BOARD OF DIRECTORS

Commodore:	H. Piggott
Vice Commodore:	J. Cameron
Rear-Commodore:	A. Lane, J. Markos
Treasurer:	P. Billingham
Directors:	G. Bonus, P. Clitheroe, N. Cornish, A. Dunn, N. Kingsmill, A. Wenham

MANAGEMENT

Chief Executive Officer:	M. Woolf
Assistant to Chief Executive Officer /HR Manager:	C. Del Conte
Accountant:	S. Bloomfield
Acting Sailing Manager:	S. Craig
Operations Manager:	M. Neumann
Senior Duty Manager:	M. Gibson
Communications Officer:	J. Crooks

SUB-COMMITTEES

Archives:

N. Kingsmill (Chairman), J. Allan, T. Cable, D. Champtaloup,
D. Colfelt, B. Kellett, R. McAuley, P. Shipway.

Associates:

P. Messenger (President), K. Brooks, R. Carr, P. Cox, J. Dahl,
P. Emerson, K. Kellett, A. Lulham, C. Mulherin, P. Neate,
S. Piggott, E. Robinson, W. Tuck, M. Walker.

Audit, Planning & Risk:

J. Markos (Chairman), P. Billingham, P. Clitheroe,

Commodore's Report

Commodore Howard Piggott

“As the 36th Commodore it gives me great pleasure to present my report for the 2013/14 year.”

This marks the end of my two year term as your Commodore which I have enjoyed. It has been both an honour and a privilege to represent you and I thank you all for your support.

It has been another successful year in the history of the Club. Highlights of which include; the completion of Stage 2 of our redevelopment – the hardstand; the launch of the new Elliott 7 fleet and 20th anniversary celebrations of the Youth Sailing Academy; securing full sponsorship for our racing program and Youth Sailing Academy; and the success of the 69th Rolex Sydney Hobart Yacht Race in terms of race entries, competition and world media coverage.

FINANCIAL POSITION

The Club is in a strong financial position. The Board and management have been diligent to ensure that growth continues. Our accounts are conservatively prepared and our budget for the current financial year is achievable. Please refer to our Treasurer Paul Billingham's report for more detailed information.

SPONSORS

Our Chief Executive Officer, Mark Woolf and I recently met with Rolex at their invitation to discuss renewal and extension of the sponsorship of the Rolex Sydney Hobart Yacht Race. I am delighted to report that we have reached broad agreement with the highlight being the negotiation of a ten year term up to the 2023 edition of our great race. Once details have been finalised by both parties we will be in a position to make a formal announcement. Rolex have been a generous naming rights sponsor of the Rolex Sydney Hobart Yacht Race since 2002 bringing international status and prestige to our iconic event.

We are delighted to have secured Land Rover Australia as our naming rights sponsor for the Land Rover Winter Series and the Land Rover Sydney Gold Coast Yacht Race. We thank them for their confidence and support of our Club and our sport.

We are also well supported by Club Marine as sponsor of our Wednesday night Twilight Series, Mount Gay for Monday Twilight Series and Grant Thornton for the Short Ocean Pointscore and Short Haul Pointscore.

We welcomed Moment Media to our list of generous sponsors who have taken up the naming rights sponsorship of the Youth Sailing Academy. Moment Media is a digital media company well positioned to a youthful and dynamic audience such as the CYCA YSA.

The Club also relies on other sponsors who support the Youth Sailing Academy and the Member's Badge Draw. The names of these sponsors are referred to in the Annual Report and I wish to record our appreciation to them.

OUR VOLUNTEERS

The Club's activities are enriched by our many volunteers. I wish to thank the Board of Directors, the various Board Sub-Committees, the Associates Committee, the Breakfast Club, the Race Committees, the on water race management team, Rolex Sydney Hobart Race Information Centre Team, Emergency Management Team, CYCA SOLAS Trustees, and the Cruising Committee. I encourage members to volunteer so that the Club can maintain a strong and vibrant volunteer base.

REDEVELOPMENT

Stage 2 of the CYCA redevelopment has been completed and the Club is in the process of finalising a new Maritime Lease with NSW Roads & Maritime Services for a term of 40 years thereby securing our tenure at Rushcutters Bay. Planning is well advanced for Stage 3 of the redevelopment which entails the construction of the new Youth Sailing Academy and amenities building on the northern boundary. The future redevelopment is being handled in stages and funded on cash reserves. Upon completion, the Club will have one of the finest facilities for the sport of sailing and the enjoyment of members in Australia.

THANK YOU

I would particularly like to thank, members of the Redevelopment Committee chaired by Rear Commodore Arthur Lane, for their efforts in delivering the masterplan to members.

ROLEX SYDNEY HOBART YACHT RACE

The 69th Rolex Sydney Hobart Yacht Race was an outstanding success attracting a strong competitive fleet of 94 yachts who met tough and challenging conditions on the way to Hobart. The fleet was well prepared and handled the conditions with high levels of seamanship demonstrated. The event attracted the imagination of the yachting world and the race website recorded its highest level of visitation since being introduced in 2002.

Congratulations to Darryl Hodgkinson and his team on Victoire who won the race overall and were the recipients of the Tattersall's Cup in 2013. Wild Oats XI recorded a historic seventh line honours win – equaling the record of Morna/Kurrewa IV.

The Club is indebted to all those who contributed to the success of this international sporting event and I especially thank our finishing partners since 1945, the Royal Yacht Club of Tasmania and its many volunteers.

CYCA SOLAS TRUSTS

Our charity the CYCA SOLAS Trusts, have since their inception in 1999, donated in excess of \$895,000 to search and rescue organisations Australia wide. The Directors hope to be in a position to record \$1 million worth of donations over the next 12 months.

The Trust's objectives are to assist immediate family needs of those lost at sea during Yachting Australia sanctioned races, provide assistance to search and rescue

organisations, and foster research and training to improve procedures and equipment for use at sea.

Most of the funding for the Trusts comes from CYCA members and you should be proud as your contribution not only assists the boating fraternity but the wider community.

STAFF

Our Chief Executive Officer Mark Woolf and his staff have provided excellent service again this year. Their commitment, attention to detail and enthusiasm has enabled the Board to focus on policy issues and future directions of the Club, confidently leaving the day to day operation issues in their competent hands.

I am sure all members would wish me to thank you Mark and your staff.

THE BOARD

The Club is indeed fortunate to have a strong Board with a balance of skill sets and experience which are vital for the successful running of the Club. I thank all Board members for their support and in particular the various Committee Chairmen which has made my work as Commodore a pleasure.

CONCLUSION

In conclusion I believe the Club is in a strong position to move forward with its redevelopment plans and its sailing program. I trust you will support the new Commodore and Board as they take the Club into its 70th year.

I encourage you to support our Club sponsors and to read the following reports which detail the past year's activities.

Good luck with your future sailing pursuits.

Treasurer's Report

Treasurer Paul Billingham

“I am pleased to report a healthy profit of \$580,493 for the year (2012/13: \$768,315).”

It is particularly pleasing that this solid result has been achieved in light of the inevitable disruption to normal Club trading caused by the hardstand redevelopment - and I thank members, sponsors and corporate supporters for their patience during this time.

In this, my final report after eight years as your Treasurer I am delighted to be able to demonstrate that the Club is on a stable financial footing and is well placed for the next stage of its redevelopment and growth.

FINANCIAL SUMMARY

I summarise below the key financial information as to the Club's performance and position over the last three years:

	2014 \$	2013 \$	2012 \$
Income Statement			
Profit for the year	580,493	768,315	789,492
Cashflow			
Net cash (decrease)/increase	(1,521,653)	851,442	1,035,856
Balance Sheet			
Current Assets	5,004,665	6,543,301	5,670,357
Non-Current Assets	8,797,495	5,652,981	5,582,789
Current Liabilities	1,274,706	1,343,285	1,294,322
Non-Current Liabilities	5,148,280	4,054,316	3,928,458
Members funds	7,379,174	6,798,681	6,030,366
Number of Members	2,578	2,646	2,680

PROFITABILITY

This year saw consistent levels of revenue generated from the Club's bar and trading operations compared to 2012/13.

Overall revenue was however down primarily due to reduced interest receipts arising from lower cash holdings throughout 2013/14, along with the financial impact of the Winter Series running without a sponsor for the year.

Marina berth fees increased by 5% on 1 October, however marina income was impacted by the loss of hardstand boat and locker rentals for some seven months as lockers were replaced, and boats temporarily relocated. With new lockers now in place and an expanded hardstand capacity these revenues are expected to more than recover in the coming year.

Overheads were similar to 2012/13 with the increased depreciation charge arising from a full year of depreciating the new D arm extension and a part year of depreciating the hardstand and new Elliot 7 fleet, offset by the profit on sale of the fully depreciated Elliot 6 fleet. This sale is of course a 'one off' and depreciation will increase next year putting downward pressure on the Club's reported profit.

The Board was able to vote a \$30,000 donation to the CYCA SOLAS Trusts for the year, and decided once again not to increase membership fees for 2014/15.

LIQUIDITY

The Club's working capital position, as I foreshadowed in my last report, has for the first time in many years declined as funds were expended on the hardstand development.

The Club last year budgeted \$3.5 million for the hardstand stage of the redevelopment and the project was largely complete as at the end of the Club's financial year. At that time \$2,959,462 had been expended on the hardstand and associated pontoons, and so it appears as if the project will come in materially under budget.

With an eye to the future the Board agreed during the year, to sell and leaseback the new Elliot 7 fleet, generating additional cash for the Club of \$485,000. These funds will now be available for the next stage of redevelopment and with interest rates at a historic low, it seemed sensible to take advantage of a simple financing opportunity to help facilitate future works.

