CYCA MMM course with 14 participants. As members are aware the CYCA Medical Management for Mariners course has been specially formatted to teach men and women how to cope with a medical emergency at sea. In order to assist those wishing to attend we have altered the time frame to four nights and one full day. I wish to thank both Tony Kirby and Brad Kellett for their assistance and organising the use of yachts for the CYCA MMM practical evening at the Club.

Thank you

I also wish to thank all who have assisted CYCA Cruising: Andrew Hawkins and Dr Virginia Handel for their ongoing support, and especially Committee members David Champtaloup, Denis Doyle, Patrick Easton, Ted Nobbs and Alan Green, who, with the support of Chief Executive Officer Mark Woolf, Christina Del Conte, Nina McKinnon, Marina Gibson, Jennifer Crooks and the Club staff, make it all happen.

ASSOCIATES COMMITTEE REPORT

Pam Messenger, President

It is with great pleasure to have been voted in as President again at the Associates Committee AGM held in July 2012.

The Committee provides a significant contribution to the Club each year, and this year we will be celebrating our 50th anniversary in September. In 1963 the Women's Auxiliary was established by the wives of Board members who wanted to contribute to the Club with fund raising and social events for members and guests. This tradition continues on, and this year our fund raising and volunteering activities included a number of key events. These include;

Fundraising

Throughout the year, the Associates worked tirelessly to raise funds for charity, including CYCA SOLAS Trusts. As a result of our efforts, hosting social events and conducting raffles, we raised over \$15,000 for charities this year.

Club house party

A Club House Party was held in May with the band Slide McBride again providing the entertainment. One hundred guests attended the party, with proceeds from the ticket price once again going to CYCA SOLAS. We raised an additional \$2,000 to donate. Our next Club House Party will be held on Saturday 29 June 2013 – be sure to put it in your calendar.

CYCA SOLAS Trusts fundraising dinner

The Annual CYCA SOLAS Fundraising dinner was held on Thursday 18 October. It was a popular event with 120 members and guests in attendance.

Australian Olympic Coach Victor Kovalenko was guest speaker, a most popular choice after such a successful 2012 summer sailing season for the Australian Olympians in London. He proved to be a most entertaining speaker, sharing his experiences working with the Olympic team over the years.

Commodore Howard Piggott, various Board Members and Past Commodores attended the evening, along with many well known sailing dignitaries. Thanks to CYCA Life Member David Kellett AM who volunteered to be the emcee once again for the evening.

A special thank you to those organisations that donated items for the silent auction:

- Appliances Online – Nespresso machine
- Camilla Franks – a stunning kaftan
- CYCA – Rolex Sydney Hobart Yacht Race Start Vessel tickets
- Evanslea By The River, Mudgee – 2 nights at the five star B&B
- Harken Australia – Spinlock vest
- Naomi Hamilton Photography – a family photo session
- Southern Excellence – 1 day yacht charter

We raised \$10,000 on the night, exceeding all our prior silent auction results. This money goes to CYCA SOLAS for donations to various rescue organisations throughout Australia.

My thanks go to Associates Committee members Kendi Kellett and Nikki Strong-Harris, who once again put together a most successful event. The dinner will now be an annual feature on the CYCA calendar, and we look forward to seeing you at the next one on Friday 25 October 2013.

Christmas hamper

The Annual Christmas Hamper for 2012 raised funds for The Starlight Foundation, a popular charity for children. The Associates Committee select a different charity each year to benefit from the proceeds of the raffle, and this year \$3,000 was raised. Generous donations to provision the hamper were received from Bush's Meats, Dick Smith Foods, Sir James Hardy Sparkling Wine, and Black Wolf Bags. Thanks also go to all members for again digging into their pockets to buy the raffle tickets, it is very much appreciated.

Quiet little drink

The Associates Committee this year introduced a new trophy for women who have sailed 20 Sydney Hobart Yacht Races. Whilst there are many men who have sailed 20 or more Hobart races, this has not been achieved by many women. The Club donated a very elegant silver trophy for this purpose, and it was decided to name it the Adrienne Cahalan Trophy to honour this extraordinary feat.

