BOARD OF DIRECTORS, MANAGEMENT & COMMITTEES

BOARD OF DIRECTORS

Commodore	A. Lane
Vice Commodore	Dr. S. Haynes
Rear Commodores	T. Barker and P. Gothard
Treasurer	D. Jacobs
Directors	D. Griffith AM, J. Hall, J. Sapir & K. Whelan

STANDING COMMITTEES

Audit, Planning & Risk Committee

Treasurer D. Jacobs (Chair), Rear Commodore P. Gothard (Deputy Chair), Vice Commodore S. Haynes, Rear Commodore T. Barker, Director J. Sapir, P. Whitford SC, S. York, G. Antipas, A. Flecknoe-Brown, M. Leung, M. Dagworthy, S. Crawford, N. Payne

Member Engagement Committee - Incorporating Associates, Cruising and History and Archives Committees

Director J. Sapir (Chair), Vice Commodore S. Haynes (Deputy Chair), Director K. Whelan, J. Anson, D. Wallace, M. Burns, L. Tischendorf, L. Varvaessos, Y. Henderson, D. Eastwood, M. Hundt, C. Iacono

Premises Committee - Incorporating Sustainability

Vice Commodore S. Haynes (Chair), Treasurer D. Jacobs (Deputy Chair), Director K. Whelan, K. Roxburgh AM, P. Shipway, N. Payne, M. Dagworthy, M. Burns, G. Antipas

Sailing Committee

Rear Commodore T. Barker (Chair), Past Commodore N. Cornish AM (Deputy Chair), Director D. Griffith AM, Director J. Hall, D. Burt, S. Connelly, D. Eagle, R. Henry, A. Kear, S. Bohm, L. Goodridge, C. Geeves

MANAGEMENT

Chief Executive Officer	J. Kirkjian
Administration Manager	F. Cole
Head of Finance	J. Brennan
House Events Manager	M. Gibson
Marketing and Communications Manager	D. Hislop
Operations Manager	M. van Kretschmar
Sailing Manager	T. Blanc-Ramos

OTHER COMMITTEES

Associates

J. Anson (President), I. Soemardi (Vice President), C. Mulherin (Treasurer), A. Larkin (Secretary), A. Lulham, B. Daw, F. Ashleigh, J. Bohm, J. Dahl, K. Brooks, K. Kellett, P. C. Hudson, M. Keelty, P. Emerson, P. Messenger

Cruising

Director K. Whelan (Chair), J. Keelty, F. Walker, S. Prince, D. Doyle, D. Henry, P. Ross, W. Tuck, D. O'Brien

History and Archives

C. Iacono (Chair), P. Shipway, M. James, T. Cable, J. Hodder, D. Champaloup, D. Colfelt

Sustainability

M. Burns (Chair), A. Devlin, M. Rahmn, J. Owens, N. Payne

COMMODORE ARTHUR LANE

The past twelve months has largely been a return to normality for the Club and our Members - it has been wonderful to see so many people returning to racing more often and the Clubhouse meeting, eating and entertaining.

Thankfully, the sailing calendar was unimpeded this year and we saw fleets returning in strong numbers for our inshore series and regattas as well as coastal and offshore races. Whilst international entrants were still somewhat cautious of possible border restrictions in 2022, there were numerous interstate entries and eight international competitors for the Rolex Sydney Hobart Yacht Race - and we have already had several enquiries for the year ahead.

The Audi Centre Sydney Blue Water Pointscore kicked off in late July with the Noakes Sydney Gold Coast Yacht Race returning after a two-year hiatus. It had a very popular Overall Winner in race sponsor Sean Langman's Money Penny and a new Line Honours victor in John Winning Jr's Andoo Comanche which stormed home over Black Jack.

The follow-up overnight Blue Water Races were raced in variable conditions and were hotly contested across all divisions. Several new contenders arose from the ranks, especially in the mini maxi, TP52 & two-handed divisions.

Closer to shore, the CYCA Winter Series had sizeable fleets each Sunday across its 13 divisions and the series included three Women's races which required a female helm. The Sharp EIT Monday Twilight Series and Income Asset Management Wednesday Twilight Series also had strong fleets over Spring/Summer and it was great to see so many post-race celebrations back at the Club afterwards.

I'd like to thank Sydney Brewery for its continued support of our CYCA Concierge Program as well as Brix Distillers for supplying prizes each week for the Wednesday Twilight Series and a major season prize of a crew party and 5l rum barrel.

Commodore's Ball

2022/2023 COMMODORE'S REPORT

Our Women's Keelboat Series, Short Ocean, Ocean, Short Haul and Two-Handed Pointscores were well-supported and encouragingly, introduced many new boats to short offshore racing - there were a broad range of crews featuring on the podiums over the series.

December was once again a very busy period at the Club, which played host to the Australian Maxi Championship, (incorporating the Cabbage Tree Island Race and SOLAS Big Boat Challenge), and the World Match Racing Tour Final. We also held the colourful Sydney Hobart Classic Yacht Regatta during the month - all events using the Rolex Sydney Race Village as a base.

The Rolex Sydney Yacht Race had a strong fleet in 2022 - 109 entries across its divisions. Importantly, in their second year of inclusion, two-handed competitors were for the first time eligible for Overall contention and the Tattersall Cup. In what many have described as a 'Classic Hobart', Vice Commodore Sam Hayne's crew of Celestial were deserving winners of the Overall Win, whilst Andoo Comanche held off Law Connect, Black Jack and Hamilton Island Wild Oats for Line Honours. In one of the most memorable scenes in recent race history, a wonderful week was capped off by the arrival in Hobart of Kathy Veel & Bridget Canham's 30-foot Currawong, only minutes before the New Year Eve fireworks - making them the first all-female two-handed crew to complete the 628NM journey.

The CYCA hosted several charity regattas in 2022-23 with our long-term partners, Property Industry Foundation and Rotary Club of Sydney Cove.

Our Youth Sailing Academy (YSA) had another successful year on the water winning and featuring in regattas near and far and at the same time, ran many successful courses, holiday camps and Corporate Sailing programs at the Club throughout the year.

“ Our heartfelt thanks are extended to the many volunteers, Start/Finish Boat teams, Breakfast Club crew, partners, media organisations and supporters who helped make our racing such a great success this year.

Our Cruising Group also had a busy year with a focus on increasing participation and attracting more first-timers to join in their various activities. A long lunch was organised to Echo Point and an overnight dinner & Ghost Tour held at Quarantine Bay. A reconnaissance cruise to Port Hacking was made in advance of plans to head south to the area and Shellharbour for 2023 and a great day was had on land at the Coal Loader.

Onshore, we were able to host a full calendar of Club events during the year.

October saw the SOLAS Trust Dinner return to the Club with Guest Speaker Iain Murray AM captivating the large audience with anecdotes and reflections of a life in sailing. In February, we held the hugely popular CYCA Hall of Fame and Member Anniversary Dinner; March, the inspiring CYCA International Women's Day Breakfast.

The Associates Committee was in full swing over the twelve months organising a broad range of activities for Members and guests - including Trivia Nights, Games Nights, Back to CYCA Lunches, the Associates Market Day, Associates Ladies Night, Christmas Hamper Fundraiser, CYCA Childrens Christmas Party and the Rolex Sydney Hobart Crew Party.

2022 RSHYR Race Start. Photo: Andrea Francolini/ROLEX

COMMODORE'S REPORT cont.

Yet again, we ended the year with an increase in Membership - the fourth consecutive year of record membership with a total 3,498 Members (4% year-on-year growth). Significantly Pathway Membership and female membership continue to contribute strongly to this growth. It was great to be able to welcome a number of the new Members to the Club at two Meet and Greet evenings held during the year.

The Membership Engagement Committee has also been looking at other benefits that we can deliver to our Members and have been working on extending the network of Reciprocal Clubs that we have in place around the globe.

Financially, the Club had another strong year and has recovered well from the challenges of the COVID period over the preceding years, exceeding budget expectations. Revenue from race and marina fees, membership fees, merchandise and increased food and beverage sales were all positive. The Club continues to generate positive cash flows.

RSHYR Race Start. Photo: Andrea Francolini/ROLEX

2023-2024

It has been a very positive year for the CYCA and one on which we hope to build.

Already, numbers for our seasonal sailing events in 2023 have shown growth and we are seeing many new boats and competitors join the numbers.

The 2023 Rolex Sydney Hobart promises to be another memorable race later this year and the Media team is exploring innovative ways to create even more content to take this sporting icon to a wider global audience. I would like to warmly thank the Communications team for their extraordinary contributions in capturing and recording the racing and other activities that the Club and its Members partake in.

We are already well into planning for the 2023 World Youth Match Racing Championships in December and looking further ahead to the 2024 Ponant Sydney Noumea Yacht Race and our recently announced Trans-Tasman Race from Sydney to Auckland in 2025.

Much focus will be on the Youth Sailing Academy, this year celebrating its 30th Anniversary. We will be holding a number of special fundraising events and regattas during the year to celebrate its success over the years and the alumni that have come through its squads and training.

There will also be many other exciting plans to share.

I would like to thank my fellow Board Members and the CYCA's Management Team for its continued support in 2022/23 and look forward to achieving the many objectives that we have set for the new year together.

A handwritten signature in black ink, appearing to read 'Arthur Lane', written in a cursive style.

Commodore Arthur Lane

2022/2023 TREASURER'S REPORT

Treasurer D. Jacobs

Overview

The financial year ended 31 March 2023 saw the Club make a full recovery from the COVID-19 restrictions and lock-downs of prior years.

2022/23 was a return to a complete sailing season, including the successful running of RSHYR and other sailing activities including the 2022 Australian Maxi Championship, a well-supported summer season, as well as the 2022 World Match Racing Tour Final and the Property Industry Foundation Regatta.

I am pleased to report that the Club recorded a net profit of \$101,361 for the year (compared to losses of \$170,902 in 2021/22 and \$679,534 in 2019/20).

Total revenue for the year was \$11,108,405 which was up 25% on last year and is now around 7% above pre-COVID levels. Revenue increases were seen across the board with the strongest gains in bar, food and merchandise sales (+77%), membership (+23%) and marina (+6%). The Club also received a generous bequest of \$206,783 to aid youth sailing.