CAPITAL EXPENDITURE

Capital expenditure this year totalled over \$3.3 million with the major item of expenditure in addition to the hardstand being the completion of the Elliot 7 fleet for \$171,492. Other expenditure related to the new lockers on the hardstand which cost \$90,941; replacing items of plant and equipment around the Club; and also on developing the impressive new website for the Land Rover Sydney Gold Coast Yacht Race.

Importantly the completion of the hardstand will now allow the Club to renew and extend its lease with Roads & Maritime Services over the Rushcutters Bay marina and this is expected to be finalised in coming months – thus securing the Club's long term occupancy of its home of 70 years.

The Club also acquired an Audi motor vehicle for the use of the Chief Executive Officer as part of his salary package, on favourable terms. A vehicle was previously provided by Audi under its sponsorship agreement, and with the welcome arrival of Land Rover as the new Winter Series sponsor a vehicle is once again included. The acquired vehicle will now therefore be sold at an expected small profit.

Over the coming year the major item of capital expenditure is expected to be the replacement of the Club's aging air-conditioning condensers and control systems which have lasted well beyond their expected useful life, at a cost of circa \$200,000.

OUTLOOK FOR 2014/15

After a hectic year of growth and redevelopment 2014/15 will be a year of financial consolidation.

A stable budget has been set and with most sponsorship opportunities secured on medium to long term bases the financial outlook for the Club is bright.

The Board has not budgeted for any further redevelopment work during the coming year, although an allowance of \$100,000 has been made for planning costs that may be incurred.

SUMMARY

The Club has achieved another excellent result in 2013/14 and remains financially sound. Further the Club's long term occupancy of Rushcutters Bay is now well on the way to being secured to the benefit of current and future members.

The year saw the single biggest investment in Club infrastructure since the Club house was rebuilt in the late 1990's, which thanks to strong financial discipline in years past was able to be comfortably funded from cash reserves.

The Club's ability to make these investments without increasing member subscriptions is down to the ongoing support of sponsors, members and the wider community who use our Club. We must not take this situation for granted however and do all we can to promote our Club and the benefits of membership – perhaps the only negative this year was the reduction in the number of Club members, reported above.

I would like to thank the new Club Accountant Sandra Bloomfield for her seamless transition into the role, taking over after a long apprenticeship under Nina McKinnon, who retired with our heartfelt thanks in January 2014.

I also want to recognise the work of Chief Executive Officer Mark Woolf who runs an incredibly effective team and surely sets the benchmark for efficient Club operations in Australia – I have no doubt that without Mark, we would not be in such a wonderful position.

Finally, as I mentioned at the outset, this will be my last year as your Treasurer and it has been an honour and privilege to serve the Club in this role. I aim to continue serving the Club in other roles in the future and will work closely with my successor as they proudly take the financial reigns of Australia's leading ocean racing yacht Club.

Redevelopment Committee Report

Rear Commodore Arthur Lane, Chairman

“The past 12 months has been the Year of the Hardstand.”

MASTERPLAN STAGE 2 COMPLETED AND OPERATIONAL

With the earlier completion of Stage 1, the extension of D Arm of the marina in 2012, the Committee turned its attention to delivering Stage 2 of the proposed master plan of the redevelopment of the Club which I am pleased to say was successfully completed and became operational in December 2013.

The demolition of the old concrete and timber hardstands commenced in May 2013 with construction of a new single level concrete hardstand of approximately 2,000m² taking seven months to complete.

The new hardstand will allow the Club to increase its dry boat storage capacity from 15 to 35 boats.

Stage 2 of the redevelopment included the installation of approximate 100m of floating pontoon which now provides enhanced launching and retrieval facilities for our hardstand users and a continuous connection with disabled access from the gangway to the marina.

The completion of the hardstand now allows the Club to execute our agreement to enter into a renewed lease with the land owner – NSW Roads & Maritime Services.

THE FOCUS ON STAGE 3 OF THE MASTERPLAN

Your Committee is now focusing on Stage 3 of the masterplan. A new building to be constructed at the

northern end of the property adjacent to d'Albora Marina which will accommodate amongst other functions, the Youth Sailing Academy, marina and operations department offices, as well as retail floor space to accommodate our resident shipwright, sailing school and other retail floor space on the street frontage.

THANK YOU

I wish to thank the Committee of Matt Allen, Paul Billingham, Geoff Bonus, John Cameron, Nick Kingsmill and Barry Munns for their valuable time, without their wide range of skills this project could not have been completed so readily.

In particular my gratitude to Barry Munns who on a pro-bono basis represented the Club as the site superintendent. His efforts were critical in bringing the project to completion on time and within budget.

Finally to our Chief Executive Officer Mark Woolf and his team who were so integral in the negotiations with the various contractors, and who formulated the plan to minimise the disruption while still operating a busy Club throughout the entire demolition and construction process.

Sailing Committee Report

Vice Commodore John Cameron, Chairman

“It is my pleasure to present the Sailing Committee Annual Report.”

ANOTHER SUCCESSFUL YEAR

Another successful year of the CYCA's extensive sailing program has been completed with fleets racing predominately in light to medium conditions. The Sailing program includes the Blue Water Point Score, Ocean Point Score, Grant Thornton Short Haul and Grant Thornton Short Ocean Point Score, summer twilight racing with the Mount Gay Monday Twilight Series (spinnaker) and non-spinnaker Club Marine Wednesday Twilight Series and the Land Rover Winter Series.

Included in the 2013-2014 Sailing Calendar was a Combined Ocean & Short Ocean Pointscore Series, as well as the addition of multiple divisions in the Grant Thornton Short Haul, Ocean Pointscore and Blue Water Pointscore series. The inclusion in 2013 of a Spring Series to cater for yachts not competing in northern regattas, resulted in the CYCA having a full-year of sailing activities.

THANK YOU

I would like to thank the members of the Sailing Committee for their commitment and valued input; Directors Noel Cornish, Anthony Dunn, Andrew Wenham, and members Roger Hickman, Denis Doyle, Les Goodridge, John Kirkjian, Tim Cox, Tony Kirby, and Brad Kellett. The experience and dedication brought to this Committee by these members makes this Committee a pleasure to Chair.

This Committee continues to examine and review the current program to provide more diverse and interesting races to the Summer Series with the re-introduction of the Montague Island Yacht Race into the Blue Water Pointscore Series, and a separation of the BWPS and Ocean Pointscore series. The Sailing Committee continues to review the annual sailing calendar regularly in a bid to foster continual improvement in the Club's racing program. The introduction of the new Special Regulations and Racing Rules of Sailing last year (the Blue Book) requires a detailed knowledge of the changes. Rules nights were introduced into the 2013 Winter Series to bring to all members up to date on the impact of the new regulations. Moving forward, the Club will continue to host rules clinics and seminars in the lead up to each new racing season to keep members abreast of the rules.

ONLINE CREW REGISTRY

The Sailing Office continues to review and improve an online crew register on the Club's new website with efficiency in a bid to assist boat owners find suitable crew members. If you are in need of crew, please make sure you contact the team in the Sailing Office as they are happy to assist you with finding crew.

Online race entry is still developing and updating every year. The Club works closely with the owners of Topyacht to suggest developments and changes to the software

to assist boat owners and boat representatives with streamlining the paperwork process of all of the Club's racing, but particularly the major blue water events that require a lot of documentation.

The handicapping and rating systems continue to be monitored and there is continued support for IRC as the predominant rating system. In the past year we have introduced ORCi handicapping to the Ocean Pointscore and may introduce into other pointscores in 2014-2015 as ORCi becomes the primary method of proving a boat's stability.

VOLUNTEERS

The Club is very fortunate to have volunteers who work tirelessly to provide us with a very high level of commitment. In 2014, the CYCA will host a State / National level Race Officer's course to continue to improve and educate our outstanding Race Officials and on-water management teams.

Thank you to Robyn Morton and Denis Thompson for acting as Principle Race Officers, Steve Kidson and Darryl McManus as Assistant Race Officer's and Offshore's skippers and the race management team consisting of; Maryrose Heffernan, Jane Stranger, AJ McManus, Denise Van Ewijk, Richard Bearman, Gail Lewis-Bearman, Jennifer Birdsall, Narelle Ryan and also our Crew Liaison officer; Rob Skol, and safety auditor, Andy Coyle.

Our thanks again to the generosity of John Winning and his family, who have allowed the Club the use of MV JBW as the radio relay vessel again for the Rolex Sydney Hobart Yacht Race and the Land Rover Sydney Gold Coast Yacht Race. We also wish to thank the skipper of the JBW, Andrew Copley and David Kellett AM and his team of radio operators who provide excellent communication and support to the competitors in both races.

We are grateful for the assistance and ongoing support of Marine Rescue NSW who allow us to utilise their base at the South Head Signal Station, where we conducted race skeds and 24 hour monitoring for our shorter Blue Water races.

Thank you to the team at Marine Rescue Port Jackson for your co-operation and support and I would also like to thank Denis Doyle, David Kellett and Brad Kellett who assisted in conducting the skeds. The maintenance and improvement to best practice of our HF Race Communications remains a priority of the Sailing Committee.

I WOULD LIKE TO THANK THE FOLLOWING PEOPLE;

- Our dedicated International Juror, John Kirkjian who assists with our jury and protest committees
- Tim Cox who provides strong and effective management of our various major Race Committees. Tim's experience, co-operation and advice are greatly valued.
- Geoff Askew, Jon Williams, Steve York and John Brooks, our Emergency Management Team Leaders for all our Category 1 & 2 races, and their team of volunteers who standby in the event they are mobilised during a race.

- Colin and Denise Wilson who this year came out of retirement to act as our Mobile Emergency Management Team stationed in Eden during the Rolex Sydney Hobart Yacht Race.

REMARKABLE ACHIEVEMENTS

This year's sailing season brought some remarkable achievements. Relative newcomer Chris Bran, with his Beneteau First 40 Brannew won the Overall IRC honours in the 2013 Sydney Gold Coast Yacht Race in July.

