2016//2017 COMMODORE'S REPORT

Commodore John Markos

The pace of the past year has been fast and fulfilling, as we recharted the club's long-term position.

The most significant carry over from last year was the progress made with the club's long-term planning and redevelopment. After a tumultuous number of years, we can see the end of the beginning with Stage 1 refurbishment works due to start mid-May.

Governance reform

Stepping to the helm was more work than I anticipated, despite having been a member of the Board for eight previous years. With the changeover of CEO, the Board, in conjunction with management, embarked on a Governance Reform Program updating contracts and developing policies where none previously existed, at the same time as completing several day to day business projects. Included in these was tying up loose ends associated with previously completed projects. In addition, fires safety measures on the Marina were upgraded, with a Development Application and Licence agreement lodged for the Sydney and Hobart Race Villages respectively run in conjunction with the Rolex Sydney Hobart Yacht Race, along with the recent DA for the Annex and Clubhouse refurbishment. Negotiations have also commenced with the relevant authorities to crystallise the leasehold positions for both our water lease and the land lease. I am pleased to report the work on the leases is well on the way to securing the club's footprint for the next 34.5 years.

Continuation of years of work on redevelopment

Vice-Commodore Paul Billingham has been tireless and dedicated in bringing to fruition the many tasks asked of him and there have been many. A special credit to Paul is his chairmanship and delivery of the actions arising out of the Redevelopment committee. His support of CEO Karen Grega in managing and delivering two successful DA's with CYCA architects AJC is very much appreciated by everyone on the Board and in management. Paul will later acknowledge members of his committee.

In past communications I have also acknowledged the efforts of several members and past directors in the various iterations of the redevelopment committee. Past Chairmen Arthur Lane and Paul Clitheroe, along with several other senior members including architect Geoff Bonus, spent a great deal of time working on first drafts and plans presented to the members. We are all glad to bring the planning to an end. It has been a mammoth commitment and a long time in the pipeline.

The work to get the DA approvals from Council was achieved under the leadership and with presentations by CEO Karen Grega at each juncture, including public meetings. Karen has received wide acclaim from observers and several directors who attended the council meetings, with our thanks - Leander Klohs and Arthur Lane. Karen's work with our landlord and local residents was also critical and is very much appreciated and commended by the Board.

We expect there should be minimal disruption to the operations of the club during the first phase, and for the remainder of this year, except for the closure of the car park between the clubhouse and the "Annex".

Committee groups and restructure

With the reduction to nine directors on the board, we have reformed the structure of the committees and reporting lines. I am very grateful to the Flags for taking on guidance of quadrants or groups of committees and working with the other directors to handle the business-as-usual committee tasks and special projects effectively. Each of the directors has taken on committee responsibilities and unselfishly devoted large amounts of time to foster more connection between committees, the Board and management, members and in marshalling the flow of resolutions and actions.

The **Major projects group** of committees that are overseen by the Vice-Commodore and myself include the Planning Committees for the immediate and then the 75th edition of Rolex Sydney Hobart Yacht Race. All the Flags have been a part of the planning this past year. Janey Treleaven and Leander Klohs have also been members of these committees. We have made significant gains to lift the brand and appeal of the villages, building on the work started the previous year. Operations Manager Michael Neumann in his extended role in 2016 as Production Manager for both Race Village played a major role in the enhanced look of the villages. Our CEO also contributed enormously with her work on the planning but especially in obtaining the local and state government approvals. These are set for the next six years and place the club in good positions to develop further income.

Noel Cornish has taken ownership of the **Governance group** of committees. This includes chairing the Audit Planning and Risk; Special projects and ad hoc committees. There have been huge strides in developing policies, reforming contracts and documenting procedures. One of the special projects undertaken during the past year involved several senior members investigating and then recommending to the Board that the club submit a proposal to buy the neighbouring DAlbora's Marina. While we did not succeed we have a good relationship with the new owner.

In addition Noel chaired the **Sailing Committee** (incorporating the cruising committee) – at the heart of the clubs activities. Directors Sam Haynes, Tony Kirby and Arthur Psaltis have been part of that steering committee.

The Governance piece was further under review by our treasurer Janey Treleaven, with several initiatives established to restate the allocation of expenses and clearer reporting of profit for the different centres of the clubs operations. I thank Janey and CYCA Accountant James Butchers in this regard.

Janey and her IT committee have been enormously helpful in reviewing several software and internet media options for the club; this includes the assessments and recommendations for the soon to be installed Micropower point-of-sale hardware and new accounting software. This installation addresses the need to integrate a number of our software applications with our Accounts Department.

There has also been much discussion around the reshaping of our IT platform and websites. Some exciting initiatives being investigated include state of the art technology to stream live vision of our races back to the clubhouse, with replays through our social media platforms.

We are conscious of the need and remain committed to addressing the archives and in time for our 75th anniversary. I am pleased we have made progress and acquired an archiving system. The framework is being designed and alongside that we have plans in the immediate term to correct the historical record of the results of Sydney Hobart race, on our club site and the race website.

Rear Commodore Arthur Lane has guided the **Members Services group** of committees, including the evergreen
Associates, and the Training and Development [incorporating the YSA]. Directors have also chaired various committees in this group, including Janey Treleaven, Leander Klohs and Arthur Psaltis. Amongst this group is the Marina and Site committee that has undertaken a review, as part of the governance reform, in the allocation and use of berths. The wait list and some berths occupied by inactive boats have been tidied up. In future, boats on the wait list and boats licenced to use the marina will be reviewed regularly under Board established criteria for priority or holding a berth.

The committee reports from the flags and other chairpersons will follow with acknowledgements of members who have assisted. I thank everyone involved for their service on the committees or projects.

Rolex Sydney Hobart Yacht Race

With its rich history over 72 years, our iconic race epitomises the qualities of resilience, determination and drive which affords a unique profile in Australia and the world of sailing.

The race has attracted interest from many around the globe where many will agree that #sailinghasnoborders. Much of this essence is featured in the video presentations by Rolex available in the "Spirit of Yachting" programs and also on shorter videos about the Race I heartily commend to you. You can access these on the CYCA TV channel on YouTube.

There have been huge strides in developing policies, reforming contracts and documenting procedures

COMMODORE'S REPORT continued

For the 2016 Race we introduced some new features. Most notably, the Notice of Race was translated for the first time in Mandarin (the largest contingent of yachts from Asia entered in 2016); the club hosted its first and very successful corporate luncheon to launch the events around the Race and conducted the first post-race survey of skippers and crew.

We thank Channel 7 for its live broadcast that linked to our website and for working with our broadcast partners overseas. This was the first time the start of the Race was broadcast live in Mainland China through LeSports and across Asia through the Foxsports Asia network with 17.7million subscribers. This generated the interest that lead to an invitation to the CEO and myself to attend the 22nd China International Boat Show in Shanghai in 2017 and speak about the Rolex Sydney Hobart Yacht Race at the end of April.

The interest in the Race is increasing with viewership across different media in over 220 countries. As an illustration at least 1.2 million people in Australia watched the Race start live with a vast number of new viewers watching the start live in Mainland China for the first time. We will continue the focus on delivering the vision across other media and to a larger world audience. Building on the efforts in 2015, new partnerships were formed with support sponsors to further enhance the presentation of the Race Villages in Sydney and Hobart to book end the Race. With a multi-year DA approval in Sydney, this allows us to move forward with certainty on developing additional revenue streams through hosting more functions and catering to a wider audience and the public. Likewise in Hobart we have a confirmed village layout to provide continuity in presentation going forward. We are very pleased with the outcomes and there has been much positive feedback from all stakeholders about the improvements. The look and feel of both villages now is aligned to the prestige of our Race.

Each village had a large outdoor screen which allows us to showcase some of the club events and show regular replays of the start of the Race and past race highlights. We also livestreamed the Awards Presentation in Hobart onto the screen at the Sydney Race village on New Year's Day.

The 2016 Race marked the fifteenth race sponsored by Rolex. It was great to be joined again by Jöel Aeschliman from Rolex Geneva. Jöel was a part of the team that inaugurated the sponsorship by Rolex. We thank Rolex and Jöel, Lionel Schurch and Patrick Boutellier for their friendship and continued support.

A shout out and thank you to Cmdre Tim Cox who in 2016 also marked 15 years, as Race Director. Tim has helped the club enormously by undertaking this demanding role so professionally.

Strategy

The reboot of the clubs strategy was undertaken by the Board in several special meetings. I will outline the strategies at our AGM, but central is the vision to refocus on the Blue Water pedigree of the club.

I am delighted we have confirmed new races to add to our calendar; Sydney to Noumea in June 2018, and Auckland to Sydney, in the near term. We will also develop a super series for 52 footers, and we are in dialogue with several clubs and yacht owners to reinvigorate the Southern Cross Trophy (competition for national teams). We are also looking to celebrate other trophies at special events.

Plans are afoot to establish the CYCA Sailing Foundation. This will enable the development of more programs that align with the good work of the YSA* and its classroom facility established at the Sail loft of the building at Sir David Martin Reserve. These tailored programs will be applied to the development of sailing and life skills across three key target groups - women; disadvantaged persons and a third for developing cross-cultural relationships. There will also be a focus of developing inter-schools programs.

*It is timely to remind ourselves of the tremendous outcomes from the programs undertaken by the CYCA YSA since 1993. It has produced hundreds of world class sailors, culminating in over 50 World Championship titles, 5 America's Cup sailors, 4 Olympians, and over 40 Rolex Sydney Hobart participants as well as competitors in the Volvo Ocean Race.

We will further consider the establishment of an endowment program.

Maintaining close working relationships with our corporate partners to ensure fulfilment of sponsorship agreement is also a high priority for the Board and Management in particular. Consistent with our focus to generate alternative streams of revenue the management team has worked in earnest. The most significant gains have been made with additional sponsorships and we thank the following for coming on board to support the club:

- Carlton United Breweries
- JANUS et Cie (a five year sponsorship of the Sydney RSHYR Village)
- Land Rover (2017 Winter Series, and LRSGCYR)
- Morton's Hire (sponsorship of the Hobart Race Village)
- Mumm Champagne
- Sharp (Australian Youth Match Racing 2017 2020)

- Smartsheet (three years in specialist planning software)
- Tourism Tasmania (Sponsorship in the RSHYR Hobart Village)
- Pipers Brook Vineyards and
- Ponant was recently welcomed by our CEO as the sponsor of the Sydney Noumea Yacht Race.