Earnings before interest, tax, depreciation and amortization were \$2,240,603, which was up 18% on last year's result. Depreciation and amortization (largely on the Club's right of use asset) was \$1,413,283 and interest charges were \$725,959.

These results were slightly ahead of the budget that the Board had set for the year.

The strength of this recovery is a testament to the loyalty of our Members, the outstanding work of the Club's management team, staff and the generosity of Members of the international sailing community.

The Pathway Membership category and Clubhouse facilities with their refreshed bar offerings and Membership promotions, including Twilight Concierge Service and New Member Meet and Greet Evenings, saw Member numbers continue to increase to 3,498, a new record and just shy of our end of year target of 3,500 members.

The Club generated \$1,824,975 net cashflow from operations during the year (2021/22 \$1,474,187) which allowed us to invest \$432,434 in improving the Club's assets, including the refurbishment of the Club's elevator, the re-powering of Club YSA RIBs, the completion of essential IT upgrades and new sails for the Elliott fleet.

The strong cashflow also allowed us to further reduce bank debt by \$632,585 and end the year with a cash balance of \$783,480.

The Audit Planning and Risk Committee working with the Premises Committee has projected our capital expenditure needs over the next 5 years to ensure they will be fully funded and that the Club remains on a stable financial footing. Two items of capital expenditure for FY24 of note is the continuance of our sustainability initiatives by the installation for solar panels on the John Messenger building (for which we were successful in applying for a grant) and the preparation for the replacement of the lower deck (likely to occur in FY25).

The Club's auditors, PwC have reviewed the financial statements and issued a clean audit report. I would like to thank the finance team and the PwC team for their work in producing and reviewing the financial statements for the year.

Outlook for 2024

We are planning for continued growth in the year ahead and a further strengthening of the Club's financial position. The Board has approved a budget for FY24 which will see the Club continue to meet its commitments and invest for the future. The budget assumes:

- Members numbers continue to grow to 3,600.
- Clubhouse continued growth in functions and Café 44 offerings.
- Continued commitment from Rolex and other major sponsors.
- An ongoing commitment to maintenance of assets with increases allocated to repairs and maintenance of the marina and vessels.
- Investment in people and corporate governance whilst controlling costs.
- Continued support for the Youth Sailing Academy and CYCA SOLAS Trust.
- The repayment of most of the Club's remaining bank debt.

The Club should see continued growth, but the Board are cognisant of the Club's DA constraints and the current general community and societal norms in relation to food and beverage consumption. The Board and Management appreciate the need to continue to offer Members and your guests a quality offering and experience.

The sponsorship portfolio is the envy of most yacht clubs in the country. The RSHYR high profile and iconic status helps us with obtaining global branding sponsors and the Club will continue to protect and nurture these relationships around all of our properties - racing, YSA and hosting major regattas to ensure that the appropriate investments are made with sponsors so that they can be retained beyond current agreements.

The Board and Management will remain focused on achieving or exceeding the budget which has been set of the year.

On behalf of the Board and Management, I would like to thank you for your unwavering support and patronage of the Club during the year. I look forward to a strong and successful year to come.

Financial Summary

For Members ease of reference and comparison, I have summarized certain key financial information as to the Club's performance and position over the last four years.

	FY 2023	FY 2022	FY 2021	FY 2020
Income statement				
Operating revenue	11,108,406	8,851,471	7,116,567	10,387,060
Cost of sales	(1,024,399)	(588,549)	(483,124)	(1,156,928)
Other income	290,172	287,867	927,433	144
Operating expenses	(8,133,575)	(6,651,749)	(5,427,902)	(7,592,118)
EBITDA	2,240,603	1,899,041	2,132,974	1,638,158
Depreciation and amortisation expense	(1,413,283)	(1,346,850)	(1,478,686)	(1,561,900)
EBIT	827,320	552,191	654,288	76,258
Interest	(725,959)	(723,093)	(719,833)	(755,792)
Profit/(Loss) for the year	101,361	(170,902)	(65,545)	(679,534)
Cashflow				
Net operating cash flow	1,824,974	1,474,187	3,148,397	2,147,326
Balance sheet				
Current assets	1,166,844	1,565,416	2,104,676	571,259
Non-current assets	30,476,159	28,559,869	29,452,940	30,524,430
Current liabilities	4,505,193	4,761,697	5,031,522	3,960,544
Non-current liabilities	20,915,910	19,243,050	20,234,655	20,778,160
Members funds	6,221,899	6,120,537	6,291,440	6,356,985
Number of Members	3,498	3,348	3,137	3,080

2022/2023 AUDIT PLANNING & RISK COMMITTEE REPORT

Rear Commodore D. Jacobs, Chair

The Audit Planning & Risk Committee seeks to identify areas of risk for the Club and oversees the development and implementation of processes to minimise these risks. It pays particular attention to financial, legal, compliance and technology risk. To do so it needs to have a broad range of skills among its members. To add to our financial skills, we welcomed Mark Dagworthy onto APRC this year. Mark is a CP and now works at National Australia Bank as Head of Transformation. Mark has been on the Premises Committee for some time and has been involved in the financial sustainability work being reviewed by that committee and now APRC.

He joined continuing members:

- David Jacobs, Treasurer and Chair
- Peter Gothard, Rear Commodore and Deputy Chair
- Sam Haynes, Vice Commodore
- Tom Barker, Rear Commodore
- Jackie Sapir, Director
- Sarah Crawford
- Peter Whitford SC
- Steve York
- Greg Antipas
- Alexander (Sandy) Flecknoe-Brown
- Matthew Leung
- Nell Payne

and were ably supported by our senior management team comprising:

- Justine Kirkjian, CEO
- John Brennan, Head of Finance
- Fiona Cole, Administration Manager

We continued the practice of doing deeper dives into issues coming before APRC by continuing the following subcommittees:

- Compliance/risk
- Finance
- Legal
- Sailing
- Technology

Following is a short outline of a number of the initiatives undertaken during the year:

1. Constitutional Reform

We continued to work on proposed changes to our constitution to update it. A town hall meeting was held to explain the two substantive changes - removal of the positions of one Rear Commodore and Admiral.

The drafting of the other amendments to deal with corrections and clarifications, to reflect changes in legislation and to modernise it is now completed and town hall meetings will be held to explain these proposed changes to members and receive their feedback.

2. Financial Sustainability

The Premises Committee has now reviewed and approved the likely capital expenditure over the next 5 years and APRC is reviewing the funding of it.

3. Compliance

We have now completed an internal audit of our compliance in the following three areas: Registered Clubs Act, Working with Children and Privacy. These audits take a considerable amount of time and resources but we believe they are an important part of our compliance processes.

4. Policies

With the assistance of member Fay Hill, we are reviewing our employee policies. We are also still investigating how we align with the Australia Sailing Member Protection Policy (which seeks to apply to all members).

5. Cyber fraud

We have reviewed the recommendations we received when we last reviewed our systems to ensure we are in compliance and propose later in the year to obtain a third party review of our systems and procedures to ensure we are as protected as we can be.

6. Insurance

One of the key roles of APRC is to review our insurances to identify our risks and whether these are covered and we again reviewed the proposals for this year's insurances.

7. Pro forma Sponsorship

We are fortunate to have many keen sponsors. It assists the smooth signing of these sponsors and the administration of the sponsorship agreements if we have a standard sponsorship agreement. This year we updated and standardised the agreement. I would particularly like to thank Greg Antipas for his work on this.

8. Upgrade of our management information system

John Brennan continued to provide regular reporting to APRC of progress of this important and necessary initiative which has now been completed.

9. Succession planning

A new item on our agenda is how to better plan for succession both on committees and the board. A working group comprising David Kellett (chair), Kerry Roxburgh, Matt Allen and Martin James has been formed to consider this and report back to APRC.

10. Regular Ongoing Activities

In addition to the above, there are a number of regular matters that APRC reviews including:

- Notices of Race, Sailing Instructions, Race Management Plans
- Various financial matters including financial reports, budgets, audit reports, sponsorships and Registered Club Act reporting
- Contractual reviews
- Risk matrix

The members of APRC have worked with dedication, enthusiasm and a sense of purpose. I would like to publicly thank each and every one of them. I would also like to acknowledge and thank Martin James and John Markos who have lent their skills and knowledge to a number of the legal matters we've dealt with. Martin in particular has done a lot of the heavy lifting in relation to many matters falling in the legal area and we could not have achieved as much as we have without his selfless and professional assistance.

Late in APRC's year we lost Sarah Crawford who resigned to embark on enviable travel and Nell Payne whose day job got bigger and more demanding. They both contributed greatly to our work and we are indebted to them.

Finally, I would like to thank the Commodore for attending almost every meeting and to Justine, John and Fiona for their consistent professional support.

2022/2023 MEMBER ENGAGEMENT COMMITTEE REPORT

Director J. Sapir, Chair

The Club and its Members have enjoyed a year free from COVID-19 disruptions and a return to the full schedule of Club activities. The Commodore's Ball was held in June and was extremely successful. We will, moving forward, look to hold this event every two years. We also had the first "in-person" AGM and Commodore's Shout in two years - a welcome return to normalcy.

The SOLAS Trust Dinner was held in October, with guest speaker Iain Murray AM, and \$33,000 was raised for the Trust. We also held the usual functions in December including the Sydney Hobart Classic Yacht Regatta Dinner and the RSHYR Skippers' Party.

The Club introduced a movie night in December in the RSHYR Sydney Village and we hope that this becomes a popular event at the Club in the future.

The CYCA Hall of Fame Dinner was held in February with Lou Abrahams, Richard Hammond, Peter Kurts and Iain Murray AM inducted into the CYCA Hall of Fame. It was a wonderful evening with stories shared by the sailors and their families.

On March 8, we held our regular International Women's Day Breakfast with an inspiring talk from Club Member Nicola Wakefield-Evans AM about the 30% Club and the work they are doing in Australia to achieve a minimum 30% gender balance at senior decision-making tables across Australia. This was followed by a round-table with Nicola, and fellow Club Members Kathy Veel and Lauren Tischendorf.

