Commodore's Report

Commodore Matt Allen

It is an honour to report to you, our members, as Commodore of our great Club.

I have spent a considerable amount of time over the past year communicating the importance of the CYCA's involvement and contribution within the community; through the continued success of the Youth Sailing Academy and the support of many charities including our own charity 'CYCA SOLAS'.

CYCA SOLAS

It has been a busy year for SOLAS with a renewed emphasis on increasing the awareness of SOLAS throughout Australia. The renaming of the SOLAS Big Boat Challenge made a huge difference in increasing awareness within our own sailing community and within the general public. We have also increased other Australian yacht Clubs' awareness of SOLAS emphasizing the fact that SOLAS donates to organisations throughout Australia notwithstanding the fact that the majority of funding for SOLAS comes from CYCA Club members.

SOLAS has now donated in excess of \$438,000 to search and rescue organisations, including donations in every state and the ACT.

We should all be proud of the contribution we make to safer boating, but its work also helps the wider community as well.

In addition to SOLAS we should also recognize the contribution the Club made this year in making a donation to assist Pambula Hospital, on the NSW South Coast, in their purchase of a mobile ultrasonic machine.

Redevelopment

This year we have been working on a master plan for the redevelopment of the slipway and car parking areas including the building between the main Clubhouse and the slipway.

We have now instructed a firm of architects to draw up plans for the car park and slipway areas so that we make much better use of the space and improve our facilities for the YSA, Marina office and our tenants. At an appropriate time in the future plans will be presented to the members for discussion and further input. We envisage that this project will be completed in stages and will form the future planning of the Club for many years to come.

Thank you to our many volunteers

We rely on many volunteers to make our busy sailing program successful. The volunteers on the Board, Sub-Committees, the Breakfast Club, the Associates Committee led by Pam Messenger and Kendi Kellett, Race Committees, Emergency Management Teams, Start Boat Teams, Information Centre Teams and Crew Liaison Officers. We cannot thank you enough!

Sponsors

Our activities at the CYCA could not occur without our main sponsors – Rolex sponsors of the Rolex Sydney Hobart Yacht Race and Rolex Trophy, and also Audi who sponsor the Youth Sailing Academy, the Audi Sydney Offshore Newcastle Race, Audi Sydney Gold Coast Yacht Race and Audi Winter Series.

We are also fortunate to have many other sponsors including St Arnou for the Wednesday Twilights Series and Mount Gay for the Monday Twilights Series.

The Members Badge Draw on Thursday night continues to draw in many members throughout the year and I wish to thank all the sponsors. It is always most enjoyable to see so many members each Thursday night in the Coaster's Retreat.

The YSA has many sponsors who are detailed in the Training and Development Committee Report. On behalf of all members I wish to thank all sponsors for their support throughout the year.

Commodore's Report (continued)

Staff

Our staff led by our Chief Executive Officer Mark Woolf, have served the Club very well again this year. Their continued enthusiasm and loyalty to the Club has created a better experience for all members. I wish to thank them all for a job well done.

Sound financial position

The strategies set up some years ago by previous Boards and the careful management subsequently has resulted in a sound position enjoyed by the Club today. As we enter into another period of redevelopment of the Club it is important to embark on this with a sound financial footing.

Please refer to our Treasurer, Paul Billingham's report for more detail.

Rolex Sydney Hobart Race and Blue Water Point Score

Congratulations to Roger Sturgeon and his crew on Rosebud for sailing a flawless race to win the 63rd Rolex Sydney Hobart Yacht Race, and to Syd Fischer and his crew on Ragamuffin for winning his 9th Blue Water Point score, surely a record that will not easily be beaten. Congratulations to Lou Abrahams and Tony Cable for equaling the late John Bennetto's record of 44 Hobart Races. It is fitting that these three men come from the three main ports that have supported our race since 1945 namely Hobart, Melbourne and Sydney.

Our great race continues to grow in stature around the world and captures the imagination of the public. Much of the growth in the interest of the race can be attributed to the website that allows people all over the world to keep up with the race and what is happening out on the race course.

Book on the history of the CYCA

After many years of work we have now launched the book detailing the history of the CYCA titled 'From Ratbags to Respectability'. On behalf of all members, I wish to thank the author David Colfelt and the Archives Committee chaired by Director Rod Skellet. I recommend the book to all – it is a great read on the history of our great Club, and some of the characters who have made our Club and our sport so unique.

Thank you to the Board

I have been most fortunate to lead a most talented and effective Board. The Board has functioned extremely well and has interacted with the various Committees

through their respectful Chairman in a cohesive manner. I wish to thank both Rear Commodore Alan Green and Director Rod Skellet for their service on the Board, extending past 10 years. Thank you also to Vice Commodore Garry Linacre in chairing both the Sailing and Training and Development Committees.

It has been important to bring all of our sailing activities closer together combining the YSA and our sailing operations to better utilise our staff, volunteers and on water resources and therefore bringing increased value to our members.

To all the Committee Chairpersons and all the Directors thank you for your assistance and support this year.

Constitution

Rear Commodore Alan Green and his Committee have been working on a rewrite of our Constitution, I expect that we will be able to communicate with members soon about plans to distribute a draft of these recommendations. I want to thank all those who are involved in this complex project.

Club based activities well supported

It has been most pleasing to see all Club activities well supported this year. Our short haul fleet have grown as a result of some fine tuning of the series. The changes made to the Audi Winter series have increased the enjoyment derived from this popular series. Membership has grown to more than 2,700 and the crew membership available to those less than 30 years of age has been well supported, however there is more to do in this regard.

I encourage you to read the Committee reports that follow to gain a detailed knowledge of your Club during the year.

I wish you safe and enjoyable sailing and I look forward to seeing you at the Club or on the water in the near future.

Commodore
MATT ALLEN

Treasurer's Report

Treasurer Paul Billingham

In my 2007 Treasurer's report, I flagged a conservative budget for the 2007/08 financial year, aimed at building balance sheet strength as the Club prepares to meet the financial challenge of its further development.

I am pleased to report that management have once again over delivered, to produce a profit of \$396,978 for the year, an increase of 14% on 2007.

Financial summary

For member's ease of reference, I summarise below certain key financial information over the last three years:

	2008 \$	2007 \$	2006 \$
Net profit	396,978	347,991	344,176
Cashflow			
Net cash increase	815,293	305,704	120,815
Borrowings repaid	413,299	715,355	829,714
Balance sheet			
Current Assets	2,035,716	1,252,976	878,602
Non-Current Assets	7,272,593	7,908,770	8,446,845
Current Liabilities*	1,575,846	1,655,468	2,478,635
Non-Current Liabilities*	3,615,627	3,786,420	3,474,945
Members funds	4,116,836	3,719,858	3,371,867
Number of Members	2,713	2,644	2,561

*The accounting treatment of marina deposits has been amended in 2008. 50% are now classified as a liability repayable within 12 months and the 2007 comparison has been similarly restated.

Treasurer's Report (continued)

Profitability

Similar to 2007, this strong result was achieved without increasing either membership, or marina fees and with bar price increases kept to a minimum.

Indeed I am pleased to report a marked improvement in bar trading which can be attributed to an increase in sales related to greater participation in sailing activities as well as management's renewed efforts in this important area of the Club's activities. Turnover in 2008 increased by 6% compared to 2007, much of which was contributed by increased bottle shop sales.

The ongoing support of Club sponsors is a vital contributor to the financial success of the Club. With sponsorship comprising over 15% of Club revenues, the major races, summer and winter programs and Youth Sailing Academy rely upon the generous support of both individuals and corporations.

The majority of Club sponsors are long term supporters of the Club however, the Board is constantly seeking appropriate additional sponsors from organisations aligned to the objectives of the Club.

Liquidity

In 2007, I reported that the Club was, aside from certain lease obligations, debt free. With cash holdings at year end of \$1,530,338 (2007: \$715,045) and no variable interest rate debt, the Club has therefore benefitted from recent interest rate increases with interest earned during the year of \$92,420 (2007: \$43,163).

The increased cash holding has also resulted, for the first time since redevelopment, in the Club's current assets exceeding its current liabilities – a robust working capital position and firm base upon which to fund future development.

Capital expenditure

During the year the Club acquired new membership, accounting and marina management software in addition to equipment to improve food services – including a new combi steamer oven for the functions kitchen, and a new griddle and fryer for the main kitchen.