Club personnel

I have maintained for quite a while that we need more people on staff to task with many new initiatives that will ultimately deliver more value for members.

Accompanying the many changes in 2016-2017 are the appointments to join our CEO in Accountant James Butchers, Commercial and Business Development Manager Kathy Symon and Marketing and Communications Manager Ross Macdonald.

My thanks to the managers who are constants for the club, Justine Kirkjian, Michael Neumann and Marina Gibson and their teams. A special thanks to Vicky Huang who proved indispensable with her versatility especially in our liaison and publications with the Chinese Sailing stakeholders. Thanks also to the Blond Catering Team lead by Jesper Hansen, with Anna Persson, Liz Dickson and head Chef Will and their functions and bistro team for their hard work and the improvements in catering.

We have always been supported by volunteers and we will seek more volunteers to help with key initiatives to enhance the welcome to visiting local and overseas sailors, especially with the addition of the Clipper fleet in 2017, and the conduct of critical support of our key events.

I thank all the committee members and particularly the Associates for freely contributing. And I especially thank the Board for supporting this year's large agenda and being prepared to act quickly to drive the necessary changes.

None of the directions of the Board could be actioned without an effective CEO and management. In Karen's first full year so much has been achieved that the tasks could easily have been spread over several years with no objection. Karen is a very accomplished sports administrator. She has worked with total commitment and over each weekend as well. I thank Karen very much for her dedication and passion. The club is in very good hands.

And besides completion of this year's projects, what's ahead for this coming year? A continuation of governance reform and a review of the Constitution; planning for our 75th anniversary; developing alternative revenue streams; our support of the Invictus Games, and a redesign of the marina at the end of A arm (eliminate issues with berthing in variable conditions for the larger boats and create an additional space) and further work on our archives, to name a few.

The club was built on the foundations of the spirit of friendship, comradery and competition, driven by a passion for excellence and a great appreciation for sailing that definitely continues today. This personality underpins the club activities and an engagement with a wide community each sharing that passion and temperament. I am confident we will keep this focus and I look forward and remain available to continue to work with the Board and management to keep this club in very special regard.

I thank members and those who have engaged with me on club business for unfailing courtesy and cooperation.

The club was built on the foundations of the spirit of friendship, comradery and competition, driven by a passion for excellence and a great appreciation for sailing that definitely continues today

2016//2017 TREASURER'S REPORT

Treasurer Janey Treleaven

2016/2017 saw a return to profit of \$70,481 and was favourable to the prudent budget set by the Board after a year of change and innovation in 2015/2016.

Financial Summary

For Members ease of reference, I have summarized certain key financial information as to the Club's performance and position over the last three years:

	2017 \$	2016 \$	2016 \$
Income statement			
Profit/(Loss) for the year	70,481	-195,873	875,197
Cashflow			
Net cash (decrease)/increase	608,358	820,242	943,698
Balance sheet			
Current Assets	7,194,451	6,967,093	6,004,648
Non-Current Assets	7,987,065	7,959,653	8,547,790
Current Liabilities	1,703,928	1,673,695	1,115,440
Non-Current Liabilities	5,348,609	5,194,553	5,182,667
Members Funds	8,128,979	8,058,498	8,254,371
Number of Members	2861	2894	3002

Profitability

Revenue remained stable year-on-year, increasing 1.7% from \$8,379,681 to \$8,518,432, mainly related to a 5% increase in permanent berthing rates from October 2016. Further to this, permanent berthing has been operating at its maximum capacity for the majority of the financial year. Other increases included new sponsorship and partnerships with JANUS et Cie, Sharp, Smartsheets, Tourism Tasmania, Peroni (CUB) and Mumm Champagne, increased race entries and 5% increase in casual berthing rates.

These increases were offset by:

- A slight decrease in subscription revenue due to a 1.2% decrease in members.
- Approximately \$50k of lost revenue from bar, food and room hire due to the power outage on 2 Dec 2016.
- Lower interest rates.

Total operating expenses also remained relatively stable, decreasing 1.6% from \$7,875,088 to \$7,742,965. The year-on-year decrease primarily comes from the one- off expenses last year such as the CEO transitions, change of caterers, improvements to the "look and feel" of the Club and expenditure on the Clubhouse refurbishment planning process. Sailing event costs also decreased during the year with management implementing measures to control costs associated with the facilities provided at the Rolex Sydney Hobart Yacht Race villages.

This decrease was offset by:

- A significant increase in property expenses due to the costs associated with the restoration of the Annex building.
- Repairs and maintenance increases such as to refrigeration, kitchen appliances, marina pedestals, decking, car park gates and building signage.

Capital Expenditure

During the year there was just over \$1,060,000 of capital expenditure which included circa \$450,000 on progressing the Refurbishment through to DA approval including architects design and specifications and \$611,175 of assets purchased during the year.

Significant items purchased included:

- Two Brig's for the YSA
- AV equipment upgrades including Sharp printers, interactive whiteboards, monitors, laser projectors and LG televisions
- Fire services and hydrant to upgrade marina safety
- Marquees, Astroturf and containers for the two Rolex Sydney Hobart Yacht Race Villages
- Installation of a disabled ramp up to the hardstand
- Enhanced CCTV and access control systems

Liquidity

The Club's working capital position has improved 1.5% - up \$95,388 from \$6,465,713 to \$6,561,101. This slight increase reflects the increased capital expenditure during the year as we get ready for the Refurbishment project to commence.

Outlook for 2017

2017/2018 will see the Annex Refurbishment started and finished (Stage 1) and the start of the Clubhouse Refurbishment (Stage 2). The Club is expecting to spend (with professional fees, contingencies, council fees and levies) some \$9m on the two stages over the next two years.

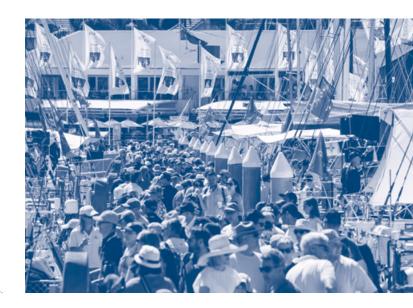

This staging has been designed to minimise disruption to member facilities and Club operations, however the impact of the Clubhouse closing 1 February 2018 will mean a loss next year due to reduced revenue from the bars, bistro, rent (New Beach Road café closed), external functions and increased expenses from operating a temporary Clubhouse on the hardstand. For more information on this project please refer to the Redevelopment Committee report.

For the first time in seven years, the Board has decided to increase Membership fees by 15%. This increase allows us to keep pace with the increasing costs of running a Club like ours which we have been absorbing for some time. Whilst not an easy decision to make, it was made in the best interests of the Club's continuing financial security as we enter a period of significant reinvestment. In future years there will be smaller, more regular increases to keep pace with increasing costs.

Chief Executive Officer Karen Grega, her team and the Sub-Committees continue to ideate and implement changes that drive efficiency and innovation. Solgen solar panels will shortly be installed on the main clubhouse roof to reduce our annual spend of \$100k on electricity by 12%. In addition, the refurbishment will use low energy appliances where possible, LED lighting and improved insulation. A Commercial and Business Development Manager has been recruited to identify new sponsorship opportunities and secure ongoing commitments from current sponsors.

Both leases (wet & dry as we call them) are coming to an end and we are in advanced negotiations with both State Government landlords to secure the Club's long term occupancy of Rushcutters Bay.

In closing, I would like to thank the new Club Accountant James Butchers for his seamless transition into the role, taking over from Sandra Bloomfield who left the Club in June 2017 after 13 years of service to be closer to home and family.

2016//2017 REDEVELOPMENT COMMITTEE REPORT

Vice Commodore Paul Billingham, Chairman

Bringing our plans to life

In the 2015/2016 annual report I discussed the progress of the Redevelopment Committee towards both securing the Club's long term tenure of its New Beach Road home and developing a blueprint for the future.

This past year has seen those plans finalised and, as I write, the first Stage of the redevelopment is now underway.

Lease extensions

Before moving on to discuss the redevelopment works, it is also important to note that over the past year we also completed the final stage of the hardstand works. This required the installation of a new fire hydrant system, obtaining the correct certifications and lodging the myriad of final paperwork to make the hardstand fully compliant and so clear the way for lease extension discussions.

We have subsequently made great progress negotiating to extend the land and water leases with our two landlords -Department of Lands and the RMS, and expect to shortly secure extensions of both leases until 2052.

I should also say that along the way both landlords have been incredibly supportive of the Club and its redevelopment planning - including supporting both of the successful formal Development Applications we made this year (for the Race Village and Annex/Clubhouse refurbishment).

Sir David Martin Reserve

Next a quick update on the Youth Sailing Academy premises, and after completion of building maintenance works by Woollahra Council, in early May the Youth Sailing Academy successfully moved into its new premises (which offers twice the space it previously enjoyed) and just in time for refurbishment work to commence on the Annex.

As I flagged last year, we see this move as the first exciting stage of an expansion of our youth training programs and are now in dialogue with interested parties on the long term future of the Sir David Martin Reserve site.

The refurbishment

So onto our major redevelopment project - and at long last work is underway to refurbish both the Annex and Clubhouse, along with ancillary works to repair the deck structure and to grade and resurface the car parks.

Members' attention is drawn to the periodic updates on the website specifically detailing the progress of the refurbishment which I won't repeat here, however suffice to say the Club expects to have completed all interior and deck works by October/November 2018 (but probably excluding the large car park resurfacing which may have to take place in early 2019).

Importantly the Club aims to have the builders off site throughout all of December 2017 and January 2018 the busiest times of the year; and the CEO has already announced it will then be necessary to relocate the social side of Club activities into a new purpose built temporary facility to be located on the hardstand from February 2018 until the conclusion of the Clubhouse works. A development application will be lodged shortly with Woollahra Council to support this.

The facility the Club aims to construct on the hardstand will provide a great temporary clubhouse for Members of at least the same size as the current Sydney Hobart bar and deck area. It will then conveniently double as the base for the recently announced sailing program of the Invictus Games in late October 2018.

This timetable has been carefully planned to minimise the impact on Members, the running of our major events and the imposition on our neighbours and my thanks go to the team of consultants lead by architects AJC and Project Manager Nix Anderson for their dedication in achieving this.