Welcoming new members

In 2022/23, we have again increased our Membership base to record high of 3,498.

MEMBERSHIP GROWTH

Total Members 2022/23	3,498

Total growth	109
Growth %	31.3%

We had changes to the membership of the Committee, with Arthur Lane, Bradshaw Kellet, and Yianoula Henderson departing. We thank them all for the hard work that they have put into making the Club a more enjoyable place for the Members.

The new members on the committee are:

- Sam Haynes, Vice Commodore and Deputy Chair
- Kevin Whelan, Director and Cruising Committee representative
- Chris Iacono, History and Archives representative
- David Eastwood
- Lauren Tischendorf
- Leah Varvaressos
- Matt Hundt

They join existing members:

- Jackie Sapir, Director and Chair
- Deborah Wallace
- Pam Messenger - Associates representative
- Mitch Burns

With support from

- Justine Kirkjian, CEO CYCA
- Fiona Cole, Administration Manager
- Marina Gibson, House Events Manager
- David Hislop, Marketing and Communications Manager
- Digvijay Jagati, Membership and Partnerships Coordinator.

One of the areas that we have focused on is the streamlining of the New Member on-boarding process, with new initiatives including a welcome pack receiving Board approval over the past twelve months. These initiatives are being rolled out in the new financial year.

The Member Engagement Committee has continued work on the Reciprocity initiative over the last twelve months, which is focused on expanding the Club's network of clubs around the world with which we share reciprocal membership agreements.

Reciprocal arrangements provides great value to our Members, who are able to enjoy access to facilities of other leading yacht clubs around the world, as part of their Membership of the CYCA. In the last year, we identified several additional clubs globally including in

Ireland, the United States, the Caribbean, and the UK. We are working through the process of establishing reciprocal membership agreements with those clubs. MEC will continue to identify and assess other clubs around the world with which to establish reciprocity to ensure our Members are able to enjoy other leading clubs when travelling abroad.

The Committee continues to closely monitor the volunteer experience at the CYCA and advise on improvements to the volunteer process. Anyone wishing to join our wonderful volunteer group can contact us and submit their expression of interest via the CYCA website. We are always looking for volunteers for the club, including race management, committees and the Rolex Sydney Hobart Yacht Race. For volunteer roles requiring specific skill sets (such as race management or protest committees), training is provided by the Club.

The generosity of the Breakfast Club, under the stewardship of Niel Burling, continues during the Winter Series and they provided support for the Associates Market Day, with the proceeds contributed to the CYCA SOLAS Trust.

Welcoming New Members

The Associates Ladies Night

ASSOCIATES COMMITTEE

- Chaired by J. Anson

The CYCA Associates Committee meet monthly to work on and organise new and traditional club events, increase social activity in the clubhouse, raise money for charity and unite Members socially.

One of our new social events in 2023 is the CYCA Social Lunch - an initiative of former President Margaret Keelty - and it has proved a big hit and is attracting members old and new to the club.

Plans are also afoot for wide ranging celebrations for the 60th Anniversary of the Associates Committee in September to mark this special occasion.

Remaining one of our most popular events is the annual Children's Christmas Party which was a sell out and returns in December, 2023. The Associates managed to cajole Santa to drop a massive bag of gifts to the Club for CYCA Member's children via boat.

Our key fundraising activity - the Christmas Hamper - raised over \$5,000 for our chosen charity, Black Dog Institute (Mental Health).

Our annual Rolex Sydney Hobart Crew Party returned in December 2022. The party was held in the wonderful Rolex Village on the hardstand with food stalls, DJ and cocktails. As usual, it proved extremely popular.

The Market Day was held at a new time of year in March 2022 and the event was a resounding success. A raffle and Associates table raised money for the community of Lismore which was ravaged by floods. The event will return this year in October, 2023.

Trivia Nights remain popular and are attracting great interest again in 2023 and the Associates also undertake annually to decorate the club for Christmas.

Other works in progress include our annual Ladies Night, Melbourne Cup Day and the Associates also provide assistance for the annual SOLAS Dinner, Rolex Sydney Hobart activities and other assorted functions.

It has been a pleasure and honour to again be the President of the Associates. I continue to receive amazing support from this hard-working and committed team - including Vice President Irene Soemardi, Treasurer Cathie Mulherin and Secretary Ashleigh Larkin.

HISTORY AND ARCHIVES COMMITTEE

- Chaired by Chris Iacono

The History and Archives Committee has continued the good work of the previous twelve months and has made solid progress in many key areas. I would like to take this opportunity to thank all committee members and staff who are so generous of their time to assist to help preserve the history and traditions of our Club and to make its material accessible to Members and media.

Publications

The continued inclusion of regular archival material in the CYCA Members' magazine 'Offshore' and its use in social media posts has increased significantly over the past year. Our sub-committee, the Race Programme Committee, continues to assist the CYCA's Media Team to improve the layout and historical information contained in the Official Rolex Sydney Hobart Official Program.

Video Archive Project

The Video Archive Project, under the guidance of Peter Shipway and David Champtaloup, continues to profile Club Members to help preserve their oral history, anecdotes and reflections. All interviews in this series are available to view on the CYCA website.

Document scanning

Scanning of written materials and photographs is an ongoing process and is running to schedule. The primary goal is to have all CYCA past publications OCR-scanned so that any content in them is searchable.

The Committee is always on the lookout for new historical material be it letters, photographs, film or video material pertaining to the Club and its Members. These items can be brought into the Club any time for assessment and we are happy to return original materials to owners after copying if needed.

Digital Archive

A Member-facing archival library resource has progressed and the back-end is currently being tested. It is hoped that this will be available to Members and other stakeholders later in the year.

History & Archives Room

The Committee has been working to tidy up the designated Archives Room adjacent to Coasters Retreat to make more space available. The intention is to bring back more records from the CYCA storeroom at Rozelle so that CYCA staff can access these records more easily. The room is set up for computer use, has its own photocopier and a soon-to-be-appointed Archivist will work from there.

Display of artefacts and trophies

The Committee is responsible for the display of artifacts artefacts in Coasters Retreat and around the Clubhouse. Items are rotated on a regular basis.

CRUISING COMMITTEE

- Chaired by CYCA Director, Kevin Whelan

The 2022-2023 year has gone quickly! The Cruising Committee has enjoyed discussing and instigating various social and cruising activities, including a long lunch at Echo Point, great dinner and fun ghost tour at Quarantine Bay, a reconnaissance sail to Port Hacking, along with a land-based Coal Loader Tour at Balls Head coordinated by John Keelty.

A social group of young sailors has been formed which has already seen an increase in younger talent enjoying and experiencing the Club's coastal and offshore racing.

The past year has seen several information evenings carried out at the CYCA, including an EPIRB Hire presentation on satellite phones and electronic navigational equipment. Future evenings include knots & splices, satellite hub & weather forecasting, art of anchoring and a long awaited 'safety weekend'.

The upcoming year cruising plans include an America Bay raft up in late Winter/Spring; a revisit to Quarantine Bay; a Spring weekend away to Port Hacking; cruise to Shell Harbour, along with informative information evenings at the Club and establishing a forum for 'cruisers' to meet.

We are reaching out to all the prospective CYCA cruisers to contact myself or the Committee to register their interest to be kept up to date on the Club's cruising activities.

I take this opportunity to acknowledge and thank the Cruising Committee members for their continued enthusiasm and support of the CYCA and to Phil Ross for his amusing and interesting articles seen in Offshore - always a great read!

In summary, it looks like a busy and interesting year ahead.

2022/2023 PREMISES COMMITTEE REPORT

Vice Commodore S. Haynes, Chair

The Marina and Operations team, under Matt van Kretschmar, with Phil Pembroke as his Marina Administrator, and Paul Borel, Assistant Manager Operations continue to tirelessly ensure the facilities - the Marina and Hardstand, Club buildings and carparks - remain in great condition

This past year saw a major conversion - carried out completely inhouse - to the southern 20ft container on the hardstand turning from a storage box to a functional workshop greatly improving the club's capacity to conduct the maintenance program effectively and efficiently. Marina repair and upgrade works have continued. Visiting vessels have welcomed the addition of power pedestals on the D-side and D-walk casual berthing areas.

“ The clubs 3 large on water assets have received much love ensuring the Sailing office and YSA volunteers and staff continue to have reliable and safe platforms in which to conduct racing.

Merv Davy received a new set of outboards, *Offshore* a set of flybridge clears and *Gordon Marshall* fresh engine mounts. The underwater areas and running gear also received some attention with the propellers sent away for machining and cutlas bearings replaced. This year the 30th Anniversary of the YSA will see the Club's Brigs receive birthday presents, 3 new Yamaha outboard engines.

The Marina team has farewelled some of its long-time casuals who recently graduated university and secured full-time roles elsewhere, we thank them for the time they spent at the club and wish them all the best with their future. We welcome Dan Mendes to the team and he along with Rudi Sukiennik, David Lynch and Kelly Tansey continue to ensure a wide range of services are provided to Members, berth holders and visiting yachts.

To Clara's team, we welcome Nirmala Dahal. As always, Clara keeps our Club superbly clean and presentable. Members are always guaranteed to be greeted with a smile by these two dedicated and valuable members of staff.

The future of one of the clubs largest onsite events has been secured with a DA approval for a further five years to conduct the Property Industry Foundation Regatta along with an extension of time we are able to use the Hardstand for the Rolex Sydney Hobart Race Village during December. Work continues on a DA submission which will allow us to consolidate the number of vessels that can be accommodated on the Marina.

I would like to thank the Premises committee. Deputy Chair and Treasurer David Jacobs, Director Kevin Wheelan, Past Commodore Kerry Roxburgh, Life Member and Past Director Peter Shipway, Members Greg Antipas, Mark Dagworthy and Mitch Burns who continue to give their valuable time and unmatched level of guidance, as a Club we are extremely lucky to have such a diverse, experienced and knowledgeable membership base from which to form this Committee.

The Committee meets on the first Tuesday morning of every month with our CEO Justine Kirkjian, Matt van Kretschmar and Philip Pembroke.