Darryl Hodgkinson acquired his Cookson 50 Victoire just prior to the 2013 Sydney Gold Coast Yacht Race, and had it tuned to perfection throughout the Blue Water Pointscore Series. Continued improvement resulted in Victoire taking out the Tattersalls Cup (overall winner) in the 69th Rolex Sydney Hobart Yacht Race.

Roger Hickman's Farr 43 Wild Rose was sailed consistently in the Blue Water Pointscore (IRC), Cape Byron Pointscore (ORCi) and Tasman Pointscore (PHS) to record a clean-sweep across all three pointscores.

The 2013 Rolex Sydney Hobart Yacht Race proved to be an exciting one with a strong international flavour as the Club welcomed the 12-strong Clipper Round-the-World Race fleet, along with five supermaxis as a part of the 94 competitors making their way south.

Special mention should also be made of Julian Farren-Price who took out the Ocean Pointscore for the fourth consecutive year in his Cookson 12 About Time.

CONGRATULATIONS TO ALL POINTSCORE WINNERS AND PLACE GETTERS OVER THE SUMMER SEASON.

Last year the Board supported the Sailing Committee's recommendation to again accept the invitation issued by the New York Yacht Club for the CYCA to enter a team in the New York Yacht Club Invitational Cup 2013, presented by Rolex.

The self-funded team competed at Rhode Island, New York, finishing 10th out of 20 teams. A solid effort from our CYCA competitors.

Thank you to the CYCA's Acting Sailing Manager, Stephen Craig, who has done a commendable job whilst Sailing Manager Justine Kirkjian has been on maternity leave and the sailing office team for their service and support again this year. Thank you also to the CYCA Media team for their excellent race reports.

THANK YOU TO OUR SPONSORS

Finally thank you to our sponsors; Rolex SA, Land Rover Australia, Grant Thornton, Mount Gay Rum and Club Marine for their outstanding contribution and assistance which allows us to conduct one of Australia's finest yachting programs.

Training & Development Committee Report

Director Chairman, Anthony Dunn

“It is with great pleasure as Chairman of the Training & Development Committee to present the annual report to the members for 2013/14.”

Following on from the CYCA Youth Sailing Academy milestone 20th year, as well as the delivery of our new fleet of ten Elliott 7 training vessels, the Committee has been committed to focussing, developing and achieving our core objectives.

The Committee created a comprehensive strategic working document three years ago. From this we identified areas to focus upon, and also grow and strengthen our successful foundations. Specifically increasing and providing new membership, integrating technology and infrastructure.

The YSA implemented, with Board approval, a reduced membership fee for the YSA Junior and YSA Crew category of membership, as such creating a more efficient pathway to deliver full CYCA membership. Identifying and affiliating with other local junior Clubs for cross training and development in a broader reach, and classes for our sailing youth.

SOCIAL MEDIA AND YOUTH

Social media and youth in today's world are inseparable. Through the Committee and management we have created active content within existing social media platforms to expedite current racing activity communications, as well as integrate and connect with our past, present and future

members. We are further exploring live tracking of the vessels during regattas and events with the aim of reaching all interested individuals at any location.

With the process of the CYCA redevelopment the Training & Development Committee are playing a crucial part in the delivery of this facility. Cross Committee discussions and full considerations to create the infrastructure and youth sailing training facility of the future. An emphasis and investment into our future youth members will guarantee the longevity and success of the CYCA YSA and the CYCA.

BRAND NEW ELLIOTT TRAINING VESSELS

Finally, a review and productivity focus of our brand new Elliott training vessels. The purpose designed vessel is now the vessel of consideration with other significant metropolitan and interstate Clubs. YSA and invitational students have only just started to enjoy and appreciate the full development and characteristics the new vessels offer. Completing the purpose of the vessels is also allowing CYCA member patronage. Along with a very successful recent Top Jocks regatta, the vessels are on offer for twilight regatta use for members.

As these core objectives transpire we will continue to provide greater youth performance, higher membership levels, successful transitioning to our CYCA racing yachts and longevity to our Club.

CYCA YSA EVENTS AND REGATTAS

Over the last 12 months, the CYCA YSA has hosted and represented the Club in the following events and regattas.

CYCA REGATTA HOST EVENTS

- Australian Open and Women's Match Racing Regatta
- Australian Youth Match Racing Regatta
- Navionics Match Racing Regatta
- Club Marine NSW Youth Match Racing Regatta
- Captain John Piper Match Racing Regatta
- Kellett Shield Regatta
- ASCC Regatta
- Marinasses Women's Match Racing Regatta
- Musto International Youth Match Racing Regatta
- Mount Gay Rum Top Jocks Regatta

NATIONAL AND INTERNATIONAL CYCA REPRESENTATION

- Warren Jones Regatta, hosted at RFBYC, Perth.
- Hardy Cup, hosted at RSYS, Sydney.
- Centreport Youth Match Racing Regatta, hosted at RPNYC, Wellington.
- Governor's Cup, hosted Balboa Yacht Club, California.

- Harken International Youth Match Racing Championships, hosted by RPAYC.

- Nespresso Youth Match Racing regatta, hosted at RNZYS, Auckland.

ASSOCIATION AND SUPPORT

This year we are proud to have association and support from many organisations. With special thanks to Club Marine, d'Albora Marina, Elliott Marine, GME, Musto Australasia, Quick Plumbing, Walker Corporation, Ricoh Australia, Southern Engineering Services and Village Roadshow, on behalf of the CYCA YSA thank you.

Along with vessel sponsors, equipment and service suppliers are very important. With their assistance we are able to manage maintenance and repairs of the YSA fleet. On behalf of the Training & Development Committee I wish to sincerely thank supply supporters Harken Australia, Hood Sailmakers, Noakes Boat & Shipyards, Freedman Foundation, Clitheroe Foundation and International Paints.

Further, through the great devotion of Tony Cable and the QLD, and association with Terry Wise Principal of Pacific Sailing School, YSA members have had assistance with SSSC, radio courses and equipment to participate in ocean racing. As such I extend my appreciation and thanks to both for their ongoing assistance.

I wish to thank all CYCA members that have assisted and supported in the success of the YSA with annual Australian Sports Foundation donations. Also, as an honourable gesture on behalf of members providing their vessels for visiting Club sailors for accommodation during regattas, this is much appreciated, thank you.

Audit Planning & Risk Committee Report

Rear Commodore John Markos, Chairman

“It has been a pleasure to work with this Committee.”

THE AUDIT PLANNING & RISK COMMITTEE CONSISTED OF THE FOLLOWING MEMBERS;

- Paul Billingham • Arthur Lane
- Nick Kingsmill • Paul Clitheroe.

The Committee is constantly called upon to check and approve a number of Notices and Rules published by the Club and other proposed actions, including contracts to be entered into by the Club, the review of budgets and annual accounts, the Insurances of the Club and the reports by the Club's Auditors. While face to face meetings are rare, the use of technology enables discussion quickly and effectively without delay.

Records confirm a large volume of work undertaken by the Committee members, for which I remain grateful for their effort and quick action, together with tremendous good grace when the volume at times has been considerable and under some tight time constraints.

Our new Auditors PricewaterhouseCoopers have conducted thorough investigations which have been discussed by the Committee when reviewing the accounts

for 2014. They made comments in praise of the effective systems in place, as well as the good order of the accounts and supporting documentation. Congratulations were given to Mark Woolf, and also Sandra Bloomfield who has made a seamless change in her taking the role as the Club's new Accountant.

It has been a pleasure to work with this Committee, the management team and the Board in the area of governance of the Club for this year.

ACKNOWLEDGMENT OF TREMENDOUS EFFORT

I would like to acknowledge the tremendous effort of Committee member Paul Billingham who has acted as the Club's Treasurer for the past eight years. Paul steps down from the role for which he has been held in high esteem. His personal stamp of authority and professional bearing carried many critical reviews of the budgets, accounts and financial plans for the Club and particularly the redevelopment activities. I thank Paul and I commend him to you as he holds himself available for election as a Flag Officer.

Marina & Site Committee Report

Director Andrew Wenham, Chairman

“I would like to thank the members of my Committee for their continued contribution throughout the year.”

In my first year as Chairman of this Committee I would like to thank the members of my Committee for their continued contribution throughout the year, and the interest they have shown in improving and maintaining the Club's assets.

It has been a pleasure working with the Committee that were able to conduct meetings where issues raised are handled quickly and efficiently.

The Committee also regularly reviews the marina and hardstand licences to ensure compliance with the respective licence and conditions. The marina and hardstand waiting list applications are also regularly reviewed to ensure regulations and Club policy are being adhered to, and managed appropriately.

BERTHING MATTERS

Permanent berthing is a significant benefit of being a member at the CYCA, and whilst the waiting list is still quite extensive, vacancies are replaced with eligible members from the waiting list as soon as practical.

The Committee is also looking at ways to shorten this extensive waiting list and as is tasked with the assessment of reviewing the current three year licence holders as they approach the end of their current licence agreement.

This ongoing assessment shall enable us to ensure that the currency and use of the vessels is as per the licence agreement, and that the continual monitoring shall ensure that current permanent berth holders actively participate in the Club's organised events. Although we appreciate the current waiting list is too long we can only allocate vessels a permanent berth licence when current berth holders relinquish, or do not comply with the marina berth licence agreement.

As in the past there has been a strong working relationship with the staff in turn promptly rectifying any maintenance issues as they arise. We also welcome onboard this year Michael Neumann who has taken on the role of Operations Manager replacing Brian McMahon who resigned during the year to pursue other activities.

THE NEW HARDSTAND

In addition to the repairs and maintenance of the Club assets, the Redevelopment Committee delivered the new hardstand which became operational and was handed over

to my Committee in December. The new hardstand not only doubles the boat storage capacity of the previous facility, it provides additional berthing in the pond.