We have every reason to expect that the work will be completed by early 2019 so we can celebrate the Club's 75th anniversary in style - but I ask for Members support and patience during the construction phase.

Summary

Club management lead by CEO Karen Grega and Operations Manager Michael Neumann have worked tirelessly this year, expertly supported by many consultants and advisers, too numerous to name.

My own committee of Rear Commodore Arthur Lane, Treasurer Janey Treleaven, Director Leander Klohs and Member Rhonda Carr have met officially and unofficially on too many occasions too count as we finessed the overall plan and discussed the minute details of the refurbishment. We now eagerly wait to see the end result!

Finally I wish to acknowledge the passing of Howard Bersten, Director of TLB Engineers on 8 April 2017 after a short illness. Howard provided invaluable advice and technical expertise to the Club for many, many years and indeed was working on the deck repair program until the end. Vale.

2016//2017 SAILING COMMITTEE REPORT

Rear Commodore Noel Cornish AM, Chairman

The 2016-17 sailing season was a great success. Our extensive sailing program includes; the Blue Water Pointscore, Ocean Pointscore, Grant Thornton Short Haul and Grant Thornton Short Ocean Pointscores, the Maker's Mark Monday Twilight Series, the Club Marine Wednesday Twilight Series and the Land Rover Winter Series and the Spring Series.

Thank you

Thank you to our sponsors; Rolex SA, Land Rover Australia, Grant Thornton, Maker's Mark and Club Marine for their highly appreciated contribution and assistance which allows us to conduct one of Australia's finest yachting programs.

I would also like to thank the members of the Sailing Committee for their ongoing commitment and valued input; Directors Anthony Kirby, Arthur Psaltis and Sam Haynes, members Denis Doyle, Les Goodridge, John Kirkjian, David Burt, Bradshaw Kellett and our permanent guest Tim Cox. The experience and dedication that they bring to our Committee always makes this Committee a pleasure to Chair.

Sydney Noumea Yacht Race in 2018

The Committee continuously examines and reviews the annual sailing program in a bid to foster improvement in the Club's racing program. This year's initiatives included the addition of Spring and Summer pointscores to the Club Marine Wednesday Twilight Series and the relaunch of the Sydney Noumea Yacht Race.

Improvements planned for CYCA website

The Sailing Office team have been working closely with MySail.team to assist with finding crew and managing your crew/racing. They have also been working on the online entry system to tweak the system so it is as user friendly as possible for competitors entering our races.

The handicapping and rating systems continue to be monitored with continued support for IRC as the predominant rating system. Rating systems are always evolving and it has been beneficial that both rating systems have had staff in Australia in the past 12 months that have been available for club Sailing Managers to meet with and discuss any issues.

Volunteers

The Club is very fortunate to have enthusiastic volunteers that assist with our racing. Thank you to; Denis Thompson, Robyn Morton, and Steve Kidson for acting as Principal Race Officers, and the race management team; Maryrose Heffernan, AJ McManus, Jennifer Birdsall, Narelle Ryan, Richard Ferguson, John Allan, Sarla Holmes, Brad Friar, Jim Lelliott and our Crew Liaison officer, Rob Skol.

Marine Rescue NSW

We are grateful for the assistance and ongoing support of Marine Rescue NSW who assist us with the conduct of the pre-race radio checks for both the Land Rover Sydney Gold Coast Yacht Race and the Rolex Sydney Hobart Yacht Race.

I would like to thank the following people;

- Tim Cox who provides strong and effective management of our various major Race Committees.
- Our dedicated International Juror, John Kirkjian who assists with our juries and protest committees.
- Geoff Askew, Jon Williams and Steve York, our Emergency Management Team Leaders for all our Category 1 & 2 races, and their team of volunteers who standby in the event they are mobilised during a race.
- Denis Doyle and John Allan, who acted as our Mobile Emergency Management Team stationed in Eden during the Rolex Sydney Hobart Yacht Race.

Congratulations

Congratulations to Jim and Kate Delegat who were declared the overall winner of the 72nd Rolex Sydney Hobart Yacht Race with their Volvo 70 Giacomo. This year's race was unprecedented with all boats finishing by 3pm on the 30th December (that's 83 boats finishing within 4 days and 2 hours!). Congratulations to the three boats that beat the race record; Perpetual Loyal, Giacomo and Scallywag. The open race record now held by Anthony Bell's Perpetual Loyal stands at 1 day 13 hours 31 minutes and 20 seconds.

The Land Rover Sydney Gold Coast Yacht Race consisted of a very strong fleet of 75 boats. Congratulations to overall winner, Matt Allen's Ichi Ban. Koa (Andy Kearnan & Peter Wrigley) placed 2nd overall and M3 (Peter Hickson) in 3rd.

This year the overall Blue Water Pointscore (the IRC Pointscore of the Blue Water Series) was won by Rupert Henry's JV 62, Chinese Whisper closely followed by Ichi Ban and last year's Blue Water and RSHYR winner Paul Clitheroe's Balance in 3rd. In IRC Division 1, Ichi Ban was 1st followed by Chinese Whisper and M3. IRC Division 2 was won by St Jude followed by Queenslander Robbo Robertson's Bravo and in 3rd place Black Sheep (Derek & Martin Sheppard).

The overall Blue Water Pointscore results were mirrored in the ORCi overall Pointscore (the Cape Byron Series) with Chinese Whisper winning the series from Ichi Ban and Balance. In ORCi Division 1, Chinese Whisper was 1st followed by Ichi Ban and Koa. In ORCi Division 2, Black Sheep placed 1st followed by Bravo and Shane Kearn's Komatsu Azzurro.

The Tasman Performance Series (the PHS Pointscore of the Blue Water Series), was won by St Jude with Ichi Ban following in 2nd and Jim Delegat's Giacomo in 3rd. Giacomo won PHS Divison 1 followed by Ichi Ban and RKO (Aaron Rowe). PHS Division 2 was won by St Jude followed by Pazazz (Rob Drury) and Bravo.

The Line Honours Pointscore of the Blue Water Series was convincingly won by Giacomo followed by Chinese Whisper in 2nd and Ichi Ban in 3rd. It was wonderful to have international and interstate boats compete in the series.

Julian Farren-Price secured the Ocean Pointscore for IRC for the 8th time with his boat About Time. Balance was 2nd on countback to About Time and Nine Dragons followed in 3rd. The ORCi Series was won by Balance, followed by About Time and The Goat (Sebastian Bohm). The PHS series was convincingly won by Colin and Denise Wilson's Never a Dull Moment followed by Balance and About Time.

In the Grant Thornton Short Ocean Pointscore, Imagination (Robin and Annette Hawthorn) again won IRC Division 1 followed by Flying Cloud (Howard Piggott) and The Goat. In a role reversal PHS Division 1 was won by The Goat, followed by Flying Cloud and Imagination.

In Division 2, Peter Franki's Saltshaker won the IRC pointscore, followed by Crosshaven (Sean Rahily & Justin Pelly) and Stormaway (Jack Stenning & Colin Gunn). PHS was won by Crosshaven from Saltshaker and Shibumi (Bryan Moore).

The Grant Thornton Short Haul Series was as always, hotly contested with 33 boats entered in the series. Vice Commodore Paul Billingham's Defiant was triumphant in winning the PHS series followed on countback by Macscap (Peter McClelland) and in third place L'Attitude (Rob Hunt,

Jon Short and Miles Bastick). In the IRC pointscore, One More No More (Ian Guanaria) for the 4th year in a row was declared the winner with L'Attitude finishing 2nd and Bear Necessity (John Blair) in 3rd.

Next (Phil Tomkins) was again successful in winning the Maker's Mark Monday Twilight Series in Division 1 PHS. Kirribilli (Adrian Abbott) again finished in 2nd and Sinewave (Greg Mason & Barb Maunsell) followed in 3rd. Division 2 PHS was won by Anthony Booth's Selkie with Superfine (George Waldthausen) finishing in 2nd and Black Diamond Bay (Kerry Lehman) in 3rd. The IRC pointscore was won by Next with Kirribilli in 2nd and Ginger (Leslie Green) in 3rd.

In March the club successfully hosted the Australian Yachting Championship and congratulations must go to Karl Kwok and his team on Beau Geste for winning the IRC Championship for the fourth consecutive year.

The Top Jocks Regatta concluded our Summer Series. This year the Top Jock Regatta included 2 short harbour races along with 4 windward/leeward races conducted in our fleet of Elliott 7's. Richard Williams and a few of his Calibre crew won the regatta followed by teams from Next and Patrice.

Congratulations to all competitors that competed throughout the year in our events.

Thank you to the CYCA's Sailing Manager, Justine Kirkjian and her team in the Sailing Office; Stephen Craig, Tara Blanc-Ramos and Emma May for their outstanding service and support.

2016//2017 TRAINING & DEVELOPMENT COMMITTEE REPORT

Director Arthur Psaltis, Chairman

The Training & Development Committee including Leander Klohs (Director), Angelique Kear, Shahrzad Vahebzadeh, Steve Jarvin and Tom Barker (from overseas), supported by, in the YSA, Head Coach Jordan Reece, YSA Administrator Pam Scrivenor and Sailing Manager Justine Kirkjian, is pleased to present to the CYCA members an overview of the operations and achievements of our youth sailing program over the financial year.

The CYCA welcomed Jordan Reece in April 2016 as the new Head Coach for the YSA. With the benefit of a full year behind him, Jordan is now leading the coaching team and implementing new ideas and updating our programs and regatta schedule.

Also with myself now just over a year in this seat, we have commenced a comprehensive review of our training and development strategy so as can continue to grow and strengthen our offering and reputation for youth sailing.

In May, the YSA launched the first of three new Brigs to replace the current blue Avon ribs. The Brig was dedicated and named 'Don Mickleborough' in a wonderful family day with Don's daughters and grandchildren joining the celebration. The next two boats arrived later in the year and all three are now working well for the YSA during training, squads and regattas.

Over the year, 87 sailors participated in winter and summer training squads and 61 students attended one of four school holiday courses on offer.

The YSA is very fortunate to have such strong support from the CYCA membership. The YSA relies on members to take youth sailors on board for harbour and offshore races extending their keel boat experience and including them in crews for major regattas. 20 current YSA squad sailors took up this opportunity to sail with members during the Land Rover Winter Series, CYCA 7s Series, Land Rover Sydney Gold Coast Yacht Race and Rolex Sydney Hobart Yacht Race. Over 35 current and graduate YSA sailors have also secured exciting overseas sailing opportunities with both Australian and international teams.