SUSTAINABILITY WORKING GROUP

- Chaired by M. Burns

Over the course of FY23, the Sustainability Working Group continued to progress the Club's sustainability agenda, recording solid headway against each of the group's three core, long-term objectives.

1. Reducing the Club's Carbon Footprint: Amongst other targeted initiatives, the Club this year was awarded funding worth \$24,000 for the installation of solar panels on the John Messenger Building as part of the NSW Government's Community Building Partnership grant programme. This funding was

secured with the assistance of the Solar My Club team, a joint initiative of Woollahra, Waverley, and Randwick Councils, and will contribute substantial funds to the installation works. Once operational, the panels will help reduce the Club's reliance on external energy providers and divert any surplus electricity back into the grid. Alongside the existing system on the roof of the main Clubhouse, these new panels will also mean that the Club's roof area is fully utilised from a solar perspective.

2. Improving Sustainability of YSA Regattas: Building on previous work to secure accreditations as part of the Sailors for the Sea programme, YSA regattas run by the Club continue to incorporate sustainable practices and are applying for Gold Certification Clean Regattas Gold Certification by *Sailors by the Sea powered by Oceana*. This activity includes, amongst others, reducing and eliminating single use plastics from regatta events wherever possible, encouraging competing teams to use public transport, offering carpool services, and ensuring waste is reduced and recycled or disposed of responsibly. We will continue to build on these practices over time as new processes are bedded down.

3. Improving Sustainability of Marina Operations: Work to secure sustainability accreditation for the marina continues. As an ongoing piece of work this involves making small changes to our marina management practices, as well as to ensure our marina continues to operate in line with recognised environmental best practice.

In addition to the ongoing work on these longer-term initiatives, we are pleased to report the six SeaBin units located across the marina captured approximately 4 tonnes of rubbish and pollutants over FY23. The marina team works in conjunction with the team from SeaBin to empty each of the units, allowing an analysis of the waste contents to be taken at each collection. The majority of items captured by the SeaBins are microplastics, again highlighting the need to reduce plastic consumption, as well as ensure recyclable items and waste are disposed of correctly.

The Citizen Blue Bins on the marina also continue to generate funds for the YSA thanks to Members using these bins to dispose of recyclable drink bottles and cans. These items are deposited at 'Return & Earn' depots by the Citizen Blue team in exchange for a 10c refund per item. The support of Members in ensuring that these bins are only used for the correct recyclable items is once again greatly appreciated.

I would like to acknowledge again the time and hard work of the Club staff and other volunteers who dedicate their time to the Working Group. We are looking forward to continuing to develop the Club's sustainability programme over the next 12 months.

2022/2023 SAILING COMMITTEE REPORT

Rear Commodore T. Barker, Chair

The Club returned to an uninterrupted inshore and offshore program across the 2022-23 season. The 2022 Rolex Sydney Hobart Yacht Race (RSHYR) saw 109 boats from 8 countries compete for the Tattersall Cup. Being a part of the fleet as we worked up the the Harbour in a building seabreeze was a fantastic experience. The Noakes Sydney Gold Coast Yacht Race returned in 2022. The Club was incredibly happy to conduct one of our blue water classics again after two years of cancellations. The Club was also excited to announce a new addition to our Blue Water program, the Trans-Tasman Yacht Race from Sydney to Auckland, NZ, which we look forward to conducting in March 2025. The RSHYR and NSGCYR topped off a season of success in all our pointscores, including the Audi Centre Sydney Blue Water Pointscore (ACSBWPS), Two-Handed Pointscore, Ocean Pointscore, Short Ocean Pointscore, Short Haul Pointscore, Sharp EIT Monday Twilights, Income Asset Management Wednesday Twilights Winter Series and, the Sydney Harbour Women's Keelboat Series.

I would like to extend a big thank you to our sponsors, new and ongoing, who continue to enable our extensive program and help the Club to grow and improve. Thank you to the following: Rolex, Noakes Group, Audi Centre Sydney, Income Asset Management, Sharp EIT and PONANT.

I would also like to thank the members of the Sailing Committee, who continue to dedicate countless hours to the CYCA and its sailing program to ensure we remain a premier ocean racing club and continue to provide our Members with new opportunities and events. Thank you to Noel CornishAM, David Burt, Shane Connelly, Dinah Eagle, Campbell Geeves, Les Goodridge, David Griffith AM, Jules Hall, Rupert Henry, Angelique Kear, and Sebastian Bohm.

Our program would also not be possible without the ongoing commitment of our volunteers. These officials continue to dedicate their time and energy to our on- and off-water race management. Thank you to Denis Thompson, Steve Kidson, John Allan, Jenni Birdsall, Brian Carrick, Tracey Johnstone, Gaye Rosen, Martin Gill, Eric Blake, Michael Fletcher, Daniel Richardson, George Astudillo, Gail Lewis-Bearman, Andrew Martin, Fernando Calero, Shue Zhang, Charlie Tisher, Jackie Sapir, Steve Good, Trevor Baillie and Robert Skol. Thank you for all your assistance over the past year!

I would like to extend a further thank you to the following:

- Lee Goddard, for commitment to and management of our major Race Committees.

- Our Radio Relay Team, led again by Race Committee Deputy Chair David Kellett, John Winning for the use of *JBW* and Andrew Copley for skippering *JBW* to Hobart
- Our Eden Team, Robyn Malcolm and Alan Quick for their support throughout the RSHYR
- John Kirkjian, Karl Garavan, Tim Cox, Erica Kirby and Treasurer David Jacobs for their assistance in protest committees

The RSHYR was a spectacle on Sydney Harbour and down the NSW Coast on Boxing Day. Sam Haynes and his crew on TP52 *Celestial* were victorious, taking out the Overall Win. VPLP 100 *Andoo Comanche*, returned to Australian waters and took line honours victory with John Winning Jr at the helm. Rupert Henry and Greg O'Shea finished first in Two-Handed IRC and Ed Psaltis took out Corinthian IRC on *Midnight Rambler* for his 40th RSHYR.

The Australian Maxi Championship was again held in 2022, providing the perfect training opportunity for our Maxi and Mini Maxi fleets in the lead up to the RSHYR. Congratulations to *Andoo Comanche* for taking the Line Honours win in the Maxi Division and *URM Group* for their overall win in the Mini Maxi Division.

Our Audi Centre Sydney Blue Water Pointscore ACSBWPS kicked off with the 2022 NSGCYR. Congratulations to Noakes Managing Director Sean Langman and his crew on *Money penny* for taking out the overall IRC win, the third time for Sean and first time as sponsor of the race. *Money penny* was closely followed by Matt Donald and Chris Townsend's *Gweilo* in second and Gordon Ketelbey's *Zen* in third, the crew of which I was lucky enough to be a part of. Jules Hall's

Disko Trooper_ Contender Sailcloth, co-skipped by Jan Scholten, finished first in Two Handed IRC while *Norton White Corum* took out PHS honours. *Andoo Comanche*, started her season strong, beating fellow 100ft Maxis to take out the Line Honours win.

Money Penny's form continued throughout the ACSBWPS, and saw her crowned the Blue Water Pointscore Champion, winning the IRC Pointscore and IRC Division 1. In IRC Division 1, *Money Penny* was followed by Anthony and David Johnston's *URM Group* in 2nd with *Gweilo* in 3rd. Two Handed IRC was won by Carlos Aydos and Peter Grayson on *Crux*. Corinthian IRC and the Wild Rose Pointscore were conducted for the second time in the 2022-23 season, with Two-Handed *Rum Rebellion*, sailed by Shane Connelly and Tony Sutton taking out the Corinthian Pointscore and Rob Aldis and Sandy Farquharson's *Khaleesi* finishing first in the Wild Rose Pointscore. Following the success of the Wild Rose Pointscore, the eligibility requirements will change for the 2023-24 season, with competitors required to have a minimum of 25% female crew to be eligible.

The Cape Byron Series (ORCi Pointscore of the Blue Water Series) saw the IRC podium repeated with *Money Penny* taking the win, followed by *URM Group* and *Gweilo*. *Money Penny* took our Division 1, while Division 2 and Two-Handed ORCi was claimed by *Crux*. In the Tasman Performance Series (PHS Pointscore of the Blue Water Series) honours were taken out by *Money Penny*, followed by Western Australian entrants *Enterprise Next Generation* (Anthony Kirke and Andrew Nuttman) and *URM Group*. *Enterprise Next Generation* took the win in Division 1 and *Crux* completed their hat trick with the win in Division 2 and Two Handed PHS. The Bass and Flinders Series (Line Honours Pointscore of the Audi Centre Sydney Blue Water Pointscore) was won by Anthony and David Johnston on *URM Group*.

The Ocean Pointscore remains one of the Club's most competitive series and is a great stepping stone for crews looking to build experience in offshore racing. In the 2022-23 Season, David Doherty's *Matador* took out the IRC win, followed by Julian Farren-Price on *About Time* and Andy Offord on *Borderline*. In ORCi, *Matador* and *About Time* finished first and second respectively, with Peter Franki's *Salt Shaker* taking third. *Borderline* took the win in PHS, with *Matador* in second and *About Time* third. The Club was excited to introduce a Two Handed division into the Ocean Pointscore this season, where Peter Franki on *Salt Shaker* took out IRC.

2022-23 Audi Centre Sydney BWPS Prizegiving - *Andoo Comanche*

Our Two-Handed Pointscore remained popular with Jules Hall and Matt Wenke taking out the IRC and ORCi wins on *Disko Trooper* and Andrew Butler's *Rum Chaser* taking out PHS.

The Club was excited to run a full season of our Short Ocean Pointscore in 2022-23. Robert Kelly finished first in Division 1 on *Virago*, following by Tim Cox's *Minerva* in second and Sandy Farquharson and Rod Aldis on *Khaleesi* in third. Division 2 was won by *Stormaway* (Jack Stening and Colin Gunn) for the fifth year running, with *Amante* (Dennis Cooper) in second and *Georgia Express* (Andrew Forbes) in third. *Khaleesi* and *Georgia Express* took our ORCi Divisions 1 and 2 respectively while *Virago* and *Stella Polaris* (Sebastian Hultin) took out PHS Divisions 1 and 2 respectively.