The addition of 100 new lockers was also a highlight of the year and planning is now well underway for the addition of new dinghy storage facilities.

The benefits, activities and events organised by the Club are constantly evolving and growing and with this increase it is paramount that our facilities are maintained to the expected high standards so all members and their guests may have an environment of which we may all be proud.

These facilities therefore require careful and planned maintenance programs which have been adopted by our experienced staff and we wish to thank them for their continued hard work and diligence in attending to these duties.

However, it requires all members to assist in taking care of the Club's assets and in the event that you notice any damage or potential deficiencies in our maintenance schedule, that you report the matter to the Operations team for rectification.

Car parking within the Club premises is also being carefully monitored and measures are being taken to ensure only authorised members are able to utilise this facility. The car parking issue causes significant concern among our members and we are continually exploring ways to deal with the current issues and rectify them for the benefit of all eligible members.

THANK YOU TO ALL MEMBERS OF THE COMMITTEE.

The Committee consists of Vice Commodore John Cameron, Rear Commodore Arthur Lane, Alan Green, Andrew Copley and Karl Stechmann. They bring to the Committee a wide range of experience and expertise which is invaluable to the operation of the Club and ultimately to the benefit of the members. Thank you to all the members of the Committee I have enjoyed chairing the meetings which has been made all the better by your experience, ability and common sense approach which is all important in such a Committee as ours.

Member Services Committee Report

Rear Commodore John Markos, Chairman

“As we move to celebrate the Club’s 70th anniversary, the new year will present an opportunity for a renewed drive for new members.”

The constant consideration of succession and growth in numbers of members drives interest in trying to extend the amenities that might appeal to and attract new members.

As we move to celebrate the Club’s 70th anniversary, the new year will present an opportunity for a renewed drive for new members. The best source of new members is our existing members. Accordingly with a view to the future of the Club I invite you to seek and enlist more members.

NEW MEMBER PROGRAM

Members will notice that for the current year, a new member program has recently been launched in conjunction with Pacific Sailing School which is associated with a prize offered by Mariner Boating Holidays.

Some Club’s facilities will be renovated and there will be some new amenities and events included in the Club’s member offerings.

Membership of Yachting Australia and the consequent insurance program of cover for those involved in the sport of sailing are often overlooked in the appreciation of what benefits are included with membership of the Club. I encourage members to re-familiarise themselves with the benefits and amenities included in membership that can be found on the Club’s website. Stage 3 of the redevelopment (construction of new YSA and tenant accommodations), and the proposal to make improvements to the Clubhouse also gives us an opportunity to refresh existing amenities and consider new ones.

SCOPING FOR A WOMEN SPECIFIC SAILING PROGRAM

The Committee has worked on scoping a women specific sailing program, and hopefully this can get on to the water during the anniversary year. The new fleet of Elliott 7’s is the subject of a new offering and will be offered to members for a series hire and entry into our spring series, subject to a set of rules administered by the Sailing Office and YSA.

There will be some further deployment of the fleet depending on the uptake in that series. We can test the appetite for entry of the boats in other events after getting feedback. Stay tuned.

The live music on deck has proven very popular and continues after each of the Land Rover Winter Series races. The Breakfast Club continues to show the spirit of the

Club on Sundays. I am pleased the Club has progressed renovations to the ladies showers and the deck. We will also be able to provide members with free wireless internet access this year.

Some additional events are added to our usual social calendar for the 70th anniversary year. I thank Janey Treleaven and Jennifer Crooks for their efforts in convening the events and putting together a calendar for our 70th year events. I encourage members to support and save the dates when the bulletin is published soon.

THANK YOU TO ALL OUR VOLUNTEERS

The Club has a long tradition and is underpinned by participation of many people who volunteer their time, from Directors and Committee members, Breakfast Club members, the volunteers who attend to the functioning support for the race days and preparations for the Rolex Sydney Hobart Yacht Race, to those who support in training and marshalling the Youth Sailing Academy and associated events, and very importantly the Associates who are responsible for so much of the goodwill associated with the fundraising that stands alongside the Club’s own activities, and the events they convene. I have listed some of the results of donations from these groups below. I thank and congratulate all volunteers.

The proceeds generated by the Breakfast Club from the sale of their hearty fare on Sundays during winter is put to good use. Over the past year, the Breakfast Club has donated: \$1,000 to CYCA SOLAS Trusts; \$1,750 to install a new TV in the Sydney Hobart Bar, and \$2,400 to Pambula Hospital for a new resuscitation trolley. They also combine with Tony Cable and the QLD for the YSA.

The annual Quiet Little Drink is a great night at the Club that recognises milestones achieved by yachtsmen and women competing in the Rolex Sydney Hobart Yacht Race and recognises students from the Youth Sailing Academy who have undertaken their first race to Hobart. Monies raised on the evening are reinvested into the Youth Sailing Academy to further develop the skills of our up and coming sailors. The Breakfast Club generously provides the catering for the evening. It is a night full of fun, laughter and tall tales and is a great tradition of the CYCA. I encourage members to support his event as well.

The Associates Committee has also raised funds for CYCA SOLAS Trusts and other worthy charities – I refer you to

the President's report for further details. However I would like to recognise the generous donation of \$4,200 made to Mates4Mates charity from the proceeds of the Christmas Hamper raffle. The reach of these donations, as well as the coverage received on the CYCA SOLAS Trusts activities reflects very well on the Club.

RECOGNITION OF OUR SPONSORS

Of course in addition to the valuable input of the volunteers the Club enjoys tremendous support from a suite of valuable sponsors of which Rolex is our outstanding principal sponsor.

We welcome new sponsors added this year: Land Rover Australia who is the naming rights sponsor of the Land Rover Winter Series and the Land Rover Sydney Gold Coast Yacht Race and we welcomed Moment Media as the naming rights sponsor of the Youth Sailing Academy. Mount Gay Rum has also renewed its sponsorship of the Mount Gay Rum Monday Twilight Series for a further three seasons.

I would also like to thank the many local businesses, organisations and marine industry suppliers who sponsor the Member's Badge Draw. Without these sponsors, we would be unable to conduct the weekly Members Badge Draw.

PLEASE SUPPORT OUR BADGE DRAW SPONSORS WHEREVER POSSIBLE:

Gold Sponsors

- Beneteau Vicsail
- Carlton United Breweries
- David Bray Yachts
- Pacific Sailing School

- Premier Boat Trimming
- Steve Jarvin Motors
- Warne's Trophies

Silver Sponsors

- Active Casual
- Windcraft – importers of Hanse Yachts
- YOTI

Bronze Sponsors

- No Skidding
- Anchorage Marina, Port Stephens
- Performance Yacht Sales/Jeanneau Yachts
- Tempo Spars - Yacht Masts and Rigging
- Wickman's Fine Wine Auctions
- Rushcutters Wine Storage
- Magners Cider
- Jansz
- Delta Marine
- Robert Oatley Vineyards

I also acknowledge and thank the people who work with me on the Member Services Committee: Director Andrew Wenham, Shahrzad Pullar, Janey Treleavan, Daphne Winstone, Kevin Mendes, Pam Messenger, Rhonda Carr and Jennifer Crooks.

Thank you and I look forward to joining members in celebrating the Club's 70th anniversary.

Cruising Committee Report

Cruising Captain John Keelty

“I am pleased to report that once again in 2013/14 cruising has been active...”

I am pleased to report that once again in 2013/14 cruising has been active in providing members with a number of information and entertaining evenings as listed below;

HIGHLIGHTS

In July Karine Blanchard Project Manager and Event Co-ordinator of the Pearl Regatta in French Polynesia, a mecca for travelling yachts, took us on a journey which included such exotic places as Bora Bora, Huahine, Tahaa, Raiatea, Tahiti and the atolls of Tuamotus. Her presentation was supported by Morgan Rogers from isail Yachting, photographer Michael Rogers and Tahiti Tourism and proved to be a most informative and entertaining evening for all who attended.

In addition Denis Doyle gave a wrap up on the very successful 2013 CYCA Cruise to Hobart and a presentation on the plan for the 2015 event.

In August our topic was 'Naval Warfare and its effect on History'. Nick Cassim, a 50 year member of the CYCA examined the causes and effect that Naval warfare has had on history from the earliest times of antiquity through the centuries to the present day. Nick explained how warships developed from these earliest times to the modern fighters we see today. Nick also discussed some of the historic naval battles and the effect they had on the world.

The Marine Safety Day planned for November was cancelled at the last minute as the new hardstand area was not complete. The Cruising Committee is committed to this important event that shows the very latest in safety equipment, not just for those going to Hobart, but for all members. The 2014 Safety Day is scheduled for November 2.

On February 3 in excess of 80 members attended an evening on 'Sails' that covered the very latest information on both cruising and racing sails by John Hearne. His presentation covered all aspects of sails from sail cloths to code zeros, trysails, asymmetricals and included reefing systems, maintenance etc.

On April 1 Sue Vader, the author of 'To Sea in a Sailing Ship' gave a presentation featuring the story taken from diaries of Mary Lang which also included her wonderful photographs. At 20 years of age Mary a NSW girl, followed her heart and went to sea on the last of the square rigged sailing ships. It was an inspirational evening telling what life was like onboard a square rigged ship carrying 43,000 bags of wheat around Cape Horn, and then being caught in

a mini hurricane on the return voyage. It was described by all who attended as a truly memorable evening.

In May the topic was electronics. This evening attended by over 90 members, was delivered by masterclass presenter and electronics expert Rob Starkey. He was assisted by Patrick Boutonnet from Ynovex, and covered everything you ever wanted to know about electronics including hydro-generators, lithium batteries, wind turbines, solar panels and monitoring iPhones and tablets. It was so well received we are planning a follow-up evening in the near future.