Members have also assisted the YSA sailors in loaning their boats for match racing training prior to regattas in larger keel boats and continue to make their boats available to accommodate

visiting youth sailors who are competing in YSA regattas. For this we are very thankful. We are unaware of any other clubs who are as generous as the CYCA members in support of their youth programs and we greatly appreciate this support.

Other highlights of our Youth sailing program include four YSA students competing in their first Rolex Sydney Hobart Yacht Race while many others continue to support the members competing in Land Rover Sydney Gold Coast, Airlie Beach and Audi Hamilton Island Race Weeks along with Summer and Winter series races held at CYCA. Many YSA sailors continued to compete on the World Match Racing Tour with the two CYCA teams of CYCA KA Match and CYCA Down Under Racing winning events on the WMRT. Another alumnus, Will Ryan also competed in the 2016 Rio Olympic Games, winning a Silver Medal for Australia in the 470 class with skipper Mat

In October, the YSA introduced a young member's series onboard the YSA Elliott 7s. The Series was created to encourage our younger members and new members to the club as well as generate another competitive platform for existing members to compete in the sport of sailing in fleet racing. The first series was a resounding success with over 12 applications for the 8-boat fleet. A second series was run in March 17 and plans have already started for the 2017 Spring and 2018 Summer Series'.

October also saw the introduction of a new training squad for the YSA to replace the existing Women's Squad program. The Summer Performance Squad opened applications to all sailors looking to participate in an exciting new training and development program overseen by Head Coach Jordan Reece. The new eligibility criteria enabled new members to participate in the series with over 20 participants signing up. The new program will continue in 2017 with the ambition to draw in over 40 participants by 2019

We are investigating how we can extend our reach into secondary schools to offer young sailors the chance to be part of the exciting YSA program. So far the Scots College has responded with 11 students participating in the development and advanced squads. We see this as an obvious growth area. We also want to explore how we can increase the utilisation of the boats for members in general and are open to new ideas such as the 7's series.

Over the past twelve months the CYCA Youth Sailing Academy has achieved great success in all three divisions in match racing (Open, Youth & Women's). Harry Price, Angus Williams & Ben Robinson secured a Silver Medal at World Sailing Youth Match Racing World Championship in Noumea, New Caledonia, and won the Club Marine NSW Youth Match Racing Championship.

September saw Hobart host the Women's Match Racing Championship, with Caitlin Tames, Emma Harrison, Tara Blanc-Ramos and Jess Grimes fighting hard all series and came away with a very creditable 2nd place for one of the CYCA best women's results in years. The team then backed this up with another 2nd place at the Marinassess Women's Match Racing Championship (CYCA).

Success continued in September for the CYCA with the club hosting and winning the Sharp Australian Youth Match Racing Championship as well as the Musto International Youth Match Racing Championship which became a Grade 2 match race in 2016. Rounding off the circuit, young YSA sailor, Finn Tapper, competing in his first international youth match racing event, won the CentrePort Wellington International Youth Match Racing Championship in February with Tom Grimes, Nick Thyne and Paddy Dawson as crew.

Harry Price, Ben Robinson and Murray Jones also won the Detroit Cup Grade 2, Chicago Grand Slam Grade 2 and won the overall US Grand Slam Series, qualifying for the WMRT Congressional Cup in March, finishing 10th. These overall successes for Price and his team have also seen him climb to a CYCA World Sailing Ranking best of World #3.

Off the water, the YSA has relocated to the Sail Loft building adjacent to RANSA to enable renovation of the Annex building to commence, signalling the first phase of the CYCA redevelopment program. While this is a big change for the YSA being separated from the CYCA building, the staff are working hard to be able to accommodate its programs with as little disruption as possible.

In closing we extend our appreciation to our many supporters, Elliott sponsors including Musto Australia, Walker Corporation, Steadfast-IRS, Club Marine, d'Albora Marinas, Elliott Marine, Sultanate of Oman, Toga Group, GME, Hood Sails, Harken, Noakes Boatyard and Regatta sponsors including John Messenger & Marinassess, Phil Tomkins & Shelving Systems and Dean Harrigan (Capt John Piper Regatta). Without these fine organisations we would not be able to run the program efficiently. I encourage members to remember this when they are seeking marine services.

CYCA YSA Calendar April 2016 - March 2017

Advanced Squad events:

- Kellett Shield Fleet Racing Regatta
- Shelving System's Match Racing Regatta
- Captain John Piper Match Racing Regatta
- Interclub Challenge (RPAYC, CYCA, NCYC, RSYS)

CYCA hosted events:

- Club Marine NSW Youth Match Racing Championships 1st, 4th, 5th, 6th & 8th
- Marinassess Women's MR Regatta 2nd & 3rd
- SHARP Australian Youth Match Racing Championship 1st & 4th
- Musto International Youth Match Racing Championships
 1st

The YSA represented the CYCA in the following regattas:

- Ficker Cup, Long Beach USA 5th
- World Sailing Youth MR Championship, Noumea 2nd
- Governor's Cup, USA 4th
- New Zealand Women's MR Championship, NZ 4th
- US Grand Slam Series (4 US MR events) 1st
- Australian Women's MR Championship, Hobart 2nd
- Sail Mooloolaba (QLD MR Championship) 3rd
- Victorian MR Championship 3rd
- Harken International Youth Match Racing Championship
 7th
- Warren Jones (U25), Perth 5th
- Hardy Cup (U25), Sydney 7th
- Nespresso International Youth Match Racing Championship
 7th
- CentrePort Wellington International Youth Match Racing Championship – 1st

Regattas held in the Elliott 7s:

- Top Jocks Regatta
- Australian Defence Forces Regatta
- Scots Parents & Sons Twilight Regatta
- Property Industry Foundation Regatta

Sailors competing in their first Rolex Sydney Hobart Yacht

- Ben Robinson
- Kathleen Stroinovsky
- Lauren Gallaway
- Charlie Gundy

YSA students and graduates have also performed and trained several one-design classes, including:

- Will Ryan won a silver medal at Rio Olympics crewing for Mat Belcher in 470 class
- MC38 Nationals, 10 past and current YSA members across six boats
- Many YSA graduates competed in Etchell state and national
 titles.
- 12 YSA graduates and sailors competed on the World Match Racing Tour

2016//2017 MARINA & SITE COMMITTEE REPORT

Rear Commodore Arthur Lane, Chairman

Your Marina and Site Committee continues with its overall responsibility of ensuring that the Club's assets and facilities are maintained at the highest standards possible and satisfaction for the use of the members.

The Club's management team has again demonstrated their dedication in the very effective preventative maintenance schedule that they work to. They continue to showcase their ability and agility to deal with and resolve the very many unexpected issues that arise in a marine environment, and in a rapidly ageing infrastructure that has strict budget and capital expenditure controls.

The work ethic and extensive hours that Michael Neumann our Operations Mand his team of Tom Giese, Max Leonard, Stephen Cole and Max Henderson put into the day to day management of the marina and site to make our use of the facilities so assessable are very much appreciated by all.

Much has been achieved over the past year and the new hardstand has proven itself as a very valuable and versatile piece of real estate. Over and above its primary use as dry storage for certain classes of yachts it has been a spectacular space for the Rolex Sydney Hobart Race Village and its various functions. It will now also become the area to hold the temporary accommodation for a number of office and workshop facilities needed by the Club for the next 18 months during the redevelopment phase of the Club House and the Annex building.

Licences

The new licence agreements for both permanent and temporary berths and the marina By-Laws have been approved by the Board. All yacht owners occupying berths will be issued with these when their present licences expire. The Board has also accepted the Committees recommendations with regard to reducing the period of time that a berth holder may hold over a berth if they are not occupying it. The Board has also accepted the Committees recommendation with regard to any inactive vessels on the marina in order to reduce the waiting list for active members requiring berths. The Committee has adopted a matrix that will provide a fairer and more transparent method for assessing the difficult task of allocating berths when they do become available.

The Committee together with management, is reviewing a number of feasibility studies to reconfigure the end of A arm of the marina for larger vessels.

Clubhouse and Annex

The land based assets are undergoing extensive long overdue refurbishment over the next 18 months, however the management team will still have an enormous amount of work maintaining the assets before their replacement and upgrading.

The Club will also separately install a 49.3 Kw solar energy system to the roof of the existing club-house in order that we may have more control over the ever increasing cost of power. The solar system will provide approximately 12% of the Clubs annual power needs.

The number of parking bays will be reduced during the construction stage and there will only be a similar number to what we have now once all work is finished. On completion the Club will have had installed its new 'smart card' system and there will be the ability to have a far greater control of the usage of the bays for the members of the Club. The operations team has also been working with the architects and consultants to ensure that low energy appliances, LED lighting and improved insulation is incorporated in the refurbishment to help minimise the power costs needed to run the Club's facilities.

Thank you to the Committee Members

I would like to acknowledge and thank the Committee for all its very valuable input and time over the past year. Having the knowledge, skills and diverse abilities of past Commodores John Messenger and Kerry Roxburgh, Andrew Wenham the previous Chairman of this Committee, David Jacobs, Brad Kellett and fellow Director Sam Haynes has allowed this Committee to work through and resolve the many issues that have arisen over the year.

2016//2017 AUDIT PLANNING & RISK COMMITTEE REPORT

Rear Commodore Noel Cornish AM, Chairman

The members of this Committee are: Vice Commodore Paul Billingham, Treasurer Janey Treleaven, Director Arthur Lane, David Jacob and Michael Pelosi. Julia MacFarlane joined the Committee towards the end of the year. I would like to thank the team for their dedication and commitment and welcome Julia who brings significant risk management experience to the work of the Committee.

The Committee continued to undertake is traditional role of planning, overseeing, reviewing and checking matters that underpin the functioning of our Club such as operating budgets, capital expenditure, annual accounts, auditor's reports, critical communications, contracts, sponsorship agreements, insurances, notices of races and sailing instructions.

In addition, there has been increased work this year associated with our Club redevelopment such as reviewing development approval applications and options and agreements with architects, project managers and builders.

As the complexity of managing the business and activities at the CYCA is increasing both on and off the water, I would like to express my gratitude to the management, the Committee and the Board for their focus on enhancing the governance and the risk management function at our Club.