The Short Haul Pointscore returned to its full program in 2022-23, with the Monica Geddes Memorial Trophy once again opening the Summer season. Treasurer David Jacobs and Roy Melick took the win in *First Light*, with *Cyrene 3* in Second (Michael Selby) and *Next* in third (Jon Short, Miles Bastick and Hayden Dare) *Yputakiteup* (Robyn Drew) claimed victory in the Passage Pointscore for the second year running. *Cyrene 3* took out IRC in both the Short Haul Pointscore and the Passage Pointscore.

I would also like to thank Middle Harbour Yacht Club, Royal Sydney Yacht Squadron, Royal Prince Edward Yacht Club, Royal Australian Navy Sailing Association and Manly Yacht Club for their support and partnership in both the Short Ocean Pointscore and Sydney Harbour Women's Keelboat Series.

Congratulations to all our competitors for another successful season. Thank you to CYCA Sailing Manager Tara Blanc-Ramos and her team in the Sailing Office; Andrea Davey, Moa Rahm, Annabelle Connery, Charlie Alexander, and Jess Grimes.

Youth Sailing Academy 2022-23

Over the past season, our Youth Sailing Academy achieved some incredible results for the Club. The YSA introduced a new female training program, saw participation levels climb in our sailing programs, and represented the Club at many high calibre events around the world. We closed out a successful 2022, hosting the final of the World Match Racing Tour.

With participation and regatta schedules disrupted during the past two seasons, our sailors and wider sailing community members were able to get back out on the water, with strong participation in both winter squads and school holiday courses. The Freedman Foundation and Eden High also returned to the calendar

with the latter enjoying two visits in 2022.

The rebuilding of winter squads and school holiday courses saw positive attendance levels throughout the year with 61 sailors taking part in winter squads and a further 51 sailors participating in school holiday courses throughout the year.

23 sailors took part in our 2022 Advanced Squad and were able to participate in a number of regattas as racing resumed around Australia and overseas. The high standard of our sailors was evident as the YSA had their strongest season on the youth match racing circuit, winning the Collin Mullins Regatta (RPYC, WA), the RSYs Hardy Cup for a third consecutive year, RNZYS Harken International Youth Match Racing Cup, RPNYC CentrePort Wellington International Youth Match Racing Regatta, Club Marine NSW Youth Match Racing Championship and the CYCA Bolle International Youth Match Racing Regatta. A tremendous effort.

The year also saw the CYCA become one of only two Clubs to have representative teams compete at all three match racing World Championships (Open, Women's and Youth). The highlight of this achievement saw Harry Price and his *DownUnder Racing* team win a bronze medal at the WMRT Open Match Racing World Championship, hosted by the CYCA.

We also saw strong representation in our Blue Water racing calendar which included 19 current or alumni sailors competing in the 2022 Rolex Sydney Hobart, four of whom completed their first trip south. Alumni sailors also took part in Olympic Class World Cup events, SailGP and became Etchells Australian National Champions.

Income Asset Management Wednesday Twilight Series

Our Development Match Racing Squad had 23 participants who were able to enjoy an extensive winter training block, developing their keelboat and match racing skills. The Squad's regatta experience saw teams represent the Club at the Interclub Challenge and Captain John Piper Regatta.

We were incredibly excited to welcome back our Talented Sailor Squad participants after the program had to be cancelled for two seasons. The program saw 15 participants begin to develop their keelboat skills with many coming from dinghy backgrounds as well as experiencing our Club for the first time.

The YSA was lucky enough again to host 41 students from Eden Marine High in March and November as a thank you for the community's contribution to the RSHYR. Thank you to our members who helped support this program by offering their yachts as accommodation for the students. This is a great week for both the Club and the School each year and it would not have been possible without your support.

The YSA has also seen corporate sailing experiences become an increasingly popular part of the Academy. Seven companies were able to enjoy the great CYCA hospitality for a sailing session on Sydney Harbour on our fleet of Elliott 7s.

The YSA saw many existing sponsors continuing their support. I would like to extend our gratitude to the following sponsors and Foundations who make our extensive community and training programs possible: Walker Corporation, InfoTrack, Marine Insurance, Club Marine, Vibe Hotels, Forecast Australia, Belmadar Constructions, Windcraft, TOGA Group, GME, Hood Sails, Noakes Boat & Shipyard, Altex Yacht and Boat Paint, Freedman Foundation and Sun Foundation.

Finally, we now look towards an incredible milestone year for the Youth Sailing Academy as we celebrate 30 years of the YSA. We are thrilled to announce some exciting regattas and social events which will highlight some of the amazing achievements of our sailors over the past three decades as well as thanking all contributors who have made the YSA such a success. The year will culminate in a very special event, with the CYCA once again hosting a World Championship – the 2023 World Youth Match Racing Championship, as the event's most successful Club historically.

2022/2023 CYCA SOLAS TRUST REPORT

D. Kellett AM, Chair

The CYCA Sydney Hobart Race SAFETY OF LIFE AT SEA Trust (CYCA SOLAS TRUST) was established following the tragic loss of six lives in the 1998 Sydney Hobart Yacht Race. They continue to raise funds for disbursement to needy families and safety organisations.

The CYCA SOLAS Trust has a 100% flow through to the beneficiary from donations making the Trust truly unique and with great impact, with administration and management costs to run the Trust absorbed by the CYCA.

David Kellett AM and Kendi Kellett at the October SOLAS Trust Dinner

Scan the QR code for more information on the CYCA SOLAS Trust and to make a donation.

Thank you for your support!

Due to the support of the CYCA Board, Associates Committee and The Breakfast Club, as well as the annual SOLAS Dinner and the SOLAS/Rotary Club Regatta and several individual donations and interest earned on our funds, we have raised in excess of \$135,000 this year; while distributing over \$80,000 towards several search and rescue projects in NSW and Queensland. The funds were put towards rescue vessels and tow vehicles, which help all water users, not just ocean racers.

As we all experienced, 2022/23 was again a difficult year and conscious of hardships experienced in all sectors, SOLAS did not actively fund raise but were grateful for the support shown by the yachting fraternity in supporting our events.

The annual dinner in Sydney returned with guest speaker Iain Murray AM drawing a capacity crowd. A great night which raised \$33,000. The Rotary/SOLAS Regatta in February, resulted in donations totalling nearly \$40,000 towards our ongoing work. We are very grateful to the owners who so readily make their yachts available; it is wonderful support to our cause.

In closing, I wish to thank my fellow Trustees for their ongoing commitment to this great charity: Matt Allen, Paul Billingham, David Gotze, Leander Klohs, Arthur Lane as well as the support of Commodore Arthur Lane and the CYCA Board.

The CYCA Members should be proud of the activities of the SOLAS Trust.

2022/2023 CYCA SAILING FOUNDATION REPORT

J. Markos, Sailing Foundation Board

The CYCA Sailing Foundation has been established to provide greater sailing opportunities for the broader community and increase participation levels. This includes raising funds to support the Club and its community through acquiring or maintaining assets or funding coaching resources for programs that supplement the Club's current range, as might be necessary.

The Foundation's work is all directed towards enabling the development of more pathways for youth, women and disadvantaged people to access and participate in the sport.

For more than 30 years, the Youth Sailing Academy has enjoyed terrific outcomes for its participants and the Club deserves to be very proud of its achievements. Aligned with that, is the first program launched by the Foundation last year to raise funds for the refurbishment and sustainment of the fleet of Elliott 7s that is used by the YSA. We are pleased to have raised more than \$23,000 towards the goal of \$50,000 to embark on the works required for the ten boats.

We are planning other programs for raising funds which we hope to announce over the next twelve months; one to support the Club in the establishment of an Ocean Racing Offshore Sailing Academy and another with a community-based program called 'The Romeo Project'.

I thank the Board of the CYCA Sailing Foundation and I am grateful to continue with fellow directors - Commodore Arthur Lane, Past Commodore Kerry Roxburgh, Club Director Tom Barker, Professor Sarah Hosking and Andrew Milln. Each of us would be delighted to discuss the Foundation further with Members.

FOR MORE INFORMATION AND TO DONATE

A tax deduction is available to donors if paid to the Foundation's link with the ASF, or if a deduction is not required, funds can be paid directly.

Scan the QR code for more information on the CYCA Sailing Foundation and to make a donation.

Thank you for your support!

2022/2023 DIRECTORS' REPORT

Your directors present their report on the Cruising Yacht Club of Australia Limited (“the Company”) for the year ended 31 March 2022.

The directors of the Company at any time during or since the end of the financial year are:

Name and qualifications	Age	Experience and special responsibilities

DIRECTORS' REPORT cont.

Principal activities

The principal activities of the Company during the financial year were to promote participation in yachting, including the sport of sailing and to provide ocean racing facilities, training and other yachting facilities and competitions for its members.

There were no significant changes in the nature of the activities of the Company during the year.

Objective

The Company's short-term and long-term objective is to be the premier keelboat racing club in Australia and to offer a sailing program that caters to a broad range of interests and skill levels.

Strategy for achieving this objective

To achieve this objective, the Company had adopted the following short-term and long-term strategies:

- Leadership in Sailing by continuously delivering the best blue water racing program (including elite pathways and influence in the sport) in Asia Pacific,
- Building in-water activities by creating breadth and depth in our sailing program to provide greater opportunity for Members to sail and engage with on water activities,
- Optimise value for members by attracting and retaining active Members, and
- Developing great people, by supporting the people who support Members.

These strategies helped the Company to achieve its objectives during the year as evidenced by the overwhelming positive response to the new pathway membership, continuing loyal support of members and marina berth holders and our ability to attract and retain employees.

Membership

The Club is a Company limited by guarantee and without share capital. The number of members as at 31 March 2023 and the comparison with last year is as follows:

	2023 No.	2022 No.
Number of Members	3,498	3,348

Contribution in winding-up

The Company is incorporated under the Corporations Act 2001 and is a Company limited by guarantee. If the Company is wound up, the constitution states that each

member is required to contribute a maximum of \$2 each towards meeting any outstanding obligations of the entity. At 31 March 2023, the total amount that members of the Company are liable to contribute if the Company wound up is \$6,996 (2022: \$6,696).