Adrienne is well known as the fastest woman to sail around the world. She is now also known as the first woman to contest 20 Sydney Hobart Yacht Races. Adrienne has been a pioneer and groundbreaker for women in sailing for more than three decades. She has sailed skiffs, record breaking trimarans, skippered an all female round the world racer. She is also the

first female Australian navigator to have been on a line honours winner and the first female navigator to have won on line and handicap – and claimed a race record – on Wild Oats XI in 2005. The Adrienne Cahalan trophy certainly has a lot of experience behind it. It is an honour for the CYCA Associates Committee to present this trophy to Adrienne, and we look forward to many more names being added in the future.

Mary Holley was presented with the Jane Tate Trophy at the QLD for her 15th Sydney Hobart Yacht Race. She has sailed on Aurora with her husband Jim for 14 of those 15 races, and travelled especially from Lake Macquarie to receive her award. Mary was also the recipient of the Sheila Patrick Trophy for completing 10 Hobart races, also aboard Aurora with Jim.

Children's Christmas party

This event is held on the first Sunday of December each year. Thirty-five youngsters enjoyed the traditional Christmas Party with Santa, clowns, face painting and individually selected presents. The party is a popular event on the Club calendar, drawing in children and grandchildren of members over the years. It is always well attended, and great fun for all. Thanks to convenors Bles Sicat and Melissa Walker for organising this year's activities.

Other Associates Committee contributions to the Club

During the busy month of December the Associates help out by organising the Christmas decorations around the Club, and assisting with the sale of Sydney Hobart Yacht Race merchandise. Many thanks to Kendi Kellett for organising the volunteer roster and to those who volunteered their time to help.

Finally, on behalf of the Associates Committee I would like to thank Commodore Howard Piggott, Chief Executive Officer Mark Woolf, the Directors and the many CYCA staff for their assistance throughout the past year. We look forward to another successful year ahead.

Thanks also to the 14 members of the Associates Committee – Vice President Rhonda Carr, Treasurer Cathie Mulherin, Secretary Amanda Lulham, Kaye Brooks, Jennifer Dahl, Pamela Emerson, Kendi Kellett, Pam Neate, Susan Piggott, Elizabeth Robinson, Bles Sicat, Nikki Strong-Harris, Wendy Tuck and Melissa Walker.

“The Associates Committee will be celebrating our 50th anniversary in September.”

DIRECTORS' REPORT

The directors present their report together with the financial report of the Cruising Yacht Club of Australia ('the company') for the year ended 31 March 2013 and the auditor's report thereon.

Directors

The directors of the company at any time during or since the end of the financial year are:

Name and Qualifications	Age	Experience and Special Responsibilities
Mr Howard Piggott LLB Non-executive Director Commodore Owner – Flying Cloud	66	Director since July 2007 Solicitor, Retired Chairman, Rolex Sydney Hobart Yacht Race Planning Committee Director of CYCA SOLAS Limited the trustee of CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts
Mr John Cameron B.Building Non-executive Director Vice Commodore Owner – More Witchcraft	65	Director since July 2006 Builder Chairman, Sailing Committee Chairman, Marina and Site Committee Chairman, Rules Review Committee Member, Redevelopment Committee Member, Rolex Sydney Hobart Yacht Race Planning Committee
Mr Arthur Lane B.Sc(Q.S), M.A.(T.P) Non-executive Director Rear Commodore Owner – Inkonkoni	65	Director since July 2010 Investment Banker Chairman, Redevelopment Committee Member, Marina and Site Committee Member, Audit, Planning and Risk Committee
Mr John Markos B.Comm, LLB Non-executive Director Rear Commodore Owner – Eye Appeal	58	Director since July 2008 Managing Partner, Hicksons Lawyers Chairman, Audit, Planning & Risk Committee Chairman, Member Services Committee Member, Training & Development Committee Member, Rules Review Committee
Mr Paul Billingham ICAA, ICAEW, IPAA Official Liquidator Non-executive Director Treasurer Owner – Elusive	44	Director since July 2006 Managing Partner – Financial Advisory, Grant Thornton Australia Limited Member, Audit, Planning & Risk Committee Member, Redevelopment Committee