The Committee continued to undertake is traditional role of planning, overseeing, reviewing and checking matters that underpin the functioning of our Club

2016//2017 MEMBER SERVICES COMMITTEE REPORT

Rear Commodore Arthur Lane, Chairman

Members will have already seen and experienced the results of the Technology Committee and managements work over the past year in designing and introducing the upgrades to our back of house financial systems and the new Point of Sale terminals. This will allow the introduction of new Smart Cards to be issued to the membership in the near future. These new Smart Cards will enable the introduction of house accounts, purchases and a reward system for the frequent use of the Club's facilities and services.

I would also like to acknowledge and thank the Committee for all its very valuable input and time over the past year. The support of Karen Grega our CEO and Christina del Conte our HR and Members Services Manager, Marina Gibson the Club's Senior Duty Manager, Anna Persson from Blond Catering, Pam Messenger and Jane Bartrum from the Associates Committee, Lucas Roe, Justin Atkinson and Kevin Mendes and my fellow director Leander Klohs.

Their knowledge, skills and diverse abilities have all helped his committee to work through and resolve the many issues that have arisen over the year.

Breakfast Club

One of the great joys on a winter Sunday is the great breakfasts that Niel Burling and his team of volunteers put on and they are very much appreciated. With the funds raised they have again given \$2,000 to the Pambula Hospital, donated \$2,000 to the CYCA SOLAS Trust, supported the YSA with \$2,000 so that they could send a team to the Sweden to partake in the Youth M32 World Championships, provided \$3,000 towards the cost of a portable marquee, \$1,500 for the Club to purchase a TV for the Coaster's Retreat and again supported the annual Quiet Little Drink with their catering and volunteer services

Associates Committee

Once again the Associates Committee have under the leadership of their President Pam Messenger produced another successful year of events such as the Trivia Nights in winter, the Ladies Night networking, the CYCA SOLAS fund raising dinner, the Masquerade Party, the Rolex Sydney Hobart Yacht Race Crew Party and the Children's Christmas Party.

Young Members Committee

The Young Members Committee continues to support the Club's initiatives aimed at engaging our young members as well as those 'young at heart'. The Committee's goal is to better understand the needs and interests of young Club goers and to provide recommendations and guidance for consideration by other Committees and the Board.

As a result of one of the Young Members Committee key initiatives we saw the introduction of the '7s Series'. A popular, competitive race series targeting crews wanting to improve their teamwork and skills, and for those who want to have some good, clean, competitive fun. The series is comprised of fleet races on weekday evenings in the Club's fleet of Elliott 7s. The first two series (Summer and Spring) were held in 2016/17 and were hugely successful, with over 20 crews registering. A third series is scheduled for October later this year.

Social events continue to be a focus for the Young Members Committee and the recent End of Summer Party in April saw over 120 members and their friends enjoy the last of the warmer weather out on the deck.

Volunteers

The club has a long tradition of Members volunteering for the many tasks required to run a sailing Club. Our success is underpinned by the participation of so many members who volunteer their time and energy to:-

- attend to the functioning support of all our race days,
- the support and crew preparation for the Rolex Sydney Hobart Yacht Race,
- the training and backup to the Youth Sailing Academy and all its associated events,
- the breakfast club,
- the directors and the members of the various committees that give so much guidance and advice to the management,
- The Associates who tirelessly generate so much goodwill with their fundraising events and other social events.

It does take time and energy from everyone, but is always a lot of fun and also a great social platform for meeting and enjoying each others company.

Sponsors

In addition we would not be able to exist without the invaluable support that we receive from our tremendous supporters

- Rolex for its ongoing support of the Sydney Hobart Yacht Race
- Land Rover Sydney for its support of the Sydney Gold Coast Yacht Race and Winter Series
- Club Marine who support the Wednesday Twilight Series
- Makers Mark supporting the Monday Twilight Series
- Grant Thornton for their support for the Short Ocean and Short Haul Series
- JANUS et Cie for the supply of high quality outside furniture for the Rolex Sydney Hobart Race Village.

I would also like to thank the many local businesses, organisations and marine industry suppliers who sponsor the very popular Members Badge Draw at the Club on Thursday evenings.

- Active Casual
- Aeolian Luxury The Yacht Escape
- Blond Catering
- Boat Crew Gear
- Carlton United Breweries
- Corporate Awards Australia
- Delta Marine
- Gold Coast City Marina
 & Shipyard
- IQ Komodo
- Mariner Boating Holidays

- MediAire
- Oatley Wines
- Ormond Street Garage
- Pacific Sailing School
- Peppers Anchorage
- Performance Boating
- Steve Jarvin Motors
- Sturrocks
- Vicsail Sydney
- Wickman's Fine Wine Auctions
- YOTI

2016//2017 CYCA SOLAS TRUST REPORT

David Kellett, Chairman

The CYCA Sydney to Hobart Race SAFETY OF LIFE AT SEA Trusts (CYCA SOLAS TRUSTS) were established following the tragic loss of six lives in the 1998 Sydney to Hobart Yacht Race. They continue to raise funds for disbursement to needy families and safety organisations.

The CYCA SOLAS Trusts have a 100% flow through to the beneficiary from donations making the Trusts truly unique and with great impact, with administration and management costs to run the Trusts absorbed by the CYCA.

This past year has been one of consolidation and fund raising to build the coffers, however we have made disbursements of \$50,000 to Westpac Life Saver Helicopter and VMR Midge Point.

The annual SOLAS dinner with Olympian Matt Belcher as guest speaker raised in excess of \$30,000. The other major fund raising is through the Rotary Charity Regatta where with the support of many CYCA boat owners, we raised \$10,000 for SOLAS. We are pleased to report that we recently entered into an agreement with the Sydney Cove Rotary Club to work

together to grow the Charity Regatta to increase the level of fundraising. Thank you to all the members who support this worthy cause.

2016 saw a charge of Chairman when Matt Allen who had been Chair for 10 years retired and David Kellett became Chairman. During Matt's tenure as Chair, the Trusts had passed an incredible milestone of donating in excess of one million dollars in disbursements. We thank Matt for his great commitment to the Trusts and have asked him to remain as a Trustee.

Also retiring as a Trustee were Commodore John Cameron and long serving Trustees Alan Green and Don Telford. We thank them for their commitment over the years. Vice Commodore Paul Billingham and Directors Leander Klohs and Arthur Lane have been appointed Trustees who join David Gotze, Matt Allen and David Kellett as the six Trustees. Karen Grega has been appointed the Secretary of the Trusts. Thank you all for your efforts and commitment.

The CYCA members should be proud of the activities of the SOLAS Trusts.

2016//2017 CRUISING CAPTAIN'S REPORT

Cruising Captain, John Keelty

I am pleased to report that the 2016-17 Cruising Committee enjoyed another very interesting and busy year. Committee members have been active behind the scenes organising a number of interesting and informative events for Members and their quests.

You may recall in 2016 the Spirit of Cruising program was instigated to assist in promoting cruising within the club.

Onshore events have included information evenings with attendees at times numbering in excess of 80, and casual dinners in the Rani room with attendees numbering up to 60 (the room capacity). We had guest speakers on various subjects both technical and cruising for the casual dinners and the outstanding presentations of Chris and Jessica Bray on their passage through the North West Passage and John Vallentine on his voyage down the Volga River from the Artic, through Russia to the Black Sea.

Other highlights on the Cruising program over the last 12 months include:

- A very informative night on 'Knowing the Ropes' the different types, how they are made and when to use which rope
- A great presentation by Peter Bland about his expedition to the North Magnetic Pole, hauling a sled 700km across the frozen Arctic Sea after undergoing his second bout of major heart surgery. Following his trips to the wilderness Peter went on to raise more than \$14million for Australian charities. Peter shared many dimensions of these life changing experiences.
- A Marine Safety Day attended by AMSA, Kordia
 Communications, NSW Water Police, NSW Ambulance
 Helicopter, NSW Marine Rescue, GME and Roads and
 Maritime Service and included presentations as well as
 in water and flare demonstrations. It was an extremely
 informative day as all who attended will attest.
- A very informative presentation by Michael Prince on Marine Hydrography and electronic charting which reminded us why accurate information can be so important.

This year has seen the Spirit of Cruising events expand to encompass on water events on Pittwater, Lake Macquarie and the harbour.

It is planned that on water events will expand to offer a greater variety of destinations and the inclusion harbour rendezvous cruises and rendezvous passages further afield.

The committee believes that progressing Spirit of Cruising will ensure greater Club participation by members. To ensure that greater publicity is given to events and individual cruising activities we have instigated expanding the Cruising Web Page to include links to other cruising organizations and web pages and are considering a Spirit of Cruising Facebook page. Until this is organised ensure you are signed up to the CYCA's weekly online newsletter for updates on what is planned.

The 2016-2017 calendar also included the S2H rendezvous cruise to Hobart which provided CYCA support to those who sailed South to attend the Tasmanian wooden boat festival and/or joined in the cruising in company to many of the fine anchorages in Tasmania. Denis Doyle was at the helm for this event, both in organizing it and cruising south on Ariki Tai. The rendezvous in Hobart was celebrated by the traditional Shippies dinner with approximately 30 in attendance.

The Cruising Committee continues to provide input to the Sailing committee for a cruising component in the CYCA's 2018 Race to Noumea. This event has been reinstated to the CYCA Sailing Calendar and the Spirit of Cruising program will include events to give information to those thinking of preparing their yacht and undertaking such a voyage and perhaps rendezvous for further cruising in company to some of the many beautiful islands in this area.

CYCA Cruising again assisted the Associates in organising the CYCA Market Day, formally known as the Trash and Treasure day, at the club, allowing many treasures to find new a new home.

As you may recall the CYCA Cruising committee has been very active in establishing and assisting in offering the Medical Management for Mariners course (MMM), which enables First Aiders aboard yachts to reach a more advanced level of training designed specifically for yachts. For a number of reasons we have been unable to offer the MMM course so the CYCA management is currently negotiating with other companies to offer similar courses.

It is planned that on water events will expand to offer a greater variety of destinations and the inclusion harbour rendezvous cruises and rendezvous passages further afield.