With increased focus on the health and safety of the on water race management team, the Club purchased a petrol driven mark retrieval devise similar to retrieval systems used on commercial fishing vessels.

For the house, the Club installed the new sign in desk where the doorman is stationed, installed the two new plasma screen TV's provided by the Breakfast Club and purchased new trestle tables for functions.

Outlook for 2009

The Club will not be immune over the coming year to worsening domestic economic conditions.

A significant proportion of the Club's revenues are derived from the companies which utilise its function facilities for meetings' and events during the week. In the current economic environment, the spending decisions of companies comes under increased scrutiny and management will be focussing on demonstrating the Club's value for money proposition to such organisations.

To help the Club thrive socially as well as to achieve its financial goals, members' support, particularly after races and at the various social events organised throughout the year, is essential. The Club sub-committees will each be asked to consider ways of increasing the patronage of Club facilities over the coming 12 months and members are encouraged to offer suggestions to the sub-committees in this regard.

Planning for the Club's further development will continue apace with due allowance being made in the 2009 budget. Indeed it is not inconceivable that 2008/9 will be the last full year before development commences with the inevitable disruption and associated costs such works bring.

Finally I wish to acknowledge the Club's skilled and highly experienced finance team ably led by Nina McKinnon. During the past year, the team has seamlessly accommodated the introduction of an entire new accounting system, a change of banker and a change in auditor. I thank Nina and her team for making the role of Treasurer far easier than I had expected.

Sailing Committee Report

Vice Commodore Garry Linacre, Chairman

The 2007/08 sailing season has again provided our fleet with a great feast of racing. Entry levels have been very satisfactory and the subtle changes evoked by the summer sailing working group have succeeded in effecting some growth in our participation levels.

Handicapping and rating systems always stir vigorous debate among yachtsmen and women. The IRC system seems to be meeting our needs and expectations better each year. The IRC database continues to grow and with it the database to improve the system. At this point the sailing committee see no better alternative for our major races. The committee will continue to monitor the situation and research any alternative that is presented. The handicapping of our PHS divisions and our Audi Winter Series also provides challenges. We receive a few brickbats and a similar number of bouquets. The sailing committee again is studying our arbitrary handicapping. This is a difficult task and we will continue to seek the correct answers.

Thank you to the volunteers

Our wonderful band of enthusiastic and capable CYCA volunteers continued to help us administer some great racing this year. Again Life member Richard Grubb and his team have shown their remarkable commitment to the difficult task of race management. Many hours of dedicated work on the water are spent during both summer and winter series. The Club owes a great vote of thanks to the team. The team is: Maryrose Heffernan, Jane Stranger, Robyn Morton, Annie Aitken, Jennifer Birdsall, Pamela Brinsmead, Steve Kidson, Doug Cairns, Debbie Wilson, Shaaron Walsh, Gail Lewis-Bearman, Dick Bearman, Valda Payne, Denise Van Ewijk.

John Winning and his family again offered the wonderful support of the magnificent JBW as our Radio Relay Vessel for the Rolex Sydney Hobart Yacht Race. Thanks must go to the Winnings and to his skipper Andrew (Steak) Copley. Once again Past Commodore David Kellett AM and his team of radio operators provided us with a wonderful communications situation for the 2007 Rolex Sydney Hobart Yacht Race, Audi Sydney Gold Coast Yacht Race and 2008 Audi Sydney Offshore Newcastle Race.

Year after year our dedicated International Juror John Kirkjian helps us with our juries and protest committees. John represents the Club on the YNSW Racing Rules and Special Regulations Committees and continues to provide a wonderful level of support to the Club on a range of fronts. Tim Cox has again provided strong and effective chairmanship of our various major race committees over the last year.

This year Director and Sailing Committee member Richard Cawse again provided communication support and assistance for retirements in Eden for the Rolex Sydney Hobart Yacht Race. He appointed an able 'assistant' this year in Past Commodore John Messenger. Thanks go to Richard and John for their great work in Eden. Mervyn Clarke our volunteer Crew Liaison Officer has continued to help us with the placing of crew on members' yachts. Mervyn's efforts continue to provide a wonderful and much needed service to members.

I was again privileged this year to chair the very strong group of individuals who make up the sailing committee. The committee is formed by a dedicated and diverse group of members. I thank them for their input and support.

Our New Race to Newcastle

This year we were faced with a situation that caused the Sailing Committee to be somewhat inventive. After some comprehensive research and communication the Audi Sydney Offshore Newcastle Yacht Race was born. This became necessary as our traditional destination Mooloolaba is no longer viable due to both the lack of depth in the river and the absence of a Club facility. Although we raced to the Gold Coast for this pre-Easter race in 2006, this was not possible on a year to year basis.

The Newcastle Cruising Yacht Club is well positioned to become an excellent race finishing partner. They will complete a new Clubhouse prior to the 2009 race. To make the race interesting and tactical we decided to lay a sea mark near the continental shelf off Crowdy Heads. The race finished in the Hunter River. The winner of the inaugural race taking both line and overall honours was Syd Fischer's latest TP52 Ragamuffin.

This was a great win which also gave Syd his ninth win in the Blue Water Pointscore. Ragamuffin won a narrow victory from Alan Brierty's Limit which was the victor in the Tasman Pointscore. David Beak had a great season in Mr Beaks Ribs placing second in the Tasman Pointscore and fourth in the Blue Water Pointscore. Graeme Wood's Wot Yot had a solid third placing in the Tasman Pointscore and a second in the Bluewater Pointscore.

In the Audi Sydney Offshore Newcastle Race Peter Goldsworthy achieved the PHS win in Getaway-Sailing. Peter is a great competitor in our races and achieves a lot in providing both an entry level and path to improvement in our sport.

Sailing Committee Report (continued)

Champions and notable results

The Ocean Pointscore was convincingly won by About Time. Julian Farren-Price won seven of the eight races in a strong performance. Julian and his crew also managed to clean up Division 1 of the Short Ocean Pointscore in both IRC and PHS. Howard Piggott in Brilliant was the winner of Division 3 IRC. Division 3 PHS went to Zephyr sailed by James Connell & Alex Brandon.

This year in our wonderful short haul series MRX sailed by Jon Short and Miles Bastick were victorious in both PHS and IRC divisions. Strong results were achieved by Elusive, Vivacité, Lady Ann and Katinka.

Bob Oatley and his formidable Wild Oats XI team lead by Mark Richards achieved the rare feat of a third consecutive line honours victory in the Rolex Sydney Hobart Yacht Race. This was a great achievement and not completed without very strong opposition from Mike Slade's magnificent City Index Leopard. Overall honours went to Roger Sturgeon's very well campaigned Rosebud. In what was a coup in campaign management extraordinaire, they came, they saw and they conquered. Syd Fischer and his very experienced crew finished in a very creditable second overall in the race.

In other sailing, our Monday night Mount Gay Twilight Series both grew in numbers and quality. The Morgan and Banks You're Hired team had a solid win from Love Byte and X³ in Division 1 and Kookaburra 1 had a convincing win in Division 2 over Big Blue and Froth & Bubble. The Wednesday St Arnou Twilight Series proved as popular as ever and we continue to attract excellent entry numbers. We are now well into the Audi Winter Series. The sailing committee has effected some changes this year with more refinement to the divisions and the introduction of a method to enable the race to be postponed to wait for the wind.

We have also removed non-pointscore races after unanimous agreement at the post series forum last year. An extra drop has been added in order to compensate. Entry numbers are excellent and we hope that the weather remains kind, fair and just windy enough.

The CYCA

This is the second year I have enjoyed the privilege of working with Justine Kirkjian. Justine has chosen the career path of being a professional sports administrator. I can only say that we are lucky that she is administering our sport at our Club. Justine's professionalism, discipline and organisational skills are second to none. Justine is ably supported by Roger Wragby, Amy Howie and until recently Susan Veal who has recently left to seek other opportunities. We wish Susan well in her pursuits. The administration of the Youth Sailing Academy now comes under the umbrella of Justine Kirkjian's management. I am sure that the efficiencies and resource management of all our sailing activities being under one umbrella will serve the Club very well.