Name and Qualifications	Age	Experience and Special Responsibilities
Mr Geoffrey Bonus B.Sc (Arch), B.Arch (Hons), ARAIA Non-executive Director Owner – Calibre	59	Director since July 2008 Director, Geoff Bonus & Associates Pty Ltd Member, Redevelopment Committee
Mr. David Champtaloup Non-executive Director Owner – Caprice of Huon	63	Director since July 2009 Director Wonderland Media Pty Ltd Chairman, Cruising Committee Chairman, Archives Committee Member, Member Services Committee
Mr Paul Clitheroe AM B.A CFP SFIN Non-executive Director Owner – Balance	57	Director since July 2012 Director, IPAC Securities, Tynan Mackenzie, Philanthropy Australia, Australian String Quartet Member, Audit, Planning and Risk Committee

DIRECTORS' REPORT

Directors' Meetings

The number of directors' meetings (including meetings of committees of directors) and number of meetings attended by each of the directors of the company during the financial year are:

DIRECTOR	BOARD MEETINGS		OTHER MEETINGS	
	Number of Meetings Attended	Number of Meetings Held*	Number of Meetings Attended	Number of Meetings Held*
H. Piggott	11	12	5	6
J. Cameron	12	12	31	31
A. Lane	12	12	15	15
J. Markos	11	12	13	16
P. Billingham	10	12	6	10
G. Bonus	10	12	12	15
D. Champtaloup	9	12	6	7
P. Clitheroe	5	9	1	2
A. Dunn	10	12	10	14
N. Kingsmill	10	12	9	10
A. Wenham	8	9	9	9
M. Cranitch	3	3	1	1
G. Linacre	2	3	0	0

*Number of meetings held during the time the director held office during the year.

Principal Activities

The principal activities of the company during the course of the financial year were to promote participation in yachting including the sport of sailing and to provide ocean racing facilities, training and other yachting facilities and competitions for its members.

There were no significant changes in the nature of the activities of the company during the year.

Membership

The Club is a Company limited by guarantee and without share capital. The number of members as at 31 March 2013 and the comparison with last year is as follows:

	2013	2012
Number of members	2,646	2,680

Review and Results of Operations

The result from ordinary activities before tax for the year amounted to a net profit of \$768,315 compared with \$789,492 for the prior year. This resulted after charging \$827,199 (2012: \$785,980) for depreciation and amortisation.

Dividends

The company is a non-profit organisation and is prevented by its constitution from paying dividends.

State of Affairs

In the opinion of the directors, there were no significant changes in the state of affairs of the company that occurred during the financial year under review.

Environmental Regulation

The company's operations are subject to various environmental regulations under both Commonwealth and State legislation.

The Board believes that the company has adequate systems in place for the management of its environmental requirements and is not aware of any breach of those environmental requirements as they apply to the company.

Likely Developments

The directors do not anticipate any further development in the operations of the Club which will affect the results in subsequent years.

Events Subsequent to Reporting Date

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material or unusual nature likely, in the opinion of the directors of the company, to affect significantly the operations of the company, the results of those operations, or the state of affairs of the company, in future financial years.

Indemnification and insurance of Officers

The company has provided for and paid premiums to the value of \$4,247 during the year for Management Liability Insurance. The insurance is in respect of legal liability for damages and legal costs within an annual limit of \$10,000,000 (subject to a sub limit of in any one insurance period) arising from claims made by reason of any omissions or acts (other than dishonesty) by them, whilst acting in their individual or collective capacity as directors or officers of the company, towards which the directors of the company contribute.

The insurance premiums relate to:

- costs and expenses incurred by the relevant officers in defending proceedings, whether civil or criminal and whatever their outcome; and
- other liabilities that may arise from their position, with the exception of conduct involving a wilful breach of duty or improper use of information or position to gain a personal advantage.

Auditor's Independence Declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is on page 26 of this annual report.

Signed in accordance with a resolution of the directors:

The Board of Directors
Cruising Yacht Club of Australia
1 New Beach Road
Darling Point NSW 2027

21 May 2013

Dear Board Members

Cruising Yacht Club of Australia

In accordance with section 307C of the Corporations Act 2001, I am pleased to provide the following declaration of independence to the directors of Cruising Yacht Club of Australia.