It is our great pleasure to announce that the 2013/14 CYCA Cruising Trophy has been awarded to 'La Boheme' owned and skippered by CYCA members Gregory and Anna Haremza, who completed a five year, 40,000 nautical mile, world circumnavigation. During their voyage they joined the 2008/09 World ARC event in which they received an award for bravery for towing a dismasted yacht with an injured crew member 320nm to St Helena. They will be presented with the CYCA trophy at the 20+ year members dinner, and will give a presentation about their voyage to members and guests in June.

At the time of writing this report we are just concluding another CYCA Medical Management for Mariners course with 14 participants. As members are aware the CYCA MMM course has been specially formatted to teach men and women how to cope with a medical emergency at sea, and to care for victims for an extended period. The altered time frame of four nights and one full day is working well.

I wish to acknowledge the support by St Vincent's Hospital staff Dr Greg O'Sullivan, Alex Pile, Kathy Murphy, Dr Damien Boyd, Dr Anthony Chambers, Dr Steven Quain and CYCA member Dr Virginia Furner in conducting this course.

In closing I wish to thank all who have assisted CYCA Cruising over the past 12 months including Chairman Rear Commodore Arthur Lane and other Committee members; Lynne Smith, Ted Nobbs, David Mason, Frank Walker, David Champantaloup, Alan Green, Andrew Hawkins and especially Denis Doyle whose role in assisting and organising events has been invaluable.

I also wish to thank Mark Woolf, Christina Del Conte, Marina Gibson, Jennifer Crooks and all of the CYCA staff. Thanks also to Nina McKinnon who has assisted us for so many years, we wish her well in retirement.

Archives Committee Report

Director Nick Kingsmill, Chairman

“I would like to thank the members of the Archives Committee for the passion they all have...”

Firstly, I would like to thank the members of the Archives Committee for the passion they all have for the history of our great Club.

All Committee members are very conscious of the responsibility in preserving and documenting the Club's rich history.

THANK YOU

I would like to thank in particular Committee member Bradshaw Kellett who has spent a considerable amount of time at the Club's archives facility sorting and cataloguing the material that has been accumulated over many years.

In addition Committee member Tony Cable also needs recognition for his contribution and enthusiasm. Tony is regularly called upon to answer historical questions, and his in-depth knowledge of the Club and the sport is unparalleled.

As I write this report, and considering this year will be the 70th edition of the Rolex Sydney Hobart Yacht Race, it becomes more apparent how the Club and its members over the years have been at the forefront in developing and contributing significantly to the sport of ocean racing.

THE HISTORY OF OUR CLUB CAPTURED ON FILM

One of the notable highlights of the year has been the contribution of Committee members David Champtaloup and Peter Shipway in putting together a series of filmed interviews with senior members of the Club that highlight and document the rich history of our club and sport. The first three episodes in the series have been loaded onto CYCATV, the Club's YouTube channel, and capture some wonderful significant historical information. The first episode features the late Richard 'Sighty' Hammond and the second episode features Trygve Halvorsen and the third Don Mickleborough. All episodes are fascinating and I would encourage all Club members to access the channel and view not just this series, but the other historical material that is uploaded and available to watch at your convenience.

LAUNCH OF HISTORICAL EXHIBITION

Another significant highlight for 2014 will be the launch of the Sydney Hobart Yacht race historical exhibition at the Australian National Maritime Museum which is scheduled to

run from November 2014 until February 2015. The museum has enthusiastically embraced the idea and is working closely with the Archives Committee to bring the exhibition to fruition.

Over the year the Archives Committee and the Club staff have also been active in updating the history of the Sydney Hobart Yacht Race on the dedicated Rolex Sydney Hobart Yacht Race website. This website will be further enhanced over the next few months with photos and additional historical information.

The Board is fully committed to preserving and bringing to life the Club's rich maritime history for all members and the wider community to enjoy. Using the benefits of freely available technology your Archives Committee will continue to unlock our vaults and make available the precious photos, videos and articles for all to enjoy.

Associates Committee Report

Pam Messenger, President

“We will be actively involved assisting the Club this year with its 70th anniversary celebrations.”

To celebrate the 50th anniversary of the Associates Committee the Club funded an elegant Champagne High Tea in September 2013. In attendance included the first President Margaret Psaltis, a host of past presidents, and current Committee members. Many stories were shared, great memories recalled, and some longstanding friendships renewed. It was a wonderful way to celebrate the 50 years of continued support we have provided to the Club over the years.

The Committee consists of 15 volunteers who are responsible for planning and organising a range of social and fund raising events for the benefit of members and guests. We will be actively involved assisting the Club this year with its 70th anniversary celebrations.

TRIVIA NIGHTS

Trivia Nights were held once a month over winter, with the rivalry being fierce between the teams. The Trivia Master posed some tricky questions, with a tie-breaker being held on two occasions. Thanks to the staff for their assistance in setting up the rooms also to L Eat for providing a Trivia Special menu. We hope this event will continue to be as successful this year, get your friends together and join in the fun.

PARADE OF SAIL

The 2013 Parade of Sail was held in conjunction with the opening Winter Series and Great Veterans race, with 14 yachts registering for the event. It was a beautiful crisp winter's day, with a lovely breeze to send the fleet around Fort Denison. The Navy Chaplain conducted a Blessing of The Fleet from onboard Boomerang, the beautifully restored schooner maintained by the Heritage Fleet. Congratulations to Second Wind on winning the Ship Shape & Bristol Fashion award, with Plym second, they also won the best dressed crew category, and James Hardy's Nerida coming a close third on points. My thanks to the York family for their ongoing assistance and participation in the Parade.

CLUBHOUSE PARTY

Slide McBride provided great dance music for the Clubhouse Party on Saturday 29 June. Through ticket sales we raised approximately \$1,000 on the night for CYCA SOLAS. Thank you to all who continue to support the social events at the Club, we hope you enjoyed the evening.

CYCA SOLAS TRUSTS FUNDRAISING DINNER

The Annual CYCA SOLAS Trusts Fundraising dinner was held on Friday 25 October. We had a spectacular line up of guest speakers being Tom Slingsby and Grant Simmer, who shared their experiences of the America's Cup Challenge in San Francisco. Iain Murray then joined the stage to answer questions about the upcoming AC challenges, in particular now that Australia has put its hat in the ring to contend this significant event. The night was a sell-out and the audience was enthralled hearing all the stories about the fast pace action aboard the AC75s.

This year the Committee raised nearly \$30,000, exceeding all our prior silent auction results. As usual the bidding on the major items was fierce, in particular for the unexpected and very generous donation of two spectator spots on Wild Oats XI.

A VERY SPECIAL THANK YOU TO THE FOLLOWING ORGANISATIONS FOR THEIR DONATIONS;

- Appliances Online – Nespresso machine
- Camilla Franks – a stunning kaftan
- Carbon Creations – individually crafted walking stick
- Coast Cruises – 4 tickets to watch the CYCA SOLAS Big Boat Challenge
- CYCA – Rolex Sydney Hobart Yacht Race Official Start Vessel tickets
- Dedes Group – Seafari for 4 people at its waterfront restaurants
- Evanslea By The River, Mudgee – 2 nights at five star B&B
- Harken Australia – Spinlock vest
- Hunt leather – leather duffle bag
- Painted Pixels – personalised painting
- Quincy's – \$150 gift voucher
- Southern Excellence – 1 day yacht charter
- Volvo – weekend car hire
- Wild Oats – two spectator positions on board WOXI for CYCA SOLAS Big Boat Challenge

Lucky door prizes were donated by Active Casual shoes, Walsh's Orpheum Theatre, Musto and Sturrocks, with wines being provided by Robert Oatley and Hardys.

Sincere thanks to CYCA Life Member David Kellett AM who volunteered to MC again, and of course Kendi Kellett who managed to not only get the guest speakers signed up, but co-ordinate the entire event as well.

CHRISTMAS HAMPER

The charity selected this year was Mates4Mates a not for profit charity set up for service men and women to assist with their rehabilitation after active duty. Mates4Mates also entered a yacht in the 2013 Rolex Sydney Hobart Yacht Race, and we were proud to support this important initiative. We had an overwhelming response to this raffle with just under \$4,000 being raised.

CHILDREN'S CHRISTMAS PARTY

Each year we host a party for the children and grandchildren of members. The youngsters enjoyed the traditional Christmas Party with Santa, clowns, face painting and individually selected presents. Thanks to conveners Patricia Cox and Melissa Walker for organising this year's activities.

OTHER ASSOCIATES COMMITTEE CONTRIBUTIONS TO THE CLUB

During the busy month of December the Associates help out by organising the Christmas decorations around the Club, and assisting with the sale of Rolex Sydney Hobart Yacht Race merchandise. Our thanks to Kendi Kellett for co-ordinating the volunteer roster and all those who offer their time to help.

My sincere thanks to Commodore Howard Piggott, Chief Executive Officer Mark Woolf, the Board and the many CYCA staff for their assistance and co-operation throughout the past year.

Director's Report

The directors present their report together with the financial report of the Cruising Yacht Club of Australia ('the company') for the year ended 31 March 2014 and the auditor's report thereon.