Review and results of operations

The result from ordinary activities for the year amounted to a profit of \$101,361 (2022: \$170,902 loss). This result was after charging \$1,413,283 (2022: \$1,346,850) of depreciation and amortisation.

Dividends

The Company is a non-profit organisation and is prevented by its constitution from paying dividends.

State of affairs

In the opinion of the directors, notwithstanding the transitory impacts of COVID-19, there were no significant changes in the state of affairs of the company that occurred during the financial year under review.

Environmental regulation

The Company's operations are subject to various environmental regulations under both Commonwealth and State legislation.

The Board believes that the Company has adequate systems in place for the management of its environmental requirements and is not aware of any breach of those environmental requirements as they apply to the Company.

Likely developments

The directors do not anticipate any further development in the operations of the Club which will affect the results in subsequent years.

Events subsequent to reporting date

No matter or circumstance has arisen since 31 March 2023 that has significantly affected the Company's operations, results or state of affairs, or may do so in future years.

Proceedings on behalf of Company

No person has applied to the Court under section 237 of the Corporations Act 2001 for leave to bring proceedings on behalf of the company, or to intervene in any proceedings to which the Company is a party, for the purpose of taking responsibility on behalf of the company for all or part of those proceedings.

No proceedings have been brought or intervened in on behalf of the company with leave of the Court under section 237 of the *Corporations Act 2001*.

DIRECTORS' REPORT cont.

Indemnification and insurance of officers

The Company has provided for and paid premiums to the value of \$11,776 (2022: \$5,934) during the year for Management Liability Insurance. The insurance is in respect of legal liability for damages and legal costs within an annual limit of \$20,000,000 (subject to a sub limit of in any one insurance period) arising from claims made by reason of any omissions or acts (other than dishonesty) by them, whilst acting in their individual or collective capacity as directors or officers of the company, towards which the directors of the company contribute.

The insurance premiums relate to:

- costs and expenses incurred by the relevant officers in defending proceedings, whether civil or criminal and whatever their outcome; and
- other liabilities that may arise from their position, with the exception of conduct involving a wilful breach of duty or improper use of information or position to gain a personal advantage.

2022/2023 AUDITOR'S INDEPENDENCE DECLARATION

A copy of the auditor's independence declaration as required under section 307 of the Corporations Act 2001 is set out on page 28.

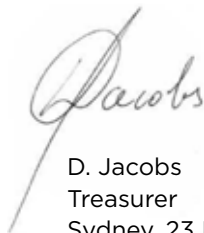

Rounding of amounts

The Company is of a kind referred to in ASIC Legislative Instrument 2016/191, relating to the 'rounding off' of amounts in the directors' report. Amounts in the directors' report have been rounded off in accordance with the instrument to the nearest dollar.

This report is made in accordance with a resolution of directors.

2022/2023 AUDITOR'S INDEPENDENCE DECLARATION

Auditor's Independence Declaration

As lead auditor for the audit of Cruising Yacht Club of Australia Limited for the year ended 31 March 2023, I declare that to the best of my knowledge and belief, there have been:

- (a) no contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the audit; and
- (b) no contraventions of any applicable code of professional conduct in relation to the audit.

2022/2023 STATEMENT OF COMPREHENSIVE INCOME

for the financial year ended 31 March 2023

This financial report is of Cruising Yacht Club of Australia as an individual entity. The financial report is presented in the Australian dollars.

Cruising Yacht Club of Australia is a company limited by guarantee, incorporated and domiciled in Australia. Its registered office and principal place of business is:

1 New Beach Road
Darling Point
NSW 2027

A description of the Company's principal activities is included in the directors' report on pages 24 to 28, which is not part of these financial statements.

The financial report was authorised for issue by the directors on 23 May 2023. The directors have the power to amend and reissue the financial statements.

	Notes	2023 \$	2022 \$

2022/2023 NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 March 2023

1 GENERAL INFORMATION

Cruising Yacht Club of Australia ("the Company") is a company limited by guarantee and operating in Australia.

In accordance with the Constitution of the Cruising Yacht Club of Australia, every member of the company undertakes to contribute to the assets of the company. In the event of the company being wound up, whilst he or she is a member or within one year after he or she ceases to be a member, the costs, charges and expenses of winding up may be required, not exceeding \$2 per member.

The company has 3,498 (2022: 3,348 members) members at year end.

Cruising Yacht Club of Australia's registered office and its principal place of business is 1 New Beach Road, Darling Point, NSW 2027.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

These general-purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board and the Corporations Act 2001. The financial statements also comply with other requirements of the law including the Registered Clubs Act. Cruising Yacht Club of Australia is a not-for-profit entity for the purpose of preparing the financial statements.

(i) Compliance with Australian Accounting Standards - Simplified Disclosure Requirements

The financial statements of the Cruising Yacht Club of Australia comply with Australian Accounting Standards - Simplified Disclosure Requirements as issued by the Australian Accounting Standards Board (AASB).

(ii) Historical cost convention

The financial report has been prepared on the basis of historical cost, except for the revaluation of certain assets and liabilities.

Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

In the application of the Company's accounting policies, which are described within this note, management is required to make judgments, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods.

Judgments made by management that have significant effects on the financial statements and estimates with a significant risk of material adjustments in the next year are disclosed, where applicable, in the relevant notes to the financial statements.

Accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events is reported.

(iii) New and amended standards adopted by the Company

(i) The Company has applied the following standards and amendments for the first time in their annual reporting period commencing 1 January 2021:

- AASB 1060 General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-For-Profit Tier 2 Entities

(ii) The company also elected to adopt the following amendments early:

- AASB 2020-3 Amendments to Australian Accounting Standards - Annual Improvements 2018-2020 and Other Amendments [AASB 1, AASB 3, AASB 9, AASB 116, AASB 137 & AASB 141].

The Company adopted AASB 1060 General Purpose Financial Statements - Simplified Disclosures for For-

Profit and Not-for-Profit Tier 2 Entities in the current year. Other than the change in disclosure requirements, the adoption of AASB 1060 has no significant impact on the consolidated financial statements because the Company previously complied with Australian Accounting Standards – Reduced Disclosure Requirements in preparing its consolidated financial statements.

The other amendments listed above also did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

(b) Borrowing costs

Borrowing costs directly attributable to the acquisition and construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the costs of those assets, until such time as the assets are substantially ready for their intended use.

(c) Cash and cash equivalents

Cash comprises cash on hand and deposits at call. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and have a maturity of three months or less at the date of acquisition.

(d) Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required, and they are capable of being measured reliably.

Liabilities recognised in respect of employee benefits expected to be settled within 12 months, are measured at their nominal values using the remuneration rate expected to apply at the time of settlement.

Liabilities recognised in respect of employee benefits which are not expected to be settled within 12 months are measured at the present value of the estimated future cash outflows to be made by the company in respect of services provided by employees up to reporting date.

Long term service benefits

The Company's net obligation in respect of long-term service benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement

dates and is discounted using rates for Commonwealth Government bonds at the balance date which have maturity dates approximating to the terms of the Company's obligations.

(e) Financial assets

Loans and receivables

Trade receivables, loans, and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method less impairment.

Interest is recognised by applying the effective interest rate basis for debt instruments other than those financial assets 'at fair value through profit or loss'.

Impairment of financial assets

Financial assets, other than those at fair value through profit or loss, are assessed for indicators of impairment at each balance sheet date. Financial assets are impaired where there is objective evidence that as a result of one or more events that occurred after the initial recognition of the financial asset the estimated future cash flows of the investment have been impacted. For financial assets carried at amortised cost, the amount of the impairment

is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets except for trade receivables where the carrying amount is reduced through the use of an allowance account. When a trade receivable is uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

(f) Financial instruments issued by the company

Debt and equity instruments

Debt and equity instruments are classified as either liabilities or as equity in accordance with the substance of the contractual arrangement.

Financial liabilities

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities.

Other financial liabilities

Other financial liabilities, including borrowings, are initially measured at fair value, net of transaction costs.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period.

(g) Impairment of other tangible and intangible assets

At each reporting date, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but only to the extent that the increased carrying amount does

not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised in profit or loss immediately, unless the relevant asset is carried at fair value, in which case the reversal of the impairment loss is treated as a revaluation increase.

(h) Income tax

No provision has been made for income tax as the Company is exempt under Section 50-45 of the Income Tax Assessment Act (1997), provided it continues as a sporting club predominately encouraging and promoting the sport of yachting, boating, cruising for pleasure and the building and sailing of yachts and boats. Accordingly, tax effect accounting has not been adopted by the Company.

(i) Leases

The Company leases the land and marina at 1 New Beach Road, which expires in on 30 June 2049. The company also rents equipment, which are typically made for a fixed period of 5 years.

Contracts may contain both lease and non-lease components. The Company allocates the consideration in the contract to the lease and non-lease components based on their relative stand-alone prices. However, for leases of real estate for which the company is a lessee, it has elected not to separate lease and non-lease components and instead accounts for these as a single lease component.

Lease terms are negotiated on an individual basis and contain a wide range of different terms and conditions.

The lease agreements do not impose any covenants other than the security interests in the leased assets that are held by the lessor. Leased assets are used as security for borrowing purposes.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the following lease payments:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable.
- variable lease payment that are based on an index or a rate, initially measured using the index or rate as at the commencement date.

The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar

economic environment with similar terms, security, and conditions.

To determine the incremental borrowing rate, the Company:

- where possible, uses recent third-party financing received by the individual lessee as a starting point, adjusted to reflect changes in financing conditions since third party financing was received, and
- make adjustments specific to the lease, e.g., term, country, currency and security.

The Company is exposed to potential future increases in variable lease payments based on an index or rate, which are not included in the lease liability until they take effect. When adjustments to lease payments based on an index or rate take effect, the lease liability is reassessed and adjusted against the right-of-use asset.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each year.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of lease liability,
- any lease payments made at or before the commencement date less any lease incentives received, and
- restoration costs.