As lead audit partner for the audit of the financial statement of Cruising Yacht Club of Australia for the financial year ended 31 March 2013, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the Corporations Act 2001 in relation to the audit; and
- (ii) any applicable code of professional conduct in relation to the audit.

Yours faithfully

Independent Auditor's Report to the Members of Cruising Yacht Club of Australia

We have audited the accompanying financial report of Cruising Yacht Club of Australia, which comprises the statement of financial position as at 31 March 2013, the statement of comprehensive income, the statement of cash flows and the statement of changes in equity for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration as set out on page 28 to 45.

Directors' Responsibility for the Financial Report

The directors for the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosure in the financial report. The procedures elected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control, relevant to the entity's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's Independence Declaration

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Cruising Yacht Club of Australia, would be in the same terms if given to the directors as at the time of this auditor's report.

Opinion

In our opinion, the financial report of Cruising yacht Club of Australia is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the company's financial position as at 31 March 2013 and its performance for the year ended on that date;
- (b) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

DIRECTORS' DECLARATION

The directors declare that:

- (a) in the directors' opinion, there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable; and
- (b) in the directors' opinion, the attached financial statements and notes thereto are in accordance with the Corporations Act 2001, including compliance with accounting standards and giving a true and fair view of the financial position and performance of the company.

Signed in accordance with a resolution of the directors made pursuant to s.295 (5) of the Corporations Act 2001.

On behalf of the Directors

H Piggott
Commodore
Sydney, 21 May 2013

P A Billingham

Notes to the Financial Statements

for the financial year ended 31 March 2013

1. General information

Cruising Yacht Club of Australia ("the Company") is a company limited by guarantee and operating in Australia.

In accordance with the Constitution of the Cruising Yacht Club of Australia, every member of the company undertakes to contribute to the assets of the company in the event of it being wound up, whilst he or she is a member or within one year after he or she ceases to be a member and of the costs, charges and expenses of winding up such as may be required, not exceeding \$2 per member.

The company has 2,646 members at year end.

Cruising Yacht Club of Australia's registered office and its principal place of business are as follows:

1 New Beach Road, Darling Point NSW 2027

2. Adoption of new and revised Accounting Standards

In the current year, the company has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (the AASB) that are relevant to its operations and effective for the current annual reporting period. The adoption of these new and revised Standards and Interpretations has resulted in no changes to the company's accounting policies.

At the date of authorisation of the financial statements, the Standards and Interpretations listed below were in issue but not yet effective. The potential impact of the new revised Standards and Interpretations has not yet been determined.

Standard/Interpretation	Effective for annual reporting periods beginning on or after	Expected to be initially applied in the financial year ending
AASB 9 'Financial Instruments', and the relevant amending standards	1 January 2015	31 March 2017
AASB 13 'Fair Value Measurement' and AASB 2011-8 'Amendments to Australian Accounting Standards arising from AASB 13'	1 January 2013	31 March 2015
AASB 119 'Employee Benefits'(2011) and AASB 2011-10 'Amendments to Australian Accounting Standards arising from AASB 119 (2011)'	1 January 2013	31 March 2015
AASB 2011-4 'Amendments to Australian Accounting Standards to Remove Individual Key Management Personnel Disclosure Requirements'	1 July 2013	31 March 2015
AASB 2012-2 'Amendments to Australian Accounting Standards – Disclosures – Offsetting Financial Assets and Financial Liabilities'	1 January 2013	31 March 2015
AASB 2012-3 'Amendments to Australian Accounting Standards – Disclosures – Offsetting Financial Assets and Financial Liabilities'	1 January 2014	31 March 2016
AASB 2012-5 'Amendments to Australian Accounting Standards arising from Annual Improvements 2009-2011 Cycle'	1 January 2013	31 March 2015
AASB 2012-10 'Amendments to Australian Accounting Standards – Transition Guidance and Other Amendments'	1 January 2013	31 March 2015

Notes to the Financial Statements *for the financial year ended 31 March 2013 (continued)*

3. Significant Accounting Policies

Statement of Compliance

The financial report is a general purpose financial report which has been prepared in accordance with the Corporations Act 2001, Accounting Standards and Interpretations, and complies with other requirements of the law including the Registered Clubs Act.