DIRECTORS

The directors of the company at any time during or since the end of the financial year are:

Name and Qualifications	Age	Experience and Special Responsibilities
Mr Howard Piggott LLB Non-executive Director Commodore Owner – Flying Cloud	67	Director since July 2007 Solicitor, Retired Chairman, Rolex Sydney Hobart Yacht Race Planning Committee Director of CYCA SOLAS Limited the trustee of CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts
Mr John Cameron B.Building Non-executive Director Vice Commodore Owner – More Witchcraft	66	Director since July 2006 Builder Chairman, Sailing Committee Chairman, Rules Review Committee Chairman, Marina and Site Committee Member, Redevelopment Committee Member, Rolex Sydney Hobart Yacht Race Planning Committee
Mr Arthur Lane B.Sc(Q.S), M.A.(T.P) Non-executive Director Rear Commodore Owner – Inkonkoni	66	Director since July 2010 Investment Banker Chairman, Redevelopment Committee Chairman, Cruising Committee Member, Marina and Site Committee Member, Audit, Planning and Risk Committee
Mr John Markos B.Comm, LLB Non-executive Director Rear Commodore Owner – Eye Appeal	59	Director since July 2008 Managing Partner, Hicksons Lawyers Chairman, Audit, Planning & Risk Committee Chairman, Member Services Committee Member, Training & Development Committee Member, Rules Review Committee

Director's Report

Directors' Meetings

The number of directors' meetings (including meetings of committees of directors) and number of meetings attended by each of the directors of the company during the financial year are:

DIRECTOR	BOARD MEETINGS		OTHER MEETINGS	
	Number of Meetings Attended	Number of Meetings Held*	Number of Meetings Attended	Number of Meetings Held*
H. Piggott	11	12	4	4
J. Cameron	11	12	34	35
A. Lane	12	12	39	40
J. Markos	11	12	30	30
P. Billingham	10	12	26	31
G. Bonus	10	12	12	12
P. Clitheroe	8	12	17	17
N. Cornish	8	9	6	8
A. Dunn	8	12	15	16
N. Kingsmill	11	12	31	33
A. Wenham	11	12	16	20
D. Champtaloup	3	3	5	5

**Number of meetings held during the time the director held office during the year.*

PRINCIPAL ACTIVITIES

The principal activities of the company during the course of the financial year were to promote participation in yachting including the sport of sailing and to provide ocean racing facilities, training and other yachting facilities and competitions for its members.

There were no significant changes in the nature of the activities of the company during the year.

MEMBERSHIP

The Club is a Company limited by guarantee and without share capital. The number of members as at 31 March 2014 and the comparison with last year is as follows:

	2014	2013
Number of members	2,578	2,646

REVIEW AND RESULTS OF OPERATIONS

The result from ordinary activities for the year amounted to a net profit of \$580,493 (2013: \$768,315). This resulted after charging \$909,725 (2013: \$827,199) for depreciation and amortisation.

DIVIDENDS

The company is a non-profit organisation and is prevented by its constitution from paying dividends.

STATE OF AFFAIRS

In the opinion of the directors, there were no significant changes in the state of affairs of the company that occurred during the financial year under review.

ENVIRONMENTAL REGULATION

The company's operations are subject to various environmental regulations under both Commonwealth and State legislation.

The Board believes that the company has adequate systems in place for the management of its environmental requirements and is not aware of any breach of those environmental requirements as they apply to the company.

LIKELY DEVELOPMENTS

The directors do not anticipate any further development in the operations of the Club which will affect the results in subsequent years.

EVENTS SUBSEQUENT TO REPORTING DATE

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material or unusual nature likely, in the opinion of the directors of the company, to affect significantly the operations of the company, the results of those operations, or the state of affairs of the company, in future financial years.

PROCEEDINGS ON BEHALF OF COMPANY

No person has applied to the Court under section 237 of the Corporations Act 2001 for leave to bring proceedings on behalf of the Company, or to intervene in any proceedings to which the Company is a party, for the purpose of taking responsibility on behalf of the Company for all or part of those proceedings.

No proceedings have been brought or intervened in on behalf of the Company with leave of the Court under section 237 of the Corporations Act 2001.

INDEMNIFICATION AND INSURANCE OF OFFICERS

The company has provided for and paid premiums to the value of \$7,104 (2014: \$4,247) during the year for Management Liability Insurance. The insurance is in respect of legal liability for damages and legal costs within an annual limit of \$10,000,000 (subject to a sub limit of in any one insurance period) arising from claims made by reason of any omissions or acts (other than dishonesty) by them, whilst acting in their individual or collective capacity as directors or officers of the company, towards which the directors of the company contribute.

The insurance premiums relate to:

- costs and expenses incurred by the relevant officers in defending proceedings, whether civil or criminal and whatever their outcome; and
- other liabilities that may arise from their position, with the exception of conduct involving a wilful breach of duty or improper use of information or position to gain a personal advantage.

AUDITOR'S INDEPENDENCE DECLARATION

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is on page 26 of this annual report.

AUDITOR

PwC commenced in office accordance with section 325 of the Corporations Act 2001.

Signed in accordance with a resolution of the directors:

H Piggott
Commodore

Sydney, 20 May 2014

P A Billingham
Treasurer

Sydney, 20 May 2014

Auditor's Independence Declaration

As lead auditor for the audit of Cruising Yacht Club of Australia for the year ended 31 March 2014, I declare that to the best of my knowledge and belief, there have been:

- a) no contraventions of the auditor independence requirements of the Corporations Act 2001 in relation to the audit; and
- b) no contraventions of any applicable code of professional conduct in relation to the audit.

Notes to the Financial Statements

for the financial year ended 31 March 2014

1. GENERAL INFORMATION

Cruising Yacht Club of Australia ("the Company") is a company limited by guarantee and operating in Australia.

In accordance with the Constitution of the Cruising Yacht Club of Australia, every member of the company undertakes to contribute to the assets of the company in the event of it being wound up, whilst he or she is a member or within one year after he or she ceases to be a member and of the costs, charges and expenses of winding up such as may be required, not exceeding \$2 per member.

The company has 2,578 members at year end.

Cruising Yacht Club of Australia's registered office and its principal place of business are as follows:

1 New Beach Road, Darling Point NSW 2027

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of accounting

Statement of Compliance

The financial report is a general purpose financial report which has been prepared in accordance with the Corporations Act 2001, Accounting Standards and Interpretations, and complies with other requirements of the law including the Registered Clubs Act. Cruising Yacht Club of Australia is a not-for-profit entity for the purposes of preparing the financial statements.

Accounting Standards include Australian equivalents to International Financial Reporting Standards ('A-IFRS'). A statement of compliance with IFRS cannot be made due to the application of not for profit sector specific requirements contained in the A-IFRS.

The financial statements were authorised for issue by the directors on the 20 May 2014.

Basis of Preparation

The financial report has been prepared on the basis of historical cost, except for the revaluation of certain non-current assets and financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

In the application of the company's accounting policies, which are described within this note, management is required to make judgments, estimates and assumptions about carrying values of assets and liabilities that are not

readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods.

Judgments made by management that have significant effects on the financial statements and estimates with a significant risk of material adjustments in the next year are disclosed, where applicable, in the relevant notes to the financial statements.

Accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events is reported.

The following significant accounting policies have been adopted in the preparation and presentation of the financial report:

(b) Borrowing Costs

Borrowing costs directly attributable to the acquisition and construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the costs of those assets, until such time as the assets are substantially ready for their intended use.

(c) Cash and Cash Equivalents

Cash comprises cash on hand and deposits at call. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and have a maturity of three months or less at the date of acquisition.

(d) Employee Benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities recognised in respect of employee benefits expected to be settled within 12 months, are measured at their nominal values using the remuneration rate expected to apply at the time of settlement.

Notes to the Financial Statements

for the financial year ended 31 March 2014 (continued)

Liabilities recognised in respect of employee benefits which are not expected to be settled within 12 months are measured as the present value of the estimated future cash outflows to be made by the company in respect of services provided by employees up to reporting date.

Long term service benefits

The Company's net obligation in respect of long-term service benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates, and is discounted using rates for Commonwealth Government bonds at the balance date which have maturity dates approximating to the terms of the Company's obligations.

(e) Financial assets

Loans and receivables

Trade receivables, loans, and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method less impairment.

Interest is recognised by applying the effective interest rate basis for debt instruments other than those financial assets 'at fair value through profit or loss'.

Impairment of financial assets

Financial assets, other than those at fair value through profit or loss, are assessed for indicators of impairment at each balance sheet date. Financial assets are impaired where there is objective evidence that as a result of one or more events that occurred after the initial recognition of the financial asset the estimated future cash flows of the investment have been impacted. For financial assets carried at amortised cost, the amount of the impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables where the carrying amount is reduced through the use of an allowance account. When a trade receivable is uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

(f) Financial instruments issued by the company

Debt and equity instruments

Debt and equity instruments are classified as either liabilities or as equity in accordance with the substance of the contractual arrangement.

Financial liabilities

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities.

Other financial liabilities

Other financial liabilities, including borrowings, are initially measured at fair value, net of transaction costs.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period.

(g) Impairment of other tangible and intangible assets

At each reporting date, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current

Notes to the Financial Statements

for the financial year ended 31 March 2014 (continued)

market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but only to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the reversal of the impairment loss is treated as a revaluation increase.

(h) Income tax

No provision has been made for income tax as the Company is exempt under Section 50-45 of the Income Tax Assessment Act (1997), provided it continues as a sporting club predominately encouraging and promoting the sport of yachting, boating, cruising for pleasure and the building and sailing of yachts and boats. Accordingly, tax affect accounting has not been adopted by the Company.

(i) Leases

Leases are classified as finance leases when the terms of the lease transfer substantially all the risks and rewards incidental to ownership of the leased asset to the lessee. All other leases are classified as operating leases.

Finance leases

Assets held under finance leases are initially recognised at their fair value or, if lower, at amounts equal to the present value of the minimum lease payments, each determined at the inception of the lease. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the company's general policy on borrowing costs. Refer to note 3(a). Contingent rentals are recognised as expenses in the periods in which they are incurred.

Finance leased assets are amortised on a straight line basis over the estimated useful life of the asset.