Thank you

In closing I wish to thank all who have assisted CYCA Cruising over the past 12 months including Directors Tony Kirby and Arthur Psaltis and other committee members: Lynne Smith, David Mason, Frank Walker, Alan Green, Shaaron Walsh, Yulia Shutova, Steve Prince, Andrew Hawkins and especially to Ted Nobbs and Denis Doyle. Ted is the key organiser of the Spirit of Cruising dinners and Denis the organiser of the S2H Cruise. Both been very active on the committee in organizing many of the information events and their input has been invaluable.

I also wish to thank Karen Grega, Christina Del Conte, Liz Dickson, Barbara Buttery, Michael Newman, Marina Gibson and Maria and all the CYCA staff whose significant assistance makes it all happen.

2016//2017 ASSOCIATES COMMITTEE REPORT

Pam Messenger, President

The Committee has been organising social and fundraising events for the Club for the past 52 years. Comprising up to 15 members, our Committee endeavours to create a fun and enjoyable calendar of events for the enjoyment of members and their guests. Events this year included:

Trivia Nights

Trivia Nights has proven to be very popular over the past three years, held on a Wednesday night once a month, after the Wednesday twilight races have finished. We are grateful to Senior Duty Manager Marina Gibson for sourcing prizes, and assisting with the room set up. Blond Catering create a specials menu priced reasonably at \$15, available for all Trivia contestants. Rivalry is always fierce with scores often being only 1 or 2 points between the top 3 place getters.

Ladies Night

The annual Ladies Night was a great success in May, with long term member Joyce Warne attending, being one of the first Associate Committee members of the Club (over 50 years). She regaled us with her many sailing stories, one of which included sailing in a typhoon in Sydney Harbour. The new CEO Karen Grega attended the evening, along with Directors Leander Klohs and Janey Treleaven. Thanks to Committee members Pauline Christie, Margaret Keelty and Jeri Childers who organised the event, and to Club management for their support and assistance.

Market Day

Previously named Trash & Treasure, Market Day was held on a lovely sunny day in October. Again there were great bargains to be had, and the newly introduced sausage sizzle proved to be too popular, selling out very early. Thanks to the Breakfast Club for pitching in, and also to Club management and staff for their assistance. Sincere thanks to Margaret Keelty who organised the whole day, including rounding up the stall holders, sourcing raffle prizes, and managing the registration process. We raised approx. \$400 which was donated to CYCA SOLAS.

CYCA SOLAS Trusts Fundraising Event

This year's guest speaker for our annual fundraiser in October was Olympic Sailor Matt Belcher, just back from his Olympic campaign. With over 130 guests in attendance, including visiting RSYS Commodore Richard Chapman and Mrs Chapman, the audience were enthralled with Matt's stories of his experiences at the Rio Olympics. It was pleasing to see a number of Directors and past Commodores in attendance. This event is wonderfully organised by Kendi and David Kellett, who not only source the silent auction prizes, but also liaise with the guest speakers, caterers, and countless others to ensure a fabulous night. Thanks to David for being MC and Auctioneer on the evening, it was a huge success. We are very grateful for the support of the members and guests who attended, and we raised approx. \$30,000 for CYCA SOLAS.

Clubhouse Party

The annual Clubhouse Party is always a great social event in December, just prior to Christmas and the Rolex Sydney Hobart Yacht Race. 'One Hit Wonders' provided some great dance music, and guests partied well into the night. Our thanks to the Club for their assistance and to Blond Catering who whipped up some delicious international themed food stations. Through door takings, we raised approx. \$500 which was donated to CYCA SOLAS.

Christmas Hamper Raffle

Each year the Associates raise funds for a charity aligned with helping those most in need. The charity chosen for this year was Angel Flight an organisation who provide air transport to major city centres for patients to receive their medical treatment. We are most appreciative of Bush's Meats who provide a very generous gift voucher, along with Musto for a lovely jacket, and Oatley Wines for their donation of sparkling wine. With the support of members and visitors, we raised \$3,200, a great result. Thanks to Kaye Brooks for suggesting the charity this year, and to all who purchased raffle tickets.

Children's Christmas Party

It was another warm sunny Sunday for the annual Children's Christmas Party with 50 children in attendance. Clowns, face painting, party games and Santa provided a fun filled afternoon, and each child received a personalised gift. Santa was brought into the Club on the tender, the children crowding onto the balcony to watch him arrive. This is always a very popular event on the calendar with many long standing members now bringing their grand-children to the party.

Other Associates Committee contributions to the Club

Along with fund raising and social events, we also assist with decorating the Clubhouse with Christmas decorations, and in the lead up to the Rolex Sydney Hobart Yacht Race, helping out at the Club or with merchandise sales.

Thank You

We have enjoyed another busy year, and my sincere thanks to all the members of the Committee for their ongoing support and assistance: Justine Anson, Jane Bartrum, Kaye Brooks, Jeri Childers, Pauline Christie, Jennifer Dahl, Margaret Keelty, Kendi Kellett, Amanda Lulham, Fiona Marr, Cathie Mulherin, and Pam Neate.

Thanks also to Commodore John Markos, members of the Board, CEO Karen Grega, and the many CYCA staff during the year, for the support and assistance with all our events. We look forward to yet another busy year ahead.

2016//2017 DIRECTOR'S REPORT

Your directors present their report on the company for the year ended 31 March 2017

The Directors of the company at any time during or since the end of the financial year are:

Name and Qualifications	Age	Experience and Special Responsibilities	
Mr John Markos B.Comm, LLB Non-executive Director Commodore Owner – Eye Appeal	62	Director since July 2008 Managing Partner, Hicksons Lawyers Chairman, Rolex Sydney Hobart Yacht Race Planning Committee Chairman, Rolex Sydney Hobart Yacht Race 75th Planning Committee

Mr Andrew Wenham Non-executive Director Past Rear Commodore Owner – Southern Excellence II	57	Director from July 2012 to June 2016 Director, Starshell Management Pty Ltd Member, Marina & Site Committee (retired June 2016) Member, Redevelopment Committee (retired June 2016) Member, Member Services Committee (retired June 2016)	

2016//2017 DIRECTORS REPORT

Your directors present their report on the company for the year ended 31 March 2017

Directors' Meetings

The number of directors' meetings (including meetings of committees of directors) and number of meetings attended by each of the directors of the company during the financial year are:

Director	Board Meetings		Other Meetings	
	Number of Meetings Attended	Number of Meetings Held*	Number of Meetings Attended	Number of Meetings Held*
John Markos	11	12	6	6
Paul Billingham	9	12	13	17
Noel Cornish	11	12	17	17
Arthur Lane	11	12	14	16
Janey Treleaven	11	12	16	19
Samuel Haynes	7	9	6	8
Anthony Kirby	12	12	19	20
Leander Klohs	12	12	18	21
Arthur Psaltis	8	9	15	18
John Cameron	2	3	2	2
Andrew Wenham	3	3	1	1

^{*} Number of meetings held during the time the director held office during the year.

Principal activities

The principal activities of the company during the course of the financial year were to promote participation in vachting including the sport of sailing and to provide ocean racing facilities, training and other yachting facilities and competitions for its members.

There were no significant changes in the nature of the activities of the company during the year.

Membership

The Club is a Company limited by guarantee and without share capital. The number of members as at 31 March 2017 and the comparison with last year is as follows:

	2017	2016
Number of members	2,861	2,894

^{**}The other meetings held relate to sub-committee meetings held during the year.

Review and results of operations

The result from ordinary activities for the year amounted to a profit of \$70,481 (2016: \$195,873 loss). This resulted after charging \$1,011,282 (2016: \$964,147) for depreciation and amortisation

Dividends

The company is a non-profit organisation and is prevented by its constitution from paying dividends.

State of affairs

In the opinion of the directors, there were no significant changes in the state of affairs of the company that occurred during the financial year under review.

Environmental regulation

The company's operations are subject to various environmental regulations under both Commonwealth and State legislation.

The Board believes that the company has adequate systems in place for the management of its environmental requirements and is not aware of any breach of those environmental requirements as they apply to the company.

Likely developments

The directors do not anticipate any further development in the operations of the Club which will affect the results in subsequent years.

Events subsequent to reporting date

Water and land lease

Management is currently re-negotiating the renewal of the combined land and wet lease for a term of 37.5 years and expects to sign within the next six months.

Other than the matter noted above, there has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material or unusual nature likely, in the opinion of the directors of the company, to affect significantly the operations of the company, the results of those operations, or the state of affairs of the company, in future financial years.

Proceedings on behalf of company

No person has applied to the Court under section 237 if the Corporations Act 2001 for leave to bring proceedings on behalf of the company, or to intervene in any proceedings to which the Company is a party, for the purpose of taking responsibility on behalf of the company for all or part of those proceedings.

No proceedings have been brought or intervened in on behalf of the company with leave of the Court under section 237 of the Corporations Act 2001.

Indemnification and insurance of officers

The company has provided for and paid premiums to the value of \$6,825 (2016: \$6,255) during the year for Management Liability Insurance. The insurance is in respect of legal liability for damages and legal costs within an annual limit of \$10,000,000 (subject to a sub limit of in any one insurance period) arising from claims made by reason of any omissions or acts (other than dishonesty) by them, whilst acting in their individual or collective capacity as directors or officers of the company, towards which the directors of the company contribute.

The insurance premiums relate to:

- costs and expenses incurred by the relevant officers in defending proceedings, whether civil or criminal and whatever their outcome: and
- other liabilities that may arise from their position, with the exception of conduct involving a wilful breach of duty or improper use of information or position to gain a personal advantage.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is on page 5 of this annual report.

Auditor

PwC continues in office accordance with section 325 of the Corporations Act 2001.

Signed in accordance with a resolution of the directors:

J Markos Commodore

Sydney, 18 May 2017

J Treleaven Treasurer

Sydney, 18 May 2017

2016//2017 AUDITOR'S INDEPENDENCE DECLARATION

Auditor's Independence Declaration

As lead auditor for the audit of Cruising Yacht Club of Australia for the year ended 31 March 2017, I declare that to the best of my knowledge and belief, there have been:

- no contraventions of the auditor independence requirements of the Corporations Act 2001 in relation to the audit; and
- (b) no contraventions of any applicable code of professional conduct in relation to the audit.

2016//2017 NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 March 2017

1. General Information

Cruising Yacht Club of Australia ("the Company") is a company limited by guarantee and operating in Australia.

In accordance with the Constitution of the Cruising Yacht Club of Australia, every member of the company undertakes to contribute to the assets of the company. In the event of the company being wound up, whilst he or she is a member or within one year after he or she ceases to be a member and of the costs, charges and expenses of winding up such as may be required, not exceeding \$2 per member.