Accounting Standards include Australian equivalents to International Financial Reporting Standards ('A-IFRS'). A statement of compliance with IFRS cannot be made due to the application of not for profit sector specific requirements contained in the A-IFRS.

The financial statements were authorised for issue by the directors on the 21 May 2013.

Basis of preparation

The financial report has been prepared on the basis of historical cost, except for the revaluation of certain non-current assets and financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

In the application of the company's accounting policies, which are described within this note, management is required to make judgments, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods.

Judgments made by management that have significant effects on the financial statements and estimates with a significant risk of material adjustments in the next year are disclosed, where applicable, in the relevant notes to the financial statements.

Accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events is reported.

The following significant accounting policies have been adopted in the preparation and presentation of the financial report:

(a) Borrowing costs

Borrowing costs directly attributable to the acquisition and construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the costs of those assets, until such time as the assets are substantially ready for their intended use.

(b) Cash and cash equivalents

Cash comprises cash on hand and demand deposits. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and have a maturity of three months or less at the date of acquisition.

Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

(c) Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities recognised in respect of employee benefits expected to be settled within 12 months, are measured at their nominal values using the remuneration rate expected to apply at the time of settlement.

Liabilities recognised in respect of employee benefits which are not expected to be settled within 12 months are measured as the present value of the estimated future cash outflows to be made by the company in respect of services provided by employees up to reporting date.

Long term service benefits

The Company's net obligation in respect of long-term service benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates, and is discounted using rates for Commonwealth Government bonds at the balance date which have maturity dates approximating to the terms of the Company's obligations.

(d) Financial assets

Loans and receivables

Trade receivables, loans, and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method less impairment.

Notes to the Financial Statements *for the financial year ended 31 March 2013 (continued)*

Interest is recognised by applying the effective interest rate.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial asset and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees on points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial asset, or, where appropriate, a shorter period.

Income is recognised on an effective interest rate basis for debt instruments other than those financial assets 'at fair value through profit or loss'.

Impairment of financial assets

Financial assets, other than those at fair value through profit or loss, are assessed for indicators of impairment at each balance sheet date. Financial assets are impaired where there is objective evidence that as a result of one or more events that occurred after the initial recognition of the financial asset the estimated future cash flows of the investment have been impacted. For financial assets carried at amortised cost, the amount of the impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables where the carrying amount is reduced through the use of an allowance account. When a trade receivable is uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

(e) Financial instruments issued by the company

Debt and equity instruments

Debt and equity instruments are classified as either liabilities or as equity in accordance with the substance of the contractual arrangement.

Financial liabilities

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities.

Other financial liabilities

Other financial liabilities, including borrowings, are initially measured at fair value, net of transaction costs.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period.

(f) Impairment of other tangible and intangible assets

At each reporting date, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but only to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been

Notes to the Financial Statements *for the financial year ended 31 March 2013 (continued)*

recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the reversal of the impairment loss is treated as a revaluation increase.

(g) Income tax

No provision has been made for income tax as the Company is exempt under Section 50-45 of the Income Tax Assessment Act (1997), provided it continues as a sporting club predominately encouraging and promoting the sport of yachting, boating, cruising for pleasure and the building and sailing of yachts and boats. Accordingly, tax affect accounting has not been adopted by the Company.

(h) Inventories

Inventories are valued at the lower of cost and net realisable value. Net realisable value represents the estimated selling price less all estimated costs of completion and costs necessary to make the sale.

(i) Leases

Leases are classified as finance leases when the terms of the lease transfer substantially all the risks and rewards incidental to ownership of the leased asset to the lessee. All other leases are classified as operating leases.

Finance leases

Assets held under finance leases are initially recognised at their fair value or, if lower, at amounts equal to the present value of the minimum lease payments, each determined at the inception of the lease. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the company's general policy on borrowing costs. Refer to note 3(a). Contingent rentals are recognised as expenses in the periods in which they are incurred.

Finance leased assets are amortised on a straight line basis over the estimated useful life of the asset.

Operating leases

Operating lease payments are recognised as an expense on a straight-line basis over the lease term, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

Lease incentives

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefits of incentives are recognised as a reduction of rental expense on a straight-line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

(j) Property, plant and equipment

Plant and equipment, leasehold improvements and equipment under finance lease are stated at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the item. In the event that settlement of all or part of the purchase consideration is deferred, cost is determined by discounting the amounts payable in the future to their present value as at the date of acquisition.