Operating leases

Operating lease payments are recognised as an expense on a straight-line basis over the lease term, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

Lease incentives

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefits of incentives are recognised as a reduction of rental expense on a straight-line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

(j) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment. Trade receivables are generally due for settlement within 30 days. They are presented as current assets unless collection is not expected for more than 12 months after the reporting date

Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off by reducing the carrying amount directly. An allowance account (provision for impairment of trade receivables) is used when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables. The amount of the impairment allowance is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. Cash flows relating to short term receivables are not discounted if the effect of discounting is immaterial.

The amount of the impairment loss is recognised in profit or loss within other expenses. When a trade receivable for which an impairment allowance had been recognised becomes uncollectible in a subsequent period, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against other expenses in profit or loss.

(k) Inventories

Inventories are valued at the lower of cost and net realisable value. Net realisable value represents the

Notes to the Financial Statements

for the financial year ended 31 March 2014 (continued)

estimated selling price less all estimated costs of completion and costs necessary to make the sale.

(l) Property, plant and equipment

Plant and equipment, leasehold improvements and equipment under finance lease are stated at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the item. In the event that settlement of all or part of the purchase consideration is deferred, cost is determined by discounting the amounts payable in the future to their present value as at the date of acquisition.

Depreciation is provided on property, plant and equipment, including buildings on leasehold land. Depreciation is calculated on a straight line basis so as to write off the net cost or other revalued amount of each asset over its expected useful life to its estimated residual value. Leasehold improvements are depreciated over the period of the lease or estimated useful life, whichever is the shorter, using the straight line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each annual reporting period, with the effect of any changes recognised on a prospective basis.

The gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

The following estimated lives are used in the calculation of depreciation:

Leasehold improvements	5 – 33 years/term of the lease
Boats	2 – 8 years
Plant and equipment	2 – 8 years
Motor vehicles	8 years

(m) Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within negotiated terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(n) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption

amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

(o) Provisions

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Restoration costs

A provision for restoration costs is recognised when an obligation exists to restore certain sites for the effect of the company's operations.

The provision is the best estimate of the present value of the expenditure required to settle the restoration obligation at the reporting date. The amount is reviewed annually and changes recognised at the end of the reporting period.

(p) Revenue

Revenue is measured at the fair value of the consideration received or receivable.

Goods sold and services rendered

Revenue from the sale of goods comprises revenue earned from the provision of beverage and other goods and is recognised in the statement of comprehensive income when the significant risks and rewards of ownership have been transferred to the buyer. Revenue from services to

Notes to the Financial Statements

for the financial year ended 31 March 2014 (continued)

members and other patrons of the Company is recognised in the statement of comprehensive income when the services are provided. No revenue is recognised if there are significant uncertainties regarding recovery of the consideration due; the costs incurred or to be incurred cannot be measured reliably; there is a risk of return of goods; or there is continuing management involvement with the goods.

Subscriptions

Subscription fees are taken into account on an accruals basis and the portion relating to the ensuing year is transferred to subscriptions in advance.

Yard and marina

Yard and marina revenue consists of casual and permanent berthing fees, hardstand fees, locker fees and tender fees provided to members and other patrons of the Club. Yard and marina revenue is recognised when the goods or services are provided.

Sailing revenue

Sailing revenue consists of ferry charter fees, race entry fees, sponsorship and other associated income. Sailing revenue is recognised when the goods or services are provided for all revenue except sponsorship which is recognised as it accrues.

Rental income

Rental income from property is recognised in the statement of comprehensive income on a straight-line basis over the term of the lease. Lease incentives granted are recognised as an integral part of the total rental income.

Interest revenue

Interest revenue is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount.

(q) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included with other receivables or payables in the balance sheet.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the taxation authority, are presented as operating cash flows.

Notes to the Financial Statements

for the financial year ended 31 March 2014 (continued)

(r) New accounting standards and interpretations

Certain new accounting standards and interpretations have been published that are not mandatory for 1 April 2013 reporting periods and have not yet been applied in the financial statements. It is not expected that their adoption will have a material impact on future financial statements.

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The Company has decided against early adoption of these Standards. The following table summarises those future requirements, and their impact on the Company:

Standard Name	Effective date for entity	Requirements	Impact
AASB 9 Financial Instruments and amending standards AASB 2010-7 / AASB 2012-6	30 June 2016	Changes to the classification and measurement requirements for financial assets and financial liabilities.	The impact of AASB 9 has not yet been determined as the entire standard has not been released.
AASB 13 Fair Value Measurement. AASB 2011-8 – Amendments to Australian Accounting Standards arising from AASB 13 [AASB 1, 2, 3, 4, 5, 7, 9, 2009-11, 2010-7, 101, 102, 108, 110, 116, 117, 118, 119, 120, 121, 128, 131, 132, 133, 134, 136, 138, 139, 140, 141, 1004, 1023 & 1038 and Interpretations 2, 4, 12, 13, 14, 17, 19, 131 & 132]	30 June 2014	AASB 13 provides a precise definition of fair value and a single source of fair value measurements and disclosure requirements for use across Accounting Standards but does not change when fair value is required or permitted. There are a number of additional disclosure requirements.	The entity has not yet determined the magnitude of any changes which may be needed. Some additional disclosures will be needed.
AASB 2011-4 – Amendments to Australian Accounting Standards to Remove Individual Key Management Personnel Disclosure Requirements [AASB 124]	30 June 2014	Remove individual key management personnel disclosure requirements (i.e. components of remuneration) for disclosing entities.	Some disclosures will need to be updated.
AASB 119 Employee Benefits (September 2011) AASB 2011-10 Amendments to Australian Accounting Standards arising from AASB 119 (September 2011) and AASB 2011-11 Amendments to AASB 119 (September 2011) arising from Reduced Disclosure Requirements	30 June 2014	The main changes in this standard relate to the accounting for defined benefit plans and are as follows: <ul style="list-style-type: none">• elimination of the option to defer the recognition of gains and losses (the 'corridor method');• requiring remeasurements to be presented in other comprehensive income; and• enhancing the disclosure requirements.	Since the entity does not have a defined benefit plan, the adoption of these standards will not have any impact.

Notes to the Financial Statements

for the financial year ended 31 March 2014 (continued)

Standard Name	Effective date for entity	Requirements	Impact
AASB 2012-2 – Amendments to Australian Accounting Standards – Disclosures – Offsetting Financial Assets and Financial Liabilities [AASB 132 & AASB 7]	30 June 2014	Requires the inclusion of information about the effect or potential effect of netting arrangements.	There is no impact on disclosures as there are no offsetting arrangements currently in place.
AASB 2012-5 – Amendments to Australian Accounting Standards arising from Annual Improvements 2009-2011 Cycle [AASB 1, AASB 101, AASB 116, AASB 132 & AASB 134 and Interpretation 2]	30 June 2014	<p>AASB 1 – this standard clarifies that an entity can apply AASB 1 more than once.</p> <p>AASB 101 – clarifies that a third balance sheet is required when the opening balance sheet is materially affected by any adjustments.</p> <p>AASB 116 – clarifies the classification of servicing equipment.</p> <p>AASB 132 and Interpretation 2 – Clarifies that income tax relating to distributions to holders of an equity instrument and to transaction costs of an equity transaction shall be accounted for in accordance with AASB 112 Income Taxes</p> <p>AASB 134 – provides clarification about segment reporting.</p>	No expected impact on the entities financial position or performance.
AASB 2012-3 – Amendments to Australian Accounting Standards – Offsetting Financial Assets and Financial Liabilities [AASB 132]	30 June 2015	This standard adds application guidance to AASB 132 to assist with applying some of the offset criteria of the standard.	There will be no impact to the entity as there are no offsetting arrangements currently in place.

3. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

(a) Critical accounting estimates and assumptions

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(i) Make good provision

This provision represents the present value of the directors' best estimate of the future sacrifice of economic benefits that will be required to settle the site restoration obligations pursuant to the company's lease of land and waterways. The estimate has been made on the basis of a cost estimate obtained from a Quantity Surveyor.

13. PROVISIONS

Current		
Employee benefits (a):	422,561	317,461
Non-current		
Employee benefits (a):	39,626	187,089
Make good provision (b) :	4,604,953	3,724,722
	4,644,579	3,911,811

Information about individual provisions and significant estimates:

(a) Employee benefits

The provision for employee benefits relates to Cruising Yacht Club of Australia's liability for long service leave and annual leave.

(b) Site restoration make good provision

Cruising Yacht Club of Australia is required to restore the leased sites to their original condition at the end of the respective lease terms. A provision has been recognised for the present value of the estimated expenditure required to remove any leasehold improvements. These costs have been capitalised as part of the cost of leasehold improvements and are amortised over the shorter of the term of the lease or the useful life of the assets.

Movements in provisions

Movements in each class of provision during the financial year, other than employee benefits, are set out below:

Current year site restoration movement:

Balance at 1 April	3,724,722	3,576,040
Additional provision charged to plant and equipment	736,015	-
Unwind of discount	144,216	148,682
Balance at 31 March	4,604,953	3,724,722

14. CURRENT BORROWINGS

Bank loans – current	87,244	-
Bank loans – non-current	360,481	-
	447,725	-

Notes to the Financial Statements

for the financial year ended 31 March 2014 (continued)

	2014 \$	2013 \$
15. OTHER PAYABLES		
Marina deposits	143,220	142,505
16. RETAINED EARNINGS		
Balance at 1 April	6,798,681	6,030,366
Total recognised income and expenses	580,493	768,315
Balance at 31 March	7,379,174	6,798,681
17. FINANCIAL INSTRUMENTS		
(a) Capital Risk Management		
The capital structure of the company includes cash and cash equivalents and retained earnings. The company has limited borrowings in the form of hire purchase agreements.		
(b) Categories of Financial Instruments		
<i>Financial assets</i>		
Trade and other receivables	179,234	177,799
Cash and cash equivalents	4,701,773	6,223,426
<i>Financial liabilities</i>		
Loans and payables	447,725	-
Trade and other payables	832,985	1,088,176

The carrying amount reflected above represent the company's maximum exposure to credit risk for such loans and receivables.