The company has 2,861 (2016: 2,894 members) members at year end.

Cruising Yacht Club of Australia's registered office and its principal place of business are as follows:

1 New Beach Road, Darling Point NSW 2027

2. Summary of significant accounting policies

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of accounting

Statement of compliance

The financial report is a general purpose financial report which has been prepared in accordance with the Corporations Act 2001, Accounting Standards and Interpretations, and complies with other requirements of the law including the Registered Clubs Act. Cruising Yacht Club of Australia is a not-for-profit entity for the purposes of preparing the financial statements.

Accounting Standards include Australian equivalents to International Financial Reporting Standards ('A-IFRS'). A statement of compliance with IFRS cannot be made due to the application of not-for-profit sector specific requirements contained in the A-IFRS.

The financial statements were authorised for issue by the directors on 18 May 2017.

Basis of preparation

The financial report has been prepared on the basis of historical cost, except for the revaluation of certain noncurrent assets and financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

In the application of the company's accounting policies, which are described within this note, management is required to make judgments, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods.

Judgments made by management that have significant effects on the financial statements and estimates with a significant risk of material adjustments in the next year are disclosed, where applicable, in the relevant notes to the financial statements.

Accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events is reported.

(b) Borrowing costs

Borrowing costs directly attributable to the acquisition and construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the costs of those assets, until such time as the assets are substantially ready for their intended use.

(c) Cash and cash equivalents

Cash comprises cash on hand and deposits at call. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and have a maturity of three months or less at the date of acquisition.

(d) Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities recognised in respect of employee benefits expected to be settled within 12 months, are measured at their nominal values using the remuneration rate expected to apply at the time of settlement.

Liabilities recognised in respect of employee benefits which are not expected to be settled within 12 months are measured as the present value of the estimated future cash outflows to be made by the company in respect of services provided by employees up to reporting date.

Long term service benefits

The Company's net obligation in respect of long-term service benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates, and is discounted using rates for Commonwealth Government bonds at the balance date which have maturity dates approximating to the terms of the Company's obligations.

(e) Financial assets

Loans and receivables

Trade receivables, loans, and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method less impairment.

Interest is recognised by applying the effective interest rate basis for debt instruments other than those financial assets 'at fair value through profit or loss'.

Impairment of financial assets

Financial assets, other than those at fair value through profit or loss, are assessed for indicators of impairment at each balance sheet date. Financial assets are impaired where there is objective evidence that as a result of one or more events that occurred after the initial recognition of the financial asset

the estimated future cash flows of the investment have been impacted. For financial assets carried at amortised cost, the amount of the impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables where the carrying amount is reduced through the use of an allowance account. When a trade receivable is uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

(f) Financial instruments issued by the company Debt and equity instruments

Debt and equity instruments are classified as either liabilities or as equity in accordance with the substance of the contractual arrangement.

Financial liabilities

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities.

Other financial liabilities

Other financial liabilities, including borrowings, are initially measured at fair value, net of transaction costs.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period.

(g) Impairment of other tangible and intangible assets

At each reporting date, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have

suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but only to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cashgenerating unit) in prior years. A reversal of an impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the reversal of the impairment loss is treated as a revaluation increase.

(h) Income tax

No provision has been made for income tax as the Company is exempt under Section 50-45 of the Income Tax Assessment Act (1997), provided it continues as a sporting club predominately encouraging and promoting the sport of yachting, boating, cruising for pleasure and the building and sailing of yachts and boats. Accordingly, tax effect accounting has not been adopted by the Company.

(i) Leases

Leases are classified as finance leases when the terms of the lease transfer substantially all the risks and rewards incidental to ownership of the leased asset to the lessee. All other leases are classified as operating leases.

Finance leases

Assets held under finance leases are initially recognised at their fair value or, if lower, at amounts equal to the present value of the minimum lease payments, each determined at the inception of the lease. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against profit or loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the company's general policy on borrowing costs. Refer to note 3(a). Contingent rentals are recognised as expenses in the periods in which they are incurred.

Finance leased assets are amortised on a straight line basis over the estimated useful life of the asset.

Operating leases

Operating lease payments are recognised as an expense on a straight-line basis over the lease term, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

Lease incentives

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefits of incentives are recognised as a reduction of rental expense on a straight-line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed

(j) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment. Trade receivables are generally due for settlement within 30 days. They are presented as current assets unless collection is not expected for more than 12 months after the reporting date

Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off by reducing the carrying amount directly. An allowance account (provision for impairment of trade receivables) is used when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables. The amount of the

impairment allowance is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. Cash flows relating to short term receivables are not discounted if the effect of discounting is immaterial.

The amount of the impairment loss is recognised in profit or loss within other expenses. When a trade receivable for which an impairment allowance had been recognised becomes uncollectible in a subsequent period, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against other expenses in profit or loss.

(k) Inventories

Inventories are valued at the lower of cost and net realisable value. Net realisable value represents the estimated selling price less all estimated costs of completion and costs necessary to make the sale.

(I) Property, plant and equipment

Plant and equipment, leasehold improvements and equipment under finance lease are stated at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the item. In the event that settlement of all or part of the purchase consideration is deferred, cost is determined by discounting the amounts payable in the future to their present value as at the date of acquisition.

Depreciation is provided on property, plant and equipment, including buildings on leasehold land. Depreciation is calculated on a straight line basis so as to write off the net cost or other revalued amount of each asset over its expected useful life to its estimated residual value. Leasehold improvements are depreciated over the period of the lease or estimated useful life, whichever is the shorter, using the straight line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each annual reporting period, with the effect of any changes recognised on a prospective basis.

The gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

The following estimated lives are used in the calculation of depreciation

Leasehold improvements 5 – 33 years / term of the lease

Boats 2 – 10 years

Plant and equipment 2 – 10 years

Motor vehicles 8 years

(m) Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within negotiated terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(n) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

(o) Provisions

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Site restoration make good provision

A provision for site restoration is recognised when an obligation exists to restore certain sites for the effect of the company's operations.

The provision is the best estimate of the present value of the expenditure required to settle the restoration obligation at the reporting date. The amount is reviewed annually and changes recognised at the end of the reporting period.

(p) Revenue

Revenue is measured at the fair value of the consideration received or receivable.

Goods sold and services rendered

Revenue from the sale of goods comprises revenue earned from the provision of beverage and other goods and is recognised in the statement of comprehensive income when the significant risks and rewards of ownership have been transferred to the buyer. Revenue from services to members and other patrons of the Company is recognised in the statement of comprehensive income when the services are provided. No revenue is recognised if there are significant uncertainties regarding recovery of the consideration due; the costs incurred or to be incurred cannot be measured reliably; there is a risk of return of goods; or there is continuing management involvement with the goods.

Subscriptions

Subscription fees are taken into account on an accruals basis and the portion relating to the ensuing year is transferred to subscriptions in advance.

Yard and marina

Yard and marina revenue consists of casual and permanent berthing fees, hardstand fees, locker fees and tender fees provided to members and other patrons of the Club. Yard and marina revenue is recognised when the goods or services are provided.

Sailing revenue

Sailing revenue consists of ferry charter fees, race entry fees, sponsorship and other associated income. Sailing revenue is recognised when the goods or services are provided for all revenue except sponsorship which is recognised as it accrues.

Rental income

Rental income from property is recognised on a straight-line basis over the term of the lease. Lease incentives granted are recognised as an integral part of the total rental income.

Interest revenue

Interest revenue is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount.

(q) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included with other receivables or payables in the balance sheet.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the taxation authority, are presented as operating cash flows.

(r) New accounting standards and interpretations

Certain new accounting standards and interpretations have been published that are not mandatory for 31 March 2017 reporting periods and have not yet been applied in the financial statements. It is not expected that their adoption will have a material impact on future financial statements.

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The Company has decided against early adoption of these Standards. New and amended standards that are applicable for the first time for March 2017 annual year report include:

- AASB 2014-4 Amendments to Australian Accounting Standards – Clarification of Acceptable Methods of Depreciation and Amortisation
- AASB 2015-1 Amendments to Australian Accounting Standards – Annual improvements to Australian Accounting Standards 2012 - 2014 cycle
- AASB 2016-2 Amendments to Australian Accounting Standard - Disclosure Initiative: Amendments to AASB 107.

The adoption of these Accounting Standards and Interpretations did not affect the Company's accounting policies or any of the amounts recognised in the financial statements.

3. Critical accounting estimates and judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

(a) Critical accounting estimates and assumptions

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(i) Make good provision

This provision represents the present value of the directors' best estimate of the future sacrifice of economic benefits that will be required to settle the site restoration make good obligations pursuant to the company's lease of land and waterways. The estimate has been made on the basis of a cost estimate obtained from a Quantity Surveyor.

rre	

Current		
Employee benefits (a):	307,325	307,459
Non-current		
Employee benefits (a):	35,625	28,391
Make good provision (b):	4,946,992	4,845,652
	4,982,617	4,874,043

Information about individual provisions and significant estimates:

(a) Employee benefits

The provision for employee benefits relates to Cruising Yacht Club of Australia's liability for long service leave and annual leave.

(b) Site restoration make good provision

Cruising Yacht Club of Australia is required to restore the leased sites to their original condition at the end of the respective lease terms. A provision has been recognised for the present value of the estimated expenditure required to remove any leasehold improvements. These costs have been capitalised as part of the cost of leasehold improvements and are amortised over the shorter of the term of the lease or the useful life of the assets.

Movements in provisions

Movements in each class of provision during the financial year, other than employee benefits, are set out below:

Current year site restoration make good provision movement:

Balance at 1 April	4,845,652	4,737,088
Unwind of discount	101,340	108,564
Balance at 31 March	4,946,992	4,845,652

Bank loans	204,079	169,085
	348,319	267,717

	2017	2016
	\$	\$
16. Other payables		
Marina deposits	161,913	151,425
17. Retained profits		
Balance at 1 April	8,058,498	8,254,371
Total recognised income and expenses	70,481	(195,873)
Balance at 31 March	8,128,979	8,058,498
18. Financial instruments		
(a) Capital risk management		
The capital structure of the company includes cash and cash equivalents and re	etained earnings.	
The company has an existing loan facility with Westpac and a new hire purchas	se agreement with Sharp.	
(b) Categories of financial instruments		
Financial assets		
Trade and other receivables	376,640	297,000
Cash and cash equivalents	1,517,573	909,035
Term deposit	5,043,528	5,556,678
Financial liabilities		
Loans and payables	348,319	267,717
Trade and other payables	1,294,744	999,780

The carrying amount reflected above represent the company's maximum exposure to credit risk for such loans and receivables.