Depreciation is provided on property, plant and equipment, including buildings on leasehold land. Depreciation is calculated on a straight line basis so as to write off the net cost or other revalued amount of each asset over its expected useful life to its estimated residual value. Leasehold improvements are depreciated over the period of the lease or estimated useful life, whichever is the shorter, using the straight line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each annual reporting period, with the effect of any changes recognised on a prospective basis.

The gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

The following estimated lives are used in the calculation of depreciation:

Leasehold improvements	5 – 33 years / term of the lease
Boats	2 – 8 years
Plant and equipment	2 – 8 years

(k) Provisions

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

Notes to the Financial Statements *for the financial year ended 31 March 2013 (continued)*

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Restoration costs

A provision for restoration costs is recognised when an obligation exists to restore certain sites for the effect of the company's operations.

The provision is the best estimate of the present value of the expenditure required to settle the restoration obligation at the reporting date. The amount is reviewed annually and changes recognised at the end of the reporting period.

(l) Revenue

Revenue is measured at the fair value of the consideration received or receivable.

Goods sold and services rendered

Revenue from the sale of goods comprises revenue earned from the provision of beverage and other goods and is recognised in the statement of comprehensive income when the significant risks and rewards of ownership have been transferred to the buyer. Revenue from services to members and other patrons of the Company is recognised in the statement of comprehensive income when the services are provided. No revenue is recognised if there are significant uncertainties regarding recovery of the consideration due; the costs incurred or to be incurred cannot be measured reliably; there is a risk of return of goods; or there is continuing management involvement with the goods.

Subscriptions

Subscription fees are taken into account on an accruals basis and the portion relating to the ensuing year is transferred to subscriptions in advance.

Yard and marina

Yard and marina revenue consists of casual and permanent berthing fees, hardstand fees, locker fees and tender fees provided to members and other patrons of the Club. Yard and marina revenue is recognised when the goods or services are provided.

Sailing revenue

Sailing revenue consists of ferry charter fees, race entry fees, sponsorship and other associated income. Sailing revenue is recognised when the goods or services are provided for all revenue except sponsorship which is recognised as it accrues.

Rental income

Rental income from property is recognised in the statement of comprehensive income on a straight-line basis over the term of the lease. Lease incentives granted are recognised as an integral part of the total rental income.

Interest revenue

Interest revenue is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount.

(m) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except:

- i). where the amount of GST incurred is not recoverable from the taxation authority, it is recognised as part of the cost of acquisition of an asset or as part of an item of expense; or
- ii). for receivables and payables which are recognised inclusive of GST.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the statement of cash flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(n) Judgements in Applying the Accounting Policies

Management judgement is applied in determining the following key assumptions used in the calculation of the long service leave provision at year end; future increases in wages and salaries; future on-cost rates; experience of employee departures and period of service. Management judgement is also used regarding the make good provision. To assist an external estimation has been obtained for the year ended 31 March 2013.

(o) Key Sources of Estimation Uncertainty

The estimated useful lives of property, plant and equipment are subject to estimation error.

Notes to the Financial Statements *for the financial year ended 31 March 2013 (continued)*

Note	2013 \$	2012 \$
4. Revenue		
Revenue from sale of goods	2,495,909	2,482,229
Revenue from rendering of services	5,016,175	5,133,465
	7,512,084	7,615,694

Balance at 31 March 2012	5,020,766	278,496	283,527	5,582,789
Balance at 31 March 2013	4,561,034	598,267	493,680	5,652,981

The following useful lives are used in the calculation of depreciation:

- Leasehold improvements 5 - 33 years
- Boats 2 - 8 years
- Plant and equipment 2 - 8 years

The company holds a number of leases on land and buildings and related leasehold improvements which are accounted for at amortised cost. A third party valuation was performed for the leasehold property as at 31 January 2011 with a market value of \$8,750,000.