(c) Financial Risk Management Objectives

The Directors manage the financial risks relating to the operations of the company. These risks include credit risk and liquidity risk. The company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes.

(d) Market Risk

The company's only exposure to market risk is the effect of changes in interest rates which would affect interest received. There has been no change to the company's exposure to market risks.

(e) Liquidity Risk

Ultimate responsibility for liquidity risk management rests with the board of directors. The company manages liquidity risk by maintaining adequate cash balances and monitoring forecasts and actual cash flows. The following table details the company's remaining contractual maturity for its non-derivative financial liabilities. The table has been drawn up based on the undiscounted cash flows of financial liabilities including interest based on the earliest date on which the company can be required to pay.

Notes to the Financial Statements

for the financial year ended 31 March 2014 (continued)

Financial Liabilities	Weighted average effective interest rate	Less than 1 month \$	1 to 3 months \$	3 months to 1 year \$	1 to 5 years \$	More than 5 years \$	Total \$
2014							
Fixed interest rate	6.15%						
Borrowings		7,068	14,244	65,932	360,481	-	447,726
Non-interest bearing Trade and other payables		689,765	-	-	143,220	-	832,985
		696,833	14,244	65,932	503,701	-	1,280,710
2013							
Fixed interest rate							
Borrowings	-	-	-	-	-	-	-
Non-interest bearing Trade and other payables		945,671	-	-	142,505	-	1,088,176
		945,671	-	-	142,505	-	1,088,176

The following table details the company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets except where the company anticipates that the cash flow will occur in a different period.

Financial Assets	Weighted average effective interest rate	Less than 1 month \$	1 to 3 months \$	3 months to 1 year \$	1 to 5 years \$	More than 5 years \$	Total \$
2014							
Variable interest rate	3.48%

Non-interest bearing Trade and other debtors		179,234	-	-	-	-	179,234
		524,329	-	4,356,678	-	-	4,881,007
2013							
Variable interest rate	3.37%						
Cash and cash equivalent		566,748	-	5,656,678	-	-	6,223,426
Non-interest bearing Trade and other debtors		177,799	-	-	-	-	177,799
		744,547	-	5,656,678	-	-	6,401,225

Notes to the Financial Statements

for the financial year ended 31 March 2014 (continued)

17. FINANCIAL INSTRUMENTS (Continued)

(f) Fair Value

The carrying amount of the financial assets and financial liabilities represents a reasonable approximation of fair value.

(g) Credit Risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. To the extent the company has a receivable from another party there is a credit risk in the event of non-performance by that counterparty. Financial instruments, which potentially subject the company to credit risk solely consist of trade and other receivables. The company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

The carrying amount of the financial assets recorded in the financial statements, net of any allowances for losses, represents the company's maximum exposure to credit risk, without taking account of the value of any collateral obtained. The company does not have any significant credit risk exposure to any single counterparty or any group of counterparties having similar characteristics.

Note	2014 \$	2013 \$
18. COMMITMENTS		
Non-cancellable operating lease expense commitments		
Future operating lease commitments not provided for in the financial statements and payable:		
Within one year	488,559	450,232
One year or later and no longer than five years	1,748,818	1,800,928
Later than five years	777,813	937,500
	3,014,890	3,188,660

The company leases property and water space for the Clubhouse and marina under operating leases expiring in 4 years and 7 years 9 months respectively. Lease payments are adjusted periodically to market rates.

19. NOTES TO THE STATEMENT OF CASH FLOWS

Reconciliation of net cash flows to operating activities:

Profit for the year	580,493	768,315
Depreciation and amortisation expense	909,725	827,199
Gain on sale of property, plant and equipment	(100,000)	-
Interest income	(184,911)	(281,204)

Changes in net assets and liabilities:

(Increase)/decrease in assets:

Trade and other receivables	(1,435)	(11,810)
Inventories	24,275	(10,945)
Other assets	(5,857)	1,252

(Decrease)/increase in liabilities:

Trade payables	(255,906)	(21,043)
Provisions	101,853	184,420
Other liabilities	(4,301)	11,444

Net cash from operating activities	1,063,936	1,467,628
---	------------------	------------------

Notes to the Financial Statements

for the financial year ended 31 March 2014 (continued)

20. KEY MANAGEMENT PERSONNEL

The following were key management personnel of the company at any time during the reporting period, and unless otherwise indicated, were for the entire period:

Non-executive Directors

H. Piggott, J. Cameron, P. Billingham, G. Bonus, D. Champtaloup (to July 2013), A. Dunn, N. Kingsmill, A. Lane, J. Markos, A. Wenham, P. Clitheroe AM, N. Cornish (from July 2013).

Executive

M. Woolf.

Transactions with key management personnel

No non-executive director has received any remuneration from the Company during the year.

The key management personnel compensation included in "Employee and employment expenses" are as follows:

	2014 \$	2013 \$
Short term employee benefits	306,344	309,547

Apart from the details enclosed in this note, no director has entered into a material contract with the company or since the end of the previous financial year and there were no material contracts involving directors' interests existing at year-end.

From time to time, directors of the company, or their director related entities, may purchase goods and services from the company. These purchases are on the same terms and conditions as those entered into by other company employees or customers and are trivial or domestic in nature.

21. RELATED PARTIES

(a) Transactions with key management personnel

Transactions with key management personnel are disclosed in Note 20 to the financial statements.

(b) Transactions with other related parties

Other related parties include:

- CYCA SOLAS Limited
- CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts

The Company is the sole member of CYCA SOLAS Limited; a Company limited by guarantee which is the trustee of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts. The administration of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts is under the control of the separate board of CYCA SOLAS Limited. The trustee company has a right to be indemnified out of the assets of the trust to satisfy liabilities properly incurred by the trustee. As at 31 March 2014 the outstanding liabilities committed by the trustee on behalf of the trust totalled \$nil (2013: \$nil). The assets of the trust are sufficient to meet this commitment. In the event that CYCA SOLAS Limited is wound up and unable to repay all outstanding debts, the liability of its members is limited to an amount of \$10.

Payments to related parties

- Donations paid to the CYCA Trust during the year were \$30,000 (2013: \$50,000).
- Expenses paid on behalf of the CYCA SOLAS Limited were \$738 (2013: \$6,610).

Notes to the Financial Statements

for the financial year ended 31 March 2014 (continued)

22. CONTINGENT LIABILITIES

Bank guarantees

The company has given away the following bank guarantees:

	2014 \$	2013 \$
NSW Maritime	32,093	32,093
Woollahra Municipal Council	-	856,678

23. AUDITOR'S REMUNERATION

Audit services

Auditor and review of the financial report	42,000	40,900
--	--------	--------

Other Services

Taxation Services	-	1,100
	42,000	42,000

The auditor of Cruising Yacht Club of Australia for the year ended 31 March 2013 was Deloitte Touche Tohmatsu.

The auditor of Cruising Yacht Club of Australia for the year ended 31 March 2014 is PricewaterhouseCoopers.

24. SEGMENT INFORMATION

The Club's principal place of business and registered office is situated at 1 New Beach Road, Darling Point. The Club operates from these premises to promote participation in yachting including the sport of sailing and to provide ocean racing facilities, training and other yachting facilities and competition for its members.

Information reported to the chief operating decision maker for the purposes of resource allocation and assessment of segment performance focuses on types of goods or services delivered or provided. The chief decision maker of the entity reviews the financial information split by segment for revenue but the expenses information is received by expense category. Therefore, only revenue per segment has been included below.

The following is an analysis of the revenue by reportable segment.

	2014 \$	2013 \$
Sales revenue - food commission, bar sales, bottle shop sales & room hire	2,784,763	2,526,527
Subscription revenue	904,663	928,463
Marina revenue	2,333,269	2,409,417
Property rental	156,656	160,402
Sailing activities	1,408,140	1,647,676
Other	205,939	281,204
	7,793,430	7,953,689

Segment revenue reported above represents revenue generated from external customers. There were no inter-segment sales in the current year. (2013: \$nil).

25. SUBSEQUENT EVENTS

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material or unusual nature likely, in the opinion of the directors of the company, to affect significantly the operations of the company, the results of those operations, or the state of affairs of the company, in future financial years.

Director's Declaration

In the directors' opinion:

- (a) the financial report and notes set out on pages 27 to 44 are in accordance with the Corporations Act 2001, including:
 - (i) complying with Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements, and
 - (ii) giving a true and fair view of the company's financial position as at 31 March 2014 and of its performance for the financial year ended on that date, and
- (b) there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the directors.

Sydney, 20 May 2014

Independent auditor's report to the members of Cruising Yacht Club of Australia

Report on the financial report

We have audited the accompanying financial report of Cruising Yacht Club of Australia (the company), which comprises the balance sheet as at 31 March 2014, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the directors' declaration.

Directors' responsibility for the financial report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*.

Auditor's opinion

In our opinion, the financial report of Cruising Yacht Club of Australia is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the company's financial position as at 31 March 2014 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards including the Australian Accounting Interpretations and the *Corporations Regulations 2001*.

Matters relating to the electronic presentation of the audited financial report

This auditor's report relates to the financial report of Cruising Yacht Club of Australia (the company) for the year ended 31 March 2014 included on Cruising Yacht Club of Australia's web site. The company's directors are responsible for the integrity of Cruising Yacht Club of Australia's web site. We have not been engaged to report on the integrity of this web site. The auditor's report refers only to the financial report named above. It does not provide an opinion on any other information which may have been hyperlinked to/from the financial report. If users of this report are concerned with the inherent risks arising from electronic data communications they are advised to refer to the hard copy of the audited financial report to confirm the information included in the audited financial report presented on this web site.