Variable lease payments

Lease payments for some contracts include CPI increases, but there are no other variable lease payments that depend on an index or rate. Where considered necessary to reduce credit risk, the company may obtain bank guarantees for the term of the lease.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis.

(j) Trade receivables

Impairment of financial assets

The Company applies the AASB 9 Financial Instruments simplified approach to measure expected credit losses which uses a lifetime expected loss allowance for all trade receivables and contract assets.

Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off by reducing the carrying amount directly. An allowance account (provision for impairment of trade receivables) is used when there is objective evidence that the company will not be able

to collect all amounts due according to the original terms of the receivables. The amount of the impairment allowance is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. Cash flows relating to short term receivables are not discounted if the effect of discounting is immaterial.

The amount of the impairment loss is recognised in profit or loss within other expenses. When a trade receivable for which an impairment allowance had been recognised becomes uncollectible in a subsequent period, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against other expenses in profit or loss.

(k) Inventories

Inventories are valued at the lower of cost and net realisable value. Net realisable value represents the estimated selling price less all estimated costs of completion and costs necessary to make the sale.

(l) Property, plant and equipment

Plant and equipment, leasehold improvements and equipment under finance lease are stated at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the item. If settlement of all or part of the purchase consideration is deferred, cost is determined by discounting the amounts payable in the future to their present value as at the date of acquisition.

Depreciation is provided on property, plant and equipment, including buildings on leasehold land. Depreciation is calculated on a straight-line basis to write off the net cost or other revalued amount of each asset over its expected useful life to its estimated residual value. Leasehold improvements are depreciated over the period of the lease or estimated useful life, whichever is the shorter, using the straight-line method.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each annual reporting period, with the effect of any changes recognised on a prospective basis.

The gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of comprehensive income.

The following estimated lives are used in the calculation of depreciation.

Leasehold improvements	5 – 33 years/term of the lease
Boats	2 – 15 years
Plant and equipment	2 – 30 years
Motor vehicles	8 years

(m) Intangible assets

Costs associated with maintaining software are recognised as an expense as incurred. Development costs that are directly attributable to the design and testing of identifiable and unique software products controlled by the Company are recognised as intangible assets where the following criteria are met:

- it is technically feasible to complete the software so that it will be available for use
- management intends to complete the software and use it
- there is an ability to use the software
- it can be demonstrated how the software will generate probable future economic benefits
- adequate technical, financial and other resources to complete the development and to use the software are available, and
- the expenditure attributable to the software during its development can be reliably measured.

Capitalised development costs are recorded as intangible assets and amortised from the point at which the assets are ready to use.

(n) Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within negotiated terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(o) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement

of the liability for at least 12 months after the reporting period.

(p) Provisions

Provisions are recognised when the company has a present obligation (legal or constructive) because of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, considering the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, the carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received, and the amount of the receivable can be measured reliably.

Site restorations - make good provision

The Company is required to restore some of the leased premises to their original condition at the end of the respective lease terms. A provision has been recognised for the present value of the estimated expenditure required to remove those leasehold improvements. These costs have been capitalised as part of the cost of leasehold improvements and are amortised over the shorter of the term of the lease and the useful life of the assets.

(q) Revenue from contracts with customers

Revenue from contracts with customers is recognised when a contractual promise to a customer (performance obligation) has been fulfilled by transferring control over the promised goods or services to a customer.

The amount of revenue to be recognised is based on the consideration the Company received or expects to receive on exchange for its goods or services and that the contract has commercial substance, and collection is probable for collection. Amounts disclosed as revenue are net of returns, trade allowances and rebates.

Revenue is recognised for the major business activities using the methods outlined below:

A five-step process is applied before revenue is recognised:

- identify contracts with customers,
- identify the separate performance obligation,
- determine the transaction price of the contract,
- allocate the transaction price to each of the separate

performance obligations, and

- recognise the revenue as each performance obligation is satisfied.

Goods sold and services rendered

Revenue from the sale of goods comprises revenue earned from the provision of beverage and other goods and is recognised in the statement of comprehensive income when the significant risks and rewards of ownership have been transferred to the buyer.

Revenue from services to members and other patrons of the Company is recognised in the statement of comprehensive income when the services are provided. No revenue is recognised if there are significant uncertainties regarding recovery of the consideration due; the costs incurred or to be incurred cannot be measured reliably; there is a risk of return of goods; or there is continuing management involvement with the goods.

Subscriptions

Subscription fees are accounted on an accruals basis and the portion relating to the ensuing year is transferred to subscriptions in advance.

Marina and hardstand

The marina and hardstand revenue includes casual and permanent berthing fees, hardstand fees, locker fees and tender fees provided to members and other patrons of the Club. Yard and marina revenue is recognised when the goods or services are provided.

Sailing revenue

Sailing revenue consists of ferry charter fees, race entry fees, sponsorship, and other associated income. Sailing revenue is recognised when the goods or services are provided for all revenue except sponsorship which is recognised as it accrues.

Rental income

Rental income from property is recognised on a straight-line basis over the term of the lease. Lease incentives granted are recognised as an integral part of the total rental income.

Interest revenue

Interest revenue is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount.

(r) Other income - Bequests

Bequests are recognised when the legacy is received. Income from legacies comprising bequests of shares or other property are recognised at fair value, being the

market value of the shares or property at the date the group becomes legally entitled to the shares or property.

(s) Goods and Services Tax (GST)

Revenues, expenses, and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included with other receivables or payables in the balance sheet.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the taxation authority, are presented as operating cash flows.

3 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

(a) Critical accounting estimates and assumptions

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(i) Make good provision

This provision represents the present value of the directors' best estimate of the future sacrifice of economic benefits that will be required to settle the site restoration make good obligations pursuant to the company's lease of land and waterways. The estimate has been made on the basis of a cost estimate obtained from a Quantity Surveyor which has been projected to a future value using an escalation rate. The escalation rate is the equivalent of CPI and, where applicable, additional escalation for specific elements of the leased property. The discount rate applied to bring this future value back to its present value carrying amount is based on the incremental borrowing rate.

4 Revenue from contracts with customers

	2023	2022
	\$	\$
Revenue from sale of goods – bar, food and merchandise sales	2,991,825	1,750,824
Revenue from rendering of services – berthing, hardstand, and sponsorship	5,934,259	5,431,775
Revenue from Race entry	426,765	271,609

	6,333,267	4,708,726

Information about individual provisions and significant estimates:

(a) Employee benefits

The provision for employee benefits relates to Cruising Yacht Club of Australia's liability for long service leave and annual leave.

(b) Site restoration make good provision

Cruising Yacht Club of Australia is required to restore the leased sites to their original condition at the end of the respective lease terms. During FY23, the provision for make good has been adjusted upwards by \$1,521,004 based on current cost estimates provided by experts in make good and recognised at its present value. These costs have been capitalised as part of the cost of leasehold improvements and are amortised over the shorter of the term of the lease or the useful life of the assets.

Movements in provisions

Movements in each class of provision during the financial year, other than employee benefits, are set out below:

	2023	2022
	\$	\$
<i>Current year site restoration make good provision movement:</i>		
Balance at 1 April	4,843,880	4,686,273
Unwind of discount	157,608	157,607

<i>Non-current</i>		
Bank loans (i)	72,241	608,706
	632,549	1,265,134

(i) Terms and conditions of Bank loans

The company has the following loans

- 5-year term loan secured by a mortgage over the leasehold interest in the property located at 1 New Beach Road, Darling Point, NSW 2027 and general security over all the CYCA's existing and future assets and undertakings, with a carrying amount of \$549,183 (FY22 - 1,009,725) is repayable in monthly instalments until it matures in June 2024 and bears variable interest rate of Business Loan rate less a margin of 2.5%, plus line fee of 1%.
- 5-year AV and Office equipment loan secured over the equipment, with a carrying amount of \$138,383 (FY22 - 250,893) is repayable in monthly instalments until it matures in May 2024 and bears a fixed interest rate of 4.88%.
- 5-year Kitchen Equipment loan secured over the equipment, with a carrying amount of \$49,101 (FY22 - \$157,188) is repayable in monthly instalments until it matures in September 2023 and bears a fixed interest rate of 5.47%.
- 5-year Furniture loan secured over the furniture, with a carrying amount of \$27,680 (FY22 - \$79,074) is repayable in monthly instalments until it matures in September 2023 and bears a fixed interest rate of 10.00%.
- 4.5-year Furniture loan secured over the furniture with a carrying amount of \$6,583 (FY22 - \$19,145) is repayable in monthly instalments until it matures in September 2023 and bears a fixed interest rate of 6.29%.

The Company is not subject to any covenants.

15 Leases

(a) Amounts recognised in the balance sheet

The balance sheet shows the following amounts relating to leases:

	2023	2022
	\$	\$
Right-of-use assets		
Land	7,124,615	6,631,517
Marina	7,101,518	6,740,245
Make good assets	1,913,951	407,917
Equipment	133,935	248,736
	16,274,019	14,028,415
Lease liabilities		
Current	599,395	575,770
Non-current	14,510,402	13,925,618

Additions to the right-of-use assets during the current financial year were \$1,397,672, reflecting the increase in future land and marina lease payments. (2022: \$nil)

(b) Amounts recognised in the statement of comprehensive income

The income statement shows the following amounts relating to leases:

	2023	2022
	\$	\$
Depreciation charge of right-of-use assets		
Land	270,555	242,617
Marina	269,746	246,594
Make good assets	14,969	14,970
Equipment	114,800	114,801
Statement of comprehensive income	670,070	618,982
Interest expense (included in finance cost)	527,067	515,184
The total cash outflow for leases was	(1,302,402)	(975,710)

16 Retained profits

	2023	2022
	\$	\$
Balance at 1 April	6,120,538	6,291,440
Total recognised income and expenses	101,361	(170,902)
Balance at 31 March	6,221,899	6,120,538

17 Financial instruments

(a) Capital risk management

The capital structure of the company includes cash and cash equivalents and retained earnings.