The Sailing Committee remains fully cognisant of our responsibility to this sport. The CYCA is the recognised leader in the sport of ocean racing. We aim to provide racing that suits the needs of our members. We seek to (where possible) introduce systems that make it easier to participate in this great sport. To this end may I encourage communication from all stakeholders of the Club's racing. The simple aim of the sailing committee is to provide the members with what they want in sailing.

Audit Planning & Risk Committee Report

Rear Commodore Michael Cranitch, Chairman

The Audit Planning & Risk Committee has had a fairly busy year but had the benefit of some very capable people to review the Club's operations. My thanks go to Past Commodore Martin James, Treasurer Paul Billingham, Graham Swan and Commodore Matt Allen.

The Committee has overall responsibility to give the Board advice and assurance regarding the quality and reliability of financial information prepared for use by the Board. Included in its responsibilities are advice in short and long term strategic plans, and generally having an oversight in respect of all the Club's compliance requirements and reviewing and negotiating all significant contractual arrangements.

The Audit Planning & Risk Committee is at the heart of the Club in all its activities and provides constant assistance to the Board. Thanks to the efforts of the Committee, the Club has been able to move forward and this is reflected in the efficient manner in which the Club is currently being administered. This efficient administration is reflected by the very pleasing financial outcomes for the Club this year, to which reference is made in the Treasurer's report.

There are new initiatives of the Club going forward which are subject to the review of the Audit Planning & Risk Committee which will be to the long term benefit of the Club. These include the possible redevelopment of the car park and slipway areas of the Club, and the provision of better facilities for the use of members.

The Committee could not function without the efficient input of our Chief Executive Officer Mark Woolf and Accountant Nina McKinnon who provide the Audit Planning & Risk Committee with most if not all of the substantive information upon which their decisions are based. Due to their efforts the Committee has functioned very well, and they deserve the thanks of the Club for their efforts.

Special thanks go to Martin James who not only assists with the legal operations of the Club, but has the substantial job of reviewing each Notice of Race and other documentation generated by the sailing activities of the Club. He has performed this selflessly and without consideration of his personal time.

Cruising Committee Report

Cruising Captain John Keelty

Since our last AGM, CYCA Cruising has again been active in holding a number of information evenings and events for our members and their guests.

I am pleased to report that our Medical Management for Mariners (MMM) course has progressed and is well on track with a pilot course held at St Vincent's Don Harrison Simulation Centre between October and December last year. We are now awaiting the signing of the Memorandum of Understanding by St Vincent's Hospital before the course commences.

The need for this course was identified at one of our Medical information evenings when it was realised that whilst essential, the Senior First Aid Certificate does not cover some of the emergency situations that can arise and have to be dealt with for hours or even days while at sea before professional help can be received.

Sadly Professor Don Harrison, a Club member and member of the MMM development committee, passed away late last year. He will be greatly missed and we would like to acknowledge his significant input and contribution to the MMM program. This MMM course is being developed with funding assistance from the CYCA SOLAS Trusts. We are aware that this course has generated great interest both here and overseas and when it commences it will hopefully contribute greatly towards safety in yachting.

In October, Middle Harbour Yacht Club hosted the annual NSW Combined Cruising get together which was well attended by CYCA members, some of whom took the opportunity of arriving by water and utilising the facilities provided by MHYC, including use of their new marina.

This year, CYCA Cruising combined with the Blues Point Yacht Club to hold the Cruising Christmas party, which proved to be a successful day combining both sailing and socialising.

The Radio Information evening held in April attracted more than 220 people to hear the very latest information on HF and VHF radio communication and search and rescue procedures. It was an informative evening that brought together presenters from Australian Marine Safety Authority Canberra (AMSA), KORDIA, the New South Wales Water Police and representatives from the Volunteer Rescue organisations. The evening offered a great insight into how marine rescues are both coordinated and carried out currently and what can be expected in the future.

In May we once again attended the Sydney Seafood School at the Fish Markets and this year we were shown how to correctly prepare and cook Japanese Tempura and Tempurayaki. It was an enjoyable evening for all who attended and I am sure it will feature again on next year's calendar.

Also in May we conducted an information evening on anchoring which was another successful night and an informative evening for those that attended.

Another highlight will be the awarding of the prestigious Club's Best Overseas Cruise Award, which this year has been awarded to Ted Nobbs and Nancy Knudson for completing their round the world circumnavigation in 2007 in Blackwattle. Congratulations Ted and Nancy.

I would like to thank all of the committee who assisted in making this year so successful. Rear Commodore Alan Green (Radio Information Night); Marco Forstner (Sydney Seafood School); Dennis Doyle and David Champtaloup (Anchoring Night); Virginia Handel (MMM) and also Jeremy Lawrance, Pamela Emerson, Andrew Hawkins and Pat Goldstiver for their support, input and assistance.

I would also like to thank our Commodore and the Board, together with the rest of the Club staff, in particular Mark Woolf, Marina, Jason, Anna (L eat Catering) and the staff at reception, whose ongoing support and assistance help to make CYCA Cruising such a success.

Training & Development Committee Report

Vice Commodore Garry Linacre, Chairman

Having completed my first year as Chairman of the Training and Development Committee I must begin by complimenting my fellow committee members for their dedication to the cause. They are: Director Geoff Cropley, Director Graeme Wood, Past Commodore John Brooks and Steve Jarvin.

The Training and Development Committee's main function is to determine the policies which are executed by the management. Through an extensive calendar of events I am pleased to report that the Youth Sailing Academy continues to deliver the desired outcomes set, including a greater number of our more senior youth now becoming more involved in ocean racing.

In March, both the Sailing Committee and the Training and Development Committee accepted a recommendation from management to restructure the overall sailing operations of the Club. That recommendation included reuniting the operations of the YSA with the general sailing management of the Club. Both committees accepted the recommendation which included a re-alignment of responsibilities for the entire sailing management of the Club to be lead by CYCA Sailing Manager, Justine Kirkjian.

As some of you would know Jenni Bonnitcho tendered her resignation after spending seven years as Manager/Coach of the Youth Sailing Academy. On behalf of every stakeholder involved in the CYCA YSA I want to thank Jenni for her commitment, energy and the guidance she provided the current and past alumni of the YSA. I wish her every success in her future endeavours.

All members of the CYCA should continue to be aware that through the YSA the Club makes a significant investment in the wider community and further education of our youth. The large numbers of youth we introduce to sailing through our calendar of events as well as through our disadvantaged, school and community programs increases participation and awareness of our sport.

The programs that were run through the CYCA YSA during the year were:

- School Holiday courses – April, July, Sept/Oct, Dec & Jan
- Advanced Squad
- Development Match Racing Squad
- Talented Sailors Squad
- Women's Squad – summer Friday evenings
- Freedman Foundation – supporting public schools from the greater Sydney area
- Toga Group Program – scholarships for dinghy Clubs to connect them with CYCA programs
- Blacktown Tutorial Centre – support for students with behavioral problems

- Eden Marine High – supporting the Eden Community to acknowledge the support they provide during the Rolex Sydney Hobart Yacht Race
- School courses – Scots and Ascham
- University course – ten week course on Friday afternoons, twice a year
- Sydney University Sport and Rec. courses conducted four times annually
- Seminar evening – through the winter covering weather, rigs, fitness and injury prevention, regatta preparation, tactics & strategy and racing rules
- Train-on squads – continual training programs for youth sailors seeking to represent CYCA.