(c) Financial risk management objectives

The Directors manage the financial risks relating to the operations of the company. These risks include credit risk and liquidity risk. The company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes.

(d) Market risk

The company's only exposure to market risk is the effect of changes in interest rates which would affect interest received. There has been no change to the company's exposure to market risks.

(e) Liquidity risk

Ultimate responsibility for liquidity risk management rests with the board of directors. The company manages liquidity risk by maintaining adequate cash balances and monitoring forecasts and actual cash flows. The following table details the company's remaining contractual maturity for its non-derivative financial liabilities. The table has been drawn up based on the undiscounted cash flows of financial liabilities including interest based on the earliest date on which the company can be required to pay.

18. Financial instruments (continued)

Financial Liabilities	Weighted average	Less than 1 month	1 to 3 months	3 months to 1 year	1 to 5 years	More than 5 years	Total
	effective interest rate	\$	\$	\$	\$	\$	\$
2017 Fixed interest rate	4.00%						
Borrowings		11,776	23,684	108,780	204,079	-	348,319
Non-interest bearing Trade and other payables		1,078,735	54,096	-	161,913	-	1,294,744
		1,090,511	77,780	108,780	365,992	-	1,643,063
2016 Fixed interest rate	6.15%						
Borrowings		7,990	16,104	74,538	169,085	-	267,717
Non-interest bearing Trade and other payables		848,017	-	428	151,425	-	999,870
		856,007	16,104	74,966	320,510	-	1,267,587

The following table details the company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets except where the company anticipates that the cash flow will occur in a different period.

Financial Assets	Weighted average	Less than 1 month	1 to 3 months	3 months to 1 year	1 to 5 years	More than 5 years	Total
	effective interest rate	\$	\$	\$	\$	\$	\$
2017 Variable interest rate	2.40%

Non-interest bearing Trade and other debtors		246,733	35,241	15,026	-	-	297,000
		2,755,768	1,891,919	2,115,026	=	=	6,762,713

18. Financial instruments (continued)

(f) Fair value

The carrying amount of the financial assets and financial liabilities represents a reasonable approximation of fair value.

(g) Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. To the extent the company has a receivable from another party there is a credit risk in the event of nonperformance by that counterparty. Financial instruments, which potentially subject the company to credit risk solely consist of trade and other receivables. The company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

The carrying amount of the financial assets recorded in the financial statements, net of any allowances for losses, represents the company's maximum exposure to credit risk, without taking account of the value of any collateral obtained. The company does not have any significant credit risk exposure to any single counterparty or any group of counterparties having similar characteristics.

	2017	2016
	\$	\$
19. Commitments		
Non-cancellable operating lease expense commitments		
Future operating lease commitments not provided for in the financial statements and payable:		
Within one year	511,337	497,661
One year or later and no longer than five years	1,119,623	1,352,331
Later than five years	-	213,666
	1,630,960	2,063,658

The company leases property and water space for the Clubhouse and marina under operating leases expiring in 1 year and 4 years 9 months respectively. Lease payments are adjusted periodically to market rates.

20. Net cash provided by operating activities

Reconciliation of net cash flows to operating activities:		
Profit / (Loss) for the year	70,481	(195,873)
Depreciation and amortisation expense	1,011,282	964,147
Planning and development expense	15,000	-
Gain on sale of property, plant and equipment	(10,050)	(12,273)
Interest income	(171,750)	(177,950)
Changes in net assets and liabilities:		
Increase in trade and other receivables	(27,183)	(15,856)
Increase in inventories	(18,613)	(5,526)
Increase in other assets	(33,717)	(68,411)
Increase in trade payables	284,476	213,237
Increase in provisions	108,440	100,599
(Decrease) / Increase in other liabilities	(289,229)	349,108
Net cash provided by operating activities	939,137	1,151,202

21. Key management personnel

The following were key management personnel of the company at any time during the reporting period, and unless otherwise indicated, were for the entire period:

Non-executive Directors

J. Markos, P. Billingham, N. Cornish, A. Lane, J. Treleaven, S. Haynes, A. Kirby, L. Klohs, A. Psaltis

Executive

K. Grega

Transactions with key management personnel

Non-executive directors have not received any remuneration from the Company during the year.

The key management personnel compensation included in "Employee and employment expenses" are as follows:

	2017	2016
	\$	\$
Short-term employee benefits	234,328	276,025
Termination benefits	-	124,179
	234,328	400,204

Apart from the details disclosed in this note, no director has entered into a material contract with the company or since the end of the previous financial year and there were no material contracts involving directors' interests existing at year-end.

From time to time, directors of the company, or their director-related entities, may purchase goods and services from the company. These purchases are on the same terms and conditions as those entered into by other company employees or customers and are trivial or domestic in nature.

22. Related Parties

(a) Transactions with key management personnel

Transactions with key management personnel are disclosed in Note 21 to the financial statements.

(b) Transactions with other related parties

Other related parties include:

- CYCA SOLAS Limited
- CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts

The Company is the sole member of CYCA SOLAS Limited; a Company limited by guarantee which is the trustee of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts. The administration of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts is under the control of the separate board of CYCA SOLAS Limited. The trustee company has a right to be indemnified out of the assets of the trust to satisfy liabilities properly incurred by the trustee. As at 31 March 2017 the outstanding liabilities committed by the trustee on behalf of the trust totalled \$nil (2016: \$nil). The assets of the trust are sufficient to meet this commitment. In the event that CYCA SOLAS Limited is wound up and unable to repay all outstanding debts, the liability of its members is limited to an amount of \$10.

Payments to related parties

- Donations payable to the CYCA Trust during the year were \$3,805 (2016: \$13,764).
- Expenses paid on behalf of the CYCA SOLAS Limited were \$994 (2016: \$1,017).

23. Contingent liabilities

Bank guarantees

The company has given away the following bank guarantees:

	2017 \$	2016 \$
NSW Maritime	32,093	32,093
24. Auditor's remuneration Audit services Auditor and review of the financial report	50,000	44,560
Other services Taxation services	3,000	3,000
	53,000	47,560

The auditor of Cruising Yacht Club of Australia for the year ended 31 March 2016 and 31 March 2017 was PricewaterhouseCoopers.

25. Segment information

The Club's principal place of business and registered office is situated at 1 New Beach Road, Darling Point. The Club operates from these premises to promote participation in yachting including the sport of sailing and to provide ocean racing facilities, training and other yachting facilities and competition for its members.

Information reported to the chief operating decision maker for the purposes of resource allocation and assessment of segment performance focuses on types of goods or services delivered or provided. The chief decision maker of the entity reviews the financial information split by segment for revenue but the expenses information is received by expense category. Therefore, only revenue per segment has been included below.

The following is an analysis of the revenue by reportable segment.

	2017	2016
	\$	\$
Sales revenue – bar, food and merchandise sales	2,396,041	2,456,395
Subscription revenue	1,018,119	1,030,576
Marina revenue	2,703,991	2,602,032
Rental income	162,004	162,758
Sailing activities	2,238,277	2,127,920
Interest revenue	171,750	177,950
	8,690,182	8,577,631

Segment revenue reported above represents revenue generated from external customers. There were no inter-segment sales in the current year (2016: \$nil).

26. Subsequent events

Water and land lease

Management is currently re-negotiating the renewal of the combined land and wet lease for a term of 37.5 years and expects to sign within the next six months.

Other than the matter noted above, there has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material or unusual nature likely, in the opinion of the directors of the company, to affect significantly the operations of the company, the results of those operations, or the state of affairs of the company, in future financial years.

2016//2017 DIRECTORS DECLARATION

for the financial year ended 31 March 2017

In the directors' opinion:

- (a) the financial report and notes set out on pages 6 to 28 are in accordance with the Corporations Act 2001, including:
- (i) complying with Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements, and
- (ii) giving a true and fair view of the company's financial position as at 31 March 2017 and of its performance for the financial year ended on that date, and
- (b) there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the directors.

Independent auditor's report

To the members of Cruising Yacht Club of Australia

Our opinion

In our opinion:

The accompanying financial report of Cruising Yacht Club of Australia (the Company) is in accordance with the Corporations Act 2001, including:

- (a) giving a true and fair view of the Company's financial position as at 31 March 2017 and of its financial performance for the year then ended
- (b) complying with Australian Accounting Standards and the Corporations Regulations 2001.

What we have audited

The financial report comprises:

- the balance sheet as at 31 March 2017
- the statement of comprehensive income for the year then ended
- the statement of changes in equity for the year then ended
- the statement of cash flows for the year then ended
- the notes to the financial statements, which include a summary of significant accounting policies

Basis for opinio

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities un those standards are further described in the Auditor's responsibilities for the audit of the financial report section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for

Independence

We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 10.0 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

The directors are responsible for the other information. The other information obtained at the date of this auditor's report comprises the directors' report included in the annual report, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors for the financial report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: https://www.auasb.gov.au/auditors_files/ar3.pdf. This description forms part of our auditor's report.

Matters relating to the electronic presentation of the audited financial report

This auditor's report relates to the financial report of Cruising Yacht Club of Australia for the year ended 31 March 2017 included on Cruising Yacht Club of Australia's web site. The directors of the Company are responsible for the integrity of Cruising Yacht Club of Australia's web site. We have not been engaged to report on the integrity of this web site. The auditor's report refers only to the financial report named above. It does not provide an opinion on any other information which may have been hyperlinked to/from the financial report. If users of this report are concerned with the inherent risks arising from electronic data communications they are advised to refer to the hard copy of the audited financial report to confirm the information included in the audited financial report presented on this web site.

Hirewitchosloger,

Sydney 18 May 2017

Core and Non Core Property

Pursuant to Section 41J(2) of the Registered Clubs Act for the financial year ended 31 March 2017.

The core property of the company, as that term is described in Section 41J(2) of the Registered Clubs Act, comprises all the real property and associated marina owned or occupied by the company at 1 New Beach Road Darling Point NSW.

The land area is owned by the Crown.