Note	2013 \$	2012 \$
16. Financial Instruments		
(a) Capital Risk Management		
The capital structure of the company includes cash and cash equivalents and retained earnings.		
The company has limited borrowings in the form of hire purchase agreements.		
(b) Categories of Financial Instruments		
Financial assets		
Loans and receivables	177,799	165,989
Cash and cash equivalents	6,223,426	5,371,985
Financial liabilities		
Trade and other payables	1,088,176	1,096,760

The carrying amount reflected above represent the company's maximum exposure to credit risk for such loans and receivables.

(c) Financial Risk Management Objectives

The Directors manage the financial risks relating to the operations of the company. These risks include credit risk and liquidity risk. The company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes.

(d) Market Risk

The company's only exposure to market risk is the effect of changes in interest rates which would affect interest received. There has been no change to the company's exposure to market risks.

(e) Liquidity Risk

Ultimate responsibility for liquidity risk management rests with the board of directors. The company manages liquidity risk by maintaining adequate cash balances and monitoring forecasts and actual cash flows. The following table details the company's remaining contractual maturity for its non-derivative financial liabilities. The table has been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the company can be required to pay.

Financial Liabilities	Weighted average effective interest rate	Less than 1 month \$	1 to 3 months \$	3 months to 1 year \$	1 to 5 years \$	More than 5 years \$	Total \$
2013							
Non interest bearing Trade and other payables		945,671	-	-	142,505	-	1,088,176
		945,671	-	-	142,505	-	1,088,176
2012							
Non interest bearing Trade and other payables		966,714	-	-	130,046	-	1,096,760
		966,714	-	-	130,046	-	1,096,760

Notes to the Financial Statements *for the financial year ended 31 March 2013 (continued)*

16. Financial Instruments (continued)

The following table details the company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets except where the company anticipates that the cash flow will occur in a different period.

Financial Assets	Weighted average effective interest rate	Less than 1 month \$	1 to 3 months \$	3 months to 1 year \$	1 to 5 years \$	More than 5 years \$	Total \$
2013							
Variable interest rate Cash and cash equivalent	3.37%	566,748	-	5,656,678	-	-	6,223,426
Non-interest bearing Trade and other debtors		177,799	-	-	-	-	177,799
		744,547	-	5,656,678	-	-	6,401,225
2012							
Variable interest rate Cash and cash equivalent	5.14%	1,315,307	2,000,000	2,056,678	-	-	5,371,985
Non-interest bearing Trade and other debtors		165,989	-	-	-	-	165,989
		1,481,296	2,000,000	2,056,678	-	-	5,537,974

(f) Fair Value

The carrying amount of the financial assets and financial liabilities represents a reasonable approximation of fair value.

(g) Credit Risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. To the extent the company has a receivable from another party there is a credit risk in the event of non-performance by that counterparty. Financial instruments, which potentially subject the company to credit risk solely consist of trade and other receivables. The company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

The carrying amount of the financial assets recorded in the financial statements, net of any allowances for losses, represents the company's maximum exposure to credit risk, without taking account of the value of any collateral obtained. The company does not have any significant credit risk exposure to any single counterparty or any group of counterparties having similar characteristics.

Notes to the Financial Statements *for the financial year ended 31 March 2013 (continued)*

Note	2013 \$	2012 \$
17. Commitments		
Non cancellable operating lease expense commitments		
Future operating lease commitments not provided for in the financial statements and payable:		
Within one year	450,232	445,612
One year or later and no longer than five years	2,251,160	2,228,060
Later than five years	299,768	937,500
	3,001,160	3,611,172
The company leases property and water space for the Clubhouse and marina under operating leases expiring in 5 years and 8 years 9 months respectively (assuming exercise of options). Lease payments are adjusted periodically to market rates.		
18. Notes to the Statement of Cash Flows		
Reconciliation of net cash flows to operating activities:		
Profit for the year	768,315	789,492
Depreciation and amortisation expense	827,199	785,980
Gain on sale of property, plant and equipment	-	(3,095)
Interest income	(281,204)	(301,030)
Changes in net assets and liabilities:		
(Increase)/decrease in assets:		
Trade and other receivables	(11,810)	(17,012)
Inventories	(10,945)	6,761
Other assets	1,252	125,977
(Decrease)/increase in liabilities:		
Trade payables	(21,043)	30,419
Provisions	184,420	386,964
Other liabilities	11,444	(100,135)
Net cash from operating activities	1,467,628	1,704,319