Regattas run by the CYCA YSA during the year were:

- Navionics Match Racing Regatta
- Capt John Piper Match Racing Regatta
- Kellett Shield Regatta
- Club Marine NSW Youth Match Racing Championships
- CYCA InterClub Challenge
- Sailors with disABILITIES Regatta
- Australian Defence Forces Inter-Service Regatta
- Bavaria Yachts International Youth Match Racing Regatta
- ASCC Regatta
- Marinassess Women's Match Racing Regatta
- Harken Women's International Match Racing Regatta
- Mt Gay Rum Top Jocks Regatta

Youth sailors who represented the Cruising Yacht Club of Australia:

Club Marine NSW Youth Match Racing Championship (CYCA)

1st: Evan Walker, Sean O'Rourke, Josh Cornford
2nd: Will Ryan, Jay Griffin, Jonathon English
3rd: Jamie Woods, Byron White, Jeremy Wawn
4th: Will Mackenzie, Ted Hackney, Will Parker

Governors Cup (Balboa Y.C, California)

3rd: Will Ryan, Jay Griffin, Jonathon English

International Match Race Challenge (Coves)

2nd: Tom Barker, Tim Austin, Alex Ward, Tiffany Fulde

Selangor Gapurna International Youth Match Racing (Malaysia)

1st: Evan Walker, Samantha Boyd, Amanda Scrivenor, Cat Trew, Jeremy Wawn
3rd: Tom Barker, Tim Austin, Alex Ward, Kat Stoinovsky, Tiffany Fulde

InterClub Challenge – 3 regattas held at RPAYC, RSYS & CYCA

26 Development Match Racing Squad sailors represented

Australian Youth Match Racing Championship (Hobart)

1st: Will Ryan, Jay Griffin, Dean Souter, Jonathon English
3rd: Evan Walker, Sean O'Rourke, Jock Sinclair, Sarah Bilsel
4th: Jamie Woods, Byron White, Tim Forbes-Smith, Jeremy Wawn
5th: Will Mackenzie, Ted Hackney, Declan Rohr, Will Parker

Australian Women's Match Racing Championship (Sandringham)

3rd: Amanda Scrivenor, Breanna Hoppe, Josie Roper, Kat Stoinovsky, Bex Dunn

Training & Development Committee Report (continued)

4th: Samantha Boyd, Lucinda Whitty, Tiffany Fulde, Cat Trew, Sarah Bilsel

6th: Alex Ward, Kirstin Norris, Jenny Lowe, Liz Gazzard, Emma Sunderland

Australian Teams Racing Championships (Brisbane)

6th: Ted Hackney, Will Mackenzie, Will Parker, Evan Walker, Byron White, Lucinda Whitty

Bavaria Yachts International Youth Match Racing (CYCA)

1st: Will Mackenzie, Jamie Woods, Kyle Langford,

3rd: Will Ryan, Ted Hackney, Jonathon English

Harken International Youth Match Racing (RPAYC)

8th: Byron White, Jamie Woods, Keiran Searle, Jeremy Wawn

10th: Ted Hackney, Will Parker, Will Mackenzie, Jonathon English

Royal New Zealand Yacht Squadron Youth Match Racing (Auckland NZ)

2nd: Robert Gibbs, Jamie Woods, Jeremy Wawn

3rd: Evan Walker, Will Ryan

Warren Jones Memorial Youth Regatta (Perth)

6th: Evan Walker, Will Ryan, Tom Barker, Tim Austin, Rob Scrivenor, Jonathon English

Hardy Cup (RSYS)

1st: Evan Walker, Will Ryan, Oliver Hartas, Kyle Langford

Centreport International Youth Match Racing (Wellington)

5th: Kyle Langford, Jamie Woods, Sean O'Rourke

New Zealand Women's Match Racing Championship (Auckland)

6th: Lucinda Whitty, Breanna Hoppe, Kat Stroinovsky, Bex Dunn

7th: Samantha Boyd, Amanda Scrivenor, Olivia Price, Tiffany Fulde

Harken Women's International Match Racing Championship

7th: Samantha Boyd, Amanda Scrivenor, Olivia Price, Tiffany Fulde

CYCA YSA Sponsorship

I would like to thank Audi Australia as the CYCA YSA's major sponsor. This is their second year being involved with the YSA. Without their support many of our youth programs would not be possible.

There are other sponsors of the YSA, namely our current Elliott 6 Sponsors:

- Bavaria Yachts
- Club Marine
- Estate Master
- GME
- Line 7
- Lansa – Sailors with disabilities
- Triple M (Village Roadshow)
- Thai Airways International
- Walker Corporation
- Wotif.com

Other sponsors

- Andrew Short Marine
- Harken
- Hood Sailmakers
- Noakes Boat and Shipyards
- The Freedman Foundation
- Toga Group – Vibe Hotels and Medina Serviced Apartments

We are also blessed with the assistance of a huge number of volunteers and supporters who dedicate their time and energy in helping with the various events run through the YSA. They include Debbie Wilson, Pam Scrivenor, Jenny Birdsall, Doug Talty, Grant and Joanne Parker, Joyce and Pat Warne, Grahame Hackney, Jeremy Whitty, Darren Hoppe, Ann Kurts, Wai Lee, Chris Lowe, Stephen and Rosemary Merrington, Mandy Ryan, Carmel and Rob Sunderland, Julianne Ward, Tony Watterson, Tom Woods, Jackie Wyatt and umpires Phil Mostyn, Andrew Baglin, Gary Manuel, Bill Pringle, David Tallis, Tony Webb, Rob Ware, David Kamer, Rob Armstrong, Rob Bell, Richard Christian, Kingsley Forbes-Smith, Richard Kelly, Erica Kirby, Colin Mackenzie.

Special thanks need to go to all the boat owning members who help with billet accommodation for our visiting teams and those who afford the opportunity for our squad members to race with them in Club events. These members are the link that helps the YSA to achieve its goal of true CYCA participation by our youth.

I must also pay a vote of thanks to Graeme Wood's Wot Next Youth program. This program gives youth the opportunity to join a team training program for both the Audi Sydney Gold Coast Yacht Race and for the build up to the Rolex Sydney Hobart Yacht Race. For the 2007 RSHYR, Wot Next Sailing Master Bill Sykes took eight of our youth among his crew of 12 to Hobart, including 5 budding young yachswomen. This program is doing wonders in truly creating excellent crew resource for our fleet.

Also new in 2007 – YSA crews who undertook their first Rolex Sydney Hobart yacht Race were recognised by the 'Quiet Little Drink'. A 'Tasmania' plaque to commemorate the achievement was presented to each young sailor. There were seven last year and will be seven again this year.

In many cases many of our squad member's parents assist in the running of regattas. I would like to thank them also and encourage them to continue their support.

I would also like to thank each member of the Club who has contributed to the YSA via the Australian Sports Foundation donation scheme. These donations underpin our efforts each year.

Throughout the year our Elliotts continue to be maintained to an exceptionally high standard thanks to the efforts of James Francis and his commitment to the task.

On behalf of the Training and Development Committee I thank all members of the Cruising Yacht Club of Australia for the continued support and commitment to promoting the sport of sailing to our potential Club members of tomorrow.

Marina & Site Committee

Rear Commodore Alan Green, Chairman

The Marina and Site Committee with the same members as last year again had another very successful year.

The Committee has successfully considered many difficult issues that have not been resolved in the past. One major issue has been the number of members waiting for permanent berthing and the number of vessels that do not appear to be active. This problem could be easily resolved if we had a much larger marina, but we don't. The difficulties in the marina waitlist were partially resolved last year by the implementation of new procedures for members joining the marina or changing their vessels. The result of this has been an opportunity to accelerate the allocation of berths, however the limited number of berths available to us still remains. We are working on that.

There is no doubt that the waiting list has been reduced, but the Committee is not wholly satisfied that they have done all that they can. Work is continuing, particularly with the introduction of a new marina software system, to obtain better data so that members waiting for berths can be given more information.

Another major issue has been car parking. The Committee has struggled with this issue for some while. It is a well known fact that the Club does not have enough car parking spots and at times cars seem to be parked on the Club premises for long periods for no apparently valid reason. The Club's By-Laws are very clear on the rules regarding car parking. This year, with the assistance of the Board a decision was taken to write to those people who appeared to be breaking the rules. I am pleased to report that as a result of that action, the situation has improved, however we still have some members not following the By-Laws. I am certain that the matter will be resolved in the near future. It is critical that on race days the number of spaces available are maximised. We want to encourage members to come to the Club to sail their boats and utilise the services offered in the Clubhouse.

Sailing activities and events at the Club are growing in popularity, with an increased number of persons using the facilities. Maintenance of all our facilities including supporting vessels is proceeding at a high level of efficiency. We have had some maintenance issues arise, but they have all been dealt with in a most efficient manner. The quality of our marina, our sailing support facilities and our site maintenance program is due to the application and skills of our staff. Problems that arise are usually addressed before they are even noted as issues.

Maintenance issues on the marina have been minimised by implementing regular inspections and preventative work. There are no significant issues to report in this area. Similarly due to the proactive site and house inspection

program, ongoing work in maintaining the house ensured that any issue that arose were addressed promptly. We are fortunate to have such wonderful facilities. With the ongoing improvements to the facilities of the Club and the maintenance of the house this year, the Clubhouse continues to provide a very special and quality environment for all members.