The company has an existing loan facility with St George Bank, equipment Finance facilities with ANZ/Esanda and St George Bank and an equipment agreement with Sharp/National Equipment Rentals.

(b) Categories of financial instruments

	2023	2022
	\$	\$
Financial assets		
Trade and other receivables	218,941	102,319
Cash and cash equivalents	783,480	1,299,491
Financial liabilities		
Borrowings	632,549	1,236,134
Trade and other payables	1,184,025	850,914

The carrying amount reflected above represent the Company's maximum exposure to credit risk for such loans.

Other payables include Marina security deposits.

17 Financial instruments (cont.)**(c) Financial risk management objectives**

The Directors manage the financial risks relating to the operations of the company. These risks include credit risk and liquidity risk. The company does not enter in to or trade financial instruments, including derivative financial instruments, for speculative purposes.

(d) Market risk

The company's only exposure to market risk is the effect of changes in interest rates which would affect interest received. There has been no change to the company's exposure to market risks.

(e) Liquidity risk

Ultimate responsibility for liquidity risk management rests with the board of directors. The company manages liquidity risk by maintaining adequate cash balances and monitoring forecasts and actual cash flows. The following table details the company's remaining contractual maturity for its non-derivative financial liabilities. The table has been drawn up based on the undiscounted cash flows of financial liabilities including interest based on the earliest date on which the company can be required to pay.

Financial Liabilities	Weighted average effective interest rate	Less than 1 month	1 to 3 months	3 months to 1 year	1 to 5 years	More than 5 years	Total
		\$	\$	\$	\$	\$	\$
2023

Non-interest bearing							
Trade and other payables		311,675	-	-	539,239	-	850,914
		364,584	106,361	487,703	1,157,400	-	2,116,048

17 Financial instruments (cont.)

The following table details the company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets except where the company anticipates that the cash flow will occur in a different period.

Financial Assets	Weighted average effective interest rate	Less than 1 month \$	1 to 3 months \$	3 months to 1 year \$	1 to 5 years \$	More than 5 years \$	Total \$
2023

Cash and cash equivalent	-	783,480	-	-	-	-	783,480
Non-interest bearing							
Trade and other debtors	-	208,023	2,586	8,332	-	-	218,941
	-	991,503	2,586	8,332			1,002,421
2022							
Variable interest rate							
Cash and cash equivalent	-	1,299,491	-	-	-	-	1,299,491
Non-interest bearing							
Trade and other debtors	-	93,486	-	8,833	-	-	102,319
	-	1,392,977	-	8,833	-	-	1,401,810

(f) Fair value

The carrying amount of the financial assets and financial liabilities represents a reasonable approximation of fair value.

(g) Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. To the extent the Company has a receivable from another party there is a credit risk in the event of non-performance by that counterparty. Financial instruments, which potentially subject the Company to credit risk solely consist of trade and other receivables. The Company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

The carrying amount of the financial assets recorded in the financial statements, net of any allowances for losses, represents the company's maximum exposure to credit risk, without taking account of the value of any collateral obtained. The Company does not have any significant credit risk exposure to any single counterparty or any group of counterparties having similar characteristics.

19 Key management personnel

The following were key management personnel of the Company at any time during the reporting period, and unless otherwise indicated, were for the entire period:

Non-executive Directors

A. Lane, S. Haynes, D. Jacobs, J. Sapir, P. Gothard, D. Griffith AM, T. Barker, K. Whelan, J. Hall, N. Cornish AM (Retired July 2022), B. Kellett (Resigned July 2022)

Executive

J. Kirkjian, J. Brennan

Transactions with key management personnel

Non-executive directors have not received any remuneration from the Company during the year. The key management personnel compensation included in "Employee and employment expenses" are as follows:

	2023	2022
	\$	\$
Short-term employee benefits	563,973	539,563
	563,973	539,563

Apart from the details disclosed in this note, no director has entered into a material contract with the company or since the end of the previous financial year and there were no material contracts involving directors' interests existing at year-end.

From time to time, directors of the Company, or their director-related entities, may purchase goods and services from the company. These purchases are on the same terms and conditions as those entered into by other company employees or customers and are trivial or domestic in nature.

20 Related Parties

(a) Transactions with key management personnel

Transactions with key management personnel are disclosed in Note 18 to the financial statements.

(b) Transactions with other related parties

Other related parties include:

- CYCA SOLAS Trust
- CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts

The Company is the sole member of CYCA SOLAS Limited; a Company limited by guarantee which is the trustee of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts. The administration of the CYCA Sydney Hobart Yacht Race Safety of Life at Sea Trusts is under the control of the separate board of CYCA SOLAS Limited. The trustee company has a right to be indemnified out of the assets of the trust to satisfy liabilities properly incurred by the trustee. As at 31 March 2023 the outstanding liabilities committed by the trustee on behalf of the trust totalled \$nil (2021: \$nil). The assets of the trust are sufficient to meet this commitment. In the event CYCA SOLAS Limited is wound up and unable to repay all outstanding debts, the liability of its members is limited to an amount of \$10.

(c) Payments to related parties

Donations payable to the CYCA SOLAS Trust during the year were \$52,000 (2022: \$52,000). Expenses paid on behalf of the CYCA SOLAS Trust during the year were \$nil (2022: \$nil).

21 Contingent liabilities

Bank guarantees

The company has given the following bank guarantees:

	2023	2022
	\$	\$
NSW Department of Industry	220,000	220,000
Roads and Maritime Services	81,136	81,136

	\$	\$
Audit services		
Audit and review of the financial report	66,100	55,100
	66,100	55,100

The auditor of Cruising Yacht Club of Australia for the year ended 31 March 2022 and 31 March 2023 was PricewaterhouseCoopers.

23 Segment information

The Company's (Club) principal place of business and registered office is situated at 1 New Beach Road, Darling Point. The Club operates from these premises to promote participation in yachting including the sport of sailing and to provide ocean racing facilities, training and other yachting facilities and competition for its members.

Information reported to the chief operating decision maker for the purposes of resource allocation and assessment of segment performance focuses on types of goods or services delivered or provided. The chief decision maker of the entity reviews the financial information split by segment for revenue, but the expenses information is received by expense category. Therefore, only revenue per segment has been included below.

The following is an analysis of the revenue by reportable segment.

	2023	2022
	\$	\$
Sales revenue - bar, food and merchandise sales	3,447,692	1,820,569
Subscription revenue	1,471,179	1,198,507

Rental income	88,732	79,614
Sailing activities	2,500,255	2,385,125
Other revenue	16,364	-
Total revenue	11,108,406	8,851,471

Segment revenue reported above represents revenue generated from external customers. There were no inter-segment sales in the current year (2022: \$nil).

24 Going Concern

The financial statements have been prepared on a going concern basis, which assumes the continuity of normal business activity and the realisation of assets and the settlement of liabilities in the ordinary course of business.

As at 31 March 2023, the Company was in a negative working capital position of \$3,338,349 (2022: negative working capital of \$3,196,281) and the Company recorded a profit before tax of \$101,361 for the year then ended (2022: loss of \$170,902). The Company however continued to be in a net asset position of \$6,221,899 as at 31 March 2023 (2022: \$6,120,538) and continued to generate operating cash inflows of \$1,824,975 for the year then ended (2022: operating cash inflows of \$1,474,187).

The current liabilities recognised in the financial statements include contract liabilities of \$1,387,437 (2022: \$2,026,734), marina security deposits of \$583,945 (2022: \$539,239), which while generally refundable with 90 days of notice, are rolled over for many years and the current portion of the make good provision of \$227,895 (2022: \$168,757). It is deemed that the contract liabilities, marina security deposit and the make good provision are purely accounting balances and will not result in future cash outflows to the Company.

The continuing viability of the Company and its ability to continue as a going concern and meet its debts and commitments as and when they fall due are dependent upon the Company being successful in achieving sufficient future cash flows to enable its obligations to be met. The Company has prepared a cash flow forecast for twelve months from the date of signing these financial statements which indicates that the Company will generate adequate operating cash flows to pay their commitments as and when they fall due. Furthermore, whilst the Company is planning for future capital expenditure, these Board approved plans can be deferred and have therefore been excluded from the cashflow forecast.

The Company's directors believe that the Company will be successful in the above matter and, accordingly, have prepared the financial report on a going concern basis.

The financial statements do not include adjustments relating to the recoverability and classification of recorded asset amounts, or to the amounts and classification of liabilities that might be necessary should the Company not continue as a going concern.

25 Subsequent events

No matter or circumstance has arisen since 31 March 2023 that has significantly affected the Company's operations, results or state of affairs, or may do so in future years.

2022/2023 DIRECTORS' DECLARATION

for the financial year ended 31 March 2023

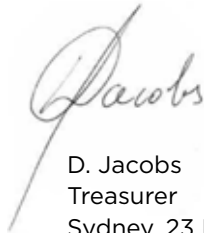

In the directors' opinion:

- (a) the financial statements and notes set out on pages 29 to 49 are in accordance with the *Corporations Act 2001*, including:
- (i) complying with Australian Accounting Standards, the *Corporations Regulations 2001* and other mandatory professional reporting requirements, and
 - (ii) giving a true and fair view of the company's financial position as at 31 March 2023 and of its performance for the financial year ended on that date, and

This declaration is made in accordance with a resolution of the directors.

Independent auditor's report

To the members of Cruising Yacht Club of Australia Limited

Our opinion

In our opinion:

The accompanying financial report of Cruising Yacht Club of Australia Limited (the Company) is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Company's financial position as at 31 March 2023 and of its financial performance for the year then ended
- (b) complying with Australian Accounting Standards - Simplified Disclosures and the *Corporations Regulations 2001*.

What we have audited

The financial report comprises:

- the balance sheet as at 31 March 2023
- the statement of comprehensive income for the year then ended
- the statement of changes in equity for the year then ended
- the statement of cash flows for the year then ended
- the notes to the financial statements, which include significant accounting policies and other explanatory information
- the directors' declaration.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Liability limited by a scheme approved under Professional Standards Legislation.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report for the year ended 31 March 2023, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors for the financial report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Simplified Disclosures and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our auditor's report.