Notes to the Financial Statements *for the financial year ended 31 March 2013 (continued)*

19. Key Management Personnel

The following were key management personnel of the company at any time during the reporting period, and unless otherwise indicated were so for the entire period:

Non-executive Directors

H. Piggott	J. Cameron	P. Billingham	G. Bonus	D. Champtaloup
A. Dunn	N. Kingsmill	A. Lane	J. Markos	A. Wenham (from July 2012)
P. Clitheroe AM (from July 2012)		G. Linacre (to July 2012)	M. Cranitch (to July 2012)	

Executive

M Woolf

Transactions with key management personnel

No non-executive director has received any remuneration from the Company during the year.

The key management personnel compensation included in "Employee and employment expenses" are as follows:

	2013	2012
	\$	\$
Short term employee benefits	309,547	303,411

Apart from the details disclosed in this note, no director has entered into a material contract with the company or since the end of the previous financial year and there were no material contracts involving directors' interests existing at year-end.

From time to time, directors of the company, or their director-related entities, may purchase goods and services from the company. These purchases are on the same terms and conditions as those entered into by other company employees or customers and are trivial or domestic in nature.

20. Related Parties

(a) Transactions with key management personnel

Transactions with key management personnel are disclosed in Note 19 to the financial statements.

(b) Transactions with other related parties

Other related parties include:

- CYCA SOLAS Limited
- CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts

The Company is the sole member of CYCA SOLAS Limited; a Company limited by guarantee which is the trustee of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts. The administration of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts is under the control of the separate board of CYCA SOLAS Limited. The trustee company has a right to be indemnified out of the assets of the trust to satisfy liabilities properly incurred by the trustee. As at 31 March 2013 the outstanding liabilities committed by the trustee on behalf of the trust totalled \$nil (2012: \$nil). The assets of the trust are sufficient to meet this commitment. In the event that CYCA SOLAS Limited is wound up and unable to repay all outstanding debts, the liability of its members is limited to an amount of \$10.

Payments to related parties

- Donations paid to the CYCA Trust during the year were \$50,000 (2012: \$20,000).
- Expenses paid on behalf of the CYCA SOLAS Limited were \$6,610 (2012: \$736).

Notes to the Financial Statements *for the financial year ended 31 March 2013 (continued)***21. Contingent Liabilities****Bank guarantees**

The company has given away the following bank guarantees:

	2013 \$	2012 \$
NSW Maritime	32,093	32,093
Woollahra Municipal Council	856,678	856,678

22. Auditor's Remuneration**Audit services**

Auditor and review of the financial report	40,900	40,900
--	--------	--------

Other services

Taxation services	1,100	1,100
	42,000	42,000

The auditor of Cruising Yacht Club of Australia is Deloitte Touche Tohmatsu.

23. Segment Information

The Club's principal place of business and registered office is situated at 1 New Beach Road, Darling Point. The Club operates from these premises to promote participation in yachting including the sport of sailing and to provide ocean racing facilities, training and other yachting facilities and competition for its members.

Information reported to the chief operating decision maker for the purposes of resource allocation and assessment of segment performance focuses on types of goods or services delivered or provided. The chief decision maker of the entity reviews the financial information split by segment for revenue but the expenses information is received by expense category. Therefore, only revenue per segment has been included below.

The following is an analysis of the revenue by reportable segment.

	2013 \$	2012 \$
Sales revenue	2,526,527	2,577,875
Subscription revenue	928,463	920,814
Marina revenue	2,409,417	2,277,419
Property rental	160,402	141,411
Sailing activities	1,647,676	1,839,581
Other	281,204	301,034
	7,953,689	8,058,134

Segment revenue reported above represents revenue generated from external customers. There were no inter-segment sales in the current year. (2012: nil).

Core and Non-Core Property

Pursuant to Section 41J(2) of the Registered Clubs Act for the financial year ended 31 March 2013. The core property of the company, as that term is described in Section 41J(2) of the Registered Clubs Act, comprises all the real property and associated marina owned or occupied by the company at 1 New Beach Road Darling Point NSW. The land area is owned by the Crown.