Maintenance of the marina, the site and the Club facilities are only a part of the responsibilities of this Committee. The Committee is primarily responsible for policy, with our good staff, many supporters and contractors doing the real work. Without those real workers the quality of the maintenance would decline.

None of these outcomes could have been achieved without the high calibre, professionalism, and close working relations of the Committee members and the Club staff who work in this area. A thousand thanks to the Committee members, Geoff Bonus, John Cameron (Director), Andrew Copley and Karl Stechmann. Based on the expertise of these people we have a very high level of advice regarding the maintenance of our assets. Also very special thanks to our great Marina staff, Frank Bergmann and Scott Finsten as well as Operations Manager Brian McMahon. Without the work of this team we would be hard pressed to achieve the results we did. They have been well led by our CEO Mark Woolf who also attended our Committee meetings.

In conclusion, again many thanks to all the members of this Committee, it has been fun and a special honour to work with such an efficient team as you are. You have made the meetings a joy. I repeat what I said last year "...with a team like you, I am sure that there is no problem that could not be solved."

Member Services Committee Report

Director Geoff Cropley, Chairman

Over the past year your Member Services Committee focused on some key objectives identified during the previous 12 months. The most important being membership growth particularly that of younger members. It was the Committee's view that the Club was not attracting younger members to invest in membership of the Club. For the Club to be dynamic we must have fresh younger faces participating in our sport and utilising our facilities.

As such a special resolution was put to members at the 2007 AGM seeking approval to amend the existing criteria of the crew membership category by introducing an age cap. This was accepted by the voting members present at the meeting.

In August 2007 the revised Crew membership category for people aged between 18 and 29 years old was launched. I'm pleased to advise that since August 2007 a significant number of younger people have taken up the opportunity to join the Club. Today the Club has a total of 2,713 members across all categories up 2.6%.

Another of the Committee's major efforts was to focus on ways on improving the utilisation of our Clubhouse facilities. It gives me great pleasure to report that utilisation of our wonderful restaurant has greatly improved. L eat Catering our Club caterers consistently inform us that the total numbers of members and guests dining in our facilities continues to rise. I urge all members to continue to support the catering and bar facilities of the Club when they can.

I have spoken to many members over the year and it is very pleasing to hear of their wonderful experiences when attending the various functions held at the Club. The food and service in every case has been nothing but fabulous which is testament to our caterers and bar staff.

During the year the Associates were well represented by newly elected president Pam Messenger. I would like to thank Pam and her team for the fabulous efforts in running many of the Club functions during the year.

Once again we must recognise the wonderful Breakfast Club for providing the hearty meals during our Audi Winter Series. I know I speak for all Club members and thank the Breakfast team for their tireless effort each Sunday morning and the contribution they make to purchase assets for the Club with the monies that they raise. For example the flat screen TV's are one of many assets the Breakfast Club has helped purchase for which we thank them. Further as I write this report I can confirm that the Breakfast Club has committed to purchase important emergency medical equipment for the Club.

During the year our committee decided to adjust the members badge draw held each Thursday night. This adjustment will see the jackpot grow way beyond previous highs and I'm sure will bring even greater numbers of members together on Thursday nights in the Coasters Retreat. The badge draw can only exist due to our generous sponsors. To all of those companies our members thank you.

In closing, I would like to thank my committee members for their contribution in time and ideas during the year. Rear Commodore Michael Cranitch, Pam Messenger, Pip Lavis, Val Mallett, Peter Seary and from management Mark Woolf, Marina Gibson and Club Caterer Vicki McKinnon.

Badge Draw Sponsors

We would like to acknowledge those sponsors involved in the Members' Badge Draw.

Gold Sponsors

- Andrew Short Marine

- Windcraft – importers of Hanse Yachts

Bronze Sponsors

- Oatley Wines
- Active Casual
- The Storrier Hotel
- Eastern Creek Karts
- Satcomms Australia
- WOW Wash

Associates Committee Report

Pam Messenger, President

As a member of the CYCA for 10 years, it was with great delight I was elected President of the Associates Committee in July 2007. Our Committee provides support to the Club through organising social functions, whilst also raising funds for the Club and one of its selected charities.

This past year the charity of choice was the Sydney Children's Hospital, Randwick and we raised \$5,690 through raffles. This far exceeded previous funds raised, and we thank all members for their support in purchasing tickets.

The Associates Committee introduced a few new initiatives over the past year, the first being our 'Mission Statement' which aligns us to the Club and its objectives, whilst providing Associate Committee members with clear direction and purpose.

Our Mission Statement for 2008-2009:

- To raise the profile of Associate Membership and increase their numbers and participation in Club events, both sailing and social.
- Initiate, plan and host a range of Club social events for the enjoyment and benefit of all members.
- Conduct fundraising activities for either the Club or the charity of choice.

Fundraising

In 2007/08, the Associates Committee raised \$5,600 from raffles, which provided Sydney Children's Hospital, Randwick with a much needed mechanical bed, and a PH meter which is used in the cancer laboratory. The Club has since received a Certificate of Appreciation from the hospital, and further fundraising activities will continue in the coming year.

The Associates also donated \$3,000 to the Club for the purchase of a defibrillator unit for use on the MV Gordon Marshall. This donation also included training for up to 12 CYCA staff in the use of the equipment.

A framed pennant of the 'Independence' – a yacht owned and sailed by Ernie Messenger in the 1949 Sydney Hobart Yacht Race, was also donated to the Club, compliments of the Associates and the Messenger family.

We have introduced a new Club item for sale – "Postcards from the CYCA", which were a huge success during the Sydney Hobart Yacht Race period. There are four individual postcards for sale, depicting Sydney Harbour and the Club.

Events

Jazz Dinner Dance

A Jazz Dinner Dance, again featuring famous jazz trumpeter Bob Barnard and his band was held in May 2007. Past Associates President Jeannette York presented the renowned yachtswoman, Adrienne Cahalan with the Associates' Trophy for Women, for completing 15 Sydney to Hobart Yacht Races in 2006.

Parade of Sail 2007

The 14th "Parade of Sail & Blessing of the Fleet" was held on Sunday 29th July, on a cool, yet beautifully sunny day. Due to unseasonal storms in June, whereby a number of classic yachts sustained damage, the entry numbers were down, but the competition was still strong. This year Fidelis, owned by Nigel Stokes, was the winner, closely contested by Dr John Musgrove's Varuna. Third place went to Karalee, owned by Ian Hansen. We would like to thank the Sydney Maritime Museum for yet again providing the official start vessel Boomerang, the magnificent 1903 Edwardian Schooner. CYCA volunteer and Life member Alan Brown fired the cannon, Vice Commodore Garry Linacre took the salute, and Chaplain Murray Lund RAN of HMAS Watson, blessed the fleet of classic yachts as they sailed past. Skippers, crews and guests convened back at the Club for an enjoyable lunch and the prize giving in the Morna & Freya Rooms. Thanks go to all the skippers and crews who participate in this event, we look forward to continuing this great tradition.

Melbourne Cup Luncheon

Last year's Melbourne Cup function brought in a new element with a Fashion Parade hosted by David Lawrence and compered by Jill Coughlan. Members and guests were treated to a wonderful display of fashion, whilst also enjoying the electric atmosphere of Melbourne Cup Race Day. Thanks to Associates Committee member Irene McAuliffe who suggested and organised the parade, she did a wonderful job. A fabulous day was had by all as they participated in the sweeps, raffles, the Trivia Competition, with prizes going to best dressed man and best dressed woman. Our most sincere thanks go to all the many kind organisations who donated prizes for the Grand Raffle and to the members and guests who gracefully purchased tickets.

Associates Committee Report (continued)

Rolex Sydney Hobart Clothing Sales

Associate Committee members helped the Club during the busy lead up to the Rolex Sydney Hobart Yacht Race by volunteering at reception, by assisting the reception staff in selling the many different items of clothing and gift lines. Thanks to Kendi Kellett for co-ordinating this activity, and to the volunteers who were able to assist.

Club Christmas Decorations

Each year the volunteers from the Associates Committee decorate the Club with Christmas Decorations. My sincere thanks to who were able to assist.

Children's Christmas Party

Buttons the Clown again entertained member's children at the annual Christmas Party, with Santa arriving at the Club via the pond. Each child that attends receives a present from Santa, with traditional children's party food and entertainment being provided. Volunteers from the Associates Committee dedicate their time to organising this event, and once again, kind thanks to the many members involved.

Christmas Hamper

The Christmas Hamper Raffle has become a yearly drawcard at the Club, taking pride of place at reception. In 2007 over \$1,200 was raised, and the winner kindly donated the actual hamper back to the Club for use again next Christmas. My personal thanks go to the generosity of our Club members.

On behalf of the Associates Committee, I extend my thanks to the Commodore, the Board, the CEO and staff for their continued assistance and co-operation through out the past year. We look forward to another exciting and productive year, working with and for the Club.

Archives Committee Report

Director Rod Skellet, Chairman

It is with great pleasure that I can report to my fellow members that our committee's principle objective of creating a book covering the history of our magnificent Club has finally been achieved. "From Ratbags to Respectability" – A history of the Cruising Yacht Club of Australia, is now available to all members and it is appropriate that I take this opportunity to thank some key members of the Archives committee and those from Focus Publishing for their enormous contribution.

Life member Tony Cable has been instrumental in this project from its conception nearly 20 years ago and has seen it through its stops and starts over the years. Tony's contribution especially in the last few months of manuscript finalisation and book production has been invaluable, as well as his ability to make a notorious quote every now and then, which ultimately provided the title.

As always, Tony and controversy are never far apart, and from the day the title was revealed active discussions once again ensued. Whether you like the title or not, at least it gets the members talking.

To Jacqui Lane and her team at Focus Publishing: Peter Hock, Jason Cupitt and Alison Maybury our sincere thanks. Your team has provided a truly world class publication, one which all members of the CYCA should be very proud.

And finally to our author, David Colfelt, our heartfelt thanks to David for giving the CYCA members a magnificent record of our Club's first 63 years.

It has been a project which has been difficult, both in conception and production, but the final product is one which reflects the truly unique and colourful history that is the CYCA.

The publication of our Club's history provides me with the opportunity to announce the end of my time on the Board of the CYCA. The Club has gone through some enormous developments in the 11 years I have served on its Board. I have been fortunate, as have all members, to have had some very capable Commodores over the years. To Peter Bush who asked me to serve on the Board initially, and Hugo Van Kretschmar who led the Club through the tragic 1998 Hobart race, I offer my sincere thanks for your leadership. To Hans Sommer, the 'members' Commodore', and John Messenger who provided the Club with our magnificent marina, we all owe a huge debt of gratitude.

To Martin James, who is without a doubt probably the most tireless worker this Club has had, and to Geoff Lavis who steered the Board over a steady course, I say thank you.

And finally to Matt Allen, whose hands currently hold the helm, we are fortunate to have you to take our Club forward in what is a challenging but interesting time in our Club's ongoing development.

Directors' Report

The directors present their report together with the financial report of the Cruising Yacht Club of Australia ('the company') for the year ended 31 March 2008 and the auditor's report thereon.

Directors

The directors of the company at any time during or since the end of the financial year are:

Name and qualifications	Age	Experience and special responsibilities
Mr Matthew C Allen B.Bus Non-executive Director Commodore Owner – Ichi Ban	45	Director since July 2002 Former Regional Chief Executive Officer UBS (Japan) Executive Chairman Halcyon Pty Limited Member, Audit, Planning and Risk Committee Chairman, Rolex Sydney Hobart Yacht Race Committee Chairman of CYCA SOLAS Limited the trustee of CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts

H Piggott	12	12	15	15
R Skellet	9	12	4	4
G Wood	7	9	1	1
G R Lavis	3	3	0	0

Directors' Report (continued)

Principal activities

The principal activities of the company during the course of the financial year were to promote participation in yachting including the sport of sailing and to provide ocean racing facilities, training and other yachting facilities and competition for its members.

There were no significant changes in the nature of the activities of the company during the year.

Membership

The Club is a Company limited by guarantee and without share capital. The number of members as at 31 March 2008 and the comparison with last year is as follows:

	2008	2007
Number of members	2,713	2,644

Review and results of operations

The result from ordinary activities before tax for the year amounted to a net profit of \$396,978 compared with \$347,991 for the prior year. This resulted after charging \$829,912 (2007: \$794,262) for depreciation and amortisation.

Dividends

The company is a non-profit organisation and is prevented by its constitution from paying dividends.

State of affairs

In the opinion of the directors there were no significant changes in the state of affairs of the company that occurred during the financial year under review.

Environmental regulation

The company's operations are subject to various environmental regulations under both Commonwealth and State legislation.

The Board believes that the company has adequate systems in place for the management of its environmental requirements and is not aware of any breach of those environmental requirements as they apply to the company.

Likely developments

The directors do not anticipate any further development in the operations of the Club which will affect the results in subsequent years.

Events subsequent to reporting date

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material or unusual nature likely, in the opinion of the directors of the company to affect significantly the operations of the company, the results of those operations, or the state of affairs of the company, in future financial years.

Indemnification and insurance of officers

The company has provided for and paid premiums to the value of \$6,028 during the year for directors' and officers' liability insurance. The insurance is in respect of legal liability for damages and legal costs within an annual limit of \$10,000,000 (subject to a sub limit of \$5,000,000 per claim in any one insurance period) arising from claims made by reason of any omissions or acts (other than dishonesty) by them, whilst acting in their individual or collective capacity as directors or officers of the company.

The insurance premiums relate to:

- costs and expenses incurred by the relevant officers in defending proceedings, whether civil or criminal and whatever their outcome; and
- other liabilities that may arise from their position, with the exception of conduct involving a wilful breach of duty or improper use of information or position to gain a personal advantage.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is on page 24 of this annual report.

Signed in accordance with a resolution of the directors:

Commodore
Matt Allen
Sydney, 20 May 2008

Treasurer
Paul Billingham
Sydney, 20 May 2008

Independent Auditor's Report

to the Members of Cruising Yacht Club of Australia

We have audited the accompanying financial report of Cruising Yacht Club of Australia, which comprises the balance sheet as at 31 March 2008, and the income statement, cash flow statement and statement of recognised income and expense for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the directors' declaration as set out on pages 24 to 43.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's Independence Declaration

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001.

Auditor's Opinion

In our opinion, the financial report of Cruising Yacht Club of Australia is in accordance with the Corporations Act 2001, including:

- (a) giving a true and fair view of the company's financial position as at 31 March 2008 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001.

DELOITTE TOUCHE TOHMATSU

Chartered Accountants
Sydney, 21 May 2008

Directors' Declaration

The directors declare that:

- (a) in the directors' opinion, there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable;
- (b) in the directors' opinion, the attached financial statements and notes thereto are in accordance with the Corporations Act 2001, including compliance with accounting standards and giving a true and fair view of the financial position and performance of the company; and
- (c) the directors have been given the declarations required by s.295A of the Corporations Act 2001.

Signed in accordance with a resolution of the directors made pursuant to s.295(5) of the Corporations Act 2001.

On behalf of the Directors

M C Allen

Auditor's Independence Declaration

Under section 307C of the Corporations Act 2001

The Board of Directors
Cruising Yacht Club of Australia
1 New Beach Road
Darling Point NSW 2027

2008

Dear Board Members

Cruising Yacht Club of Australia

In accordance with section 307C of the Corporations Act 2001, I am pleased to provide the following declaration of independence to the directors of Cruising Yacht Club of Australia.

As lead audit partner for the audit of the financial statements of Cruising Yacht Club of Australia for the financial year ended 31 March 2008, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the Corporations Act 2001 in relation to the audit; and
- (ii) any applicable code of professional conduct in relation to the audit.

Yours faithfully
DELOITTE TOUCHE TOHMATSU

J P Winter
Partner
Chartered Accountants
Sydney, 20 May 2008

Notes to the Financial Statement

for the financial year ended 31 March 2008

1. General information

Cruising Yacht Club of Australia ("the Company") is a company limited by guarantee and operating in Australia.

In accordance with the Memorandum and Articles of Association of the Cruising Yacht Club of Australia, every member of the company undertakes to contribute to the assets of the company in the event of it being wound up, whilst he or she is a member or within one year after he or she ceases to be a member and of the costs, charges and expenses of winding up such as may be required, not exceeding \$2 per member.

The company has 2713 members at year end.

Cruising Yacht Club of Australia's registered office and its principal place of business are as follows:

1 New Beach Road
Darling Point NSW 2027

2. Adoption of new and revised Accounting Standards

In the current year, the company has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (the AASB) that are relevant to its operations and effective for the current annual reporting period. The adoption of these new and revised Standards and Interpretations has resulted in no changes to the company's accounting policies.

In the current year the company has adopted AASB 7 "Financial Instruments: Disclosures", which is effective for annual reporting periods beginning on or after 1 January 2007, AASB 2005-10 "Amendments to Australian Accounting Standards", which deals with the consequential amendments to other accounting standards resulting from the issue of AASB 7, and AASB 101 "Presentation of Financial Statements".

The impact of the adoption of AASB 7, AASB 2005-10 and the changes to AASB 101 has not had any effect of the amounts recognised in the financial statements of the company, but has been to expand the disclosures provided in these financial statements regarding the company's financial instruments and the objectives, policies and processes for managing capital (refer Note 17).

Initial application of the following Standards and Interpretations will not affect any of the amounts recognised in the financial report, but will change the presentation and disclosures presently made in relation to the financial report.

At the date of authorisation of the financial report, the following Standards and Interpretations were on issue but not yet effective:

1	AASB Interpretation 12 'Service Concession Arrangements'	Effective for annual reporting periods beginning on or after 1 January 2008
2	AASB 2007-2 'Amendments to Australian Accounting Standards arising from AASB Interpretation 12'	Effective for annual reporting periods beginning on or after 1 January 2008
3	AASB 2007-4 'Amendments to Australian Accounting Standards arising from ED 151 and Other Amendments'	Effective for annual reporting periods beginning on or after 1 July 2007
4	AASB Interpretation 13 'Customer Loyalty Programmes'	Effective for annual reporting periods beginning on or after 1 July 2008
5	AASB 2007-07 'Amendments to Australian Accounting Standards'	Effective for annual reporting periods beginning on or after 1 July 2007
6	AASB 8 'Operating Segments'	Effective for annual reporting periods beginning on or after 1 January 2009
7	AASB Interpretation 14 'AASB 119 – The Limit on a Defined Benefit Asset, Minimum Funding Requirements and their Interaction'	Effective for annual reporting periods beginning on or after 1 January 2008
8	AASB 123 'Borrowing Costs' – revised standard	Effective for annual reporting periods beginning on or after 1 January 2009
9	AASB 2007-6 'Amendments to Australian Accounting Standards arising from AASB 123'	Effective for annual reporting periods beginning on or after 1 January 2009

Notes to the Financial Statement (continued)

3. Significant accounting policies

Statement of compliance

The financial report is a general purpose financial report which has been prepared in accordance with the Corporations Act 2001, Accounting Standards and Interpretations, and complies with other requirements of the law including the Registered Clubs Act and Gaming Machines Tax Act 2001.

Accounting Standards include Australian equivalents to International Financial Reporting Standards ('A-IFRS'). Compliance with A-IFRS ensures that the financial statements and notes of the company comply with International Financial Reporting Standards ('IFRS').

The financial statements were authorised for issue by the directors on 20 May 2008.

Basis of preparation

The financial report has been prepared on the basis of historical cost, except for the revaluation of certain non-current assets and financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

The following significant accounting policies have been adopted in the preparation and presentation of the financial report:

(a) Borrowing costs

All borrowing costs are recognised in profit or loss in the period in which they are incurred.

(b) Cash and cash equivalents

Cash comprises cash on hand and demand deposits. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

(c) Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required and they are capable of being measured reliably. Liabilities recognised in respect of employee benefits

expected to be settled within 12 months, are measured at their nominal values using the remuneration rate expected to apply at the time of settlement.

Liabilities recognised in respect of employee benefits which are not expected to be settled within 12 months are measured as the present value of the estimated future cash outflows to be made by the company in respect of services provided by employees up to reporting date.

Long term service benefits

The Company's net obligation in respect of long-term service benefits, other than pension plans, is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates, and is discounted using rates for Commonwealth Government bonds at the balance sheet date which have maturity dates approximating to the terms of the Company's obligations.

(d) Financial assets

Loans and receivables

Trade receivables, loans, and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method less impairment.

Interest is recognised by applying the effective interest rate.

Impairment of financial assets

Financial assets, other than those at fair value through profit or loss, are assessed for indicators of impairment at each balance sheet date. Financial assets are impaired where there is objective evidence that as a result of one or more events that occurred after the initial recognition of the financial asset the estimated future cash flows of the investment have been impacted. For financial assets carried at amortised cost, the amount of the impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables where the carrying amount is reduced through the use of an allowance account. When a trade receivable is uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance

Notes to the Financial Statement (continued)

account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

(e) Financial instruments issued by the company

Debt and equity instruments

Debt and equity instruments are classified as either liabilities or as equity in accordance with the substance of the contractual arrangement.

Financial liabilities

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities.

Other financial liabilities

Other financial liabilities, including borrowings, are initially measured at fair value, net of transaction costs.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period.

(f) Impairment of other tangible and intangible assets

At each reporting date, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also

allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but only to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the reversal of the impairment loss is treated as a revaluation increase.

(g) Income tax

No provision has been made for income tax as the Company is exempt under Section 50-45 of the Income Tax Assessment Act (1997), provided it continues as a sporting club predominately encouraging and promoting the sport of yachting, boating, cruising for pleasure and the building and sailing of yachts and boats. Accordingly tax affect accounting has not been adopted by the Company.

(h) Inventories

Inventories are valued at the lower of cost and net realisable value. Costs, including an appropriate portion of fixed and variable overhead expenses, are assigned to inventory on hand by the method most appropriate to each particular class of inventory, with the majority being valued on a first in first out basis. Net realisable value represents the estimated selling price less all estimated costs of completion and costs necessary to make the sale.

(i) Leases

Leases are classified as finance leases when the terms of the lease transfer substantially all the risks and rewards incidental to ownership of the leased asset to the lessee. All other leases are classified as operating leases.

Notes to the Financial Statement (continued)

Finance leases

Assets held under finance leases are initially recognised at their fair value or, if lower, at amounts equal to the present value of the minimum lease payments, each determined at the inception of the lease. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the company's general policy on borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

Finance leased assets are amortised on a straight line basis over the estimated useful life of the asset.

Operating leases

Operating lease payments are recognised as an expense on a straight-line basis over the lease term, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

(j) Property, plant and equipment

Plant and equipment, leasehold improvements and equipment under finance lease are stated at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the item. In the event that settlement of all or part of the purchase consideration is deferred, cost is determined by discounting the amounts payable in the future to their present value as at the date of acquisition.

Depreciation is provided on property, plant and equipment, including buildings on leasehold land. Depreciation is calculated on a straight line basis so as to write off the net cost or other revalued amount of each asset over its expected useful life to its estimated residual value. Leasehold improvements are depreciated over the period of the lease or estimated useful life, whichever is the shorter, using the straight line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each annual reporting period, with the effect of any changes recognised on a prospective basis.

(k) Provisions

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cashflows estimated to settle the present obligation, its carrying amount is the present value of those cashflows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Restoration costs

A provision for restoration costs is recognised when an obligation exists to restore certain sites for the effect of the company's operations.

The provision is the best estimate of the present value of the expenditure required to settle the restoration obligation at the reporting date. The amount is reviewed annually and changes recognised at the end of the reporting period.

(l) Revenue

Revenue is measured at the fair value of the consideration received or receivable.

Goods sold and services rendered

Revenue from the sale of goods comprises revenue earned from the provision of beverage and other goods and is recognised in the income statement when the significant risks and rewards of ownership have been transferred to the buyer. Revenue from services to members and other patrons of the Company is recognised in the income statement when the services are provided. No revenue is recognised if there are significant uncertainties regarding recovery of the consideration due; the costs incurred or to be incurred cannot be measured reliably; there is a risk of return of goods; or there is continuing management involvement with the goods.

Subscriptions

Subscription fees are taken into account on an accruals basis and the portion relating to the ensuing year is transferred to subscriptions in advance.

Notes to the Financial Statement (continued)

Yard and marina

Yard and marina revenue consists of casual and permanent berthing fees, hardstand fees, locker fees and tender fees provided to members and other patrons of the Club. Yard and marina revenue is recognised when the goods or services are provided.

Sailing revenue

Sailing revenue consists of ferry charter fees, race entry fees, sponsorship and other associated income. Sailing revenue is recognised when the goods or services are provided for all revenue except sponsorship which is recognised as it accrues.

Rental income

Rental income from property is recognised in the income statement on a straight-line basis over the term of the lease. Lease incentives granted are recognised as an integral part of the total rental income.

Interest revenue

Interest revenue is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount.

(m) Goods and Services Tax ("GST")

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except:

- i) where the amount of GST incurred is not recoverable from the taxation authority, it is recognised as part of the cost of acquisition of an asset or as part of an item of expense; or
- ii) for receivables and payables which are recognised inclusive of GST.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

Notes to the Financial Statement (continued)

4. Revenue

	2008 \$	2007 \$
Revenue from sale of goods	2,553,383	2,422,208

Trade and other payables	1,010,752	1,041,311

The carrying amount reflected above represent the company's maximum exposure to credit risk for such loans and receivables.

Notes to the Financial Statement (continued)

(c) Financial Risk Management Objectives

The Directors manage the financial risks relating to the operations of the company. These risks include credit risk and liquidity risk.

The company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes.

(d) Market Risk

The company's only exposure to market risk is the effect of changes in interest rates which would affect interest received. There has been no change to the company's exposure to market risks.

(e) Liquidity Risk

Ultimate responsibility for liquidity risk management rests with the board of directors. The company manages liquidity risk by maintaining adequate cash balances and monitoring forecasts and actual cash flows.

The following table details the company's remaining contractual maturity for its non-derivative financial liabilities. The table has been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the company can be required to pay.

	Financial liabilities	Weighted average effective interest rate	Less than 1 month \$	1 to 3 months \$	3 months to 1 year \$	1 to 5 years \$	More than 5 years \$	Total \$
2008	Interest bearing Hire purchase liability	7.72%	29,208	88,730	235,344	635,782	0	989,064
	Non interest bearing Trade and other payables		1,010,752	0	0	0	0	1,010,752
			1,039,960	88,730	235,344	635,782	0	1,999,816
2007	Interest bearing Hire purchase liability	7.68%	32,578	145,355	276,760	947,670	0	1,402,363
	Non interest bearing Trade and other payables		1,041,311	0	0	0	0	1,041,311
			1,073,889	145,355	276,760	947,670	0	2,443,674

Notes to the Financial Statement (continued)

The following table details the company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets except where the company anticipates that the cash flow will occur in a different period.

	Financial assets	Weighted average effective interest rate	Less than 1 month \$	1 to 3 months \$	3 months to 1 year \$	1 to 5 years \$	More than 5 years \$	Total \$
2008	Variable interest rate	7.02%						
	Cash and cash equivalents		201,337	1,346,766	-	-	-	1,548,103
	Non-interest bearing Trade and other debtors		89,297	58,256	137,850	-	-	285,403
			290,634	1,405,022	137,850	-	-	1,833,506
2007	Variable interest rate	5.83%						
	Cash and cash equivalents		715,045	-	-	-	-	715,045
	Non-interest bearing Trade and other debtors		191,609	10,000	123,083	-	-	324,692
			906,654	10,000	123,083	-	-	1,039,737

(f) Fair Value

The carrying amount of the financial assets and financial liabilities represents a reasonable approximation of fair value.

(g) Credit Risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. To the extent the company has a receivable from another party there is a credit risk in the event of non-performance by that counterparty. Financial instruments, which potentially subject the company to credit risk solely consist of trade and other receivables. The company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

The carrying amount of the financial assets recorded in the financial statements, net of any allowances for losses, represents the company's maximum exposure to credit risk, without taking account of the value of any collateral obtained. The company does not have any significant credit risk exposure to any single counterparty or any group of counterparties having similar characteristics.

Notes to the Financial Statement (continued)

18. Commitments

Non cancellable operating lease expense commitments

Future operating lease commitments not provided for in the financial statements and payable:

	2008 \$	2007 \$
Within one year	493,753	435,617
One year or later and no longer than five years	1,975,012	1,742,468
Later than five years	3,687,612	3,452,100
	<hr/>	<hr/>
	6,156,377	5,630,185

The company leases property and water space for the Clubhouse and marina under operating leases expiring in 10 years and 13 years respectively (assuming exercise of options). Lease payments are adjusted periodically to market rates.

Hire purchase commitments

Hire purchase payments are payable as follows:

Within one year	353,282	454,693
One year or later and no longer than five years	638,963	1,372,109
	<hr/>	<hr/>
	992,245	1,826,802
Less: future hire purchase charges	(3,181)	(424,439)
	<hr/>	<hr/>
	989,064	1,402,363
Hire purchase liabilities provided for in the financial statements:		
Current (note 13)	353,282	454,693
Non-current (note 13)	635,782	947,670
	<hr/>	<hr/>

Notes to the Financial Statement (continued)

19. Notes to the Cash Flow Statement

Reconciliation of net cash flows to operating activities:

	2008 \$	2007 \$
Profit for the period	396,978	347,991
Depreciation expense	829,912	794,262
Loss on disposal of property, plant and equipment	234	-
Interest income	(92,420)	(43,163)
Changes in net assets and liabilities:		
(Increase)/decrease in assets:		
Trade receivables	39,289	40,034
Inventories	(5,718)	25,247
Other assets	(1,018)	(133,952)
Increase/(decrease) in liabilities:		
Trade payables	(30,559)	56,365
Provisions	175,834	153,018
Other liabilities	17,609	(4,835)
Net cash from operating activities	1,330,141	1,234,967

20. Key management personnel disclosures for non-disclosing entities

The following were key management personnel of the company at any time during the reporting period, and unless otherwise indicated were directors for the entire period:

Non-executive directors

G R Lavis (up to July 2007)	R Cawse
M C Allen	G Cropley
M Cranitch	R Skellett
G Linacre	A Green
P A Billingham	H Piggott
J Cameron	G Wood (from July 2007)

Executive

M Woolf

Notes to the Financial Statement (continued)

Transactions with key management personnel

No non-executive director has received any remuneration from the Company during the year. The key management personnel compensation included in "Employee and employment expenses" are as follows:

	2008 \$	2007 \$
Short term employee benefits	247,164	220,891

Apart from the details disclosed in this note, no director has entered into a material contract with the company or since the end of the previous financial year and there were no material contracts involving directors' interests existing at year-end. From time to time, directors of the company, or their director-related entities, may purchase goods and services from the company. These purchases are on the same terms and conditions as those entered into by other company employees or customers and are trivial or domestic in nature.

21. Related Parties

(a) Transactions with key management personnel

Transactions with key management personnel are disclosed in Note 20 to the financial statements.

(b) Transactions with other related parties

Other related parties include:

- CYCA SOLAS Limited
- CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts

The Company is the sole member of CYCA SOLAS Limited; a Company limited by guarantee which is the trustee of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts. The administration of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts is under the control of the separate board of CYCA SOLAS Limited. The trustee company has a right to be indemnified out of the assets of the trust to satisfy liabilities properly incurred by the trustee.

As at 31 March 2008 the outstanding liabilities committed by the trustee on behalf of the trust totalled \$nil (2007: \$nil). The assets of the trust are sufficient to meet this commitment. In the event that CYCA SOLAS Limited is wound up and unable to repay all outstanding debts, the liability of its members is limited to an amount of \$10.

Payments to related parties

- Donations paid to the CYCA Trust during the year were \$61,410 (2007: \$60,737).
- Expenses paid on behalf of the CYCA Solas Limited were \$1,864 (2007:\$1,299).

Notes to the Financial Statement (continued)

22. Contingent Liabilities

Bank guarantees

The company has given away the following bank guarantees:

	2008 \$	2007 \$
NSW Maritime	32,903	32,903

23. Auditor's Remuneration

	2008 \$	2007 \$
Audit services Auditor and review of the financial report	35,000	32,500
Other services Other assurance services	1,000	4,000
Taxation services	1,000	1,000
	2,000	5,000

The auditor of Cruising Yacht Club of Australia is Deloitte Touche Tohmatsu (2007: KPMG)
